NOTICE TO THE MARKET

Companhia de Saneamento Básico do Estado de São Paulo – Sabesp (“Company” or “Sabesp”) hereby announces to its shareholders and the market in general that the São Paulo State Sanitation and Energy Regulatory Agency (ARSESP - *Agência Reguladora de Saneamento e Energia do Estado de São Paulo*) published the Public Consultation Notice N° 02/2019, which aims at obtaining contributions on the Regulatory Criteria for the recognition on the tariff of the transfers to the municipal basic sanitation funds.

According to the Notice, all interested parties may send their contributions from February 11, 2019 until March 11, 2019.

The documents related to Public Consultation N° 02/2019 are available at ARSESP’s and Sabesp’s Investor Relations websites.

The Company will keep the market informed on the developments concerning this matter.

São Paulo, February 11, 2019.

Rui de Britto Álvares Affonso

Chief Financial Officer and Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
