**DEREGISTRATION OF UNSOLD SECURITIES**

On September 6, 2001, the Securities and Exchange Commission (the "Commission") declared effective the Registration Statement on Form F-3 (File No. 333-68248) (the "Registration Statement") filed by Commtouch Software Ltd. (the "Company") and covering up to an aggregate of 1,406,612 of the Company's ordinary shares, NIS 0.05 nominal value per share ("Ordinary Shares"), to be sold by certain selling security holders of the Company.

Pursuant to the Company's undertaking in Item 10 of Part II of the Registration Statement, the Company intends to remove from registration under the Registration Statement, including all amendments and exhibits thereto, the unsold portion of Ordinary Shares registered thereon. The Ordinary Shares were issued in connection with the Company's acquisition in December 2000 of Wingra, Incorporated, a Wisconsin corporation, and were registered on the Registration Statement to fulfill a contractual obligation. This obligation further required the Company to maintain the effectiveness of the Registration Statement until the earlier of a) May 6, 2003 or b) such time as all Ordinary Shares offered under the Registration Statement have been sold. This period has expired.

Accordingly, the Company hereby de-registers all Ordinary Shares registered pursuant to the Registration Statement that as of effectiveness of this Post-Effective Amendment No. 1 remain unsold thereunder.
