#### Item 1.01. Entry into a Material Definitive Agreement.

The Compensation Committee of the Board of Directors of Insight Enterprises, Inc. (the "Company") approved, on February 9, 2005, a bonus formula for the Company's Chief Financial Officer, the President of Insight North America, Inc. and the President of Direct Alliance Corporation for 2005 and subsequent years (unless later revised by the Compensation Committee). Under this formula, these three executives will be entitled to an annual incentive bonus (with caps for each of the three executives), with a percentage available as quarterly advances against the annual amount, based upon the Company's reported diluted earnings per share ("EPS") provided that EPS exceeds a minimum annual amount (the "Minimum EPS"). For this calculation, EPS will be increased or decreased for any adjustments in the tabular reconciliation of financial measures prepared in accordance with United States generally accepted accounting principles ("GAAP") to non-GAAP financial measures in the quarterly press releases of the results of operations of the Company. If the Minimum EPS number is reached, the executives will receive a bonus calculated by multiplying EPS by a fixed multiplier and multiplying that product by a performance factor which increases with rising EPS. If the Minimum EPS is not reached, bonus awards are subject to the discretion of the Compensation Committee. In addition, with respect to the President of Direct Alliance Corporation, Direct Alliance Corporation must separately reach a minimum net earnings level, and, for the President of Insight North America, Inc., there are two multipliers, one for the Company and one for Insight North America, Inc.
