Item 7.01. Regulation FD Disclosure.

On February 17, 2005, Bowne & Co., Inc. issued a press release announcing its financial results for the quarter and year ended December 31, 2004. The outlook section of the press release incorrectly estimated diluted shares for 2005 as 36,200,000. The Company is revising that estimate to 35,100,000, which is the sum of Outstanding Common Shares as of December 31, 2004 of 33,700,000 plus the potential dilutive effect of stock options and deferred stock units (2004 fourth quarter average) of 1,400,000. This change does not impact the estimated earnings per share range contained in the press release.

A copy of the press release to reflect the corrected estimated diluted shares is attached hereto as Exhibit 99.1 and is incorporated herein in its entirety by reference.

The information furnished in this Item 7.01 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, except as shall be expressly set forth by specific release in such a filing.

Item 9.01. Financial Statements and Exhibits.

Exhibit 99.1 Press Release of Bowne & Co., Inc. dated February 17, 2005.
