Item 1.01 Entry into a Material Definitive Agreement.

At the 2006 Annual Meeting of Shareholders of Verticalnet, Inc. ("Verticalnet") held on May 19, 2006 (the "Annual Meeting"), Verticalnet's shareholders approved the Verticalnet, Inc. 2006 Omnibus Equity Compensation Plan (the "Omnibus Plan"). Verticalnet's Board of Directors previously approved the Omnibus Plan at a meeting held on March 2, 2006, subject to shareholder approval. A brief description of the material terms and conditions of the Omnibus Plan is contained in Verticalnet's Definitive Proxy Statement on Schedule 14A filed on April 12, 2006 in connection with the Annual Meeting (the "Proxy Statement") and is incorporated herein by reference.

The description of the Omnibus Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Omnibus Plan, a copy of which is filed as Exhibit 10.1 to this report, and is incorporated herein by reference. You are urged to read the Omnibus Plan attached to this report as Exhibit 10.1 in its entirety.

Item 8.01 Other Events.

On July 5, 2006, Verticalnet received a letter (the "Letter") from The Nasdaq Stock Market ("Nasdaq") that the Nasdaq Listing Qualifications Panel (the "Panel") determined that Verticalnet is now compliant with all Nasdaq Marketplace Rules, and eligible for continued listing on the Nasdaq Capital Market. As previously reported, on June 12, 2006, Verticalnet effected a one-for-seven reverse split of its outstanding shares of common stock. As a result of the reverse stock split, each holder of seven shares of common stock immediately prior to June 12, 2006 became the holder of one share of common stock. Pursuant to the Letter, the Panel noted that Verticalnet had taken appropriate actions to resolve its bid price deficiency, and that Verticalnet's common stock has now traded for more than ten consecutive trading days at over \$1.00 per share. Therefore, the Panel granted Verticalnet's request for continued listing on the Nasdaq Capital Market.

The Letter also stated that the Nasdaq Listing and Hearing Review Council may, on its own motion, determine to review any Panel decision within 45 calendar days after issuance of the written decision. If the Listing Council determines to review the decision, it may affirm, modify, reverse, dismiss, or remand the decision to the Panel.

Verticalnet also reports that each of the following proposals contained in the Proxy Statement were approved by Verticalnet's shareholders at the Annual Meeting:

1. The election of Mark L. Walsh and Darryl E. Wash as Class I Directors;
2. The amendment to Verticalnet's Amended and Restated Articles of Incorporation to effect a reverse stock split of its outstanding common stock at an exchange ratio of not less than 1-for-3 and not more than 1-for-7, and authorize Verticalnet's Board of Directors to implement the reverse stock split within this range at any time prior to the 2007 annual meeting of shareholders by filing an amendment to Verticalnet's Amended and Restated Articles of Incorporation;
3. The approval to issue shares of Verticalnet's common stock pursuant to Verticalnet's \$6.6 million Senior Secured Convertible Promissory Notes in an aggregate amount exceeding 19.99% of Verticalnet's outstanding shares of common stock;
4. The approval of the Verticalnet, Inc. 2006 Omnibus Equity Compensation Plan; and
5. The amendment to Verticalnet's Amended and Restated Articles of Incorporation to increase the number of authorized shares of its common stock to 150,000,000 shares.
