Item 1.01 Entry into a Material Definitive Agreement.

On June 6, 2013, Biolase, Inc. (the "Company") entered into an Agreement (the "Agreement") with Federico Pignatelli ("Mr. Pignatelli") and the members of the Company's board of directors (the "Board"). Pursuant to the Agreement, the Board agreed to re-nominate Mr. Pignatelli to serve on the Board at the next three annual meetings, and to maintain his election as Chairman of the Board until his earlier resignation or removal, or until he is not elected by the shareholders of the Company to be a director of the Company. The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is filed herewith as Exhibit 10.1 and incorporated by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Election of New Directors

On June 7, 2013, the Board elected Frederic H. Moll, M.D. and Erin S. Enright to the Board. In connection with their election to the Board, Dr. Moll was appointed to serve as a member of the Audit Committee of the Board, and Ms. Enright was appointed to serve as a member of the Compensation Committee of the Board.

Dr. Moll is the Chairman and Chief Executive Officer of Auris Surgical Robotics, Inc., based in Redwood City, California. In 1995, Dr. Moll co-founded Intuitive Surgical (NASDAQ: ISRG), a leading company in surgical robotics. He served as Intuitive Surgical's first Chief Executive Officer and as a director until 2004. Prior to Intuitive Surgical, Dr. Moll founded Endotherapeutics, which was acquired by U.S. Surgical in 1992. There are no understandings or arrangements between Dr. Moll or any other person and the Company or any of its subsidiaries pursuant to which Dr. Moll was selected to serve as a director of the Company. There are no family relationships between Dr. Moll and any director, executive officer or person nominated or chosen by the Company to become a director or executive officer, and there are no transactions between Dr. Moll or any of his immediate family members and the Company or any of its subsidiaries.

Ms. Enright is the President of Lee Medical, based in Plainsboro, New Jersey, a manufacturer of bone marrow needles, and Managing Member of Prettybrook Partners, LLC, a private investment firm. From 2010 to 2013, she served on the Board of Directors of Ceelite Technologies, LLC, and served as Chief Financial Officer of InfuSystem, Inc. from 2005 to 2007. From 1993 to 2003, Ms. Enright was a Managing Director with Citigroup in its Equity Capital Markets group. There are no understandings or arrangements between Ms. Enright or any other person and the Company or any of its subsidiaries pursuant to which Ms. Enright was selected to serve as a director of the Company. There are no family relationships between Ms. Enright and any director, executive officer or person nominated or chosen by the Company to become a director or executive officer, and there are no transactions between Ms. Enright or any of her immediate family members and the Company or any of its subsidiaries.

Pursuant to the terms of the Company's 2002 Stock Incentive Plan, upon their election to the Board, Dr. Moll and Ms. Enright each received an automatic option grant to purchase 35,000 shares of the Company's common stock at the closing price \$4.07 on June 7, 2013. Each automatic option is immediately exercisable for all of the option shares. However, any shares purchased under such option are subject to repurchase by the Company, at the lower of the exercise price paid per share or the fair market value per share (determined at the time of repurchase), should they cease Board service prior to vesting of those shares. The shares vest, and the Company's right of repurchase lapses, in four successive quarterly installments upon Dr. Moll and Ms. Enright's completion of each quarter of service as a non-employee director measured from the grant date. The shares subject to the option grant will immediately vest in full if certain changes in control or ownership occur or if Dr. Moll and Ms. Enright die or become disabled while serving as a director.

Appointment of President and Chief Operating Officer

On June 6, 2013, the Board appointed Alexander K. Arrow, M.D. as President and Chief Operating Officer of the Company. Dr. Arrow will receive a annual salary of \$250,000 in consideration for his service as President and Chief Operating Officer of the Company. Mr. Arrow's employment with the Company is at-will. Concurrent with his appointment, the Board granted to Dr. Arrow a stock option covering 350,000 shares of the Company's Common Stock, with a seven (7) year term and an exercise price equal to \$4.00 per share of the Company's Common Stock, which such option shall vest and be exercisable in equal quarterly portions over a four-year period beginning on the first anniversary of date of grant. The stock option is subject to those terms, conditions, and provisions as are contained in the Company's Amended and Restated 2002 Stock Incentive Plan.

Dr. Arrow, 42, has served on the Company's Board since July 2010.
