South Lone Mountain, Brock, and Stargo.

These properties represent approximately 1,600 claims and are subject to availability, and are being acquired by the Registrant without warranty from Pescio. Each of the ten properties obligates the Registrant to a payment to Pescio of advance royalties of \$35,000 per property, or \$350,000 in the aggregate. Pursuant to the terms of the letter agreement, the Registrant becomes obligated to pay Pescio \$50,000 upon execution of the letter agreement; that amount was paid on October 5, 2005. Pursuant to the agreement, the balance shall be paid as follows: \$150,000 on November 30, 2005, and \$150,000 on December 30, 2005. The Registrant does not anticipate any difficulty making these initial payments based on borrowings it has arranged from a private party.

The Registrant has also agreed to issue Pescio 100,000 shares of its common stock per property, payable either in grants of common stock, warrants or options to purchase that common stock; the form of these issuances is to be determined. The letter agreement is attached hereto as an exhibit, and contains the form of the lease/purchase agreement that shall pertain to each individual property.
