(1) Assumes conversion of all of the holder's notes at a conversion rate of 16.7771 shares of common stock per \$1,000 principal amount at maturity of the notes. This conversion rate is subject to adjustment, however, as described under Description of the Notes Conversion Rights Make Whole Amount and Description of the Notes Conversion Rights. As a result, the number of shares of common stock issuable upon conversion of the notes may increase or decrease in the future. With respect to each \$1,000 principal amount of notes surrendered for conversion, we will deliver the conversion value to holders as follows: (1) an amount in cash (the principal return) equal to the lesser of (a) the aggregate conversion value of the notes to be converted and (b) \$1,000, and (2) if the aggregate conversion value of the notes to be converted is greater than the principal return, an amount in shares (the net shares) equal to such aggregate conversion value, less the principal return. The number of net shares to be delivered will be determined as described in the prospectus.

(2) Includes shares of common stock issuable upon conversion of the notes in addition to any other shares of common stock identified to us by the selling securityholder as owned by it. See footnote (1).

(3) Calculated based on Rule 13d-3(d)(i) of the Exchange Act, using 59,209,960 common shares outstanding as of October 30, 2006. In calculating this amount for each holder, we treated as outstanding the number of shares of

common stock issuable upon conversion of all that holder's notes, but we did not assume conversion of any other holder's notes.

(4) Ellington Management Group, LLC is the investment advisor of this selling securityholder. Michael Vranos, as principal of Ellington Management Group, LLC, has dispositive power over the notes and voting and dispositive power over the shares of common stock underlying the notes held by this selling securityholder. Mr. Vranos disclaims beneficial ownership of the notes and the shares of common stock underlying the notes held by this selling securityholder, except to the extent of any indirect ownership interest he may have in such securities through his economic participation in this selling securityholder.

(5) The selling securityholder has identified itself as a broker-dealer. Each such selling securityholder has informed us that: (1) such selling securityholder purchased its notes in the ordinary course of business, and (2) at the time that the notes were purchased, the selling securityholder had no agreements or understandings, written or otherwise, with any person to, directly or indirectly, distribute the notes.

(6) Forest Investment Management LP ("Forest") has dispositive power over the notes and voting and dispositive power over the shares of common stock underlying the notes held by this selling securityholder. Forest is wholly owned by Forest Partners II, the sole general partner of which is Michael A. Boyd Inc., which is solely owned by Michael A. Boyd.

(7) Includes \$323,000 aggregate principal amount of notes previously reflected in the prospectus supplement dated October 4, 2006.

(8) John Gottfurcht, George Douglas and Amy Jo Gottfurcht, principals of SSI Investment Management Inc., the investment advisor of this securityholder, have dispositive power over the notes and voting and dispositive power over the shares of common stock underlying the notes held by this selling securityholder.

Investing in the notes and our common stock issuable upon conversion of the notes involves risks that are described in the Risk Factors section of the accompanying prospectus beginning on page 10.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.
