PRELIMINARY PROXY MATERIALS—SUBJECT TO COMPLETION

[____], 2011

Dear Shareholder:

A joint annual meeting of the BlackRock Closed-End Funds listed in Appendix A to the enclosed joint proxy statement (each, a "Fund") will be held at the offices of BlackRock Advisors, LLC, Park Avenue Plaza, 55 East 52nd Street, 11th Floor, New York, NY 10055, on Thursday, July 28, 2011, at [] [a.m./p.m.] (Eastern time), to consider and vote on the proposal discussed in the enclosed joint proxy statement.

The purpose of the meeting is to seek shareholder approval of the three nominees named in the enclosed joint proxy statement to the Boards of Trustees (each, a "Board," the members of which are referred to as "Board Members") of each Fund. Each Board has unanimously approved the three nominees named in the enclosed joint proxy statement on behalf of its Fund (the "Board Nominees"), subject to approval by the Fund's shareholders, and, for certain Funds, to seek approval of a shareholder proposal if it is properly presented at the annual meeting. The Boards have reviewed the qualifications and backgrounds of the Board Nominees and believe that they are experienced in overseeing investment companies and are familiar with the Funds and their investment advisers and that their election is in your best interests.

The Board Members responsible for your Fund recommend that you vote "FOR" the Board Nominees for your Fund and, if applicable, that you vote "AGAINST" the Shareholder Proposal, if properly presented at the annual meeting. In connection with your vote, we urge you to read the full text of the enclosed joint proxy statement.

Your vote is important. If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show photographic identification, such as your driver's license. If you hold your shares of a Fund through a bank, broker or other custodian, and plan to attend the meeting in person, in order to gain admission you must show photo identification, such as your driver's license, and satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. Even if you plan to attend the meeting, please promptly follow the enclosed instructions to submit voting instructions by telephone or via the Internet as indicated in the enclosed WHITE proxy card. Alternatively, you may submit voting instructions by signing and dating each WHITE proxy card you receive, and if received by mail, returning it in the accompanying postage-paid return envelope.

You have received this joint proxy statement because you were a shareholder of record of at least one of the Funds listed in Appendix A on May [], 2011. Certain other BlackRock Closed-End Funds not listed in Appendix A will also hold their annual meetings at the place and on the date stated above, but at a different time. If you were also a shareholder of record on May [], 2011 of one or more of those other funds, you will receive a separate proxy statement and proxy card relating to those funds. Please be certain to vote by telephone or via the Internet with respect to each Fund in which you are a shareholder of record or sign, date and return each proxy card you receive from us.

[If you own auction market preferred shares ("AMPS") issued by a Fund,] you may receive solicitation materials from Karpus Management, Inc. ("Karpus"), including an opposition proxy statement and proxy card, seeking your proxy to vote for Gerard J. Wenzke (the "Karpus Nominee") to be a member of the Board of your Fund elected solely by holders of the Fund's auction market preferred shares ("AMPS") or you may receive solicitation materials from Special Opportunities Fund, Inc. ("SOF") or Opportunity Partners, L.P. ("Opportunity Partners"), including an opposition proxy statement and proxy card, seeking your proxy to vote for Walter S. Baer (the "Bulldog Nominee") to be a member of the Board of your Fund elected solely by AMPS shareholders. **THE BOARDS HAVE NOT ENDORSED THE KARPUS NOMINEE OR THE BULLDOG NOMINEE. AS A RESULT, EACH BOARD**

UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE BOARD'S NOMINEES

ON THE ENCLOSED WHITE PROXY CARD AND URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY KARPUS, SOF OR OPPORTUNITY PARTNERS. Even if you have previously returned a proxy card sent to you by Karpus, SOF or Opportunity Partners, you can change your vote by signing, dating and returning a WHITE proxy card or by voting in person at the meeting by ballot. Only the latest dated proxy you submit will be counted. We urge you to not sign any proxy card sent to you by Karpus, SOF or Opportunity Partners or any person other than the Funds.

If you have any questions about the proposal to be voted on, please call Georgeson Inc., the firm assisting us in the solicitation of proxies, at 1-866-295-8105.

Sincerely,

Ira P. Shapiro

**IMPORTANT INFORMATION
FOR FUND SHAREHOLDERS**

While we encourage you to read the full text of the enclosed joint proxy statement, for your convenience we have provided a brief overview of the matters to be voted on.

Questions and Answers

Q: Why am I receiving the joint proxy statement?

A: Each Fund is required to hold an annual meeting of shareholders for the election of Board Members. This joint proxy statement describes a proposal to approve the nominees to the Board of the Fund(s) in which you own shares and provides you with other information relating to the meeting. The enclosed proxy card(s) indicate the Fund(s) in which you own shares. The table beginning on page [4] of the joint proxy statement identifies the Board Nominees for each Fund.

Q: How do the Boards of the Funds recommend that I vote?

A: The Boards have reviewed the qualifications and backgrounds of the Board Nominees and believe that they are experienced in overseeing investment companies and are familiar with the Funds and their investment advisers. The Boards have approved the Board Nominees named in the joint proxy statement, believe their election is in your best interests and recommend that you vote "FOR" each Board Nominee.

Owners of AMPS issued by a Fund, voting as a separate class, are entitled to elect one member of the Board (the "AMPS Nominee"). The Boards recommend that you vote "FOR" Mr. Kester as the AMPS Nominee. On February 11, 2011, the Funds received a letter from SOF regarding its intent to nominate the Bulldog Nominee to the Boards of BJZ and BPK to be voted on by the AMPS shareholders. On February 14, the Funds received a letter from Opportunity Partners regarding its intent to nominate the Bulldog Nominee to the Board of BQH to be voted on by the AMPS shareholders. On February 16, 2011, the Funds received letters from Karpus regarding its intent to nominate the Karpus Nominee to the Boards of BLJ, BAF, BZM, BBK, RFA, BHV, BIE, BPS and BBF to be voted on by the AMPS shareholders. If you own AMPS issued by a Fund, you may receive solicitation materials from Karpus, SOF or Opportunity Partners, including an opposition proxy statement and proxy card, seeking your proxy to vote for the Karpus Nominee or Bulldog Nominee.

THE BOARDS URGE YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY KARPUS, SOF OR OPPORTUNITY PARTNERS, EVEN AS A PROTEST VOTE AGAINST THEM. Even a vote against the Karpus Nominee on Karpus's card and a vote against the Bulldog Nominee on SOF's or Opportunity Partners' card will cancel any previous proxy submitted by you on the WHITE proxy card. If you have previously returned a proxy card sent to you by Karpus, SOF or Opportunity Partners, you have every right to change your vote by signing, dating and returning a WHITE proxy card or by voting by telephone, over the Internet or in person at the meeting by ballot. Only the latest dated proxy you submit will be counted.

Q: How do I vote my shares?

A: You can provide voting instructions by telephone, by calling the toll-free number on the WHITE proxy card(s) or Notice of Internet Availability of Proxy Materials, or by computer by going to the Internet address provided on the Notice of Internet Availability of Proxy Materials or WHITE proxy card(s) and following

Edgar Filing: BLACKROCK MARYLAND MUNICIPAL BOND TRUST - Form PREC14A

the instructions. Alternatively, if you received your WHITE proxy card(s) by mail, you can vote your shares by signing and dating the WHITE proxy card(s) and mailing it in the enclosed postage-paid envelope.

You may also attend the meeting and vote by ballot in person; however, even if you intend to do so, we encourage you to provide voting instructions by one of the methods discussed above.

If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show photographic identification, such as your driver's license.

If you hold your shares of a Fund through a bank, broker or other custodian, and plan to attend the meeting in person, in order to gain admission you must show photo identification, such as your driver's license, and satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your common or preferred shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting, unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the annual meeting.

The Boards urge you NOT to sign or return any proxy card sent to you by Karpus, SOF or Opportunity Partners, even as a protest vote against them. Withholding authority to vote for the Karpus Nominee on a proxy card that Karpus may send you or for the Bulldog Nominee on a proxy card that SOF or Opportunity Partners may send you is not the same as voting for the Board Nominees. A vote against the Karpus Nominee on its proxy card or a vote against the Bulldog Nominee on SOF's or Opportunity Partners' proxy card will cancel any previous proxy submitted by you.

Q: Why do the Boards recommend a vote FOR the AMPS Nominee?

A: The Boards recommend that you vote "FOR" Mr. Kester as the AMPS Nominee because of his outstanding qualifications, his years of experience with the Funds and his experience related to the issues surrounding the AMPS.

Q: Why do the Boards urge that I NOT sign or return any proxy card sent to me by Karpus, SOF or Opportunity Partners?

The Boards believe that election of the Karpus Nominee or Bulldog Nominee to the Board would be disruptive to the operations of the Funds and would not benefit the owners of AMPS. The Boards also note that they believe that it is possible that the interests of Karpus and the Karpus Nominee and SOF, Opportunity Partners and the Bulldog Nominee may not be aligned in all respects with other owners of AMPS.

Q: Will my vote make a difference?

A: Your vote is very important and can make a difference in the governance and management of the Funds, no matter how many shares you own. Your vote can help ensure that the Board Nominees will be elected. We encourage all shareholders to participate in the governance of their Funds.

Q: Are the Funds paying for the cost of the joint proxy statement?

A: The costs associated with the joint proxy statement, including the printing, distribution and the proxy solicitation costs, will be borne by the Funds. Additional out-of-pocket costs, such as legal expenses and auditor fees, incurred in connection with the preparation of the joint proxy statement, also will be borne by the Funds. Costs that are borne by the Funds collectively will be allocated among the Funds on the basis of a combination of their respective net assets and number of shareholder accounts, except when direct costs can reasonably be attributed to one or more specific Funds.

The Funds and BlackRock, Inc. have retained Georgeson Inc. ("Georgeson"), 199 Water Street, 26th Floor, New York, New York 10038, a proxy solicitation firm, to assist in the printing and distribution of proxy materials and the solicitation and tabulation of proxies. In addition, Broadridge Financial Solutions, Inc. ("Broadridge"), 51 Mercedes Way, Edgewood, NY 11717, will assist the Funds in the distribution of proxy materials. It is anticipated that Georgeson and Broadridge will be paid approximately \$[] and \$[], respectively, for such services (including reimbursements of out-of-pocket expenses). These fees include the cost associated with annual meetings of other closed-end funds managed by the Advisor.

Q: Whom do I call if I have questions?

A: If you need more information, or have any questions about voting, please call Georgeson, the Funds' proxy solicitor, at 1-866-295-8105.

Please vote now. Your vote is important.

To avoid the wasteful and unnecessary expense of further solicitation(s), we urge you to indicate your voting instructions on the proxy card(s), and if received by mail, date and sign it and return it promptly in the postage-paid envelope provided, or record your voting instructions by telephone or via the Internet, no matter how large or small your holdings may be. If your shares are held through a broker, you must provide voting instructions to your broker about how to vote your shares in order for your broker to vote your shares as you instruct at the meeting.

ANNUAL MEETING OF SHAREHOLDERS

JULY 28, 2011

JOINT PROXY STATEMENT

This joint proxy statement (this "Proxy Statement") is furnished in connection with the solicitation of proxies by the Boards of Trustees (each, a "Board," the members of which are referred to as "Board Members") of each BlackRock Closed-End Fund listed in Appendix A of this Proxy Statement (each, a "Fund"). The proxies will be voted at the joint annual meeting of shareholders of the Funds and at any and all adjournments, postponements or delays thereof. The meeting will be held at the offices of BlackRock Advisors, LLC (the "Advisor"), Park Avenue Plaza, 55 East 52nd Street, 11th Floor, New York, NY 10055, on Thursday, July 28, 2011, at [] [a.m./p.m.] (Eastern time). The meeting will be held for the purposes set forth in the accompanying notice.

The Boards of the Funds have determined that the use of this consolidated Proxy Statement for the meeting is in the best interests of the Funds and their shareholders in light of the similar matters being considered and voted on by the shareholders of each Fund. Distribution to shareholders of this Proxy Statement and the accompanying materials, or a Notice of Internet Availability of Proxy Materials, will commence on or about [], 2011.

Each Fund listed in Appendix A to this Proxy Statement is organized as a Massachusetts business trust (each, a "Massachusetts Trust") or a Delaware statutory trust (each, a "Delaware Trust"). The Massachusetts Trusts and Delaware Trusts are closed-end investment companies registered under the Investment Company Act of 1940 (the "1940 Act"). A list identifying each Massachusetts Trust and Delaware Trust is set forth in Appendix A.

Shareholders of record of a Fund as of the close of business on May [], 2011 (the "Record Date") are entitled to notice of and to vote at that Fund's meeting. Shareholders of the Funds are entitled to one vote for each share held, with no shares having cumulative voting rights. Holders of the auction market preferred stock, auction market preferred shares, auction preferred stock, auction preferred shares, auction rate preferred shares of beneficial interest, municipal auction rate cumulative preferred shares or auction rate municipal preferred shares (collectively, "AMPS") of each of the Funds will have equal voting rights with the shares of common stock or common shares of beneficial interest (collectively, the "common shares") of the Funds and, except as otherwise noted in this Proxy Statement, will vote together with the holders of common shares as a single class on each nominee to the Board of the Fund in which they own AMPS, except that they are entitled to vote separately as a class to elect two Board Members for each Fund in which they own AMPS. The Board Members representing AMPS holders are Class I and Class II Board Members. The quorum and voting requirements for each Fund are described in the section below entitled "Vote Required and Manner of Voting Proxies."

The number of shares outstanding of each Fund as of the close of business on the Record Date and the net assets of each Fund on the Record Date are shown in Appendix A. Except as set forth in Appendix I, to the knowledge of each Fund, as of May 10, 2011, no person was the beneficial owner of five percent or more of a class of a Fund's outstanding shares.

The Fund in which you owned shares on the Record Date is named on the proxy card or Notice of Internet Availability of Proxy Materials. If you owned shares in more than one Fund on the Record Date, you may receive more than one proxy card. Even if you plan to attend the meeting, please sign, date and return EACH WHITE proxy card you receive or, if you provide voting instructions by telephone or over the Internet, please vote on the proposal affecting EACH Fund you own. If you vote by telephone or over the Internet, you will be asked to enter a unique code that has been assigned to you, which is printed on your WHITE proxy card(s) or Notice of Internet Availability of Proxy Materials, as applicable. This code is designed to confirm your identity, provide access into the voting site and confirm that your voting instructions are properly recorded.

All properly executed proxies received prior to the meeting will be voted at the meeting. On any matter coming before the meeting as to which a shareholder has specified a choice on that shareholder's proxy, the shares will be voted accordingly. If a WHITE proxy card is properly executed and returned and no choice is specified with respect to the proposal, the shares will be voted "FOR" the proposal. Shareholders who execute proxies or provide voting instructions by telephone or the Internet may revoke them with respect to the proposal at any time before a vote is taken on the proposal by filing with the applicable Fund a written notice of revocation (addressed to the Secretary of the Fund at the principal executive offices of the Fund at the address above), by delivering a duly executed proxy bearing a later date or by attending the meeting and voting in person by ballot, in all cases prior to the exercise of the authority granted in the proxy card. Merely attending the meeting, however, will not revoke any previously executed proxy. If you hold shares through a bank or other intermediary, please consult your bank or intermediary regarding your ability to revoke voting instructions after such instructions have been provided.

Certain other BlackRock Closed-End Funds not listed in Appendix A will also hold their annual meetings at the place and date stated above, but not at the same time. If you were also a shareholder of record on the Record Date of one or more of those other funds, you will receive a separate proxy statement and proxy card relating to those funds.

If you own AMPS issued by a Fund, you may receive solicitation materials from Karpus Management, Inc. ("Karpus"), including an opposition proxy statement and proxy card, seeking your proxy to vote for Gerard J. Wenzke (the "Karpus Nominee") to be a member of the Board of your Fund elected solely by AMPS shareholders or you may receive solicitation materials from Special Opportunities Fund, Inc. ("SOF") or Opportunity Partners, L.P. ("Opportunity Partners"), including an opposition proxy statement and proxy card, seeking your proxy to vote for Walter S. Baer (the "Bulldog Nominee") to be a member of the Board of your Fund elected solely by AMPS shareholders. THE BOARDS HAVE NOT ENDORSED THE KARPUS NOMINEE OR THE BULLDOG NOMINEE. AS A RESULT, EACH BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE

ELECTION OF EACH OF THE BOARD'S NOMINEES ON THE ENCLOSED WHITE PROXY CARD AND URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY KARPUS, SOF OR OPPORTUNITY PARTNERS. Even if you have previously returned a proxy card sent to you by Karpus, SOF or Opportunity Partners, you can change your vote by signing, dating and returning a WHITE proxy card or by voting in person at the meeting by ballot. Only the latest dated proxy you submit will be counted. We urge you to not sign any proxy card sent to you by Karpus, SOF, Opportunity Partners or any person other than the Fund. Appendix B attached to this Proxy Statement sets forth certain information relating to our trustees, officers and certain other persons who are "participants" in the solicitation of proxies.

If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show photographic identification, such as your driver's license. If you hold your shares of a Fund through a bank, broker or other custodian, and plan to attend the meeting in person, in order to gain admission you must show photo identification, such as your driver's license, and satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date.

For directions to the meeting, please contact Georgeson, the firm assisting us in the solicitation of proxies, at 1-866-295-8105.

Each Fund will furnish, without charge, a copy of its annual report and most recent semi-annual report succeeding the annual report, if any, to a shareholder upon request. Such requests should be directed to the applicable Fund at Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055, or by calling toll free at 1-800-441-7762. Copies of annual and semi-annual reports of each Fund are also available on the EDGAR Database on the Securities and Exchange Commission's website at www.sec.gov.

BlackRock will update performance data for the Funds, as well as certain other data for Funds that are municipal funds, on a monthly basis on its website in the "Closed-End Funds" section of www.blackrock.com. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the BlackRock Closed-End Funds.

Please note that only one annual or semi-annual report or Proxy Statement or Notice of Internet Availability of Proxy Materials may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement or Notice of Internet Availability of Proxy Materials, or for instructions as to how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

YOUR VOTE IS IMPORTANT

To avoid the wasteful and unnecessary expense of further solicitation, we urge you to indicate voting instructions on the enclosed proxy card(s), and if received by mail, date and sign it and return it promptly in the postage-paid envelope provided, or record your voting instructions by telephone or via the Internet, no matter how large or small your holdings may be. If you submit a properly executed proxy card but do not indicate how you wish your shares to be voted, your shares will be voted "FOR" the proposal. If your shares are held through a broker, you must provide voting instructions to your broker about how to vote your shares in order for your broker to vote your shares as you instruct at the meeting.

- (1) The Class I Board Member nominees are Michael J. Castellano, R. Glenn Hubbard and W. Carl Kester. Michael J. Castellano and R. Glenn Hubbard are voted upon by the common and preferred shareholders voting together as a single class, and W. Carl Kester, as the AMPS Nominee, is voted upon by owners of AMPS voting as a separate class. Please see the description below under "PROPOSAL 1 — ELECTION OF BOARD MEMBER NOMINEES" for a more detailed discussion regarding the AMPS Nominee.
- (2) With respect to the Funds, Frank J. Fabozzi and W. Carl Kester are currently the Board Members elected solely by the owners of AMPS. Dr. Kester is the AMPS Nominee standing for election. Mr. Fabozzi's term as a Board Member is scheduled to expire in 2012 and therefore he is not standing for election this year as an AMPS Nominee. Please

see the description below under "PROPOSAL 1 — ELECTION OF BOARD MEMBER NOMINEES" for a more detailed discussion regarding the AMPS Nominee.

- (3) The shareholder proposal is voted upon by the common and preferred shareholders voting together as a single class.

PROPOSAL 1—ELECTION OF BOARD MEMBER NOMINEES

The purpose of Proposal 1 is to elect Board Member nominees for each Fund.

Nominees for each Fund. The Board of each Fund consists of eleven Board Members, nine of whom are not "interested persons" of the Funds (as defined in the 1940 Act) (the "Independent Board Members"). Prior to March 31, 2010, the Board of each Fund had 11 Board Members. However, on March 31, 2010, G. Nicholas Beckwith, III resigned from the Board of each Fund. On April 14, 2011, the Board of each Fund determined to increase the number of Trustees to 11 and appointed Michael J. Castellano as a Class I Board Member of each Fund. The Funds divide their Board Members into three classes: Class I, Class II and Class III and generally only one class of Board Members stands for election each year. Only the Class I Board Members are standing for election this year. Each Class I Board Member elected at the meeting will serve until the later of the 2014 annual meeting or until his or her successor is elected and qualifies, or until his or her earlier death, resignation, retirement or removal.

The owners of AMPS are entitled to vote as a separate class to elect two of the Board Members (the "AMPS Nominees") for the Fund in which they own AMPS. This means that owners of common shares are not entitled to vote in connection with the election of the AMPS Nominees. However, the owners of common shares and the owners of AMPS, voting together as a single class, are entitled to elect the remainder of the Board Member nominees. Frank J. Fabozzi and W. Carl Kester are currently the Board Members elected solely by the owners of AMPS. Only W. Carl Kester is standing for election this year as an AMPS Nominee. Mr. Fabozzi's term as a Board Member is scheduled to expire in 2012 and therefore he is not standing for election this year as an AMPS Nominee.

The Board recommends a vote "FOR" the election of Michael J. Castellano, R. Glenn Hubbard and W. Carl Kester (the "Board Nominees"). To vote for the Board Nominees, please vote by telephone or over the Internet, as described in the WHITE proxy card, or date and sign the enclosed WHITE proxy card and return it promptly in the enclosed postage-paid envelope. Each of the Board Nominees has consented to being named in this Proxy Statement and to serve as a Board Member if elected.

Please refer to the following table which identifies the Board Nominees, including any AMPS Nominees, for election to the Board of each Fund.

Biographical Information. The following table sets forth certain biographical information about the Board Members generally, including the Board Nominees, for all of the Funds. Please note that only the Class I Board Members are standing for election for the Funds. Each Board Nominee was nominated by the Governance and Nominating Committee of the Board of each respective Fund. Richard E. Cavanagh was selected to serve as the Chair and Karen P. Robards was selected to serve as the Vice Chair of each Board. All of the closed-end registered investment companies advised by the Advisor, including the Funds, are referred to collectively as the "Closed-End Complex."

* Following the combination of Merrill Lynch Investment Managers, L.P. ("MLIM") and BlackRock in September 2006, the various legacy MLIM and legacy BlackRock fund boards were realigned and consolidated into three new fund boards in 2007. As a result, although the chart shows certain Board Members as joining the Boards in 2007, each Board Member first became a member of the Boards of Directors/Trustees of other legacy MLIM or legacy BlackRock funds as follows: Richard E. Cavanagh since 1994; Richard S. Davis since 2007; Frank J. Fabozzi since 1988; Kathleen F. Feldstein since 2005; James T. Flynn since 1996; Henry Gabbay since 2007; Jerrold B. Harris since 1999; R. Glenn Hubbard since 2004; W. Carl Kester since 1998; and Karen P. Robards since 1998. Board Members serve until their resignation, removal or death, or until December 31 of the year in which they turn 72.

** For purposes of this chart, "RICs" refers to registered investment companies and "Portfolios" refers to the investment programs of the Funds. The Closed-End Complex is comprised of 95 RICs. Some of the RICs have the same investment program because they invest through a master-feeder structure, which results in the smaller number of Portfolios than RICs.

*** Directorships disclosed under this column do not include directorships disclosed under the column "Principal Occupation(s) During Past Five Years."

† Messrs. Davis and Gabbay are "interested persons" (as defined in the 1940 Act) of the Funds by virtue of their current or former positions with BlackRock Advisors, LLC, BlackRock Capital Management, Inc. or BlackRock Financial Management, Inc. (collectively, "BlackRock Advisors"), each a wholly owned subsidiary of BlackRock, Inc., and their ownership of BlackRock, Inc. and The PNC Financial Service Group, Inc. securities.

(1) Class I Board Member and Board Nominee.

(2) Board Members elected solely by the owners of AMPS.

The Independent Board Members have adopted a statement of policy that describes the experiences, qualifications, skills and attributes that are necessary and desirable for potential Independent Board Member candidates (the "Statement of Policy"). The Boards believe that each Independent Board Member satisfied, at the

time he or she was initially elected or appointed a Board Member, and continues to satisfy, the standards contemplated by the Statement of Policy as well as the standards set forth in each Fund's By-Laws. Furthermore, in determining that a particular Board Member was and continues to be qualified to serve as a Board Member, the Boards have considered a variety of criteria, none of which, in isolation, was controlling. The Boards believe that, collectively, the Board Members have balanced and diverse experiences, skills, attributes and qualifications, which allow the Boards to operate effectively in governing the Funds and protecting the interests of shareholders. Among the attributes common to all Board Members is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Funds' investment adviser, sub-advisers, other service providers, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties as Board Members. Each Board Member's ability to perform his or her duties effectively is evidenced by his or her educational background or professional training; business, consulting, public service or academic positions; experience from service as a board member of the Funds or the other funds in the BlackRock fund complexes (and any predecessor funds), other investment funds, public companies, or not-for-profit entities or other organizations; ongoing commitment and participation in Board and committee meetings, as well as their leadership of standing and ad hoc committees throughout the years; or other relevant life experiences.

The following table discusses some of the experiences, qualifications and skills of each of our Board Members that support the conclusion that they should serve (or continue to serve) on the Boards.

Dr. Fabozzi was inducted into the Fixed Income Analysts Society's Hall of Fame and is the 2007 recipient of the C. Stewart Sheppard Award given by the CFA Institute. * Class I Board Member and Board Nominee.

Board Leadership Structure and Oversight

The Boards consist of 11 individuals, nine of whom are Independent Board Members. The registered investment companies advised by the Advisor are composed of the BlackRock Closed-End Complex, two complexes of open-end funds and one complex of exchange-traded funds. The Funds are included in the BlackRock Closed-End Complex. The Board Members also oversee the operations of other closed-end registered investment companies included in the BlackRock Closed-End Complex as directors or trustees.

The Boards have overall responsibility for the oversight of the Funds. The Chair of the Boards and the Chief Executive Officer are two different people. Not only is the Chair of the Boards an Independent Board Member, but also the Chair of each Board committee (each, a "Committee") is an Independent Board Member. The Boards have five standing Committees: an Audit Committee, a Governance and Nominating Committee, a Compliance Committee, a Performance Oversight Committee and an Executive Committee. The Boards also have two ad hoc committees, the Joint Product Pricing Committee and the ad hoc AMPS Committee, with respect to the Funds that issue AMPS. The role of the Chair of the Boards is to preside at all meetings of the Boards and to act as a liaison with service providers, officers, attorneys, and other Board Members between meetings. The Chair of each Committee performs a similar role with respect to such Committee. The Chair of the Boards or Committees may also perform such other functions as may be delegated by the Boards or the Committees from time to time. The Independent Board Members meet regularly outside the presence of the Funds' management, in executive session or with other service providers to the Funds. The Boards have regular meetings five times a year, including a meeting to consider the approval of the Funds' investment management agreements, and may hold special meetings if required before their next regular meeting. Each Committee meets regularly to conduct the oversight functions delegated to that Committee by the Boards and reports its findings to the Boards. The Boards and each standing Committee conduct annual assessments of their oversight function and structure. The Boards have determined that the Boards' leadership structure is appropriate because it allows the Boards to exercise independent judgment over management and to allocate areas of responsibility among Committees and the Boards to enhance effective oversight.

The Boards decided to separate the roles of Chair and Chief Executive Officer because they believe that an independent Chair:

- Increases the independent oversight of the Funds and enhances the Boards' objective evaluation of the Chief Executive Officer
- Allows the Chief Executive Officer to focus on the Funds' operations instead of Board administration
-

Provides greater opportunities for direct and independent communication between shareholders and the Boards

- Provides an independent spokesman for the Funds

The Boards have engaged the Advisor to manage the Funds on a day-to day basis. Each Board is responsible for overseeing the Advisor, other service providers, the operations of each Fund and associated risks in accordance with the provisions of the 1940 Act, state law, other applicable laws, each Fund's charter, and each Fund's investment objective(s) and strategies. The Boards review, on an ongoing basis, the Funds' performance, operations, and investment strategies and techniques. The Boards also conduct reviews of the Advisor and its role in running the operations of the Funds.

Day-to-day risk management with respect to the Funds is the responsibility of the Advisor or other service providers (depending on the nature of the risk), subject to the supervision of the Advisor. The Funds are subject to a number of risks, including investment, compliance, operational and valuation risks, among others. While there are a number of risk management functions performed by the Advisor or other service providers, as applicable, it is not possible to eliminate all of the risks applicable to the Funds. Risk oversight is part of the Boards' general oversight of the Funds and is addressed as part of various Board and Committee activities. The Boards, directly or through Committees, also review reports from, among others, management, the independent registered public accounting firm for the Funds, the Advisor, and internal auditors for the Advisor or its affiliates, as appropriate, regarding risks faced by the Funds and management's or the service provider's risk functions. The Committee system facilitates the timely and efficient consideration of matters by the Board Members and facilitates effective oversight of compliance with legal and regulatory requirements and of the Funds' activities and associated risks. The Boards have appointed a Chief Compliance Officer, who oversees the implementation and testing of the Funds' compliance program and reports regularly to the Boards regarding compliance matters for the Funds and their service providers. The Independent Board Members have engaged independent legal counsel to assist them in performing their oversight responsibilities.

Compensation. Information relating to compensation paid to the Board Members for each Fund's most recent fiscal year is set forth in Appendix C.

Equity Securities Owned by Board Members. Information relating to the amount of equity securities owned by Board Members in the Funds that they are nominated to oversee, as well as certain other funds in the Closed-End Complex, as of [____], 2011 is set forth in Appendix D.

Attendance of Board Members at Annual Shareholders' Meetings. It is the policy of all the Funds to encourage Board Members to attend the annual shareholders' meeting. All of the Board Members of each Fund attended last year's annual shareholders' meeting.

Board Meetings. During the calendar year 2010, the Board of each Fund met seven times. Information relating to the number of times that the Boards met during each Fund's most recent fiscal year is set forth in Appendix E. No incumbent Board Member attended less than 75% of the aggregate number of meetings of each Board and of each committee of each Board on which the Board Member served during each Fund's most recently completed fiscal year.

Standing and Other Operating Committees of the Boards. Information relating to the various standing and other operating committees of the Boards is set forth in Appendix F.

The Boards of the Funds established an ad hoc Committee on AMPS (the "AMPS Committee") in March 2008. The current members of the AMPS Committee are: Richard E. Cavanagh (Chair), Karen P. Robards, Frank J. Fabozzi, Henry Gabbay and W. Carl Kester. Since February 2008, most auction rate preferred shares, including the AMPS, have been unable to hold successful auctions and AMPS holders have faced reduced liquidity. The AMPS Committee was formed for the purpose of monitoring issues arising from recent market turmoil and overseeing efforts to address the effects of reduced AMPS liquidity on each Fund and to evaluate the liquidity considerations of the AMPS holders, each in a manner consistent with each Fund's and its shareholders' best interests and investment strategies. As of the date of this Proxy Statement, the AMPS Committee has met [18] times in the last calendar year and [50] times since its formation. As of the date of this Proxy Statement, the total amount of announced redemptions of auction market preferred shares across the Closed-End Complex, including the Funds, equaled \$[4.713] billion, which represents approximately [48]% of all auction market preferred shares outstanding for the Closed-End Complex as of February 2008. The Funds are currently exploring alternative forms of leverage in order to provide liquidity to holders of AMPS, including, among other things, the issuance of a relatively new form of preferred stock that includes a put feature, which would make the securities eligible for purchase by money market funds. The Funds continue to explore

the use of additional alternative forms of leverage such as tender option bonds, repurchase agreements and credit facilities.

Compliance with Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act"). Section 16(a) of the Exchange Act requires the Funds' Board Members, executive officers, persons who own more than ten percent of a registered class of a Fund's equity securities, BlackRock Advisors and certain officers of BlackRock Advisors, to file reports on holdings of, and transactions in, Fund shares with the Securities and Exchange

Commission ("SEC") and to furnish the Funds with copies of all such reports. Based solely on a review of copies of such reports furnished to the relevant Funds and representations from these reporting persons, each Fund believes that its Board Members, executive officers, ten percent holders, BlackRock Advisors and certain officers of BlackRock Advisors met all applicable SEC filing requirements.

Executive Officers of the Funds. Information about the executive officers of each Fund, including their year of birth and their principal occupations during the past five years, is set forth in Appendix G.

Your Board recommends that you vote "FOR" the election of each Board Nominee to the Board of your Fund(s).

On February 14, 2011, BlackRock received a letter from Opportunity Partners (the "Opportunity Partners Nomination Notice") purporting to nominate Walter S. Baer for election to the Board of BQH by holders of the AMPS.

On February 16, 2011, BlackRock received letters from Karpus (each a "Karpus Nomination Notice") purporting to nominate Gerard J. Wenzke for election to the Boards of BLJ, BAF, BZM, BBK, RFA, BHV, BIE, BPS and BBF by the holders of AMPS.

On February 23, 2011, Karpus submitted the shareholder proposal to BLJ, BAF, BZM, BBK, RFA, BHV, BIE, BPS and BBF.

On February 24, 2011, BlackRock provided Karpus with a letter stating that the Karpus Nomination Notices contained material deficiencies and failed to comply with the requirements of the By-laws of each of the Funds but the Board of each of the Funds would meet to determine whether or not Karpus would be permitted to submit the nominations at the annual meeting.

On February 24, 2011, BlackRock provided SOF with a letter stating that SOF's nominations had not been made by a shareholder of record and that the SOF Nomination Notice contained material deficiencies and failed to comply with the requirements of the By-laws of each of the Funds but the Board of each of the Funds would meet to determine whether or not SOF would be permitted to submit the nominations at the annual meeting.

On February 24, 2011, BlackRock provided Opportunity Partners with a letter stating that the Opportunity Partners Nomination Notice contained material deficiencies and failed to comply with the requirements of the Bylaws of BQH but the Board of BQH would meet to determine whether or not Opportunity Partners would be permitted to submit the nomination at the annual meeting.

On February 28, 2011, Opportunity Partners and SOF each sent BlackRock a letter stating that only the Board could determine the validity of the notices. The letters also stated that Opportunity Partners and SOF would be willing to consider withdrawing their nomination if they could be assured that the Board was sensitive to the concerns of the holders of the AMPS.

On March 1, 2011, Karpus sent BlackRock a letter asking when the Boards would be meeting to make a determination regarding the Karpus Nomination Notices.

On March 8, 2011, Opportunity Partners, SOF and Karpus (collectively, "Plaintiffs") filed a complaint (the "Complaint") in the Delaware Court of Chancery against BlackRock New York Municipal Bond Trust, BlackRock California Municipal 2018 Term Trust, BlackRock Municipal 2018 Term Trust, BlackRock Municipal Income Investment Quality Trust, BlackRock Municipal Income Investment Trust, BlackRock Municipal Bond Trust, BlackRock Virginia Municipal Bond Trust, BlackRock Municipal Bond Investment Trust, BlackRock New Jersey Municipal Bond Trust, The BlackRock Pennsylvania Strategic Municipal Trust, BlackRock Maryland Municipal Bond Trust, Richard E. Cavanagh, Kathleen F. Feldstein, Henry Gabbay, Jerrold B. Harris, Karen P. Robards, James T. Flynn, R. Glenn Hubbard, Richard S. Davis, Frank J. Fabozzi, and W. Carl Kester (the "Defendants"). The case,

which we refer to as the "Delaware Action", is captioned Opportunity Partners L.P. v. BlackRock New York Municipal Fund, C.A. No. 6255-VCN (Del. Ch.). Among other things, the Complaint alleges that certain bylaw provisions requiring advance notice of nominations to the board of trustees and that certain bylaw provisions requiring disclosures related the nominators and nominees are invalid. The Complaint further alleges that the boards of each fund breached their fiduciary duty by adopting these bylaws and "accelerating" the annual meeting. The Complaint also seeks a ruling that the Plaintiffs' advance notices are proper. The Delaware Action is at a preliminary stage, and the Defendants intend to defend it vigorously.

While RFA is not party to the Delaware Action, the outcome of the Delaware Action could, in the event of an adverse decision, effect the Board of Trustees of RFA's determination regarding the validity of the Karpus Nomination Notice submitted to RFA.

On March 21, 2011, the Boards of the Funds met and determined that the Karpus Nomination Notices, the SOF Nomination Notice and the Opportunity Partners Nomination Notice were defective under the Bylaws and that such nominations would not be allowed. Later that day, counsel for the Funds notified Karpus, SOF and Opportunity Partners of the Boards' decisions with respect to the defective notices.

On March 22, 2011, Defendants moved for expedited proceedings, requesting in the Delaware Action a trial in early May.

On March 30, 2011, the Court denied Defendants' motion to expedite the Delaware Action.

On March 31, 2011, Plaintiffs commenced discovery by serving a document request on Defendants and, on April 1, 2011, a subpoena on BlackRock Advisors, LLC.

On April 18, 2011, Defendants' filed their answer and counterclaims in the Delaware Action.

Because the Boards of each of the Funds has determined that the purported nominations did not comply with the Funds' Bylaws, subject to the outcome of the Delaware Action, the chairman of the meeting intends to rule that the purported nominations of the Karpus Nominee and the Bulldog Nominee are out of order and disallow votes for any of them. There can be no assurance that the Court will agree with the Boards' decisions relating to the defective nature of the Karpus Nomination Notice, the SOF Nomination Notice or the Opportunity Partners Nomination Notice, and if the Court does not agree with the Boards' determinations, what remedy it may impose. Additionally, the Bulldog Nominee is older than the Funds' mandatory retirement age (72) and therefore the Funds believe that such nominee is not eligible to serve as a trustee. The Boards recommend that you NOT return Karpus' [Color] proxy card, SOF's [Color] proxy card, Opportunity Partners' [Color] proxy card, or otherwise vote as recommended by Karpus, SOF or Opportunity Partners.

For AMPS Shareholders Only

The owners of AMPS are entitled to vote as a separate class to elect the AMPS Nominees for the Fund or Funds in which they own AMPS.

Auctions for AMPS began failing in February 2008. Since that time, owners of AMPS generally have not been able to sell AMPS through the auction process. To address this development, each Fund established an AMPS Committee. The AMPS Committee for the Funds has met [50] times since its inception. The AMPS Committee has worked diligently to seek to provide liquidity to owners of the AMPS consistent with the duty of the Board Members, including the AMPS Nominee, to act in the best interests of each Fund as a whole. It is important to note that, under applicable state law, all the Board Members of a Fund, including the AMPS Nominee, generally owe duties to the

Fund as a whole and not to the class of shareholders that elected them. As a result, the AMPS Nominee is not permitted to favor the AMPS owners over the common share owners of the Funds, except to the extent expressly authorized by the terms of the AMPS.

The AMPS Committee currently is comprised of Ms. Robards and Messrs. Cavanagh, Fabozzi, Kester and Gabbay. Messrs. Fabozzi and Kester are the Board Members that were previously elected by the AMPS owners. Mr. Kester has been nominated by the Boards as the AMPS Nominee for each Fund at this year's annual meeting. Mr. Fabozzi is currently serving a term that is set to expire at the [2012] annual meeting of shareholders.

The Boards recommend that AMPS owners vote "FOR" Mr. Kester as the AMPS Nominee. Mr. Kester is the George Fisher Baker Jr. Professor of Business Administration at Harvard Business School and the Deputy Dean of Academic Affairs at Harvard Business School. Mr. Kester's experiences as a professor and author in the field of investment management provide the Funds with invaluable guidance regarding their investment policies and practices a wealth of expertise in the investment management, international corporate finance and corporate governance areas. Mr. Kester has 4 years of experience on the Boards of the Funds and has been immersed in the issues related to the Funds' efforts to provide liquidity to the owners of AMPS. In light of his qualifications, years of experience with the Funds and experience related to the issues surrounding the AMPS, the Board recommends that owners of the AMPS vote FOR the election of Mr. Kester as the AMPS Nominee.

Owners of AMPS may receive solicitation materials from Karpus, SOF or Opportunity Partners, including an opposition proxy statement and proxy card, seeking your proxy to vote for the Karpus Nominee or the Bulldog Nominee to be a member of the Board of your Fund elected solely by AMPS shareholders. The Boards believe that the election of the Karpus Nominee or the Bulldog Nominee to the Boards would be disruptive to the operations of the Funds. In addition, because applicable state law does not permit trustees elected by the AMPS as a separate class to favor the owners of AMPS over the owners of common shares, the Boards do not believe that the election of the Karpus Nominee or the Bulldog Nominee would benefit the owners of AMPS.

THE BOARDS HAVE NOT ENDORSED THE KARPUS NOMINEE OR THE BULLDOG NOMINEE. AS A RESULT, EACH BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE BOARD'S NOMINEES ON THE ENCLOSED WHITE PROXY CARD AND URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY KARPUS, SOF OR OPPORTUNITY PARTNERS. Even if you have previously returned a proxy card sent to you by Karpus, SOF or Opportunity Partners, you can change your vote by signing, dating and returning a WHITE proxy card or by voting in person at the meeting by ballot. Only the latest dated proxy you submit will be counted. We urge you to not sign any proxy card sent to you by Karpus, SOF or Opportunity Partners or any person other than the Fund.

PROPOSAL 2—SHAREHOLDER PROPOSAL

Karpus submitted the following shareholder proposal for BLJ, BAF, BZM, BBK, RFA, BHV, BIE, BPS and BBF. Karpus' address and share ownership information will be furnished to a shareholder upon request.

BE IT RESOLVED, that the Board of Trustees of [the Fund]¹ consider taking all steps necessary to cause [the Fund] to redeem all outstanding auction market preferred shares (AMPS) at par.

Supporting Statement

When [the Fund] holds its 2011 Annual Shareholder meeting, it will have been more than three years since the last auction for [the Fund's] auction market preferred shares took place. AMPS holders' investments remain frozen, with no liquidity at par value. We feel that it is time for the Fund to emulate the actions of the many responsible closed-end funds which have redeemed and financed their frozen preferred shares, and act in a proactive fashion by redeeming all remaining outstanding AMPS at par. Some alternative forms of leverage provided by other funds to replace AMPS are Municipal Term Preferred Securities (MTPS), Variable Rate Demand Preferred Securities (VRDPS) and/or Tender Option Bonds (TOBs).

If the Fund takes steps to complete the redemption of all outstanding AMPS, this will benefit existing AMPS shareholders by providing liquidity at par and may also benefit common shareholders by taking advantage of the current historically low interest rates available through alternative financing vehicles, while simultaneously mitigating the risk of a significant increase in the cost of leverage should short term interest rates rise.

Shareholders deserve a definitive plan from their Fund and Trustees. The Trustees have failed to redeem any of the [Fund's] AMPS since the beginning of July 2009. By comparison, Nuveen has freed approximately

¹ The text of the shareholder proposal as submitted by Karpus includes the formal name of the particular Fund as well as references to the particular Fund's ticker symbol throughout.

\$5.3 billion of preferred shares over the same 19 month period. This lack of action is unacceptable. AMPS holders must be able to receive the intrinsic value of their shares and common shareholders must be protected from a potentially higher cost of leverage should short term interest rates rise.

Karpus strongly urges your support for this proposal. Thank you.

Board Response Statement

While the Boards are generally in favor of redeeming the AMPS when that can be done consistent with the interests of the Funds as a whole, the Boards recommend that you vote "AGAINST" the shareholder proposal. The Boards believe that the proposal unduly limits the Boards' ability to act in the best interests of the Funds and each of the Funds' constituencies. In making their proposal, Karpus fails to appreciate that the illiquidity of AMPS is a complicated situation with multiple sets of stakeholders, which can only be considered on a facts and circumstances basis.

Since widespread auction failure began in February 2008, the Boards have been vigilant in their pursuit of solutions to provide liquidity to AMPS holders when supported by all the facts and circumstances. In March 2008, as discussed elsewhere in this Proxy Statement, each Board formed an ad hoc AMPS Committee (the "Committee") for the purpose of (i) monitoring issues arising from recent market turmoil, (ii) overseeing efforts to address the effects of reduced AMPS liquidity on each Fund, and (iii) evaluating the liquidity considerations of the AMPS holders in a manner consistent with each Fund's and its shareholders' best interests and investment strategies.

At [50] meetings since 2008, each Committee has evaluated the prospect of using alternative financings to replace AMPS including, but not limited to, modifications to the existing AMPS, reverse repurchase agreements, credit facilities, TOBs, alternative preferred stock structures (including fixed rate preferred stock, MTPs, VRDP and VMTPs) (collectively, "Alternative Financing"), and various security and financing types that provide liquidity to a Fund's entire portfolio.

As Karpus correctly notes, current interest rates are relatively low when compared to historic levels. However, contrary to Karpus's assertion, many of the alternative financing mechanisms suggested for implementation in Karpus's proposal have variable financing rates that change with fluctuations in interest rates similar to AMPS; simply refinancing in today's environment, without a careful understanding of the underlying structures, does not guarantee protection against a rise in interest rates. Depending on the Funds' circumstances, BlackRock believes variable rate financing may be appropriate as an alternative to AMPS and has, to date, utilized variable rate financing (including certain of the instruments Karpus suggests) to refinance AMPS across certain of the Funds. Regardless of rate type, alternative financing structures may introduce further considerations for the Funds that are not present with AMPS, including counterparty risks and refinancing risks, amongst others. Any such prospective refinancing would also require consideration of a counterparty's ability and willingness to lend, which may include limitations on the types and quality of assets a counterparty is willing to accept as collateral. As was acutely demonstrated by the market events of the last three years, collateral eligibility is heavily dependent upon the lender and the current market environment, and is subject to change at any time.

Considering all of these factors, BlackRock Closed-End Funds have been able to successfully refinance [\$4,713 Mn]¹ in AMPS as follows:

2008: \$2,613 Mn

2009: \$577 Mn

2010: \$575 Mn

2011: [\$948 Mn]²

- 1 To be updated to reflect any announcement of further redemptions.
- 2 To be updated to reflect any announcement of further redemptions.

In consideration of the situation's inherent complexity, the Boards' progress cannot accurately be characterized as inaction or without forethought. By attempting to advocate for the refinancing of the Funds' AMPS on the basis of the actions of another fund complex, Karpus ignores the material differences in the facts and circumstances surrounding each of the funds in each fund complex. It is important for shareholders to understand that the complexity inherent in the situation can and will lead to different conclusions; this is not simply a situation where there is one correct outcome that applies to all.

On May 13, 2011, BlackRock Advisors, LLC and the Boards provided an update regarding their intention to redeem outstanding AMPS of the Funds (the "Update"). In the Update, the Boards announced their intention to redeem the AMPS over the next 12 months where practicable, appropriate and in the best interest of each of the Funds and their respective shareholders. Any such redemptions would be subject to a number of factors, including, but not limited to, the availability of Alternative Financing, approval by the Fund's Board of the Fund's leverage policy and of the terms and pricing for the Alternative Financing, the ability to obtain necessary ratings for Alternative Financing, the cost, benefits and tax consequences to Fund shareholders of other potential forms of financial leverage, the willingness of buyers to purchase securities issued in the Alternative Financings, eligibility of collateral held by the Funds, term-related considerations and other market conditions (including interest rates), any of which for a given Fund may delay or prevent redemption of that Fund's AMPS.

As outlined in the Update, while any particular Fund may not redeem its outstanding AMPS, the intention of the Boards is to redeem AMPS where practicable. The Boards will determine, based on the facts and circumstances applicable to each Fund at any particular time, whether available alternative forms of leverage are appropriate and in the best interest of a Fund and all of its shareholders.

The Boards remain committed to actively sourcing alternative financings where appropriate, and, as has been clearly demonstrated by the progress outlined above, will recommend their implementation if and when the Boards determine that it would be appropriate to do so. Given the complicated nature of the situation, the Boards believe preserving the flexibility to redeem AMPS at a time and in a manner that is the most appropriate for each Fund's shareholders is the most prudent method of addressing the AMPS situation. Because the shareholder proposal diminishes a Board's ability to act in your best interest, each Board recommends that you vote "AGAINST" the shareholder proposal.

VOTE REQUIRED AND MANNER OF VOTING PROXIES

A quorum of shareholders is required to take action at each meeting. For each of the Funds, the holders of a majority of the shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum for purposes of conducting business on such matter. The affirmative vote of a plurality of the votes cast with respect to a Board Nominee at a meeting at which a quorum is present is necessary to elect each of the respective Board Nominees under Proposal 1 for each respective Fund. The affirmative vote of a majority of the shares present at the meeting and entitled to vote is required for the shareholder proposal to be approved. The shareholder proposal is voted upon by the common and preferred shareholders voting together as a single class.

Votes cast by proxy or in person at each meeting will be tabulated by the inspectors of election appointed for that meeting. The inspectors of election will determine whether or not a quorum is present at the meeting. The inspectors of election will treat abstentions and "broker non-votes" as present for purposes of determining a quorum. Broker non-votes occur when shares held by brokers or nominees, typically in "street name," as to which proxies have been returned but (a) voting instructions have not been received from the beneficial owners or persons entitled to vote and (b) the broker or nominee does not have discretionary voting power or elects not to exercise discretion on a particular matter. Shares of AMPS of any Fund held in "street name" may be counted for purposes of establishing a quorum of that Fund if no instructions are received one business day before the applicable meeting or, if adjourned, one business day before the day to which the meeting is adjourned.

If you hold your shares directly (not through a broker-dealer, bank or other financial institution) and if you return a signed and dated proxy card that does not specify how you wish to vote on a proposal, your shares will be voted "FOR" the Board Nominees in Proposal 1 and "AGAINST" the Shareholder Proposal in Proposal 2.

Broker-dealer firms holding shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the

meeting. The Funds understand that, under the rules of the New York Stock Exchange, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. We urge you to provide instructions to your broker or nominee so that your votes may be counted. **VOTE YOUR SHARES BY FOLLOWING THE INSTRUCTIONS PROVIDED ON THE ENCLOSED WHITE PROXY CARD AND RETURNING THE WHITE PROXY CARD TO YOUR BANK, BROKER OR OTHER NOMINEE TO ENSURE THAT YOUR SHARES WILL BE VOTED ON YOUR BEHALF.**

If you hold shares of a Fund through a bank or other financial institution or intermediary (called a service agent) that has entered into a service agreement with the Fund or a distributor of the Fund, the service agent may be the record holder of your shares. At the meeting, a service agent will vote shares for which it receives instructions from its customers in accordance with those instructions. A properly executed proxy card or other authorization by a shareholder that does not specify how the shareholder's shares should be voted on a proposal may be deemed to authorize a service provider to vote such shares in favor of the proposal. Depending on its policies, applicable law or contractual or other restrictions, a service agent may be permitted to vote shares with respect to which it has not received specific voting instructions from its customers. In those cases, the service agent may, but is not required to, vote such shares in the same proportion as those shares for which the service agent has received voting instructions. This practice is commonly referred to as "echo voting."

If you beneficially own shares that are held in "street name" through a broker-dealer or that are held of record by a service agent, and if you do not give specific voting instructions for your shares, they may not be voted at all or, as described above, they may be voted in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer or service agent specific instructions as to how you want your shares to be voted.

Approval of a Board Nominee by shareholders of a Fund will occur only if a sufficient number of votes are cast "FOR" the Board Nominee at the Fund's meeting. Withhold votes and broker non-votes will not be counted as votes cast. Because each Fund requires a plurality of votes to elect each of the Board Nominees, withhold votes and broker non-votes will not have an effect on the outcome of Proposal 1.

Approval of the shareholder proposal by shareholders of a Fund will occur only if a sufficient number of votes are cast "FOR" the shareholder proposal at the Fund's meeting. The Fund's Bylaws require that a proposal receive the affirmative vote of a majority of the shares present at the meeting and entitled to vote in order to be approved. The shareholder proposal is voted upon by the common and preferred shareholders voting together as a single class. Abstentions have the same effect as a vote "AGAINST" the shareholder proposal. Broker non-votes are not entitled to vote on the shareholder proposal at the meeting and therefore will not have an effect on the outcome of Proposal 2.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMS

The Board Members, including a majority of the Independent Board Members, of each Fund have selected Deloitte & Touche LLP ("D&T") as the independent registered public accounting firm for the Funds. D&T, in accordance with Independence Standards Board Standard No. 1 (ISB No. 1), has confirmed to each applicable Audit Committee that it is an independent registered public accounting firm with respect to each Fund.

A representative of D&T is expected to be present at the meeting.

Each Audit Committee has discussed with D&T its independence with respect to the Fund and certain matters required to be discussed by Statement on Auditing Standard No. 61, as currently modified or supplemented. Each Audit Committee has considered whether the provision of non-audit services by the Fund's independent registered

public accounting firm is compatible with maintaining the independence of that registered public accounting firm. Each Audit Committee also reviews and discusses the Fund's financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to shareholders and included in the Fund's Annual Report to Shareholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for any Fund during its

most recently completed fiscal year. Following each Audit Committee's review and discussion of the Fund's independent registered public accounting firm, pursuant to authority delegated by its respective Board, each Audit Committee approved the respective Fund's audited financial statements for the Fund's most recently completed fiscal year (each Fund's fiscal year end is set forth in Appendix H) for which audited financial statements are available be included in each Fund's Annual Report to Shareholders.

Appendix H sets forth for each Fund the fees billed by that Fund's independent registered public accounting firm for the two most recent fiscal years for all audit, non-audit, tax and all other services provided directly to the Fund. The fee information in Appendix H is presented under the following captions:

- (a) **Audit Fees**—fees related to the audit and review of the financial statements included in annual reports and registration statements, and other services that are normally provided in connection with statutory and regulatory filings or engagements, including out-of-pocket expenses.
- (b) **Audit-Related Fees**—fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under "Audit Fees," including accounting consultations, agreed-upon procedure reports, attestation reports, comfort letters, out-of-pocket expenses and internal control reviews not required by regulators.
- (c) **Tax Fees**—fees associated with tax compliance, tax advice and tax planning, including services relating to the filing or amendment of federal, state or local income tax returns, regulated investment company qualification reviews, tax distribution and analysis reviews and miscellaneous tax advice.
- (d) **All Other Fees**—fees for products and services provided to the Fund other than those reported under "Audit Fees," "Audit-Related Fees" and "Tax Fees."

Each Audit Committee is required to approve all audit engagement fees and terms for its Fund. Each Audit Committee also is required to consider and act upon (i) the provision by the Fund's independent accountant of any non-audit services to the Fund, and (ii) the provision by the Fund's independent accountant of non-audit services to BlackRock and any entity controlling, controlled by or under common control with BlackRock that provide ongoing services to the Fund ("Affiliated Service Providers") to the extent that such approval (in the case of this clause (ii)) is required under applicable regulations of the SEC. See Appendix H to this Proxy Statement for information about the fees paid by the Funds, their investment advisers, and Affiliated Service Providers to each Fund's independent registered public accounting firm.

The Audit Committee of each Fund complies with applicable laws and regulations with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, the Audit Committee also must approve other non-audit services provided to a Fund and those non-audit services provided to a Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of a Fund. Each Audit Committee has implemented policies and procedures by which such services may be approved other than by the full Audit Committee. Subject to such policies and procedures, including applicable dollar limitations, the Audit Committee may pre-approve, without consideration on a specific case-by-case basis ("general pre-approval"), certain permissible non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm. Each service approved subject to general pre-approval is presented to each Audit Committee for ratification at the next regularly scheduled in-person board meeting.

For each Fund's two most recently completed fiscal years, there were no services rendered by D&T to the Funds for which the general pre-approval requirement was waived.

Each Audit Committee has considered the provision of non-audit services that were rendered by D&T to the Fund's Affiliated Service Providers that were not pre-approved (and did not require pre-approval) in connection with determining such auditor's independence. All services provided by D&T to each Fund and each Fund's Affiliated Service Provider that required pre-approval were pre-approved during the Fund's most recently completed fiscal year.

The Audit Committee of each Fund consists of the following Board Members:

Karen P. Robards (Chair);
Michael J. Castellano;
Frank J. Fabozzi;
James T. Flynn; and
W. Carl Kester.

ADDITIONAL INFORMATION

5% Share Ownership

As of May 10, 2011, to the best of the Funds' knowledge, the persons listed in Appendix I beneficially owned more than 5% of the outstanding shares of the class of the Funds indicated.

Submission of Shareholder Proposals

A shareholder proposal intended to be presented at a future meeting of shareholders of a Fund must be received at the offices of the Fund, Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055, in accordance with the timing requirements set forth below. Timely submission of a proposal does not guarantee that such proposal will be included in a proxy statement.

If a shareholder intends to present a proposal at the 2012 annual meeting of a Fund's shareholders and desires to have the proposal included in such Fund's proxy statement and form of proxy for that meeting pursuant to Rule 14a-8 under the Exchange Act, the shareholder must deliver the proposal to the offices of the appropriate Fund by [February __], 2012. In the event a Fund moves the date of its 2012 annual meeting by more than 30 days from the anniversary of its 2011 annual meeting, under current rules, shareholder submissions of proposals for inclusion in such Fund's proxy statement and proxy card for the 2012 meeting pursuant to Rule 14a-8 under the Exchange Act must be delivered to the Fund a reasonable time before the Fund begins to print and send its proxy materials.

Shareholders who do not wish to submit a proposal for inclusion in a Fund's proxy statement and form of proxy for the 2012 annual meeting in accordance with Rule 14a-8 may submit a proposal for consideration at the 2012 annual meeting in accordance with the By-laws of the Fund. The By-laws for all of the Funds require that advance notice be given to the Fund in the event a shareholder desires to transact any business, including business from the floor, at an annual meeting of shareholders, including the nomination of Board Members. Notice of any such business or nomination must be in writing, comply with the requirements of the By-laws and be received by the Fund between Wednesday, February 29, 2012 and Friday, March 30, 2012. In order for proposals of shareholders made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received at the Fund's principal executive offices by Wednesday, March 30, 2012. In the event a Fund moves the date of its 2012 annual meeting by more than 30 days from the anniversary of its 2011 annual meeting, shareholders who wish to submit a proposal or nomination for consideration at the 2012 annual meeting in accordance with the advance notice provisions of the By-laws of a Fund must deliver such proposal or nomination not later than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure of the meeting date was made, whichever comes first. If such proposals are not "timely" within the meaning of Rule 14a-4(c), then proxies solicited by the Board for next year's annual meeting may confer discretionary authority to the Board to vote on such proposals. Copies of the By-laws of each Fund are available on the EDGAR Database on the Securities and Exchange Commission's website at www.sec.gov. Each Fund will also furnish, without charge, a copy of its By-laws to a shareholder upon request. Such requests should be directed to the appropriate Fund at Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055,

Edgar Filing: BLACKROCK MARYLAND MUNICIPAL BOND TRUST - Form PREC14A

or by calling toll free at 1-800-441-7762. For further information, please see Appendix F- Standing Committees- Governance and Nominating Committee.

For all Funds, written proposals (including nominations) and notices should be sent to the Secretary of the Fund, Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055.

Shareholder Communications

Shareholders who want to communicate with the Board or any individual Board Member should write their Fund to the attention of the Secretary, Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055. Shareholders may communicate with the Boards electronically by sending an email to closedendfundsod@blackrock.com. The communication should indicate that you are a Fund shareholder. If the communication is intended for a specific Board Member and so indicates, it will be sent only to that Board Member. If a communication does not indicate a specific Board Member, it will be sent to the Chair of the Governance and Nominating Committee and the outside counsel to the Independent Board Members for further distribution as deemed appropriate by such persons.

Additionally, shareholders with complaints or concerns regarding accounting matters may address letters to the Fund's Chief Compliance Officer ("CCO"), Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055. Shareholders who are uncomfortable submitting complaints to the CCO may address letters directly to the Chair of the Audit Committee of the Board that oversees the Fund. Such letters may be submitted on an anonymous basis.

Expense of Proxy Solicitation; Solicitation

As a result of the proxy contest initiated by Karpus, SOF and Opportunity Partners, the Funds will incur additional costs in connection with our solicitation of proxies. The Funds' expenses related to the solicitation of proxies from shareholders this year will substantially exceed those normally spent for an annual meeting of shareholders. Such additional costs are expected to aggregate to approximately \$[] this year, exclusive of any costs related to the litigation in connection with the annual meeting. These additional solicitation costs are expected to include the increased fee payable to our proxy solicitor (up to \$[] this year as compared to approximately \$[] plus out-of-pocket expenses in 2010); fees of outside counsel to advise the Funds in connection with a contested solicitation of proxies; increased mailing costs, such as the costs of additional mailings of solicitation materials to stockholders, including printing costs, mailing costs and the reimbursement of reasonable expenses of banks, brokerage houses and other agents incurred in forwarding solicitation materials to beneficial owners, as described above; and the costs of retaining an independent inspector of election. To date, the Funds have incurred approximately \$[] of these solicitation costs.

The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and this Proxy Statement, and costs in connection with the solicitation of proxies will be borne by the Funds. Additional out-of-pocket costs, such as legal expenses and auditor fees, incurred in connection with the preparation of this Proxy Statement, also will be borne by the Funds. Costs that are borne by the Funds collectively will be allocated among the Funds on the basis of a combination of their respective net assets and number of shareholder accounts, except when direct costs can be reasonably attributed to one or more specific Funds.

Solicitation may be made by mail, telephone, fax, e-mail or the Internet by officers or employees of BlackRock Advisors, or by dealers and their representatives. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies. The Funds will reimburse brokerage firms, custodians, banks and fiduciaries for their expenses in forwarding this Proxy Statement and proxy materials to the beneficial owners of each Fund's shares. The Funds and BlackRock have retained Georgeson Inc. ("Georgeson"), 199 Water Street, 26th Floor, New York, New York 10038, a proxy solicitation firm, to assist in the printing and distribution of proxy materials and the solicitation and tabulation of proxies. In addition, Broadridge Financial Solutions, Inc. ("Broadridge"), 51 Mercedes Way, Edgewood, NY 11717, will assist the Funds in the distribution of proxy materials. It is anticipated that Georgeson and Broadridge will be paid approximately \$[.] (for all) \$[] for just this proxy] and \$[] \$[] for just this proxy], respectively, for such services (including reimbursements of out-of-pocket expenses). Georgeson may solicit proxies personally and by mail, telephone, fax, e-mail or the Internet. Georgeson expects that approximately [75] of its employees will assist in the

solicitation. Each Fund's portion of the foregoing expenses is not subject to any cap or voluntary agreement to waive fees and/or reimburse expenses that may otherwise apply to that Fund.

If You Plan to Attend the Annual Meeting

Attendance at the annual meeting will be limited to Funds' shareholders as of the Record Date. Each shareholder may be asked to present valid picture identification, such as a driver's license or passport. Shareholders holding shares in brokerage accounts or by a bank or other nominee may be required to show a brokerage statement

or account statement reflecting shares ownership as of the Record Date. Cameras, recording devices and other electronic devices will not be permitted at the annual meeting.

If you are a registered shareholder, you may vote your shares in person by ballot at the annual meeting. If you hold your common or preferred shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting, unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the annual meeting.

The following information is provided to help you understand what personal information BlackRock collects, how we protect that information and why in certain cases we share such information with select parties.

If you are located in a jurisdiction where specific laws, rules or regulations require BlackRock to provide you with additional or different privacy-related rights beyond what is set forth below, then BlackRock will comply with those specific laws, rules or regulations.

BlackRock obtains or verifies personal non-public information from and about you from different sources, including the following: (i) information we receive from you or, if applicable, your financial intermediary, on applications, forms or other documents; (ii) information we receive from your transactions with us, our affiliates, or others; (iii) information we receive from a consumer reporting agency; and (iv) information we receive from visits to our websites.

BlackRock may share information with its affiliates to service a Client's account or to provide Clients with information about other BlackRock products or services that may be of interest to them. General

The Boards and management have not received notice of, and are not aware of, any business to come before the Meeting other than the agenda items referred to in this proxy statement and the possible submission of three shareholder proposals. These proposals (the "Bulldog Proposals"), which are not included in this proxy statement but may be submitted by SOF or Opportunity Partners to the shareholders of BJZ, BPK, and BQH at the meeting, (i) request that the Board consider taking all steps necessary to redeem the AMPS, (ii) require each director to review the Fund's Bylaws with respect to measures relating to "shareholder democracy" and require that any director that adopts or does not vote to rescind any proposals that confer or deny an advantage to any slate of candidates to resign as a director, and (iii) propose an annual payment of at least \$20,000 for any director nominated by a shareholder that is elected in a contested election. If the Bulldog Proposals are submitted at the Meeting, the named proxies will have discretionary voting authority under Rule 14a-4(c) of the Exchange Act with respect to the Bulldog Proposals and

intend to exercise such discretion to vote "AGAINST" the Bulldog Proposals if presented at the meeting. Adoption of the Bulldog Proposal requires the affirmative vote of a majority of the shares present at the meeting and entitled to vote. Abstentions have the same effect as a vote "AGAINST" the Bulldog Proposals. Broker non-votes are not considered as votes cast and will have no effect on the outcome of the vote on the Bulldog Proposals. If any other matters are properly presented to the meeting for a vote, the proxies will be voted by the persons named in the enclosed proxy upon such matters in accordance with their judgment of the best interests of the Fund.

A list of each Fund's shareholders of record as of the Record Date will be available for inspection at the shareholder meeting. For each Delaware Trust, a list of shareholders of record as of the Record Date will be available at the offices of the Funds, Park Avenue Plaza, 55 East 52nd Street, New York, NY 10055, for inspection by such Fund's shareholders during regular business hours beginning ten days prior to the date of the meeting.

Failure of a quorum to be present at any meeting will necessitate adjournment. The persons named in the enclosed proxy may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to the proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of the Fund's shareholders. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed WHITE proxy card, and if received by mail, returning it in the accompanying postage-paid return envelope OR by following the enclosed instructions to provide voting instructions by telephone or over the Internet.

By Order of the Boards,

Ira P. Shapiro
Secretary of the Funds

Except as described in this Appendix B or this Proxy Statement, and excluding any trustee

B-2

Compensation of the Board Members

Each Board Member who is not an "interested person" (as defined in the 1940 Act) (the "Independent Board Members"), is paid an annual retainer of \$250,000 per year for his or her services as a Board Member of all BlackRock-advised closed-end funds (the "Closed-End Complex") that are overseen by the respective trustee and each Board Member may also receive a \$10,000 board meeting fee for special unscheduled meetings or meetings in excess of six Board meetings held in a calendar year, together with out-of-pocket expenses in accordance with a Board policy on travel and other business expenses relating to attendance at meetings. In addition, the Chair and Vice-Chair of the Board are paid an additional annual retainer of \$120,000 and \$40,000, respectively. The Chairs of the Audit Committee, Compliance Committee, Governance and Nominating Committee, and Performance Oversight Committee are paid an additional annual retainer of \$35,000, \$20,000, \$10,000, and \$20,000, respectively. Each Audit Committee member is paid an additional annual retainer of \$25,000. For the year ended December 31, 2010, the Closed-End Complex reimbursed Independent Board Member expenses in an aggregate amount of \$38,075. Each Fund shall pay a pro rata portion quarterly (based on relative net assets) of the foregoing Board Member fees paid by the funds in the Closed-End Complex.

Dr. Gabbay is an interested person of the Funds and serves as an interested Board Member of three groups of BlackRock-advised funds—the Closed-End Complex and two complexes of open-end funds (the "Equity-Liquidity Complex" and the "Equity-Bond Complex"; each such complex, a "BlackRock Fund Complex"). Dr. Gabbay receives for his services as a Board Member of such BlackRock Fund Complexes (i) an annual retainer of \$487,500 allocated to the funds in these three BlackRock Fund Complexes, including the Funds, based on their relative net assets and (ii) with respect to each of the two open-end BlackRock Fund Complexes, a Board meeting fee of \$3,750 (with respect to meetings of the Equity-Liquidity Complex) and \$18,750 (with respect to meetings of the Equity-Bond Complex) to be paid for attendance at each Board meeting up to five Board meetings held in a calendar year by each such complex (compensation for meetings in excess of this number to be determined on a case-by-case basis). Dr. Gabbay is also reimbursed for out-of-pocket expenses in accordance with a Board policy on travel and other business expenses relating to attendance at meetings. Dr. Gabbay's compensation for serving on the boards of the funds in these BlackRock Fund Complexes (including the Funds) is equal to 75% of each retainer and, as applicable, of each meeting fee (without regard to additional fees paid to Board and Committee chairs) received by the Independent Board Members serving on such boards. The Boards of the Funds or of any other fund in a BlackRock Fund Complex may modify the Board Members' compensation from time to time depending on market conditions and Dr. Gabbay's compensation would be impacted by those modifications.

The Independent Board Members have agreed that a maximum of 50% of each Independent Board Member's total compensation paid by funds in the Closed-End Complex may be deferred pursuant to the Closed-End Complex's deferred compensation plan. Under the deferred compensation plan, deferred amounts earn a return for the Independent Board Members as though equivalent dollar amounts had been invested in common shares of certain funds in the Closed-End Complex selected by the Independent Board Members. This has approximately the same economic effect for the Independent Board Members as if they had invested the deferred amounts in such other funds in the Closed-End Complex. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of a fund and are recorded as a liability for accounting purposes. A fund may, however, elect to invest in common shares of those funds in the Closed-End Complex selected by the Independent Board Members in order to match its deferred compensation obligation.

The following table sets forth the aggregate compensation, including deferred compensation amounts, paid to each Independent Board Member and Dr. Gabbay by each Fund during its most recently completed fiscal year and by the Closed-End Complex for the most recently completed calendar year. Mr. Davis serves without compensation from

the Funds because of his affiliation with BlackRock, Inc. and the BlackRock Advisors.

The business and affairs of each Fund are managed by or under the direction of its Board.

Standing Committees. The Board of each Fund has established the following standing committees:

Audit Committee. Each Board has a standing Audit Committee composed of Karen P. Robards (Chair), Michael J. Castellano, Frank J. Fabozzi, James T. Flynn and W. Carl Kester, all of whom are Independent Board Members. The principal responsibilities of the Audit Committee are to assist the Board in fulfilling its oversight responsibilities relating to the accounting and financial reporting policies and practices of the Fund. The Audit Committee's responsibilities include, without limitation: (i) approving the selection, retention, termination and compensation of the Fund's independent registered public accounting firm (the "independent auditors") and evaluating the independence and objectivity of the independent auditors; (ii) approving all audit engagement terms and fees for the Fund; (iii) reviewing the conduct and results of each audit and discussing the Fund's audited and unaudited financial statements; (iv) reviewing any issues raised by the independent auditor or management regarding the accounting or financial reporting policies and practices of the Fund, its internal controls, and, as appropriate, the internal controls of certain service providers and management's response to any such issues; (v) reviewing and discussing the Fund's audited and unaudited financial statements and disclosure in the Fund's shareholder reports relating to the Fund's performance; (vi) assisting the Board in considering the performance of the Fund's internal audit function provided by its investment adviser, administrator, pricing agent or other service provider; and (vii) resolving any disagreements between Fund management and the independent auditors regarding financial reporting.

A copy of the Audit Committee Charter for each Fund can be found in the "Corporate Governance" section of the BlackRock Closed-End Fund website at www.blackrock.com.

Governance and Nominating Committee. Each Board has a standing Governance and Nominating Committee composed of R. Glenn Hubbard (Chair), Richard E. Cavanagh, Kathleen F. Feldstein and Jerrold B. Harris, all of whom are Independent Board Members.

The principal responsibilities of the Governance Committee are: (i) identifying individuals qualified to serve as Independent Board Members and recommending Independent Board Member nominees for election by shareholders or appointment by the Board; (ii) advising the Board with respect to Board composition, procedures and committees (other than the Audit Committee); (iii) overseeing periodic self-assessments of the Board and committees of the Board (other than the Audit Committee); (iv) reviewing and making recommendations in respect of Independent Board Member compensation; (v) monitoring corporate governance matters and making recommendations in respect thereof to the Board; and (vi) acting as the administrative committee with respect to Board policies and procedures, committee policies and procedures (other than the Audit Committee) and codes of ethics as they relate to the Independent Board Members.

The Governance Committee of each Board seeks to identify individuals to serve on the Board who have a diverse range of viewpoints, qualifications, experiences, backgrounds and skill sets so that the Board will be better suited to fulfill its responsibility of overseeing the Fund's activities. In so doing, the Governance Committee reviews the size of the Board, the ages of the current Board Members and their tenure on the Board, and the skills, background and experiences of the Board Members in light of the issues facing the Fund in determining whether one or more new trustees should be added to the Board. The Board as a group strives to achieve diversity in terms of gender, race and geographic location. The Governance Committee believes that the Board Members as a group possess the array of

skills, experiences and backgrounds necessary to guide the Fund. The Board Members' biographies included in the Proxy Statement highlight the diversity and breadth of skills, qualifications and expertise that the Board Members bring to the Fund.

Each Governance and Nominating Committee may consider nominations for Board Members made by the Fund's shareholders as it deems appropriate. Under each Fund's By-laws, shareholders must follow certain

F-1

procedures to nominate a person for election as a director at an annual or special meeting, or to introduce an item of business at an annual meeting. Under these advance notice procedures, shareholders must submit the proposed nominee or item of business by delivering a notice to the Secretary of the Funds at their principal executive offices. Each Fund must receive notice of a shareholder's intention to introduce a nomination or proposed item of business for an annual meeting not less than 120 days nor more than 150 days before the anniversary of the prior year's meeting. Assuming that the 2012 annual meeting of a Fund is held within 25 days of July 28, 2012, the Fund must receive notice pertaining to the 2012 annual meeting of shareholders no earlier than Wednesday, February 29, 2012 and no later than Friday, March 30, 2012. However, if a Fund holds its 2012 annual meeting on a date that is not within 25 days before or after July 28, 2012, such Fund must receive the notice no later than ten days after the earlier of the date the Fund first provides notice of the meeting to shareholders or announces it publicly.

Each Fund's By-laws provide that notice of a proposed nomination must include certain information about the shareholder and the nominee, as well as a written consent of the proposed nominee to serve if elected. A notice of a proposed item of business must include a description of and the reasons for bringing the proposed business to the meeting, any material interest of the shareholder in the business, and certain other information about the shareholder.

Further, each Fund has adopted Board Member qualification requirements which can be found in each Fund's By-laws and are applicable to all Board Members that may be nominated, elected, appointed, qualified or seated to serve as Board Members. The qualification requirements include: (i) age limits; (ii) limits on service on other boards; (iii) restrictions on relationships with investment advisers other than BlackRock; and (iv) character and fitness requirements. Additionally, each Independent Board Member must not be an "interested person" of the Fund as defined under Section 2(a)(19) of the 1940 Act and may not be or have certain relationships with a shareholder owning more than five percent of the Fund's voting securities or owning other percentage ownership interests in registered investment companies. Reference is made to each Fund's By-laws for more details.

A copy of the Governance and Nominating Committee Charter for each Fund can be found in the "Corporate Governance" section of the BlackRock Closed-End Fund website at www.blackrock.com.

Compliance Committee. Each Fund has a Compliance Committee composed of Jerrold B. Harris (Chair), Richard E. Cavanagh, Kathleen F. Feldstein and R. Glenn Hubbard, all of whom are Independent Board Members. The Compliance Committee's purpose is to assist the Board in fulfilling its responsibility with respect to the oversight of regulatory and fiduciary compliance matters involving the Fund, the fund-related activities of BlackRock, and any subadvisor and the Fund's other third party service providers. The Compliance Committee's responsibilities include, without limitation: (i) overseeing the compliance policies and procedures of the Fund and its service providers; (ii) reviewing information on and, where appropriate, recommending policies concerning the Fund's compliance with applicable law; (iii) reviewing information on any significant correspondence with or other actions by regulators or governmental agencies with respect to the Fund and any employee complaints or published reports that raise concerns regarding compliance matters; and (iv) reviewing reports from and making certain recommendations in respect of the Fund's Chief Compliance Officer, including, without limitation, determining the amount and structure of the Chief Compliance Officer's compensation. Each Board has adopted a written charter for each Compliance Committee.

Performance Oversight Committee. Each Fund has a Performance Oversight Committee composed of Frank J. Fabozzi (Chair), Michael J. Castellano, Richard E. Cavanagh, Kathleen F. Feldstein, James T. Flynn, Jerrold B. Harris, R. Glenn Hubbard, W. Carl Kester and Karen P. Robards, all of whom are Independent Board Members. The Performance Oversight Committee's purpose is to assist the Board in fulfilling its responsibility to oversee the Fund's investment performance relative to the Fund's investment objectives, policies and practices. The Performance Oversight Committee's responsibilities include, without limitation: (i) reviewing the Fund's investment objectives, policies and practices; (ii) recommending to the Board any required action in respect of changes in fundamental and non-fundamental investment restrictions; (iii) reviewing information on appropriate benchmarks and competitive

universes; (iv) reviewing the Fund's investment performance relative to such benchmarks; (v) reviewing information on unusual or exceptional investment matters; (vi) reviewing whether the Fund has complied with its investment policies and restrictions; and (vii) overseeing policies, procedures and controls regarding valuation of the Fund's investments. The Boards have adopted a written charter for each Performance Oversight Committee.

F-2

Executive Committee. Each Fund has an Executive Committee composed of Richard E. Cavanagh and Karen P. Robards, both of whom are Independent Board Members, and Richard S. Davis, who serves as an interested Board Member. The principal responsibilities of the Executive Committee include, without limitation: (i) acting on routine matters between meetings of the Board; (ii) acting on such matters as may require urgent action between meetings of the Board; and (iii) exercising such other authority as may from time to time be delegated to the Executive Committee by the Board. The Boards have adopted a written charter for each Executive Committee.

Other Operating Committees. The Funds also have adopted the following ad hoc committees.

Ad Hoc AMPS Committee. Each Fund has an ad hoc Committee on Auction Market Preferred Shares (the "AMPS Committee") composed of Richard E. Cavanagh (Chair), Karen P. Robards, Frank J. Fabozzi, Henry Gabbay and W. Carl Kester. Since February 2008, most auction rate preferred shares, including the AMPS, have been unable to hold successful auctions and AMPS holders have faced reduced liquidity. The AMPS Committee was formed to monitor issues arising from recent market turmoil and oversee efforts to address the effects of reduced AMPS liquidity on each Fund and to evaluate the liquidity considerations of the AMPS holders, each in a manner consistent with each Fund's and its shareholders' best interests and investment strategies. As of the date of this Proxy Statement, the AMPS Committee has met [18] times in the last calendar year and [50] times since its formation. As of the date of this Proxy Statement, the total amount of announced redemptions of auction market preferred shares across the Closed-End Complex, including the Funds, equaled \$[4.713] billion, which represents approximately [48]% of all auction market preferred shares outstanding for the Closed-End Complex as of February 2008. The Funds are currently exploring alternative forms of leverage in order to provide liquidity to holders of AMPS, including, among other things, the issuance of variable rate demand preferred shares ("VRDP Shares"), a relatively new form of preferred stock that includes a put feature, which would make the securities eligible for purchase by money market funds. Thus far, 12 BlackRock Closed End Funds have issued VRDP Shares and redeemed their AMPS. The Funds continue to explore the use of additional alternative forms of leverage such as tender option bonds, repurchase agreements and credit facilities which have been successfully used in some form by certain BlackRock Closed End Funds.

Each Audit Committee, each Governance and Nominating Committee, each Compliance Committee, each Performance Oversight Committee, each Executive Committee and each AMPS Committee met the following number of times for each Fund's most recent fiscal year:
