## Edgar Filing: Tennessee Valley Authority - Form 8-K

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 5, 2008, TVA entered into an agreement to issue \$1 billion in TVA Global Power Bonds (the "Bonds"). The settlement date for the transaction is March 12, 2008. The Bonds bear a coupon rate of 4.5% and pay interest semi-annually on each April 1 and October 1, beginning October 1, 2008. The Bonds mature on April 1, 2018, and are not subject to redemption prior to maturity. Net proceeds to TVA are 99.673%, exclusive of expenses incurred in connection with offering the Bonds.

These Bonds, like the \$500 million 4.875% 2008 Global Power Bonds Series A, due January 15, 2048, which were issued in January 2008, can be separated into their interest and principal components beginning on the first interest payment date(s) of the respective bonds. The separate interest and principal components can be maintained as such on the book-entry records of the U.S. Federal Reserve Banks.
