To our knowledge, and except as set forth below, the proposed Incoming Directors and Incoming Officers are not currently directors of the Company, do not hold any position with the Company, and have not been involved in any material proceeding adverse to the Company or have a material interest adverse to the Company, or any transactions with the Company or any of its directors, executive officers, affiliates, or associates that are required to be disclosed pursuant to the rules and regulations of the SEC.

Review, Approval or Ratification of Transactions with Related Persons

Although we have adopted a Code of Ethics, we still rely on our Board to review related party transactions on an ongoing basis to prevent conflicts of interest. Our Board reviews a transaction in light of the affiliations of the director, officer, or employee and the affiliations of such person's immediate family. Transactions are presented to our Board for approval before they are entered into or, if that is not possible, for ratification after the transaction has occurred. If our Board finds that a conflict of interest exists, then it will determine the appropriate remedial action, if any. Our Board approves or ratifies a transaction if it determines that the transaction is consistent with the best interests of the Company.

Director Independence

During the fiscal year ended December 31, 2013, we did not have any independent directors on our Board of Directors. Of our proposed Incoming Directors, only Messrs. Dowdy and Gilbert are expected to be independent. We evaluate independence by the standards for director independence established by applicable laws, rules and listing standards including without limitation, the standards for independent directors established by the New York Stock Exchange, Inc., the NASDAQ National Market and the SEC.

Subject to some exceptions, these standards generally provide that a director will not be independent if (a) the director is, or in the past three years has been, an employee of ours; (b) a member of the director's immediate family is, or in the past three years has been, an executive officer of ours; (c) the director or a member of the director's immediate family has received more than \$120,000 per year in direct compensation from us other than for service as a director (or for a family member, as a non-executive employee); (d) the director or a member of the director's immediate family is, or in the past three years has been, employed in a professional capacity by our independent public accountants, or has worked for such firm in any capacity on our audit; (e) the director or a member of the director's immediate family is, or in the past three years has been, employed as an executive officer of a company where one of our executive officers serves on the compensation committee; or (f) the director or a member of the director's immediate family is an executive officer of a company that makes payments to, or receives payments from, us in an amount which, in any twelve-month period during the past three years, exceeds the greater of \$1,000,000 or two percent of that other company's consolidated gross revenues.

Meetings and Committees of the Board

Our Board of Directors held no formal meetings during the fiscal year ended December 31, 2013. All proceedings of the Board of Directors were conducted by resolutions consented to in writing by the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the Nevada Revised Statutes and the Bylaws of our Company, as valid and effective as if they had been passed at a meeting of the directors duly called and held. We do not presently have a policy regarding director attendance at meetings.

We do not currently have standing audit, nominating or compensation committees, or committees performing similar functions. Due to the size of our Board, our Board of Directors believes that it is not necessary to have standing audit, nominating or compensation committees at this time because the functions of such committees are adequately performed by our Board of Directors. We do not have an audit, nominating or compensation committee charter as we do not currently have such committees. We do not have a policy for electing members to the Board.

After the change in the Board of Directors, it is anticipated that the Board of Directors will form separate compensation, nominating and audit committees, with the audit committee including an audit committee financial expert.

Audit Committee

Our Board of Directors has not established a separate audit committee within the meaning of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Instead, the entire Board of Directors acts as the audit committee within the meaning of Section 3(a)(58)(B) of the Exchange Act and will continue to do so upon the appointment of the proposed directors until such time as a separate audit committee has been established.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and shareholders holding more than 10% of our outstanding Common Stock to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of our Common Stock. Executive officers, directors, and persons who own more than 10% of our Common Stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of Forms 3, 4, and 5 delivered to us as filed with the SEC during our most recent fiscal year, none of our executive officers and directors, and persons who own more than 10% of our Common Stock failed to timely file the reports required pursuant to Section 16(a) of the Exchange Act.

Family Relationships

There are no family relationships between or among the directors, executive officers or persons nominated or chosen by us to become directors or executive officers.

Nominations to the Board of Directors

Our directors take a critical role in guiding our strategic direction and oversee the management of the Company. Board of Director candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of the shareholders, diversity, and personal integrity and judgment. While we seek a diversity of experience, viewpoints and backgrounds on the Board, we have not established a formal policy regarding diversity in identifying directors.

In addition, directors must have time available to devote to Board activities and to enhance their knowledge in the growing business. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

In carrying out its responsibilities, the Board of Directors will consider candidates suggested by shareholders. If a shareholder wishes to formally place a candidate's name in nomination, however, such shareholder must do so in accordance with the provisions of the Company's Bylaws. Suggestions for candidates to be evaluated by the proposed directors must be sent to the Board of Directors, c/o ePunk, Inc., 5536 Ft. Apache #102, Las Vegas, NV 89148. The Board has determined not to adopt a formal methodology for communications from shareholders.

Board Leadership Structure and Role on Risk Oversight

Mr. Sean Clarke currently serves as the Company's Interim Chief Executive Officer, President and a Director. We determined this leadership structure was appropriate for the Company due to our small size and limited operations and resources. In accordance with the proposed Exchange, Mr. Miller will serve as our Chief Executive Officer and a Director. The proposed Incoming Directors will continue to evaluate the Company's leadership structure and modify such structure as appropriate based on the size, resources, and operations of the Company.

Subsequent to the Closing, it is anticipated that the Board of Directors will establish procedures to determine an appropriate role for the Board of Directors in the Company's risk oversight function. Our Board of Directors are exclusively involved in the general oversight of risks that could affect our Company.

Board Compensation

We have no standard arrangement to compensate directors for their services in their capacity as directors. Directors are not paid for meetings attended. All travel and lodging expenses associated with corporate matters are reimbursed by us, if and when incurred.

Executive Compensation

No director, officer or employee of the Company received compensation during the fiscal year ended December 31, 2013. The following table and descriptive materials set forth information concerning compensation earned for services rendered to us by: the Chief Executive Officer (the CEO); the Chief Financial Officer (the CFO); and the other most highly-compensated executive officers other than the CEO and CFO who were serving as executive officers during the fiscal year ended September 30, 2012 (the Named Executive Officers).
