Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 17, 2016, Prism Technologies Group, Inc. (the “Company”) received written notice from The NASDAQ Stock Market (“NASDAQ”) indicating that the Company is not in compliance with the \$1.00 minimum bid price requirement for continued listing on the NASDAQ Capital Market, as set forth in Listing Rule 5550(a)(2). The notice has no immediate effect on the listing of the Company’s common stock, and its common stock will continue to trade on the NASDAQ Capital Market under the symbol “PRZM” at this time.

In accordance with Listing Rule 5810(c)(3)(A), the Company has a period of 180 calendar days, or until August 15, 2016, to regain compliance with the minimum bid price requirement. To regain compliance, the closing bid price of the Company’s common stock must meet or exceed \$1.00 per share for at least ten consecutive business days during this 180-day period.

If the Company is not in compliance by August 15, 2016, the Company may be afforded a second 180 calendar day period to regain compliance. To qualify, the Company would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The NASDAQ Capital Market, except for the minimum bid price requirement. In addition, the Company would be required to notify NASDAQ of its intent to cure the minimum bid price deficiency by implementing a reverse stock split if necessary.

If the Company does not regain compliance within the allotted compliance period(s), including any extensions that may be granted by NASDAQ, NASDAQ will provide notice that the Company’s common stock will be subject to delisting. The Company would then be entitled to appeal the NASDAQ Staff’s determination to a NASDAQ Listing Qualifications Panel and request a hearing.

The Company intends to monitor the closing bid price of its common stock and consider options to resolve the noncompliance with the minimum bid price requirement. No determination regarding the Company’s response has been made at this time. There can be no assurance that the Company will be able to regain compliance with the minimum bid price requirement or will otherwise be in compliance with other NASDAQ listing criteria.
