Pursuant to the terms and subject to the conditions set forth in the Nora Acquisition Agreement, Interface Netherlands will acquire from the Sellers all of the issued and outstanding shares of nora Holding GmbH (“nora”), and the Company will acquire from the Sellers all of the outstanding receivables under certain shareholder loans from the Sellers to nora (together, the “Nora Acquisition”), based on an enterprise value of €385 million calculated on a cash-free, debt free basis as of December 31, 2017. Nora is the holding company for a Germany-based manufacturer and marketer of resilient floor coverings, including rubber flooring.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On July 20, 2018 (the “Signing Date”), the Company entered into a First Restatement Agreement (the “First Restatement Agreement”) with certain of its wholly-owned foreign subsidiaries as co-borrowers (together with the Company, collectively, the “Borrowers”), its material domestic subsidiaries as guarantors, Bank of America, N.A. as Administrative Agent and lender, and the other lenders party thereto, pursuant to which the parties agreed (subject to completion of the Nora Acquisition in accordance with the Nora Acquisition Agreement and certain other customary conditions) to amend and restate that certain Amended and Restated Syndicated Facility Agreement, dated as of August 8, 2017 (as amended from time to time and in effect prior to the Restatement Date (as defined below), the “Original Facility Agreement”). Pursuant to the First Restatement Agreement, effective upon completion of the Nora Acquisition in accordance with the Nora Acquisition Agreement and subject to certain other customary conditions (the date on which such conditions are satisfied and the amendment and restatement is effective, the “Restatement Date”), (a) the Original Facility Agreement will be amended and restated in the form attached as Annex I to the First Restatement Agreement (as further amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, the “Amended Facility Agreement”), and (b) the Amended and Restated Security and Pledge Agreement dated August 8, 2017, by and among the Company and certain domestic subsidiaries thereof and Bank of America, N.A. as administrative agent, will be amended and restated in the form attached as Annex II to the First Restatement Agreement (as further amended, amended and restated, extended, supplemented or otherwise modified in writing from time to time, the “Amended Security Agreement”). Capitalized terms used herein and not defined herein have the meanings assigned to such terms in the Amended Facility Agreement.

The lenders have agreed in the Amended Facility Agreement, subject to certain terms and conditions, to provide (a) to the Company and certain of its subsidiaries a \$300 million multicurrency revolving credit facility (the “Revolving Facility”), (b) to the Company a \$162.5 million term loan A-1 (“Term Loan A-1”) and a \$370.5 million term loan A-2 (“Term Loan A-2”), each to be funded on the Restatement Date, (c) to Interface European Manufacturing B.V., a wholly owned subsidiary of the Company (“Interface Netherlands Manufacturing”), a €60 million term loan A-3 (“Term Loan A-3”), to be funded on the Restatement Date, and (d) to Interface AUST. together with the Term Loan A-1, the Term Loan A-2 and the Term Loan A-3 referred to herein collectively as the “Term Loan Facilities”; the Term Loan Facilities, together with the Revolving Facility are referred to herein collectively as the “Amended Facility”), to be funded on the Restatement Date.

The purpose of the First Restatement Agreement and Amended Facility is to partially fund the purchase price and related fees and expenses in the Nora Acquisition, and to increase the credit available to the Company and its subsidiaries following the closing of the Nora Acquisition in view of the larger enterprise that will result from such transaction.

Key Changes in the Amended Facility Agreement from the Original Facility Agreement

The terms and conditions of the Amended Facility Agreement are substantially similar to the preceding Original Facility Agreement with the following key changes:

The obligation of the Lenders to make the initial credit extensions under the Amended Facility on the Restatement Date is subject solely to the satisfaction or waiver of each of the conditions set forth in Section 5 of the First Restatement Agreement (subject to the “Certain Funds Provisions” set forth in Section 6 of the First Restatement Agreement).

Interface Netherlands Manufacturing has been added as an additional Designated Borrower under the Amended Facility Agreement.

Certain of the negative covenants have been liberalized by, in certain cases, increasing the dollar amount of basket exceptions and/or providing for additional exceptions.

The definition of the Consolidated Net Leverage Ratio has been amended to increase the amount of cash that may be deducted from consolidated funded indebtedness for purposes of determining such ratio from \$50 million to \$100 million.

The option to increase the borrowing availability under the Amended Facility, either for revolving loans or term loans, has been increased from \$150 million to \$250 million, subject to the receipt of lender commitments for the increase and the satisfaction of certain other conditions.

The definition of Consolidated EBITDA, which is used in calculating certain financial covenants and in calculating the interest rate margins for outstanding Loans and certain fees, has been amended to, among other things, allow for the addback of certain additional items in connection with the Nora Acquisition and other permitted acquisitions, subject to certain conditions and limitations provided for therein.

The definition of Applicable Rate which contains the pricing grid used in determining the interest rate margins on outstanding loans and other obligations as well as the commitment fee on the unused portion of the Amended Facility has been revised to increase the Consolidated Net Leverage Ratio levels on which pricing changes are based and to increase certain commitment fee amounts at various levels.

Termination of Lender Commitments if Restatement Date Does not occur on or before the Outside Date. The lender commitments under the Amended Facility in respect of the Revolving Facility and the Term Loan Facilities shall terminate automatically and permanently on the Outside Date (as defined below) if the Restatement Date has not occurred on or prior to the Outside Date. The “Outside Date” means the earlier of (a) December 31, 2018, (b) the closing of the Nora Acquisition without the use of the Term Loan A-2, Term Loan A-3 and Term Loan A-4, (c) the public announcement of the abandonment of the Nora Acquisition by the Purchaser (or any of its affiliates) or (d) the termination of the Nora Acquisition Agreement prior to closing of the Nora Acquisition or the termination of the Purchaser’s (or any of its affiliates’) obligations under the Nora Acquisition Agreement to consummate the Nora Acquisition in accordance with the terms thereof.

Required Amortization of Term Loans. The Term Loan Facilities provide for required amortization payments of the term loan borrowings in the amount of 1.25% of the initial principal amount of such term loan borrowing commencing on the last business day of the first full calendar quarter following the Restatement Date, as well as mandatory prepayments of the term loan borrowings (and any term loans made available pursuant to any future multicurrency loan facility increase) from certain asset sales, casualty events and debt issuances, subject to certain qualifications and exceptions as provided for therein.

Security. On and after the Restatement Date, the Amended Facility shall be secured by a first-priority lien on substantially all the Company's assets and the assets of each of the domestic subsidiary guarantors as further described below under “Collateral”.

Interest Rates and Fees. Following the Restatement Date (a) interest on base rate loans will be charged at varying rates computed by applying a margin ranging from 0.25% to 1.25% over the applicable base interest rate (which is defined as the greatest of the prime rate, a specified federal funds rate plus 0.50%, or a specified Eurocurrency rate), depending on our consolidated net leverage ratio as of the most recently completed fiscal quarter, and (b) interest on Eurocurrency-based loans and fees for letters of credit will be charged at varying rates computed by applying a margin ranging from 1.25% to 2.25% over the applicable Eurocurrency rate, depending on our consolidated net leverage ratio as of the most recently completed fiscal quarter. In addition, following the Restatement Date, the Company will be required to pay a commitment fee ranging from 0.20% to 0.35% per annum (depending on our consolidated net

leverage ratio as of the most recently completed fiscal quarter) on the unused portion of the Amended Facility.

Covenants. The Amended Facility contains standard and customary covenants for agreements of this type, including various reporting, affirmative and negative covenants. Among other things, these covenants limit our ability and the ability of the Borrowers and their Subsidiaries to (subject to certain exceptions):

-

enter into sale and leaseback transactions.

The Amended Facility also requires us to remain in compliance with the following financial covenants as of the end of each fiscal quarter ending after the Restatement Date, based on our consolidated results:

Consolidated Net Leverage Ratio: Must be no greater than 4.50:1.0, subject to certain step-downs in such maximum consolidated net leverage ratio (and the right of the Company following such step-downs to request an increase in the leverage ratio to 4.5 to 1.00 under certain circumstances and subject to certain conditions), as described in further detail above and in the Amended Facility Agreement.

Consolidated Interest Coverage Ratio: Must be no less than 2.25:1.0.

Events of Default. Upon any breach or failure to perform any of the affirmative or negative covenants under the Amended Facility, or if other specified events occur (such as a bankruptcy or similar event or a change of control of the Company or certain subsidiaries, or if any Borrower or subsidiary breaches or fails to perform any covenant or agreement contained in any instrument relating to any of its other indebtedness exceeding \$20 million), after giving effect to any applicable notice and right to cure provisions, an event of default will exist. If an event of default exists and is continuing, the lenders' Administrative Agent may, and upon the written request of a specified percentage of the lender group shall:

declare all commitments of the lenders under the Amended Facility terminated;

declare all amounts outstanding or accrued thereunder immediately due and payable; and
exercise other rights and remedies available to them under the agreement and applicable law.

Collateral

If an event of default occurs as defined in the Amended Facility Agreement, the lenders' Administrative Agent may, upon the request of a specified percentage of lenders, exercise remedies with respect to the collateral, including, in some instances, foreclosing mortgages on real estate assets, taking possession of or selling personal property assets, collecting accounts receivables, or exercising proxies to take control of the pledged stock of domestic and first-tier material foreign subsidiaries.
