While these forward-looking statements represent our best current judgment, actual results could differ materially from the conclusions, forecasts or projections contained in the forward-looking statements. Certain material factors or assumptions were applied in drawing a conclusion or making a forecast or projection in the forward-looking information contained herein. Such factors include: the ability to satisfy conditions to the transactions discussed on the proposed terms and timeframe; the possibility that the final tranche of the transactions might not close when expected or at all; volatility in the oil and gas sector generally, and potential impact of such volatility on offshore exploration and production, particularly on demand for offshore transportation services; as well as competition in the markets we serve, our ability to secure and maintain long-term support contracts, our ability to maintain standards of acceptable safety performance, political, economic, and regulatory uncertainty, problems with our non-wholly owned entities, including potential conflicts with the other owners of such entities, exposure to credit risks, our ability to continue funding our working capital requirements, risks inherent in the operation of helicopters, unanticipated costs or cost increases associated with our business operations, exchange rate fluctuations, trade industry exposure, inflation, ability to continue maintaining government issued licenses, necessary aircraft or insurance, loss of key personnel, work stoppages due to labor disputes, and future material acquisitions or dispositions. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those indicated. The Company disclaims any intentions or obligations to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
