Item 8.01 Other Events

On December 3, 2015, OTC Markets Group placed a Caveat Emptor symbol on the web page provided by OTC Markets Group on its marketplace for CD International Enterprises, Inc. (the “Company”). Upon enquiry, OTC Markets Group staff cited as reason why the symbol was assigned that the Company common stock has been subject to being promoted to the public, but adequate current information about the Company has not been made available to the public.

The Company is working diligently to satisfy any concerns OTC Markets Group may have about the adequacy of the current information about the Company and any other concerns.

Generally, OTC Markets Group will remove the Caveat Emptor designation once the Company meets the qualifications for OTC Pink Current Information or OTCQB and has displayed that there is no longer a public interest concern, typically no sooner than 30 days.
