Item 2.05. Costs Associated With Exit or Disposal Activities.

On September 30, 2013, National Bank Holdings Corporation (“NBHC”) informed its associates of its plan to exit 32 limited-service retirement center locations (acquired in its 2010 purchase of Hillcrest Bank) and four banking centers in Northern California (acquired in its 2011 purchase of Community Banks of Colorado). NBHC plans to integrate its limited-service retirement center locations into its full-service banking center network. These actions are a result of NBHC’s decision to streamline its focus on serving its clients through full-service banking centers across its core geography of Colorado, Kansas, Missouri and Texas, as well as through online and mobile banking channels. The affected centers are expected to close by December 31, 2013.

The estimated total amount of expense to be incurred in connection with these closures in the third quarter of 2013 is approximately \$3.4 million, including approximately \$3.3 million related to facilities expense. Approximately \$2.5 million of the facilities expense relates to valuation adjustments to banking center properties and fixed assets, and approximately \$0.8 million of the facilities expense relates to lease costs. No additional material charges or future cash expenditures are expected at this time.

As of June 30, 2013, the impacted centers had \$0.2 million loans outstanding, the limited-service retirement center locations had \$97.5 million in total deposits and the California banking centers had \$66.7 million in total deposits. NBHC anticipates annualized expense savings of approximately \$2.4 million as a result of the closures.

The press release set forth in Exhibit 99.1 is incorporated herein by reference.

Item 2.06. Material Impairments.

The information contained in Item 2.05 above relating to asset impairment charges is incorporated into this Item 2.06 by reference.

Item 9.01. Financial Statements and Exhibits.
