Board of Directors Structure

The Board of Directors has determined that each of Christopher Greenberg, Brian L. Johnson, Christopher J. Lee and Allan T. Grantham is an "independent director" as defined by the listing standards of The NASDAQ Stock Market.

In the past, the full Board of Directors acted as an Audit Committee and a Compensation Committee, and the Board of Directors as a whole functioned as the Nominating Committee due to the relatively small size of the Board and the smaller market capitalization of the Company. Effective as of June 2016, the Board of Directors has established (i) an Audit Committee, (ii) a Compensation Committee, and (iii) a Nominating and Corporate Governance Committee. Each of these Committees has only independent directors as members. In addition, effective as of June 2016, the Board has established a Finance Committee for which it has not imposed any membership rules regarding director independence. Each of the Committees operates under a written charter that is available on the Company's website: <http://www.midwestemissions.com>. Each of the Committees shall meet as often as its members deem necessary to perform such Committee's responsibilities.

The Board of Directors held 16 formal meetings during 2015. In addition, the Board of Directors took action by unanimous written consent and met informally on other occasions during the period. Each director currently serving on the Board attended 75% or more of the meetings held during such year by the Board except for Mr. Grantham who was not serving on the Board of Directors in 2015. The Company encourages the attendance of all directors at the Company's annual meeting of stockholders.

Audit Committee

The Audit Committee consists of three directors: Christopher J. Lee (chairperson), Christopher Greenberg and Brian L. Johnson. The Audit Committee's charter requires that such Committee shall consist of no fewer than three directors, each of whom shall be an independent director of the Company satisfying the independence requirements of the NASDAQ Stock Market ("NASDAQ") or any exchange on which the Company's securities may be listed and any other applicable regulatory requirements. The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibility by reviewing the accounting and financial reporting processes of the Company and its subsidiaries, the Company's internal control and disclosure control system, and the audits of the Company's financial statements. In this regard, the Audit Committee shall approve the Company's retention of independent auditors and pre-approve any audit or non-audit services performed by them. It shall review with such accountants the arrangements for, and the scope of, the audit to be conducted by them. It also shall review with the independent accountants and with management the results of audits and various other financial and accounting matters affecting the Company.

Compensation Committee

The Compensation Committee consists of three directors: Christopher Greenberg (chairperson), Christopher J. Lee and Allan T. Grantham. The Compensation Committee's charter requires that such Committee shall consist of no fewer than two directors, each of whom shall (i) be an independent director of the Company satisfying the independence requirements of NASDAQ or any exchange on which the Company's securities may be listed and any other applicable regulatory requirements, (ii) qualify as an "outside director" under Section 162(m) of the Internal Revenue Code, as amended; and (iii) meet the requirements of a "non-employee director" for purposes of Section 16 of the Securities Exchange Act of 1934, as amended. The Compensation Committee is appointed by the Board to review and approve the Company's compensation and benefits programs, including annual base salary; annual incentive opportunity; stock option or other equity participation plans; profit-sharing plans; long-term incentive opportunity; the terms of employment agreements, severance agreements, and change in control agreements, in each case as, when and if appropriate; any special or supplemental benefits; and any other payments that are deemed compensation under applicable rules of the SEC. In this regard, the Compensation Committee shall evaluate the performance of the CEO in light of the Company's goals and objectives and determine and approve the CEO's compensation based on this evaluation and such other factors as the Committee shall deem appropriate. The Committee shall also determine and approve the compensation of all other executive officers of the Company, which determination may be based upon recommendations of the CEO. The Board of Directors can exercise its discretion in modifying any amount presented by our CEO.

Prior to June 2016, the Board of Directors administered the Company's compensation, benefits and the Company's 2014 Equity Incentive Plan. Our policies and overall compensation practices for all employees do not create risks that are reasonably likely to have a material adverse effect on the Company. In addition, incentive compensation (in the past generally in the form of stock options) is not designed to create, and does not create, risks that are reasonably likely to have a material adverse effect on the Company. During fiscal 2015, the Board of Directors did not retain the services of a compensation consultant.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of four directors: Christopher Greenberg (chairperson), Brian L. Johnson, Christopher J. Lee and Allan T. Grantham. The Nominating and Corporate Governance Committee's charter requires that such Committee shall consist of no fewer than two directors, each of whom shall be an independent director of the Company satisfying the independence requirements of NASDAQ or any exchange on which the Company's securities may be listed and any other applicable regulatory requirements. The

Edgar Filing: Midwest Energy Emissions Corp. - Form DEF 14A

Nominating and Corporate Governance Committee is appointed by the Board to determine the identity of director nominees for election to the Board and to assist the Board in discharging the Board's responsibilities in the area of corporate governance.

The Committee shall review, at least annually, the composition and size of the Board and make recommendations to the Board regarding the criteria for Board membership including issues of character, judgment, diversity, expertise, corporate experience and the like. At a minimum, directors should share the values of the Company and should possess the following characteristics: high personal and professional integrity; the ability to exercise sound business judgment; an inquiring mind; and the time available to devote to Board of Directors' activities and the willingness to do so. The Board or the Committee does not have a formal policy specifically focusing on the consideration of diversity; however, diversity is one of the many factors that the Committee shall consider when identifying candidates. In addition to the foregoing considerations, generally with respect to nominees recommended by stockholders, the Committee will evaluate such recommended nominees considering the additional information regarding the nominees provided to the Committee. When seeking candidates for the Board of Directors, the Committee may solicit suggestions from incumbent directors, management and third-party search firms. Ultimately, the Committee will recommend prospective nominees who the Committee believes will be effective, in conjunction with the other members of the Board of Directors, in collectively serving the long-term interests of the Company's stockholders. The Committee will review any candidate recommended by stockholders of the Company in light of its criteria for selection of new directors. See "2017 Stockholder Proposals or Nominations."

Finance Committee

The Finance Committee consists of three directors: Christopher J. Lee (chairperson), Christopher Greenberg and Brian L. Johnson. The Finance Committee is appointed by the Board to oversee all areas of corporate performance and finance, and advise and assist the Board with respect to the financial and investment policies, risks, and objectives of the Company, including specific actions required to achieve those objectives.

Financial Experts

Although the Audit Committee was established in June 2016, the Board of Directors has not appointed any directors as "audit committee financial experts" as defined under Item 407 of Regulation S-K promulgated pursuant to the Securities Exchange Act of 1934, as amended, insofar that it had no audit committee prior thereto and is not required to have an audit committee because the Company is not a listed security.

Board Leadership

The Board does not have a formal policy regarding the separation of the roles of CEO and Chairman of the Board as the Board believes it is in the best interest of the Company and our stockholders to make that determination based on the position and direction of the Company and the membership of the Board. At this time, the Board has determined that separating the role of Chairman from the role of CEO is in the best interest of the Company and our stockholders. This structure permits our President and CEO to devote more time to focus on the strategic direction and management of our day-to-day operations. Currently, the Board has four independent directors, Messrs. Greenberg, Johnson, Lee and Grantham.

Board's Role in Risk Oversight

Edgar Filing: Midwest Energy Emissions Corp. - Form DEF 14A

It is management's responsibility to manage risk and bring to the Board of Directors' attention the most material risks to the Company. The Board of Directors has oversight responsibility of the processes established to report and monitor systems for material risks applicable to the Company. The full Board, or the Committees, shall regularly review enterprise-wide risk management, which includes treasury risks, financial and accounting risks, legal and compliance risks and other risk management functions.

While the Board has the ultimate risk oversight responsibility, various committees of the Board also have responsibility for risk oversight. The Audit Committee has responsibility for overseeing the integrity of the Company's financial reporting processes and controls. The Finance Committee oversees corporate performance and finance, and assists the Board with respect to financial and investment policies, risks and objectives of the Company. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's compensation plans and arrangements. The Nominating and Corporate Governance Committee oversees the management of risks relating to Board and executive succession planning and the composition of the Board. While each Committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors shall be regularly informed through Committee reports and reports from management about such risks.

Code of Ethics

The Company has adopted a Code of Ethics and Business Conduct (the "Code") that applies to all employees, officers and directors, including the Chief Executive Officer and Chief Financial Officer. A copy of the Code is available free of charge to any person on written or telephone request to Midwest Energy Emissions Corp.'s Investor Relations department, 670 D Enterprise Drive, Lewis Center, OH 43035 or (614) 505-6115.

Material Proceedings

There are no material proceedings to which any director or executive officer of the Company, or any associate of any such director or executive officer, is a party adverse to the Company or has a material interest adverse to the Company.

Transactions with Management and Others

As of December 31, 2014, the Company owed Jay Rifkin, a former officer and director of the Company, \$250,000 for unpaid consulting fees accrued prior to the year ended 2011 and accrued interest of \$31,318 accrued on advances made to the company prior to their conversion to promissory notes of the Company on June 30, 2013. PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF SCHNEIDER DOWNS & CO., INC.

In the past, the full Board of Directors has acted as the Audit Committee. Effective as of June 2016, the Board of Directors has established an Audit Committee. The Company currently anticipates appointing Schneider Downs & Co., Inc. as our independent registered public accounting firm for the fiscal year ending December 31, 2016. For fiscal year 2015, Schneider Downs was engaged by us to audit our annual financial statements. Representatives of Schneider Downs are expected to be present at the Annual Meeting, and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Board seeks an indication from stockholders of their approval or disapproval of the anticipated appointment of Schneider Downs as the Company's independent registered public accounting firm for the 2016 fiscal year. The submission of this matter for approval by stockholders is not legally required, however, the Board believes that the submission is an opportunity for the stockholders to provide feedback to the Board on an important issue of corporate governance. If the stockholders do not approve the appointment of Schneider Downs, the appointment of the Company's independent registered public accounting firm will be re-evaluated by the Board and the Audit Committee but will not require the Board or Audit Committee to appoint a different accounting firm. If the stockholders approve the appointment of Schneider Downs, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders. Approval of the proposal to ratify the selection of Schneider Downs as our independent registered public accounting firm requires the affirmative vote of a majority of the shares of common stock present in person or by proxy and entitled to be voted on the proposal at the Annual Meeting. Abstentions will have the same effect as votes against the proposal. Broker non-votes will not be considered shares of common stock present and entitled to vote on the proposal and will not have a positive or negative effect on the outcome of this proposal, however, there should be no broker non-votes on this proposal because brokers have the discretion to vote uninstructed common shares on this proposal.

The Board of Directors recommends that the Stockholders vote FOR Proposal 2.

PROPOSAL 3: SAY-ON-PAY

Pursuant to the requirements of the Dodd-Frank Act, the Company provides its stockholders with the opportunity to cast an advisory non-binding vote to approve the compensation of its Named Executive Officers as disclosed pursuant to the SEC's compensation disclosure rules (a "say-on-pay proposal"). The Company believes that it is appropriate to seek the views of stockholders on the design and effectiveness of the Company's executive compensation program.

The Company's goal for its executive compensation program is to attract, motivate, and retain a talented, entrepreneurial and creative team of executives who will provide leadership for the Company's success in competitive markets. The Company seeks to accomplish this goal in a way that rewards performance and is aligned with its stockholders' long-term interests.

The Board recommends that stockholders vote for the following resolution:

"RESOLVED that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K compensation tables and narrative discussion, is hereby APPROVED."

Because the vote is advisory, it will not be binding upon the Board. The Board values the opinions of our stockholders and will take into account the outcome of the vote when considering future executive compensation arrangements.

The affirmative vote of a majority of the shares of common stock present or represented by proxy and voting at the annual meeting will constitute approval of this non-binding resolution. Abstentions will have the same effect as votes against the proposal. Broker non-votes will not

Edgar Filing: Midwest Energy Emissions Corp. - Form DEF 14A

be considered shares of common stock present and entitled to vote on this proposal and will not have a positive or negative effect on the outcome of the proposal.

The Board of Directors recommends that the stockholders vote FOR Proposal 3.
