Item 2.05. Costs Associated with Exit or Disposal Activities.

On September 6, 2011, the Board of Directors of Forest Oil Corporation (*Forest*) declared a special stock dividend to its shareholders of 70,000,000 shares of common stock of Lone Pine Resources Inc. (*Lone Pine*) owned by Forest, representing approximately 82% of the outstanding shares of Lone Pine common stock. The distribution by Forest of the special stock dividend will be made on September 30, 2011, to all Forest shareholders of record as of the close of business on September 16, 2011. In connection with the dividend of the Lone Pine common stock, Forest will accelerate the recognition of equity-based compensation costs related to certain restricted stock awards and units held by employees of Forest, Lone Pine and their subsidiaries. Lone Pine has agreed to reimburse Forest for all costs associated with Forest equity-based compensation awards held by employees of Lone Pine and its subsidiaries. Forest is not able to estimate the amount of the accelerated equity-based compensation costs it will recognize until the date of the special stock dividend on September 30, 2011. Accordingly, Forest will file an amended report on Form 8-K under this Item 2.05 within four business days of September 30, 2011 with an estimate or range of estimates of such costs.
