Item 2.05 Costs Associated with Exit or Disposal Activities

As previously announced, on November 29, 2016, the Board of Directors (the “Board”) of GoPro, Inc. (the “Company”) approved a restructuring of the Company’s business.

On December 14, 2016, in connection with additional severance and other costs related to the reduction in force, the Board approved an increase of approximately \$7 million to the Company’s estimated total aggregate restructuring charges in addition to the approximately \$24 million to \$33 million in restructuring charges previously disclosed by the Company. The Company expects to recognize most of the restructuring charges in the fourth quarter of 2016.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously announced by the Company, Anthony Bates will cease serving as the Company’s President effective December 31, 2016 (the “Termination Date”). In accordance with the terms of his offer letter, Mr. Bates tendered his resignation from the Board. The Board declined to accept Mr. Bates’ resignation and requested that he continue his Board service.

On December 15, 2016, Mr. Bates and the Company entered into a Separation Agreement and Release of Claims (the “Separation Agreement”). Pursuant to the Separation Agreement, Mr. Bates will be entitled to receive (i) a lump sum payment equal to 12 months of Mr. Bates’ current base salary plus his target bonus (assuming a 100% achievement threshold) relating to 2017, (ii) a lump sum payment equal to his target bonus relating to 2016, (iii) continuation of benefits under COBRA for 12 months following his termination of employment (or if applicable law requires otherwise, a lump sum payment equal to the amount of the insurance premiums that would have been paid by the Company to continue such benefits under COBRA for the 12 months), (iv) acceleration of 25% of the shares initially subject to each of the outstanding equity grants held by Mr. Bates, and (v) if and so long as Mr. Bates continues to serve on the Board, Mr. Bates shall continue to vest in an additional 25% of the shares initially subject to each of his outstanding equity grants, with the number of shares vesting on each vesting date pursuant to the original vesting schedule of such grant. The shares subject to continued vesting under these revised equity grants shall be eligible for immediate acceleration in the event of a Change of Control (as defined in Mr. Bates’ offer letter). The remaining unvested shares subject to each of Mr. Bates’ original equity grants will expire on the Termination Date. In exchange for such separation benefits, Mr. Bates provided the Company with a general release of claims. Mr. Bates will not be eligible for the standard non-executive director Board equity and cash compensation package until the year his revised equity grants have completed vesting.

The foregoing description of the Separation Agreement and the benefits granted to Mr. Bates therein is not complete and is subject to, and qualified in its entirety by, the full text of the Separation Agreement, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
