Item 1.01 Entry into a Material Definitive Agreement.

Transportation Services Agreement (Cornerstone Pipeline System and Utica Build-Out Projects)

Effective June 11, 2015, Marathon Pipe Line LLC (“MPL”) entered into a transportation services agreement (the “Transportation Services Agreement”) with Marathon Petroleum Company LP (“MPCLP”) pursuant to which MPL will charge fees to MPCLP, at applicable Federal Energy Regulatory Commission tariff rates, for transporting products on the Cornerstone pipeline system and related Utica build-out projects. MPCLP will be obligated to transport certain minimum quarterly volumes of products on the associated pipeline systems. If MPCLP fails to transport its minimum volume during any quarter, then MPCLP will pay MPL a quarterly deficiency payment. The amount of any quarterly deficiency payment paid by MPCLP may be applied as a credit for any volumes transported on the applicable pipeline system in excess of MPCLP’s minimum volume commitment during any of the succeeding four quarters, after which time any unused credits will expire. Upon the expiration or termination of the Transportation Services Agreement, MPCLP will have the opportunity to apply any remaining credit amounts until the completion of the succeeding four quarter period, without regard to the minimum volume commitment under the Transportation Services Agreement. The Transportation Services Agreement has a primary term of fifteen years and automatically renews for up to two renewal terms of five years each unless either party provides the other party with written notice of its intent to terminate at least six months prior to the end of the primary term or any renewal term, as applicable.

The foregoing description is not complete and is qualified in its entirety by reference to the Transportation Services Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

MPLX LP (“MPLX”) indirectly owns 99.5% of MPL. As MPLX’s general partner, MPLX GP LLC (“MPLX GP”), manages MPLX’s operations and activities through MPLX GP’s officers and directors. MPLX GP is an indirect wholly-owned subsidiary of Marathon Petroleum Corporation (“MPC”). As a result, certain individuals serve as officers and directors of both MPLX GP and MPC. MPCLP is also an indirect wholly-owned subsidiary of MPC. In addition, as of the date hereof, MPC holds, indirectly through its subsidiaries, 19,980,619 common units of MPLX and 36,951,515 subordinated units of MPLX, representing a 70.9% limited partnership interest in MPLX.
