Item 2.02. Results of Operations and Financial Condition.

On February 25, 2019, Orthofix Medical Inc. (the “Company”) issued a press release announcing, among other things, its financial results for the fiscal quarter and year ended December 31, 2018. A copy of the press release is furnished herewith as Exhibit 99.1 and attached hereto.

The information furnished in this Item 2.02, including the exhibit furnished herewith as Exhibit 99.1, will not be treated as “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section. This information will not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the “Securities Act”), or into another filing under the Exchange Act, unless that filing expressly refers to specific information in this Report.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 25, 2019, the Company entered into a Transition and Retirement Agreement with the Company’s President and Chief Executive Officer, Bradley R. Mason (the “Agreement”). Mr. Mason has served as the Company’s President and Chief Executive Officer since March 2013. Mr. Mason is party to the Company’s Change in Control and Severance Agreement, which among other things, permits him to receive partial vesting acceleration of certain equity incentive awards in the event he commences a “Qualified Retirement.” Mr. Mason currently is eligible to commence a Qualified Retirement, as he meets the requirement of his age plus years of service with the Company being greater or equal to 75.

Under the terms of the Agreement, the Company and Mr. Mason have agreed that Mr. Mason will continue to serve as President and Chief Executive Officer until the Board appoints his successor, which is expected to occur no later than October 31, 2019 (the “Succession and Retirement Date”). The Company’s board of directors has begun to search for and evaluate potential successor candidates in accordance with its CEO succession plan. The parties have agreed that Mr. Mason will provide ongoing transition assistance to the Company pursuant to a consulting arrangement with the Company during the 12 months following the Succession and Retirement Date. Mr. Mason will be paid \$40,000 per month for such transition consulting services.

Under the Agreement, Mr. Mason will be eligible on the Succession and Retirement Date to receive full vesting acceleration of his unvested time-based equity grants, and he will continue to receive service credit under his performance-based grants during the period in which he provides consulting services. He will not be eligible to receive any of the cash severance payments contemplated by the Change in Control and Severance Agreement.

For purposes of the 2019 fiscal year, the parties have agreed that, in lieu of his normal annual incentive grants under the Company’s 2012 Long-Term Incentive Plan and in recognition of the ongoing transition assistance Mr. Mason will provide to the Company, Mr. Mason will receive a grant of restricted stock units with a grant date fair market value of \$2,000,000 that will vest and become subject to share delivery one year following the date of grant, subject to him continuing to provide transition consulting services through his Retirement Date.

The foregoing summary is qualified in its entirety by reference to the text of the Agreement, which is filed herewith as Exhibit 10.1, and is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

The press release furnished as Exhibit 99.1 also provides an update on the Company’s business outlook, that is intended to be within the safe harbor provided by the Private Securities Litigation Reform Act of 1995 (the “Act”) as comprising forward looking statements within the meaning of the Act.
