Item 1.01. Entry into a Material Definitive Agreement.

On December 1, 2017, Physicians Realty L.P. (the "Operating Partnership"), the operating partnership of Physicians Realty Trust (the "Trust"), issued \$350.0 million in aggregate principal amount of its 3.950% Senior Notes due 2028 (the "Notes") in a public offering (the "Offering") through underwriters for whom J.P. Morgan Securities LLC, Credit Agricole Securities (USA) Inc. and Jefferies LLC acted as representatives (the "Representatives") pursuant to an underwriting agreement, dated November 28, 2017 (the "Underwriting Agreement"), among the Operating Partnership, the Trust and the Representatives. The Underwriting Agreement contains customary representations, warranties and agreements by the Operating Partnership and the Trust, customary conditions to closing, indemnification obligations of the Operating Partnership, the Trust and the underwriters, including for liabilities under the Securities Act of 1933, as amended (the "Securities Act"), other obligations of the parties and termination provisions. A copy of the Underwriting Agreement is attached as Exhibit 1.1 to this report.

The Notes were registered under the Securities Act on the Trust's and the Operating Partnership's automatic shelf registration statement on Form S-3ASR (File No. 333-216214), filed with the Securities and Exchange Commission on February 24, 2017. The Notes were issued pursuant to a senior indenture, dated as of March 7, 2017 (the "Base Indenture"), among the Operating Partnership, as issuer, the Trust, as guarantor, and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by a second supplemental indenture, dated as of December 1, 2017 (the "Second Supplemental Indenture," and together with the Base Indenture, the "Indenture"), among the Operating Partnership, the Trust and the Trustee. The Indenture contains certain restrictive covenants which are subject to a number of exceptions and qualifications.

A copy of the Second Supplemental Indenture and the form of the Notes and guarantee of the Notes by the Trust, the terms of which are incorporated herein by reference, are attached as Exhibits 4.1 and 4.2, respectively, to this report. See Item 2.03 below for additional information.

The net proceeds of the Offering were approximately \$346.5 million, after deducting the underwriting discount and estimated offering expenses of the Trust and the Operating Partnership. The Operating Partnership intends to use the net proceeds of the Offering (i) to repay outstanding indebtedness under its unsecured revolving credit facility and (ii) for general corporate purposes, including, without limitation, working capital and investment in real estate.

The foregoing description of the Underwriting Agreement, the Second Supplemental Indenture and the Notes is qualified in its entirety by reference to the Underwriting Agreement, the Second Supplemental Indenture and the form of the Notes and guarantee of the Notes by the Trust, attached hereto as Exhibits 1.1, 4.1 and 4.2, respectively, and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 1, 2017, the Operating Partnership issued \$350.0 million in aggregate principal amount of the Notes. The Operating Partnership offered the Notes at 99.779% of the principal amount thereof. The Notes are the senior unsecured indebtedness of the Operating Partnership and will rank equally in right of payment with all of the Operating Partnership's existing and future senior unsecured indebtedness. As a result, the Notes will be effectively subordinated in right of payment to all of the Operating Partnership's existing and future secured indebtedness (to the extent of the value of the collateral securing such indebtedness), and all mortgages, preferred equity and indebtedness and other liabilities, whether secured or unsecured, of the Operating Partnership's subsidiaries. The Notes bear interest at 3.950% per annum. Interest is payable on January 15 and July 15 of each year, commencing July 15, 2018, until the maturity date of January 15, 2028. The Operating Partnership's obligations under the Notes are fully and unconditionally guaranteed by the Trust. Copies of the Second Supplemental Indenture and the form of the Notes and guarantee of the Notes by the Trust, the terms of which are incorporated herein by reference, are attached as Exhibits 4.1 and 4.2, respectively, to this report.

The Notes will be redeemable at the Operating Partnership's option and in its sole discretion, at any time or from time to time prior to October 15, 2027, in whole or in part, at a redemption price equal to the greater of:

- 100% of the principal amount of the Notes to be redeemed; or
- the sum of the present values of the remaining scheduled payments of principal of, and interest on the Notes to be redeemed, exclusive of unpaid interest, if any, accrued to, but not including, the redemption date, that would be due

after the related redemption date but for such redemption, discounted to such redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the treasury rate (determined in accordance with the Indenture) plus 25 basis points, plus, in each case unpaid interest, if any, accrued to, but not including, such redemption date.

Notwithstanding the foregoing, if the Notes are redeemed on or after October 15, 2027, the redemption price will be equal to 100% of the principal amount of the Notes being redeemed, plus unpaid interest, if any, accrued to, but not including, the related redemption date.

The Notes are subject to customary events of default, which may result in the accelerated maturity of the Notes.
