Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Resignation of Director

On April 17, 2017, Susan M. Ward resigned as Director of Shell Midstream Partners GP LLC, the general partner (the “General Partner”) of Shell Midstream Partners, L.P. (the “Partnership”). There were no disagreements between Ms. Ward and the General Partner, the Partnership or any officer or director of the General Partner which led to Ms. Ward’s resignation. Ms. Ward’s resignation is effective April 17, 2017.

Appointment of Director

As previously disclosed, Shawn J. Carsten became the Vice President and Chief Financial Officer of the General Partner effective April 1, 2017. In addition, on April 17, 2017, the sole member of the General Partner elected Mr. Carsten as a member of the board of directors of the General Partner (the “Board”) effective April 17, 2017.

Mr. Carsten will be fully indemnified by the Partnership for actions associated with being a director to the fullest extent permitted under Delaware law pursuant to its partnership agreement.

Mr. Carsten, age 50, is a 28-year Shell executive with deep financial and operational management experience, as well as significant experience in Shell’s Upstream, Downstream and Retail businesses. In his previous role as the Downstream Controller - Americas of Equilon Enterprises LLC d/b/a Shell Oil Products US (“SOPUS”), Mr. Carsten was responsible for the financial results and control framework for SOPUS, as well as finance operations personnel in the United States and in Asia. Prior to his role as Controller, Mr. Carsten spent 2013 serving as the Finance Shareholding Representative for Motiva, a multi-billion dollar joint venture, where he was responsible for assessing value proposals and investment opportunities. Before that, from 2011 through 2012, Mr. Carsten served as the Finance Manager for Supply and Distribution, supporting North and South America with operational management and functional leadership for capital project development, having served in various related capacities since 2008. Prior to that, Mr. Carsten served as the JV Finance Manager for Shell Chemicals in London from 2003 to 2008. Mr. Carsten held various assignments of increasing responsibility in Procurement, IT and Finance leading up to that time. Mr. Carsten holds a bachelor’s degree in Finance from the University of Colorado and an MBA from the Kellogg School of Management at Northwestern University. The Partnership believes that Mr. Carsten’s extensive experience across a wide range of energy segments, particularly his experience in financial management of domestic supply and distribution, makes him well qualified to serve as a director.

Mr. Carsten was not appointed pursuant to any arrangement or understanding with any other person, and there are no transactions with Mr. Carsten that would be reportable under Item 404(a) of Regulation S-K.

SIGNATURE
