RYANAIR LAUNCHES RECORD LONDON S19 SCHEDULE

23 NEW ROUTES (180 TOTAL), 26M CUSTOMERS P.A. (UP 5%)

Ryanair, Europe's No.1 airline, today (12 Sep) launched its biggest ever London S 2019 schedule, with 23 new routes (over 180 in total), which will deliver 26m customers p.a. through Ryanair's 4 London airports - Stansted, Luton, Southend and Gatwick.

Ryanair's London S19 schedule will deliver:

A new 3 aircraft base at Southend

2 more aircraft at Luton (6 in total)

23 new routes including:

3 at Stansted: Kiev, Lviv & Nantes

6 at Luton: Alicante, Athens, Barcelona, Bologna, Cork, Malaga

14 at Southend: Alicante, Bilbao, Brest, Copenhagen, Cluj, Corfu, Dublin, Faro, Kosice, Malaga, Milan, Palma, Reus & Venice

Over 180 routes in total

26m customers p.a. (up 5%)

20,000\* "on-site" jobs p.a.

Last week Ryanair submitted a complaint to the European Commission over discrimination by UK airline controlled NATS at Stansted, who refuse to explain why 52% of all London ATC delays in Q1 were at Stansted while there was zero such delays at Heathrow and just 10% at Gatwick where (NATS' shareholders) BA and Easyjet are the main airlines.

We call on the UK Govt and EU to take prompt action against NATS who continue to deliver an atrocious service to airlines despite having amongst the highest ATC fees in the EU, and who are blatantly protecting Heathrow at the expense of all other London airports, especially Stansted. We expect the EU to act quickly to ensure a fairer allocation of NATS resources (and delays) to all 5 London airports, instead of protecting Heathrow.

	Q1 Pax (m)	% of Delays
Heathrow	17.7	0%
Gatwick	9.3	10%
Stansted	5.6	52%
Luton	3.2	30%
London City	1.0	8%

Ryanair's Michael O'Leary said:

"Ryanair is pleased to launch our biggest ever London S 2019 schedule with over 180 routes from our 4 London airports, including 1 new base at Southend and 23 new routes to exciting destinations such as Barcelona, Bilbao, Copenhagen and Kiev. Our S2019 schedule will deliver 26m customers p.a. through Stansted, Luton, Southend and Gatwick, all at the lowest fares, as we continue to grow London traffic, tourism and jobs.

We remain concerned at the increasing risk of a hard (no-deal) Brexit in March 2019. While we hope that a 21-month transition agreement from March 2019 will be agreed, recent events in the UK have added uncertainty, and we believe

Edgar Filing: RYANAIR HOLDINGS PLC - Form 6-K

that the risk of a hard Brexit (which could lead to flights being grounded for a period of days or weeks) is being underestimated."

ENDS

\*ACI research confirms up to 750 'on-site' jobs are sustained at international airports for every 1m passengers
