Item 3.02. Unregistered Sales of Equity Securities.

As previously reported, on November 22, 2013, Coeur Mining, Inc. (“Coeur” or the “Company”) entered into a Support Agreement (the “Support Agreement”) with Global Royalty Corp, a corporation existing under the laws of the Province of British Columbia (“GRC”), and the other parties named therein. In connection with the Support Agreement, Coeur commenced an exempt take-over bid in order to acquire all of the outstanding common shares of GRC (the “Offer”). The closing of the transactions contemplated by the Support Agreement (the “Closing”) occurred on December 13, 2013, at which time consideration of \$2.68 for each common share of GRC was paid to the GRC shareholders, of which \$0.03 was paid in cash and \$2.65 was paid in shares of the Company's common stock, for an aggregate transaction consideration of approximately \$23.8 million. At the Closing, the Company issued 2,130,351 shares of its common stock to the former GRC shareholders. The shares of Company common stock issued to GRC shareholders are valued at \$11.07 per share, based on the volume weighted average price of the Company’s common stock on the New York Stock Exchange for the 10 trading days prior to the execution of the Support Agreement. The Company's issuance of common stock to the GRC shareholders is exempt from registration under the Securities Act of 1933, as amended, pursuant to Rule 802 thereunder as an offering in connection with an exchange offer for the securities of foreign private issuers.

Item 7.01. Regulation FD Disclosure.

On December 13, 2013, Coeur issued a press release announcing the Closing. A copy of the press release is furnished as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

(d) The following exhibits are being furnished with this Current Report.
