FOR IMMEDIATE RELEASE

July 15, 2003

WESTAMERICA BANCORPORATION REPORTS RECORD \$23.7 MILLION

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

QUARTERLY EARNINGS

San Rafael, CA: Westamerica Bancorporation (NASDAQ: WABC), parent company of Westamerica Bank, today reported net income for the second quarter of 2003 of \$23.7 million, or \$0.71 diluted earnings per share, compared to net income of \$23.0 million, or \$0.69 diluted earnings per share, for the prior quarter. Return on assets was 2.21 percent and return on equity was 29.3 percent for the second quarter of 2003. Net income for the second quarter of 2002 was \$19.3 million, or \$0.57 diluted earnings per share. Second quarter 2002 results included \$240 thousand after-tax merger expenses related to the acquisition of Kerman State Bank and a \$2.5 million after-tax securities impairment charge; the after-tax merger expenses and securities impairment charge reduced second quarter 2002 diluted earnings per share by \$0.07.

"Our credit quality remains superior with net annualized charge-offs to average loans of only 0.15 percent during the second quarter, and the June 30 allowance for loan losses was \$54.2 million, or 2.25 percent of total loans. At quarter-end, total nonperforming assets were \$9.1 million," said Chairman, President and CEO David Payne. "Increasing fee income, expense control, and a 0.74 percent cost of funds supported our record level of profitability in the second quarter of 2003," Payne added.

Page 6

Net interest income on a taxable equivalent basis increased 2.3 percent to \$54.3 million for the second quarter of 2003, compared to \$53.1 million for the second quarter of 2002. The second quarter 2003 net interest margin on a taxable equivalent basis was 5.43 percent, compared with 5.82 percent for the second quarter of 2002. The reduced net interest margin primarily resulted from earning asset yields declining at a more rapid pace than the cost of funds.

The provision for loan losses was \$900 thousand for the second quarter of 2003 unchanged from the prior quarter and second quarter of 2002. Net charge-offs for the second quarter of 2003 totaled \$895 thousand, or 0.15 percent (annualized) of average loans compared to 0.16 percent and 0.13 percent (annualized) of average loans for the prior quarter and second quarter of 2002, respectively. At June 30, 2003, the allowance for loan losses was \$54.2 million, or 2.25 percent of total loans compared to \$54.3 million, or 2.17 percent of total loans at June 30, 2002.

Noninterest income for the second quarter of 2003 was \$11.0 million, compared to

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

\$10.4 million for the previous quarter. The increase is attributable to investment securities gains of \$277 thousand and increased service charges on deposit accounts, mortgage banking income, and debit card fees offset in part by lower other income.

Noninterest expense for the second quarter of 2003 totaled \$25.5 million, essentially unchanged from \$25.5 million for the prior quarter, and down 1.7 percent from \$25.9 million for the second quarter of 2002. Comparing the second quarter of 2003 to the prior quarter, lower personnel costs and core deposit intangible amortization offset increased loan related costs and other expenses. Second quarter 2002 noninterest expense included \$400 thousand in costs associated with the Kerman State Bank acquisition. The second quarter 2003 efficiency ratio was 39.0 percent, compared to 39.6 percent for the prior quarter and 43.9 percent for the second quarter of 2002.

Non-performing loans and repossessed loan collateral at June 30, 2003 totaled \$9.1 million, down from \$9.3 million at March 31, 2003 and \$10.9 million at June 30, 2002.

Page 7

Shareholders' equity at June 30, 2003 was \$357 million, up 6.0 percent from \$337 million at March 31, 2003. The increase is primarily due to retained earnings of \$16 million and appreciation in the available for sale investment portfolio of \$5 million. Net issuance of the Company's common stock in the second quarter of 2003 totaled approximately 30 thousand shares. The Company's equity-to-asset ratio was 7.8 percent at June 30, 2003 compared to 7.9 percent at June 30, 2002.

Westamerica Bancorporation, through its wholly owned subsidiary Westamerica Bank, operates 88 branches throughout 22 Northern and Central California counties. At June 30, 2003, the Company's total assets and total loans outstanding were \$4.6 billion and \$2.4 billion, respectively.

FORWARD-LOOKING INFORMATION:

The following appears in accordance with the Private Securities Litigation Reform Act of 1995:

This press release may contain forward-looking statements about the Company,

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

including descriptions of plans or objectives of its management for future operations, products or services, and forecasts of its revenues, earnings or other measures of economic performance. Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. They often include the words "believe," "expect," "anticipate," "intend," "plan," "estimate," or words of similar meaning, or future or conditional verbs such as "will," "would," "should," "could," or "may."

Forward-looking statements, by their nature, are subject to risks and uncertainties. A number of factors - many of which are beyond the Company's control - could cause actual conditions, events or results to differ significantly from those described in the forward-looking statements. The Company's most recent annual and quarterly reports filed with the Securities and Exchange Commission, including the Company's Form 10-Q for the quarter ended March 31, 2003 and Form 10-K for the year ended December 31, 2002, describe some of these factors, including certain credit, market, operational, liquidity and interest rate risks associated with the Company's business and operations. Other factors described in these reports include changes in business and economic conditions, competition, fiscal and monetary policies, disintermediation, legislation including the Sarbanes-Oxley Act of 2002 and the Gramm-Leach-Bliley Act of 1999, the combination of the former Kerman State Bank and other mergers and acquisitions.

Forward-looking statements speak only as of the date they are made. The Company does not undertake to update forward-looking statements to reflect circumstances or events that occur after the date forward looking statements are made.
