PROXY STATEMENT

**Annual Meeting of Shareholders
to be held April 25, 2006**

INTRODUCTION

This Proxy Statement and accompanying proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Community Trust Bancorp, Inc. (the "Corporation") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, April 25, 2006, at 10:00 a.m. (EDT), at Community Trust Bank, Inc., 346 North Mayo Trail, Pikeville, Kentucky, and any adjournments thereof. A copy of the Corporation's 2005 Annual Report to Shareholders accompanies this Proxy Statement.

The cost of solicitation of proxies will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited in person, by telephone and other means of communication by directors, officers, and other employees of the Corporation, none of whom will receive additional compensation for such services. The Corporation will also request brokerage houses, custodians, and nominees to forward soliciting materials to the beneficial owners of stock held of record by them and will pay the reasonable expenses of such persons for forwarding such materials. This Proxy Statement and the accompanying proxy are first being mailed or given to shareholders of the Corporation on or about March 31, 2006.

RECORD DATE AND VOTING SECURITIES

The Common Stock of the Corporation ("Common Stock") is the only class of outstanding voting securities. Only holders of Common Stock of record at the close of business on February 28, 2006 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were 15,009,954 shares of Common Stock outstanding. With respect to the election of directors, shareholders have cumulative voting rights. Accordingly, each shareholder will have the right to cast as many votes in the aggregate as equals the number of shares of Common Stock held by the shareholder multiplied by the number of directors to be elected at the Annual Meeting. Each shareholder may cast all of his or her votes for one candidate or distribute such votes among two or more candidates. Shareholders will be entitled to one vote for each share of Common Stock held of record on the Record Date with regard to all other matters that properly come before the Annual Meeting or any adjournment thereof.

Each proxy, unless the shareholder otherwise specifies, will be voted in favor of the election of the eight nominees for director named herein, the approval of the 2006 Stock Ownership Incentive Plan, and the appointment of Deloitte & Touche LLP as the Corporation's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2006. Where a shareholder has appropriately specified how the proxy is to be voted, it will be voted accordingly. As to any other matter which may properly be brought before the Annual Meeting or any adjournment thereof, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the proxy. A shareholder may revoke his or her proxy at any time prior to its exercise. Revocation may be effected by written notice to the Corporation, by a subsequently dated proxy received by the Corporation, by oral revocation in person at the Annual Meeting or any adjournment thereof, or by voting in person at the Annual Meeting or any adjournment thereof.

A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the Annual Meeting. Abstentions will be treated as present for purposes of determining a quorum, but as unvoted shares for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to such matter.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

Directors of the Corporation, excluding the Chairman of the Audit Committee, who are not also officers of the Corporation, were paid \$5,000 per quarter for 2005, plus \$600 for any Committee or special-called Board meeting other than those held on the same day as the regularly scheduled quarterly Board meeting. The Chairman of the Audit Committee was paid \$6,250 per quarter for 2005 plus \$600 for any special-called Board meeting other than those held on the same day as the regularly scheduled quarterly Board meeting. Directors who are also officers of the Corporation did not receive additional compensation for serving as a director. Fees paid to Directors of the Corporation for 2005 totaled \$170,600.

The Board of Directors has determined that the following six of the Corporation's eight directors are "independent" as defined by applicable law and NASDAQ listing standards: Nick A. Cooley, William A. Graham, Jr., M. Lynn Parrish, Dr. James R. Ramsey, Governor Paul E. Patton, and James E. McGhee, II. Mr. Parrish has been selected by the Board of Directors as the "lead independent director."

During 2005, the Board held four executive sessions of those members of the Board who met current standards of independence.

Corporate Governance Guidelines and the Code of Business Conduct and Ethics adopted by the Board may be found on the Corporation's website at www.ctbi.com.

Shareholders may communicate directly with the Board of Directors by sending a written communication addressed to the Chairman of the Board of Directors at the Corporation's address.

The Board of Directors held seven meetings during the 2005 fiscal year, including the annual organizational meeting. Each director attended at least 75% of the aggregate number of Board meetings and meetings of Board committees on which such director served in 2005, except Nick A. Cooley who attended 61% of the meetings. It is the Board's policy that directors should attend each annual meeting of shareholders subject to a substantial personal or business conflict. All of the Corporation's directors who were serving at the time attended the 2005 annual meeting of shareholders, except William A. Graham, Jr. who was unable to attend due to a substantial personal conflict. The Board has the following committees: Audit and Asset Quality Committee, Compensation Committee, Executive Committee, Nominating and Corporate Governance Committee, Risk and Compliance Committee, and Corporate Retirement and Employee Benefit Committee.

The Audit and Asset Quality Committee (the "Audit Committee") Charter was last amended in 2004 and therefore is not included herein. The Audit Committee Charter may be found on the Corporation's website at www.ctbi.com. The Audit Committee consists of Dr. James R. Ramsey, William A. Graham, Jr., Nick A. Cooley, M. Lynn Parrish, Governor Paul E. Patton, and James E. McGhee, II, all of whom meet the independence standards of Rule 4200(a)(15) and the audit committee qualifications of Rule 4350(d)(2) of the NASDAQ listing standards. The Board has determined that Dr. James R. Ramsey is an audit committee financial expert for the Corporation and is independent as described above. The Audit Committee met thirteen times during 2005. The Audit Committee monitors the integrity of the Corporation's financial statements, the independent registered public accounting firm's qualifications and independence, the performance of the Corporation's internal audit function, the Corporation's system of internal controls, the Corporation's financial reporting and system of disclosure controls, and compliance with the Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Audit Committee has established procedures for the confidential, anonymous submission of concerns about accounting matters, internal controls, and auditing matters.

The Compensation Committee consists of Nick A. Cooley, M. Lynn Parrish, and Governor Paul E. Patton, all of whom meet the applicable independence standards. The Compensation Committee Charter may be found on the Corporation's website at www.ctbi.com. The Compensation Committee: (i) oversees and recommends to the Board executive officer compensation; and (ii) evaluates and approves benefit and incentive compensation policies and programs for the Corporation. This committee met twice during 2005.

The Nominating and Corporate Governance Committee consists of M. Lynn Parrish, Nick A. Cooley, and James E. McGhee, II, all of whom meet the applicable independence standards. The Nominating and Corporate Governance Committee Charter can also be found on the Corporation's website at www.ctbi.com. The Nominating and Corporate Governance Committee: (i) evaluates and recommends nominee directors for election to the Board; and (ii) develops and recommends to the Board policies and guidelines relating to corporate governance and the identification and nomination of directors and committee members. This committee met once during 2005.

REPORT OF THE AUDIT AND ASSET QUALITY COMMITTEE

The Audit and Asset Quality Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the responsibility for the preparation of the Corporation's consolidated financial statements and management's assertion on the design and effectiveness of the Corporation's internal control over financial reporting, and the independent registered public accounting firm has the responsibility for the examination of those consolidated financial statements. In fulfilling its oversight responsibilities, the Committee reviewed the audited consolidated financial statements of the Corporation as of and for the year ended December 31, 2005 and management's assertion on the design and effectiveness of the Corporation's internal control over financial reporting as of December 31, 2005 with management and the independent registered public accounting firm.

All directors who serve on the Committee are "independent" for purposes of the NASDAQ listing standards. The Board of Directors has determined that none of the Committee members has a relationship to the Corporation that may interfere with his independence from the Corporation and its management.

The Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America. Additionally, the Committee's review included discussion with the Corporation's independent registered public accounting firm of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 ("SAS 61") (Communication with Audit Committees). SAS 61 requires the Corporation's independent registered public accounting firm to provide the Committee with additional information regarding the scope and results of their audit of the Corporation's financial statements, including with respect to (i) their responsibility under audit standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

The Committee received from Deloitte & Touche LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between Deloitte & Touche LLP and the Corporation that, in their professional judgment, may reasonably be thought to bear on independence. Deloitte & Touche has discussed its independence with the Committee and has confirmed in such letter that, in its professional judgment, it is independent of the Corporation within the meaning of the federal securities laws.

The Committee discussed with the Corporation's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Committee met with its internal auditors and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting. The Committee held thirteen meetings during fiscal year 2005.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission. The Committee has also recommended, subject to shareholder ratification, the selection of Deloitte & Touche LLP as the Corporation's independent registered public accounting firm.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

In the ordinary course of business, the Corporation, through its wholly-owned commercial bank subsidiary, Community Trust Bank, Inc. (the "Bank"), has had in the past and expects to have in the future banking transactions, including lending to its directors, officers, principal shareholders, and their associates. When these banking transactions are credit transactions, they are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others. In the opinion of the Corporation's Board of Directors, such transactions do not involve more than the normal risk of collectability or present any other unfavorable features.

Mr. Charles J. Baird, a director of the Corporation, is a shareholder in Baird and Baird, P.S.C., a law firm that provided services to the Corporation and its subsidiaries during 2005 and will be retained by the Corporation and its subsidiaries during the fiscal year 2006. Approximately \$744,000 in legal fees and \$168,183 in expenses paid on behalf of the Corporation, \$912,183 in total, were paid to Baird and Baird, P.S.C. during 2005.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Act") requires the Corporation's executive officers and directors and persons who own more than ten percent (10%) of the Common Stock to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"), as well as to furnish the Corporation with a copy of such report. Additionally, SEC regulations require the Corporation to identify in its Proxy Statement those individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year. Based upon a review of Forms 3, 4, and 5 furnished to the Corporation, the Corporation believes that there was one late filing during 2005. One Form 4, "Statement of Changes in Beneficial Ownership of Securities," was inadvertently filed past the due date with regard to one transaction on behalf of Tracy E. Little, Executive Vice President of the Corporation.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

As of December 31, 2005, the Corporation had executed certain termination of employment and change-in-control agreements ("Severance Agreements") with each of its executive officers. The following table shows the date on which each Severance Agreement was executed.

Name	Date of Execution
Jean R. Hale	January 23, 1999
Mark A. Gooch	January 1, 2000
Michael S. Wasson	October 24, 2000
James B. Draughn	July 24, 2001
Kevin J. Stumbo	April 23, 2002
Richard W. Newsom	April 23, 2002
Ricky D. Sparkman	April 23, 2002
James J. Gartner	January 28, 2003
Larry W. Jones	January 28, 2003
Tracy E. Little	March 6, 2004

The Severance Agreements are effective for a term equal to the longer of three years or the covered period should a change-in-control of the Corporation occur during such three-year period. These agreements are automatically renewable for additional one-year periods, and the covered period during which the terms and conditions of the Severance Agreements are effective is the period of time following a change-in-control equal to (i) two years following the occurrence of the change-in-control in the event of an involuntary termination or a voluntary termination following a change in duties, or (ii) the thirteenth month following the change-in-control in the event of a voluntary termination not preceded by a change in duties.

The Severance Agreements require the payment to the applicable named executive officer of a severance amount in the event of an involuntary or voluntary termination of employment after a change-in-control of the Corporation during the covered period. The severance amount payable under the Severance Agreements is equal to (i) 2.99 times the named executive officer's base annual salary in the event of involuntary termination or in the event of a voluntary termination of employment preceded by a change in duties subsequent to a change-in-control of the Corporation, or (ii) 2.00 times the named executive officer's annual base salary in the event of a voluntary termination of employment not preceded by a change in duties subsequent to a change-in-control of the Corporation.

A change-in-control occurs, for purposes of the Severance Agreements, when (i) any person, including a group under Section 13(d)(3) of the Securities Exchange Act of 1934, is or becomes the owner of 30% or more of the combined voting power of the Corporation's outstanding securities; (ii) as a result of, or in connection with, any tender offer, exchange offer, merger or other combination, sale of assets or contested election, the persons who were directors of the Corporation before such transaction(s) cease to constitute a majority of the Board of Directors of the Corporation or successor of the Corporation; (iii) a tender or exchange offer is made and consummated for the ownership of 30% or more of the combined voting power of the Corporation's outstanding voting securities; or (iv) the Corporation transfers substantially all of its assets to another corporation that is not a wholly-owned subsidiary of the Corporation.

The Option Plan permits the grant of options to employees of the Corporation and its subsidiaries whose efforts contribute, or may be expected to contribute materially, to the successful performance of the Corporation.
- (3) Amounts in this column include contributions made by the Corporation under the KSOP Plan and relocation expenses. For 2005, all amounts listed are KSOP Plan contributions. For 2004 and 2003, all amounts are KSOP Plan contributions, except the amounts shown for Mr. Little which consist partially of relocation expenses in 2004 and solely of relocation expenses in 2003. Participation in the KSOP Plan is available to any employee of the Corporation or its subsidiaries who has been employed for one year, completed 1,000 hours of service, and attained the age of 21 ("Participant"). Through December 31, 2005, Participants could contribute 1% to 15% of their annual salary to the 401K portion of the Plan and the Corporation would contribute 50% of the Participant's first 8% of contributions. The Corporation also contributes a base percentage of each Participant's salary as determined annually by the Board of Directors to the ESOP portion of the Plan. For 2005, 2004, and 2003, the Corporation made a base contribution of 4% of each Participant's annual salary to the ESOP portion of the Plan.

Options granted as management retention options in the 1998 Option Plan become exercisable after five years and become fully exercisable upon a change in control of the Corporation. Options expire if not exercised ten years after the date of the grant.
- (2) These amounts, based on assumed appreciation rates of 5% and 10%, rates prescribed by the Securities and Exchange Commission rules, are not intended to forecast possible future appreciation, if any, of the common stock price. Moreover, these values do not take into consideration the provisions of the options providing for nontransferability, vesting over a period of years or termination of the options following termination of employment. The amounts shown are pre-tax and assume the options will be held throughout the entire ten-year term. Actual gains, if any, are dependent upon the future performance of the common stock, as well as the continued employment of the option holder through the vesting periods.

The following table sets forth information concerning options exercised by the named executive officers during 2005 and the number and value of unexercised options held by the named executive officers of the Corporation at December 31, 2005. REPORT OF THE COMPENSATION COMMITTEE

The principal duties of the Compensation Committee are to review the compensation of executive officers of the Corporation and make recommendations to the Board for approval. Compensation for executive officers consists of base salary, bonus, and stock options under the Option Plan.

The total compensation package, including base salaries, is set at levels the Compensation Committee believes are sufficient to attract and retain qualified executives. It is the goal of the Compensation Committee to retain quality executives, which will mutually benefit the executives and the Corporation. The Compensation Committee believes its total compensation package is in line with compensation packages offered by other companies within the Corporation's peer group of bank holding companies with total consolidated assets of one to three billion dollars. This peer group is not the peer group used to construct the performance graph contained in this proxy statement.

Bonuses to executive officers are computed under the senior management incentive plan, which is open to all senior executives. The bonuses for the executive officers are based on earnings per share and return on assets of the Corporation.

The number of stock options granted is also determined under the terms of the senior management incentive plan and issued under the Option Plan. The number of stock options granted to each executive officer is based on earnings per share and return on assets of the Corporation. Upon approval by the Compensation Committee, stock options may also be issued to senior executives for management retention purposes. All options granted to executive officers during 2005 were senior management incentive options.

The salary of Jean R. Hale, the Chief Executive Officer, was not tied to stock performance in 2005. The Compensation Committee believes the compensation of the Chief Executive Officer is in line with the chief executive officer compensation of other companies in the peer group of bank holding companies with total consolidated assets of one to three billion dollars. Ms. Hale's bonus and number of stock options were determined based on the criteria applicable to all other executive officers as described above.

OBRA Deductibility Limitation. The Omnibus Budget Reconciliation Act of 1994 ("OBRA") prohibits the tax deduction by public companies of compensation of certain executive officers in excess of \$1 million, unless certain criteria are met. The Corporation has determined not to take any action at this time with respect to its compensation plans to seek to meet these criteria.

During 2005, there were no interlocking relationships between any executive officers of the Corporation and any entity whose directors or executive officers serve on the Board of Directors' Compensation Committee.

PROPOSED 2006 STOCK OWNERSHIP INCENTIVE PLAN

Background

The purpose of the proposed 2006 Stock Ownership Incentive Plan ("Incentive Plan") is to enhance the ability of the Corporation and its subsidiaries to secure and retain the services of qualified employees and to provide incentives for such employees to exert maximum efforts for the success of the Corporation. On March 9, 2006, the Compensation Committee approved the Incentive Plan and recommended that the Board of Directors approve the Incentive Plan. The Board of Directors approved and adopted the Incentive Plan on March 9, 2006, subject to the receipt of shareholder approval.

The Board of Directors believes that it is in the best interest of the Corporation and its shareholders to adopt the Incentive Plan to allow the Corporation to provide adequate equity incentive compensation to employees. The Corporation's 1998 Stock Option Plan ("1998 Plan") only provides for awards in the form of stock options. The Incentive Plan would allow substantially more flexibility to the Compensation Committee to make awards in the form of stock options, stock appreciation rights, restricted stock and performance units.

Summary of Material Features

The following is a summary of the material features of the Incentive Plan. The summary is not a complete description of the Incentive Plan and is qualified in its entirety by reference to the terms of the Incentive Plan. A copy of the Incentive Plan is attached as Appendix A to this proxy statement.

Authorized Shares. The number of shares of Common Stock authorized for issuance under the Incentive Plan is 1,500,000 shares. Shares as to which options or other awards under the Incentive Plan lapse, expire, terminate, are forfeited or are canceled will again be available for awards under the Incentive Plan.

In addition, any shares of Common Stock reserved for issuance under the 1998 Plan in excess of the number of shares as to which options are awarded under the 1998 Plan, plus any shares as to which options granted under the 1998 Plan may lapse, expire, terminate or be canceled, will also be available for issuance under the Incentive Plan. As of March 17, 2006, there were 136,081 shares remaining available for issuance under the 1998 Plan. Following receipt of shareholder approval of the Incentive Plan, the Corporation does not intend to issue any additional options under the 1998 Plan. No shares remain available for issuance under the Corporation's 1989 Stock Option Plan.

In the event of any change in the corporate structure of the Corporation affecting the Common Stock, such as a merger, reorganization, consolidation, recapitalization, reclassification, stock split or similar transaction, the Compensation Committee may substitute or adjust the total number and class of securities which may be issued under the Incentive Plan and the number, class and price of shares subject to outstanding awards as it, in its discretion, determines to be appropriate and equitable to prevent dilution or enlargement of the rights of participants and to preserve the value of outstanding awards.

Eligible Participants. Full-time employees of the Corporation and its subsidiaries are eligible to receive awards under the Incentive Plan. Participants will be selected by the Compensation Committee. As of December 31, 2005, the Corporation and its subsidiaries had approximately 1,003 full-time employees.

New Plan Benefits. No awards have been granted under the Incentive Plan. Because the benefits under the Incentive Plan will depend on the Compensation Committee's future actions and the fair market value of the Corporation's stock at various future dates, the benefits payable under the Incentive Plan and the benefits that would have been payable had the Incentive Plan been in effect during 2005 are not determinable. The closing price of the Corporation's Common Stock on March 17, 2006 on the NASDAQ National Market System was \$31.68 per share.

Administration of the Incentive Plan. The Incentive Plan will be administered by the Compensation Committee of the Board of Directors. The Compensation Committee will determine, subject to the terms of the Incentive Plan, the persons to receive awards, the size, type and frequency of awards, the terms and conditions of each award, and whether any performance goals have been met. The Compensation Committee will also have the power to accelerate the exercisability of awards, waive restrictions and conditions applicable to awards, and interpret the provisions of the Incentive Plan.

Limitations on Awards. No more than 400,000 shares of restricted stock may be awarded under the Incentive Plan. In addition, the number and amount of awards that may be granted to any one person in a single fiscal year under the Incentive Plan is limited as follows: (a) stock options - 100,000 shares; (b) stock appreciation rights - 100,000 shares; (c) restricted stock - 40,000 shares; and (d) performance units - maximum value of \$250,000. In the event of any change in the corporate structure of the Corporation affecting the Common Stock, such as a merger, reorganization, consolidation, recapitalization, reclassification, stock split or similar transaction, the Compensation Committee will make appropriate and equitable adjustments to the award limitations under the Incentive Plan.

Stock Options. The Compensation Committee may from time to time award options to a participant subject to the limitations described above. Stock options give the holder a right to purchase shares of the Corporation's Common Stock within a specified period of time at a specified price, which will not be less than the fair market value of the Common Stock at the time of grant. Two types of options may be granted: incentive stock options ("ISOs") and

nonqualified stock options (“NQSOs”).

Stock Appreciation Rights. From time to time, the Compensation Committee may grant stock appreciation rights (“SARs”) to participants. The SAR grant price will equal 100% of the fair market value of a share of the Corporation’s Common Stock on the date of grant. An SAR entitles the holder upon exercise to receive a payment from the Corporation in an amount determined by multiplying: (a) the difference between the fair market value of a share of Common Stock on the date of exercise and the SAR grant price; by (b) the number of shares of Common Stock with respect to which the SAR is exercised. At the discretion of the Compensation Committee, the payment may be made in the form of cash, shares of Common Stock of equivalent value on the date of exercise of the SAR, or in a combination of cash and shares of Common Stock.

Restricted Stock. Restricted stock may be granted by the Compensation Committee from time to time under the Incentive Plan, upon such terms and conditions as it may specify. The Committee may determine the events upon which the restricted stock will be forfeitable and impose restrictions based on the achievement of specific performance goals relating to the Corporation, a subsidiary or a regional or business unit of the Corporation, or years of service. In its discretion, the Compensation Committee may impose a requirement that the participant pay a specified purchase price for the restricted shares.

Performance Units. The Compensation Committee may grant performance units to participants which will become payable in cash to participants upon achievement of specified performance goals. The performance period will be a period of time (not less than one year nor more than five years) for the measurement of the extent to which performance goals are attained. The performance goals that are to be achieved with respect to each performance unit will be established by the Compensation Committee and will be based on one or more of the following criteria, which may be expressed in terms of Corporation-wide objectives or in terms of objectives that relate to the performance of the participant or a division, region, department or function within the Corporation or a subsidiary on an absolute or relative basis, or in comparison to a peer group:

- Net income;
- Growth in net income;
- Earnings per share;
- Growth of earnings per share;
- Return on equity;
- Return on capital;
- Production of loans, deposits and fee income;
- Growth in loans, deposits and fee income; and
- Loan portfolio performance

General Provisions

No Repricing. Without shareholder approval, neither the Compensation Committee nor the Board of Directors of the Corporation will have any authority, with or without the consent of the holders of awards, to “reprice” any awards after the date of initial grant with a lower exercise price in substitution for the original exercise price.

Non-Transferability. A participant’s rights under the Incentive Plan may not be assigned, pledged or otherwise transferred other than by will or the laws of descent and distribution, except that upon a participant’s death, the participant’s rights to payment under an award may be transferred to a designated beneficiary. However, in the case of a NQSO, the Compensation Committee may permit the participant to transfer all or a portion of the NQSO without consideration to (a) the participant’s spouse or lineal descendants (“Family Members”); (b) a trust for the exclusive benefit of Family Members; (c) a charitable remainder trust of which the participant or Family Members are the exclusive beneficiaries; or (d) a partnership or a limited liability company in which the participant and Family Members are the sole partners or members.

Change in Control. Upon a Change in Control, as defined in the Incentive Plan, all outstanding options and SARs will become fully vested and immediately exercisable. In addition, any restrictions and other conditions pertaining to restricted stock held by participants will lapse and such shares will become immediately transferable and nonforfeitable, subject to applicable securities law requirements.

Upon a Change in Control, outstanding performance units will become fully vested and payable as soon as reasonably practicable, but not later than 74 days following the Change in Control, in an amount equal to the greater of: (a) the maximum amount payable under the performance unit multiplied by a percentage equal to the percentage that would have been earned under the terms of the performance unit assuming that the rate at which the performance goals have been achieved as of the date of the Change in Control would have continued to the end of the performance period; or (b) the maximum amount payable under the performance unit multiplied by the percentage of the performance period completed by the participant at the time of the Change in Control. However, if no maximum amount payable is specified in the performance unit agreement, the amount payable will be the amount the Compensation Committee determines is reasonable.

Termination of the Incentive Plan. The Incentive Plan will terminate on the earliest to occur of (a) the 10th anniversary of its effective date; (b) the date when all shares available for issuance under the Incentive Plan have been acquired and payment of all benefits in connection with awards under the Incentive Plan has been made; or (c) such other date as the Board of Directors may determine.

Amendment. The Board may amend, suspend, modify or terminate the Incentive Plan provided that (a) no amendment may be made without shareholder approval if such approval is necessary to satisfy applicable laws or regulations and the Board determines that it is appropriate to seek stockholder approval; and (b) upon and following a Change in Control, no amendment may adversely affect the rights of any person with regard to any award previously granted. In addition, the Compensation Committee may not exercise its discretion with respect to awards if it would cause compensation that would otherwise be considered performance-based compensation within the meaning of section 162(m) under the Internal Revenue Code of 1986, as amended (“Code”), to fail to qualify as performance-based compensation. No amendment, modification or termination of the Incentive Plan may in any manner adversely affect any outstanding award without the written consent of the holder of the award.

Certain Federal Income Tax Consequences

The following discussion summarizes certain Federal income tax consequences associated with the issuance and receipt of stock options, restricted stock, performance units and stock appreciation rights. This summary is based on existing Federal income tax laws, as in effect on the date of this proxy statement, which may change, even retroactively. The tax laws applicable to stock options, restricted stock, performance units and stock appreciation rights are complex, so the following discussion of the tax considerations is necessarily general in nature and not comprehensive. This summary does not address all Federal income tax considerations, nor does it address state, local, non-U.S., employment tax and other tax considerations. For example, this summary does not discuss the implications of the recent deferred compensation rules on awards. Many shareholders may be subject to special tax rules and this summary does not address all aspects of Federal income tax that may be relevant to a particular shareholder.

Stock Options. Generally, a participant is not required to recognize income at the time of the stock option’s grant. This is generally true for both incentive stock options and non-qualified stock options. A participant holding a non-qualified stock option recognizes ordinary income on the date of exercise of the non-qualified stock option. The amount required to be included in income is equal to the excess, if any, of the fair market value of the shares on the exercise date over the exercise price. The participant would take a tax basis in the shares equal to the exercise price, plus the amount included in the participant’s income. Any gain or loss realized on a subsequent disposition of the shares would generally be treated as a capital gain or loss.

Generally, a participant will not recognize taxable income on the exercise of an incentive stock option, but the exercise of the option will result in alternative minimum taxable income to the same extent as if the option had been a non-qualified option. Generally, the participant will take a tax basis in the stock equal to the exercise price. Upon a subsequent sale of the stock acquired on the exercise of an incentive stock option, the amount of the gain would be treated as long-term capital gain equal to the difference between the sales price and the option's exercise price so long as the stock is sold after (i) two years from the date of grant of the incentive stock option and (ii) one year from the exercise date of the incentive stock option. If the participant disposes of the stock prior to the expiration of these holding periods, the participant will recognize ordinary income at the time of the "disqualifying disposition" equal to the lesser of (i) the excess of the fair market value of the stock on the date of exercise over the exercise price and (ii) the excess of the amount received for the stock over the exercise price. The balance of the gain or loss, if any, will be long-term or short-term capital gain, depending on how long the stock was held. If the incentive stock option is exercised after the participant ceases to be employed, special rules may apply.

In the case of a nonqualified option, the Corporation will generally be entitled to a compensation deduction in an amount equal to the amount of ordinary income recognized by the participant, at the time such income is recognized. In the case of an incentive stock option, the Corporation is not entitled to any deduction, unless the participant makes a disqualifying disposition, in which case the Corporation is generally entitled to a deduction equal to the amount of ordinary income recognized by the participant.

Restricted Stock. Generally, a participant will not recognize ordinary income on an award of restricted stock, unless the participant makes an election pursuant to section 83(b) of the Code. If the participant makes a section 83(b) election, the participant would recognize ordinary income on the date of the award equal to the excess of the fair market value of the stock over the amount paid, if any. In the absence of a section 83(b) election, a participant will recognize ordinary income on the date the stock vests (i.e., the date on which the stock is either (a) transferable or (b) not subject to a substantial risk of forfeiture) in an amount equal to the excess, if any, of the fair market value of the stock on the vesting date over the amount paid for the stock. The participant will take a tax basis in the stock equal to the amount paid for the stock, if any, plus the amount included in income. The participant's holding period begins after the stock vests (unless a section 83(b) election has been made). Generally, a participant will recognize capital gain (or loss) on a subsequent disposition of the stock. Generally, the Corporation will be entitled to a deduction in an amount equal to the ordinary income recognized by the participant at the time the participant recognizes the ordinary income.

Performance Units. Generally, a participant will not recognize income on the grant of a performance unit. Instead, the participant will recognize ordinary income on the date the award is paid in cash. The participant will recognize ordinary income in an amount equal to the amount of cash received.

The Corporation generally will be entitled to a tax deduction in connection with an award in an amount equal to the ordinary income realized by a participant at the time the participant recognizes such income, provided that the deduction is not disallowed by section 162(m) or otherwise limited by the Code.

Stock Appreciation Rights. Generally, a participant is not required to recognize income at the time of the grant of a stock appreciation right. A participant holding a stock appreciation right recognizes ordinary income on the date of exercise of the stock appreciation right. The amount required to be included in income is equal to the fair market value of the shares or the cash received by the participant on the exercise date. The participant would take a tax basis in any shares received upon exercise of a stock appreciation right equal to the participant's income with respect to the shares received. Any gain or loss realized on a subsequent disposition of the shares would generally be treated as a capital gain or loss. The Corporation would generally be entitled to a compensation deduction equal to the ordinary income recognized by the participant at the time such income is recognized.

Section 409A. Awards of stock options, restricted stock, performance units and stock appreciation rights may, in some cases, result in deferral of compensation that is subject to the requirements of section 409A of the Code. Generally, to the extent that deferrals of these awards fail to meet the requirements of section 409A of the Code, these awards may

be subject to immediate taxation and penalties. It is the intent of the Corporation that the awards under the Incentive Plan will be structured and administered in compliance with section 409A of the Code or an exemption therefrom.

Shareholder Approval

An affirmative vote of a majority of all shares present in person or by proxy at the Annual Meeting and entitled to vote is necessary to approve the 2006 Stock Ownership Incentive Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE APPROVAL OF THE 2006 STOCK OWNERSHIP INCENTIVE PLAN.

The Audit Committee pre-approves all audit and non-audit services performed by the independent auditor. The Audit Committee will periodically grant general pre-approval of certain audit and non-audit services. Any other services must be specifically approved by the Audit Committee, and any proposed services exceeding the pre-approved cost levels must be specifically pre-approved by the Audit Committee. In periods between Audit Committee meetings, the Chairman of the Audit Committee has the delegated authority from the Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Asset Quality Committee of the Board of Directors will request shareholders to ratify its selection of Deloitte & Touche to examine the consolidated financial statements of the Corporation for the fiscal year ending December 31, 2006. Deloitte & Touche has audited the Corporation's financial statements since 2000. Deloitte & Touche is not expected to have a representative present at the Annual Meeting.

SHAREHOLDER PROPOSALS

It is currently contemplated that the Corporation's 2007 Annual Meeting of Shareholders will be held on or about April 24, 2007. In the event that a shareholder desires to have a proposal considered for presentation at the Corporation's 2007 Annual Meeting of Shareholders and inclusion in the Proxy Statement for such meeting, the proposal must be forwarded in writing to the Secretary of the Corporation so that it is received no later than December 1, 2006.  - (1) An acquisition (other than directly from the Company) of any Voting Securities by any Person immediately after which such Person has Beneficial Ownership of 20% or more of the combined voting power of the Company's then outstanding Voting Securities; provided, however, that in determining whether a Change in Control has occurred, Voting Securities which are acquired in a Non-Control Acquisition shall not constitute an acquisition which would cause a Change in Control;
 - (2) The individuals who, as of January 1, 2006, are members of the Board ("Incumbent Board") cease for any reason to constitute at least a majority of the Board; provided, however, that if any new director is approved by a vote of at least a majority of the Incumbent Board, such new director shall, for all purposes of the Plan, be considered as a member of the Incumbent Board; provided further, however, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened

- (4) Any other event that the Committee shall determine constitutes an effective Change in Control of the Company.

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person ("Subject Person") acquired Beneficial Ownership of more than the permitted amount of the outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities outstanding, increases the proportional amount of shares Beneficially Owned by the Subject Person; provided, however, that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company, and after such share acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Voting Securities which increases the number of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

ARTICLE 3

ADMINISTRATION

3.1 The Committee. The Plan shall be administered by the Compensation Committee of the Board, or by any other committee (the "Committee") appointed by the Board consisting of two or more directors of the Company. It is intended that each Committee member shall be a "non-employee director" within the meaning of Rule 16b-3 under the Exchange Act, an "outside director" within the meaning of Section 162(m) of the Code, and an "independent director" within the meaning of the rules and regulations of NASDAQ or such other stock exchange on which the Common Stock is listed. The members of the Committee shall be appointed from time to time by, and shall serve at the discretion of, the Board.

3.2 Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have full authority to:

- (a) select Participants to whom Awards are granted;
- (b) determine the size, type and frequency of Awards granted under the Plan;
- (c) determine the terms and conditions of Awards, including any restrictions, conditions or forfeiture provisions relating to the Award, which need not be identical;
- (d) determine whether and the extent to which Performance Goals have been met;
- (e) determine whether and when a Participant's status as an Employee has terminated for purposes of the Plan;
- (f) accelerate the exercisability of, and accelerate or waive any or all the restrictions and conditions applicable to, any Award, for any reason;
- (g) extend the duration of an Option exercise period or term of an Award;
- (h) construe and interpret the Plan and any agreement or instrument entered into under the Plan;
- (i) establish, amend and rescind rules and regulations for the Plan's administration; and
- (j) subject to the rights of Participants, amend the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee as provided in the Plan.

3.3 Delegation. The Committee shall have sole discretion to make all other determinations which may be necessary or advisable for the administration of the Plan. To the extent permitted by law and Rule 16b-3 promulgated under the Exchange Act, the Committee may delegate its authority. Notwithstanding the foregoing, the Committee may not delegate its responsibilities hereunder if such delegation would jeopardize compliance with the "outside directors" requirement or any other applicable requirement under Section 162(m) of the Code or would violate any rules or regulations of NASDAQ or other stock exchange on which the Company's Common Stock is listed.

3.4 Certain Additional Forfeiture Events. Without limiting the generality of the authority granted to the Committee to specify the terms and conditions of an Award, the Committee may specify in an agreement representing any Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture and recoupment upon the occurrence of specified events. Such events may include, but are not limited to, violation of material Company policies, breach of noncompetition or confidentiality agreements that may apply to the Participant, or other conduct of the Participant that is detrimental to the business or reputation of the Company.

3.5 Decisions Binding. All determinations and decisions made by the Committee pursuant to the provisions of the Plan, and all related orders or resolutions of the Board, shall be final, conclusive and binding upon all Persons, including the Company, its stockholders, Employees, Participants, holders of Awards and estates, representatives and beneficiaries of such Persons.

3.6 Section 16 Compliance; Bifurcation of Plan. It is the intention of the Company that the Plan and the administration of the Plan comply in all respects with Section 16(b) of the Exchange Act and the rules and regulations promulgated thereunder. If any Plan provision, or any aspect of the administration of the Plan, is found not to be in compliance with Section 16(b) of the Exchange Act, the provision or administration shall be deemed null and void, and in all events the Plan shall be construed in favor of its meeting the requirements of Rule 16b-3 promulgated under the Exchange Act. Notwithstanding anything in the Plan to the contrary, the Board or the Committee, in its discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan to Participants who are subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Participants.

ARTICLE 4

SHARES AVAILABLE UNDER THE PLAN

4.1 Number of Shares. Subject to adjustment as provided in Section 4.3, the number of shares of Common Stock reserved for issuance under the Plan is 1,500,000 shares. Shares as to which options or other Awards granted under the Plan lapse, expire, terminate, are forfeited or are canceled shall again become available for Awards under the Plan. In addition, any shares of Common Stock reserved for issuance under the Company's 1998 Stock Option Plan ("1998 Plan") in excess of the number of shares as to which options or other benefits are awarded thereunder, plus any shares as to which options or other benefits granted under the 1998 Plan may lapse, expire, terminate or be canceled, shall also be reserved and available for issuance or reissuance under the Plan.

4.2 Shares of Restricted Stock Available Under the Plan. Subject to adjustment as provided in Section 4.3, the number of shares of Common Stock which may be the subject of Awards granted in the form of Restricted Stock is limited to 400,000 shares.

4.3 Adjustments in Authorized Shares and Outstanding Awards. In the event of any change in the corporate structure of the Company affecting the Common Stock, including a merger, reorganization, consolidation, recapitalization, reclassification, split-up, spin-off, separation, liquidation, stock dividend, stock split, reverse stock split, extraordinary dividend, share repurchase, share combination, exchange of securities, dividend in kind or any similar corporate event or transaction, the Committee may substitute or adjust the total number and class of shares of Common Stock or other stock or securities which may be issued under the Plan, and the number, class and price of shares subject to outstanding Awards, as it, in its discretion, determines to be appropriate and equitable to prevent dilution or enlargement of the rights of Participants and to preserve, without exceeding, the value of any outstanding Awards; provided, however, that the number of shares subject to any Award shall always be a whole number. In the case of ISOs, such adjustment shall be made so as not to result in a "modification" within the meaning of Section 424(h) of the Code.

ARTICLE 5

ELIGIBILITY AND PARTICIPATION

All Employees of the Company and its Subsidiaries are eligible to receive Awards under the Plan. In selecting Employees to receive Awards under the Plan, as well as in determining the number of shares subject to, and the other terms and conditions applicable to, each Award, the Committee shall take into consideration such factors as it deems relevant in promoting the purposes of the Plan, including the duties and responsibilities of such persons, their present and potential contribution to the success of the Company and their anticipated number of years of active service or contribution remaining with the Company or a Subsidiary.

ARTICLE 6

STOCK OPTIONS

6.1 Grant of Options. Subject to the terms and provisions of the Plan, the Committee may grant Options to Participants at any time and from time to time, in the form of options which are intended to qualify as incentive stock options within the meaning of Section 422 of the Code ("ISOs"), Options which are not intended to so qualify ("NQSOs") or a combination thereof. Notwithstanding the foregoing, ISOs may only be granted to Employees of the Company and its subsidiaries (within the meaning of Section 424(f) of the Code). The maximum number of shares in respect of which Options may be granted to a Participant during any calendar year shall be 100,000 shares (subject to adjustment as provided in Section 4.3).

6.2 Option Agreement. Each Option shall be evidenced by an Option Agreement that shall specify the Option Exercise Price, the duration of the Option, the number of shares to which the Option relates, forfeiture provisions as deemed appropriate by the Committee and such other provisions as the Committee may determine or which are required by the Plan. The Option Agreement shall also specify whether the Option is intended to be an ISO or a NQSO and shall include provisions applicable to the particular type of Option granted. To the extent that the aggregate Fair Market Value of shares of Common Stock with respect to which ISOs are exercisable for the first time by a Participant during any calendar year under the Plan and any other stock option plan of the Company (or any "subsidiary" of the Company within the meaning of section 424 of the Code) shall exceed \$100,000, or such higher value as may be permitted under section 424 of the Code, such Options shall be treated as NQSOs. For purposes of the foregoing calculation, Fair Market Value shall be determined as of the date on which each such ISO is granted.

6.3 Duration of Options. Subject to the provisions of Section 6.7, each Option shall expire at such time as is determined by the Committee at the time of grant; provided, however, that no Option shall at the time of grant be exercisable later than the tenth anniversary of its grant (the fifth anniversary in the case of an ISO granted to a Ten Percent Shareholder).

6.4 Exercise of Options. Options shall be exercisable at such times and be subject to such restrictions and conditions, including forfeiture provisions, as the Committee shall approve at the time of grant, which need not be the same for each grant or for each Participant. Options shall be exercised by delivery to the Company of a written notice of exercise, setting forth the number of shares with respect to which the Option is to be exercised and accompanied by full payment of the Option Exercise Price and all applicable withholding taxes.

6.5 Payment of Option Exercise Price. The Option Exercise Price for shares of Common Stock as to which an Option is exercised shall be paid to the Company in full at the time of exercise either (a) in cash in the form of currency or other cash equivalent acceptable to the Company, (b) by tendering previously acquired Common Stock having a Fair Market Value (at the close of business on the date the Company receives the notice of exercise) equal to the Option Exercise Price, (c) any other reasonable consideration that the Committee may deem appropriate or (d) by a combination of the forms of consideration described in (a), (b) and (c) of this Section. The Committee may permit the cashless exercise of Options as described in Regulation T promulgated by the Federal Reserve Board, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law.

6.6 Vesting Upon Change in Control. Upon a Change in Control, any then outstanding Options held by Participants shall become fully vested and immediately exercisable.

6.7 Termination of Employment. If the Participant's status as an Employee is terminated for Cause, all then outstanding Options of such Participant, whether or not exercisable, shall terminate immediately. If the Participant's status as an Employee is terminated for any reason other than for Cause, death, Disability or Retirement, to the extent then outstanding Options of such Participant are exercisable and subject to the provisions of the relevant Option Agreement, such Options may be exercised by such Participant or such Participant's personal representative at any time prior to the earlier of (a) the expiration date of the Options or (b) the date which is 60 days after the date of such termination of employment. In the event of the Retirement of a Participant, to the extent then outstanding Options of such Participant are exercisable, such Options may be exercised by the Participant (a) in the case of NQSOs, within one year after the date of Retirement and (b) in the case of ISOs, within 90 days after Retirement; provided, however, that no such Options may be exercised on a date subsequent to their expiration. In the event of the death or Disability of a Participant while employed by the Company or a Subsidiary, all then outstanding Options of such Participant shall become fully vested and immediately exercisable, and may be exercised at any time within one year after the date of death or determination of Disability; provided however that no such Options may be exercised on a date subsequent to their expiration. Options may be exercised as provided in this Section (a) in the event of the death of a Participant, by the person or persons to whom rights pass by will or by the laws of descent and distribution, or if

appropriate, the legal representative of the decedent's estate and (b) in the event of the Disability of a Participant, by the Participant, or if the Participant is incapacitated, by the Participant's legal representative.

ARTICLE 7

RESTRICTED STOCK

7.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee may grant shares of Restricted Stock to Participants at any time and from time to time and upon such terms and conditions as it may determine. In its discretion, the Committee may impose (but shall not be required to impose) in the related Restricted Stock Agreement, a requirement that a Participant pay a specified purchase price for each share of Restricted Stock). The maximum number of shares of Restricted Stock that may be granted to a Participant during any calendar year shall be 40,000 shares (subject to adjustment as provided in Section 4.3).

7.2 Restricted Stock Agreement. Each Restricted Stock grant shall be evidenced by a Restricted Stock Agreement which shall specify the Restriction Period, the number of shares of Restricted Stock granted and such other provisions as the Committee may determine and which are required by the Plan.

7.3 Non-Transferability of Restricted Stock. Except as provided in this Article 7 or the applicable Restricted Stock Agreement, shares of Restricted Stock may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated until the end of the applicable Restriction Period as specified in the Restricted Stock Agreement and the satisfaction of any other conditions determined at the time of grant specified in the Restricted Stock Agreement. Except as provided in Section 7.9, however, in no event may any Restricted Stock become vested in a Participant subject to Section 16(b) of the Exchange Act prior to six months following the date of its grant.

7.4 Other Restrictions. The Committee may impose such other restrictions on shares of Restricted Stock as it may deem advisable, including, without limitation, restrictions based upon the achievement of specific performance goals (relating to the Company, a Subsidiary or regional or other business unit of the Company), years of service and/or restrictions under applicable Federal or state securities laws. The Committee may provide that any share of Restricted Stock shall be held (together with a stock power executed in blank by the Participant) in custody by the Company until any or all restrictions thereon shall have lapsed.

7.5 Forfeiture. The Committee shall determine and set forth in a Participant's Restricted Stock Agreement such events upon which a Participant's shares of Restricted Stock (or the proceeds of a sale thereof) shall be forfeitable, which may include, without limitation, the termination of a Participant's employment.

7.6 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 7.4, each certificate representing shares of Restricted Stock shall bear the following legend:

"The sale or other transfer of the shares represented by this Certificate, whether voluntary, involuntary or by operation of law, is subject to certain restrictions on transfer as set forth in the Community Trust Bancorp, Inc. 2006 Stock Ownership Incentive Plan, and in the related Restricted Stock Agreement. A copy of the Plan and such Restricted Stock Agreement may be obtained from the Secretary of Community Trust Bancorp, Inc."

7.7 Removal of Restrictions. Except as otherwise provided in this Article 7 or the Restricted Stock Agreement, shares of Restricted Stock shall become freely transferable by the Participant and no longer subject to forfeiture after the last day of the Restriction Period. Once the shares of Restricted Stock are released from their restrictions (including forfeiture provisions), the Participant shall be entitled to have the legend required by Section 7.6 removed from the Participant's share certificate, which certificate shall thereafter represent freely transferable and nonforfeitable shares of Common Stock free from any and all restrictions under the Plan, subject to the requirements of applicable securities laws and regulations.

7.8 Voting Rights; Dividends and Other Distributions. Unless the Committee exercises its discretion as provided in Section 7.10, during the Restriction Period, Participants holding shares of Restricted Stock may exercise full voting rights, and shall be entitled to receive all dividends and other distributions paid with respect to such Restricted Stock. If any dividends or distributions are paid in Common Stock, such Common Stock shall be subject to the same restrictions as the shares of Restricted Stock with respect to which they were paid.

7.9 Lapse of Restrictions Upon Change in Control. Upon a Change in Control, any restrictions and other conditions pertaining to then outstanding shares of Restricted Stock held by Participants, including, but not limited to, vesting requirements, shall lapse and such shares shall thereafter be immediately transferable and nonforfeitable, subject to the requirements of applicable securities laws and regulations.

7.10 Treatment of Dividends. At the time shares of Restricted Stock are granted to a Participant, the Committee may, in its discretion, determine that the payment of dividends, or a specified portion thereof, declared or paid on such shares shall be deferred until the lapse of the restrictions with respect to such shares, such deferred dividends to be held by the Company for the account of the Participant. In the event of such deferral, there may be credited at the end of each year (or portion thereof) interest on the amount of the account during the year at a rate per annum as the Committee, in its discretion, may determine. Deferred dividends, together with interest accrued thereon, if any, shall be (a) paid to the Participant upon the lapse of restrictions on the shares of Restricted Stock as to which the dividends related as soon as practicable following the lapse of restrictions, but no later than 74 days following such lapse of restrictions or (ii) forfeited to the Company upon the forfeiture of such shares by the Participant.

ARTICLE 8

PERFORMANCE UNITS

8.1 Grant of Performance Units. The Committee may, from time to time and upon such terms and conditions as it may determine, grant Performance Units which will become payable to a Participant upon achievement of specified Performance Goals. The maximum payment that can be made pursuant to Performance Units granted to any one Participant in any calendar year shall be \$250,000.

8.2 Performance Unit Agreement. Each Performance Unit grant shall be evidenced by a Performance Unit Agreement that shall specify the Performance Goals, the Performance Period and the number of Performance Units to which it pertains.

8.3 Performance Period. The period of performance ("Performance Period") with respect to each Performance Unit shall be such period of time, which shall not be less than one year, nor more than five years, as determined by the Committee, for the measurement of the extent to which Performance Goals are attained. The Performance Period may commence prior to the date of grant of the Performance Unit to which it relates, provided that at such time the attainment of the Performance Goal is substantially uncertain and not more than 25% of the Performance Period has expired.

8.4 Performance Goals. The goals ("Performance Goals") that are to be achieved with respect to each Performance Unit shall be those objectives established by the Committee as it deems appropriate, and which shall be based on one or more of the following criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, or a division, region, department or function within the Company or a Subsidiary on an absolute or relative basis or in comparison to a peer group: net income, growth in net income, earnings per share, growth of earnings per share, return on equity or return on capital, production of loans, deposits and fee income, growth in loans, deposits and fee income and loan portfolio performance. Each Performance Unit Agreement shall specify a minimum acceptable level of achievement with respect to the Performance Goals below which no payment will be made and shall set forth a formula for determining the payment to be made if

performance is at or above such minimum based upon a range of performance levels relating to the Performance Goals. The Committee shall certify that the Performance Goals for Awards of Performance Units under the Plan have been satisfied prior to the determination and payment of any such incentive in accordance with the Plan.

8.5 Adjustment of Performance Goals. The Committee may adjust Performance Goals and the related minimum acceptable level of achievement if, in the sole judgment of the Committee, events or transactions occur subsequent to the date of grant which are unrelated to the performance of the Participant and which the Committee expects to have a substantial effect on the ability of the Participant to attain the Performance Goals. If a Participant is promoted, demoted or transferred to a Subsidiary or different operating unit of the Company during a Performance Period, then, to the extent that the Committee determines the Performance Goals or Performance Period are no longer appropriate, the Committee may, but shall not be required to, adjust, change or eliminate the Performance Goals or the applicable Performance Period as it deems appropriate in order to make them appropriate and comparable to the initial Performance Goals or Performance Period. Notwithstanding the foregoing, the Committee shall not be entitled to adjust, change or eliminate any Performance Goals or Performance Period if the exercise of such discretion would cause the related compensation to fail to qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

8.6 Termination of Employment. If the employment of a Participant shall terminate prior to the expiration of the Performance Period for any reason other than for death, Disability or Retirement, the Performance Units then held by the Participant shall terminate immediately without payment. In the case of termination of employment by reason of death, Disability or Retirement of a Participant prior to the expiration of the Performance Period, any then outstanding Performance Units of such Participant shall be payable in an amount equal to the maximum amount payable under the Performance Unit multiplied by a percentage equal to the percentage that would have been earned under the terms of the Performance Unit Agreement assuming that the rate at which the Performance Goals have been achieved as of the date of such termination of employment would have continued until the end of the Performance Period; provided, however, that if no maximum amount payable is specified in the Performance Unit Agreement, the amount payable shall be such amount as the Committee shall determine is reasonable.

8.7 Payment Upon Change in Control. Upon a Change in Control, any then outstanding Performance Units shall become fully vested and payable as soon as reasonably practicable, but no later than 74 days following the Change in Control, in an amount which is equal to the greater of (a) the maximum amount payable under the Performance Unit multiplied by a percentage equal to the percentage that would have been earned under the terms of the Performance Unit Agreement assuming that the rate at which the Performance Goals have been achieved as of the date of such Change in Control would have continued until the end of the Performance Period; or (b) the maximum amount payable under the Performance Unit multiplied by the percentage of the Performance Period completed by the Participant at the time of the Change in Control; provided, however, that if no maximum amount payable is specified in the Performance Unit Agreement, the amount payable shall be such amount as the Committee shall determine is reasonable.

8.8 Payment of Performance Units. Subject to such terms and conditions as the Committee may impose, and subject to the limitations set forth in Section 8.1, Performance Units shall be payable: (a) within 74 days following the end of the Performance Period during which the Participant attained at least the minimum acceptable level of achievement under the Performance Goals; or (b) in the event of a Change in Control, as soon as reasonably practicable following the Change in Control, but no later than 74 days following the Change in Control.

ARTICLE 9

STOCK APPRECIATION RIGHTS

9.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time upon such terms as shall be determined by the Committee in its discretion. The SAR grant price

("SAR Grant Price") shall be determined by the Committee and shall be specified in the agreement awarding the SARs. The SAR Grant Price shall equal one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant. The maximum number of shares with respect to which SARs may be granted to a Participant during any calendar year shall be 100,000 shares (subject to adjustment as provided in Section 4.3).

9.2 SAR Agreement. Each SAR shall be evidenced by an SAR Agreement that shall specify the SAR Grant Price, the term of the SAR and any such other provisions as the Committee shall determine.

9.3 Term of SAR. The term of the SAR granted under the Plan shall be determined by the Committee, in its sole discretion, and except as determined otherwise by the Committee and specified in the SAR Agreement, no SAR shall be exercisable later than the tenth (10th) anniversary date of its grant.

9.4 Exercise of SAR. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, shall impose. Unless the applicable SAR Agreement provides otherwise, an SAR shall become cumulatively exercisable as to 25% of the shares of Common Stock covered thereby on each of the first, second, third and fourth anniversaries of the date of grant. An SAR may be exercised for all or any portion of the shares as to which it is exercisable. The partial exercise of the SAR shall not cause the expiration, termination or cancellation of the remaining portion of the SAR.

9.5 Payment of SAR Amount. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying: (a) the difference between the Fair Market Value of a share of Common Stock on the date of exercise and the SAR Grant Price; by (b) the number of shares of Common Stock with respect to which the SAR is exercised. At the discretion of the Committee, the payment upon SAR exercise may be made in the form of cash, shares of Common Stock of equivalent value (based on the Fair Market Value on the date of exercise of the SAR), or in some combination thereof. The Committee's determination regarding the form of SAR payout shall be set forth or reserved for later determination in the SAR Agreement pertaining to the grant of the SAR.

9.6 Termination of Employment. If the Participant's status as an Employee is terminated for Cause, all then outstanding SARs of such Participant, whether or not exercisable, shall terminate immediately. If the Participant's status as an Employee is terminated for any reason other than for Cause, death, Disability or Retirement, to the extent then outstanding SARs of such Participant are exercisable and subject to the provisions of the relevant SAR Agreement, such SARs may be exercised by such Participant at any time prior to the earlier of (a) the expiration date of the SARs or (b) the date which is 60 days after the date of such termination of employment. In the event of the Retirement of a Participant, to the extent then outstanding SARs of such Participant are exercisable, such SARs may be exercised by the Participant within one year after the date of Retirement; provided, however, that no such SARs may be exercised on a date subsequent to their expiration. In the event of the death or Disability of a Participant while employed by the Company or a Subsidiary, all then outstanding SARs of such Participant shall become fully vested and immediately exercisable, and may be exercised at any time within one year after the date of death or determination of Disability; provided, however, that no such SARs may be exercised on a date subsequent to their expiration. Options may be exercised as provided in this Section 9.6 in the event of the death of a Participant, by the person or persons to whom rights pass by will or by the laws of descent and distribution, or if appropriate, the legal representative of the decedent's estate and in the event of the Disability of a Participant, by the Participant, or if the Participant is incapacitated, by the Participant's legal representative.

9.7 Payment upon Change in Control. Upon the occurrence of a Change in Control, any SAR outstanding on such date shall become fully and immediately exercisable and shall remain exercisable until its expiration, termination or cancellation pursuant to the terms of this Plan.

ARTICLE 10

AMENDMENT, MODIFICATION AND TERMINATION

10.1 Termination Date. The Plan shall terminate on the earliest to occur of (a) the tenth anniversary of the Effective Date, (b) the date when all shares of Common Stock available under the Plan shall have been acquired and the payment of all benefits in connection with Awards has been made or (c) such other date as the Board may determine in accordance with Section 10.2.

10.2 Amendment, Modification and Termination. The Board may, at any time, amend, suspend, modify or terminate the Plan provided that (a) no amendment shall be made without stockholder approval if such approval is necessary to satisfy any applicable tax or regulatory law or regulation and the Board determines it is appropriate to seek stockholder approval, and (b) upon or following the occurrence of a Change in Control, no amendment may adversely affect the rights of any Person in connection with an Award previously granted. The Committee may amend the terms of any Award, prospectively or retroactively, but no such amendment shall impair the rights of any Participant without such Participant's consent. Options, SARs and certain Performance Units granted under the Plan are intended to be performance-based compensation within the meaning of Section 162(m) of the Code. The Committee shall not be entitled to exercise any discretion otherwise authorized hereunder with respect to such Options, SARs or Performance Units if the ability to exercise such discretion or the exercise of such discretion itself would cause the compensation attributable to such Options, SARs or Performance Units to fail to qualify as performance-based compensation.

10.3 Awards Previously Granted. No amendment, modification or termination of the Plan shall in any manner adversely affect any outstanding Award without the written consent of the Participant holding such Award.

10.4 No Repricing. Without shareholder approval, neither the Committee nor the Board of Directors of the Company shall have any authority, with or without the consent of the affected holders of Awards, to "reprice" an Award after the date of its initial grant with a lower exercise price in substitution for the original exercise price. This paragraph may not be amended, altered or repealed by the Board of Directors of the Company or the Committee without approval of the shareholders of the Company.

ARTICLE 11

NON-TRANSFERABILITY

11.1 Non-Transferability. A Participant's rights under this Plan may not be assigned, pledged or otherwise transferred other than by will or the laws of descent and distribution, except that upon a Participant's death, the Participant's rights to payment pursuant to an Award may be transferred to a beneficiary designated in accordance with Section 11.2. Notwithstanding anything herein to the contrary, in the case of NQSOs, the Committee may, in its sole discretion, by appropriate provisions in the Participant's Option Agreement, permit the Participant to transfer all or a portion of the Option, without consideration, to (a) the Participant's spouse or lineal descendants ("Family Members"), (b) a trust for the exclusive benefit of Family Members, (c) a charitable remainder trust of which the Participant and/or Family Members are the exclusive beneficiaries (other than the charitable beneficiary), or (d) a partnership or a limited liability company in which the Participant and Family Members are the sole partners or members, as applicable. In the event that any Option is transferred by a Participant in accordance with the provisions of the immediately preceding sentence, then subsequent transfers of the Option by the transferee shall be prohibited. For purposes of the Option Agreement and the Plan, the term "Optionee" shall be deemed to refer to the transferee wherever applicable, and the provisions of Section 6.7 regarding termination of employment shall refer to the Participant, not the transferee, but the transferee shall be permitted to exercise the Option during the period provided for in Section 6.7 and the Participant's Option Agreement following the Participant's termination of employment.

11.2 Designation of Beneficiary. A Participant's "beneficiary" is the person or persons entitled to receive payments or other benefits or exercise rights that are available under the Plan in the event of the Participant's death. A Participant may designate a beneficiary or change a previously named beneficiary designation at such times as are prescribed by the Committee by using forms and following procedures approved or accepted by the Committee for that purpose. If

no beneficiary is designated by the Participant, at the Participant's death the beneficiary shall be the Participant's estate. From time to time, the Committee may in its discretion modify the requirements for beneficiary designations or institute additional requirements for beneficiary designation.

ARTICLE 12

NO GRANTING OF EMPLOYMENT RIGHTS; UNFUNDED STATUS

12.1 No Employment Rights. Neither the Plan, nor any action taken under the Plan, shall be construed as giving any person the right to become a Participant, nor shall participation in, or any grant of an Award under, the Plan be construed as giving a Participant any right with respect to continuance of employment with the Company. The Company expressly reserves the right to terminate, whether by dismissal, discharge or otherwise, a Participant's employment at any time, with or without Cause, except as may otherwise be expressly provided by any written agreement between the Company and the Participant.

12.2 Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other Person. Awards shall be general, unsecured obligations of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan. The Plan is not intended to be subject to ERISA.

ARTICLE 13

WITHHOLDING

13.1 Tax Withholding. A Participant shall remit to the Company an amount sufficient to satisfy Federal, state and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any grant, exercise, payment or lapse of restrictions made under, or occurring as a result of, the Plan.

13.2 Share Withholding. If the Company has a withholding obligation upon the issuance of Common Stock under the Plan, a Participant may, subject to the discretion of the Committee, elect to satisfy the withholding requirement, in whole or in part, by having the Company withhold shares of Common Stock having a Fair Market Value on the date the withholding tax is to be determined equal to the amount required to be withheld under applicable law. Notwithstanding the foregoing, the Committee may, by the adoption of rules or otherwise, modify the provisions of this Section 13.2 or impose such other restrictions or limitations on such elections as may be necessary to insure that such elections will be exempt transactions under Section 16(b) of the Exchange Act.

ARTICLE 14

INDEMNIFICATION

No member of the Board or the Committee, nor any officer, Employee or agent acting on behalf of the Board or the Committee, shall be personally liable for any action, omission, determination or interpretation taken or made with respect to the Plan, and all members of the Board, the Committee and each officer, Employee and agent of the Company acting on their behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, omission, determination or interpretation against any cost, expense (including counsel fees) or liability (including any sum paid in settlement of a claim with the approval of the Committee).

ARTICLE 15

SUCCESSORS

All obligations of the Company with respect to Awards granted under the Plan shall be binding on any successor to the Company, whether the existence of such successor is a result of a direct or indirect merger, consolidation, purchase of all or substantially all of the business or assets of the Company, or otherwise.

ARTICLE 16

GOVERNING LAW; REQUIREMENTS OF LAW

16.1 Governing Law. The Plan shall be governed by, and construed in accordance with, the laws of the Commonwealth of Kentucky without regard to its conflict of laws rules; provided, however, that with respect to ISOs, the Plan and all agreements under the Plan shall be construed so that they qualify as incentive stock options within the meaning of Section 422 of the Code.

16.2 Requirements of Law. The granting of Awards and the issuance of shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or exchanges as may be required. The Company shall receive the consideration required by law for the issuance of Awards under the Plan. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance of shares of Common Stock hereunder, shall relieve the Company of any liability in respect of the failure to issue such shares of Common Stock as to which the requisite authority shall not have been obtained. The certificates of shares of Common Stock issued under the Plan may include any legend that the Committee deems appropriate to reflect any restrictions on transfer under the terms of the Plan or applicable laws and regulations.
