Through U-Haul, we believe that we are North America’s largest and most comprehensive “do-it-yourself” moving and storage operator. Our primary focus is to provide our customers with a wide selection of moving rental equipment, convenient self-storage rental facilities and related moving and self-storage products and services. We are able to expand our distribution and improve customer service by increasing the amount of moving equipment and storage rooms and portable storage boxes available for rent, expanding the number of independent dealers in our network and expanding and taking advantage of our growing eMove® capabilities, an online marketplace that connects consumers to independent Moving Help™ service providers and independent self-storage facilities.

As of March 31, 2013, the U-Haul system included approximately 1,490 owned and managed retail moving centers and approximately 16,400 independent dealer locations. U-Haul is a leader in supplying products and services to help people move and store their household and commercial goods.

Each of the owned and managed retail moving centers and the independent dealer locations rent distinctive orange and white U-Haul trucks and trailers. The owned and managed retail moving centers typically also offer self-storage rooms to customers, and U-Haul has thousands of independent storage affiliates. Many of the locations also sell U-Haul brand boxes, tape and other moving and self-storage products and services to moving and storage customers, and U-Haul sells similar products and services to such customers through its website, <http://www.uhaul.com>.

In addition, customers are offered moving and storage protection packages such as SafeMove™ and SafeTow™, providing moving and towing customers with a collision damage waiver, cargo protection and medical and life coverage. For customers who desire additional coverage over and above the standard SafeMove™ protection, U-Haul also offers its SafeMove Plus™ product. This package provides the rental customer with a layer of primary liability protection. The current provider of SafeMove™ and SafeMove Plus™ coverage is Repwest.

We believe that U-Haul is the most convenient supplier of products and services addressing the needs of the United States and Canadian “do-it-yourself” moving and storage market. The U-Haul system’s broad geographic coverage throughout the United States and Canada and the extensive selection of U-Haul brand moving equipment rentals, self-storage rooms and portable storage boxes and related moving and storage products and services provide U-Haul customers with convenient “one-stop” shopping. As of March 31, 2013, the U-Haul rental fleet consisted of approximately 112,000 trucks and vans, 90,000 trailers and 34,000 tow devices.
