Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 19, 2011, we appointed D. Jeffrey Richardson, age 46, Executive Vice President and Chief Operating Officer. Mr. Richardson had been the leader of our Semiconductor Solutions Group since January 2009. From April 2007 through January 2009, he led our Network and Storage Products Group, which included our Networking, Custom and Storage Interfaces semiconductor businesses. From September 2005 through April 2007, he was the leader of our Custom Solutions Group, and from June 2005 through September 2005, he led our Corporate Strategy function. From 1992 through June 2005, he held a variety of management positions at Intel Corporation, a microprocessor manufacturer.

On March 9, 2011, we announced that we had agreed to sell our external storage business to NetApp, Inc. Philip Bullinger, Executive Vice President and General Manager, Engenio Storage Group, currently leads that business for us. Mr. Bullinger played a key role for us in the events leading up to the signing of the agreement with NetApp. To reward him for his efforts, and to reward him for leading the business through the critical period between signing the agreement and completing the sale, we have agreed to pay him a special bonus of \$212,500 following the completion of the sale, if he remains with LSI and if, between April 15, 2011 and the closing of the sale, the external storage systems business continues to meet performance goals set by our Chief Executive Officer.

We expect that Mr. Bullinger will not join NetApp after the sale is completed. We also expect that we will not have a position at LSI for Mr. Bullinger that we and Mr. Bullinger will each find acceptable. Accordingly, on April 15, 2011, we entered into an agreement with him pursuant to which he will leave LSI on May 13, 2011, if the sale has been completed, and he will be eligible for benefits under our Severance Policy for Executive Officers, including a lump sum payment from us of \$425,000.
