ITEM 8.01 OTHER EVENTS.

As previously reported, the Company's Board of Directors has adopted a program to repurchase up to 500,000 shares of common stock per fiscal year. Pursuant to the program, in the first half of 2015, the Company completed the repurchase of 500,000 shares of common stock allocated for fiscal year 2015. On November 19, 2015, the Board of Directors amended the program to provide that the 500,000 shares of common stock previously approved for repurchases for the 2016 fiscal year may be repurchased by the Company, in management's discretion, during the period commencing November 19, 2015, and ending at the conclusion of fiscal year 2016.

It is anticipated that the share repurchase program will be funded through the Company's cash on hand. Purchases made pursuant to the program will be made in either the open market or in privately negotiated transactions from time to time as permitted by federal securities laws and other legal requirements. The timing, manner, price and amount of any repurchases will be determined by the Company in its discretion and will be subject to economic and market conditions, stock price, applicable legal requirements and other factors. The program does not require the Company to repurchase any specific number or amount of shares and may be amended, suspended or discontinued at any time in the Company's discretion and without notice.
