Item 4.02(a)

Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On August 23, 2006, Arrow Financial Corporation (the Company), following a review by its Audit Committee, determined that the Company's previously issued Consolidated Financial Statements for the full year 2005, and for the quarterly periods ended June 30, 2005 and September 30, 2005, should no longer be relied upon, pending restatements, because of errors in those financial statements, and that the Consolidated Statements of Cash Flows for such periods should be restated (the Restatements).

The Restatements result from the misclassification of cash flows received related to our acquisition of three HSBC BANK USA, N.A. branches in April 2005, totaling \$47,083,000, which should have been presented as investing activities as opposed to financing activities in the Consolidated Statements of Cash Flows. Additionally \$91,000 in share value issued in 2005 in the Company's November 2004 acquisition of Capital Financial Group, Inc. and \$31,000 of net cash received in 2004 related to the same acquisition have been reclassified out of financing activities. As a result of the reclassifications the Consolidated Statement of Cash Flows for December 31, 2005, as restated, will reflect a change in the subtotal for net cash used in investing activities from \$134,785,000 to \$87,702,000 and a change in the subtotal for net cash provided by financing activities from \$109,857,000 to \$62,683,000.

The Restatements will have no impact on the net increase or decrease in total cash and cash equivalents set forth in the Consolidated Statements of Cash Flows for any of the previously report periods. The Restatements will also have no effect on the Company's consolidated statements of income, consolidated balance sheets or consolidated statements of changes in shareholders' equity for any of the affected periods. Accordingly, the Company's previously reported historical revenue, net income, earnings per share, total assets and regulatory capital will remain unchanged following the Restatements.

The Company expects to present the Restatements described herein when it files with the Securities and Exchange Commission its amended quarterly and annual reports for the affected periods. In connection with the Restatements, the Company is in the process of reconsidering the accuracy of its previous disclosures regarding the adequacy of its disclosure controls and procedures and internal controls over financial reporting, and will include any changes in such disclosures that may be required in its amended reports.

The determination to implement the Restatements was authorized by the Audit Committee of the Board of Directors of the Company, upon the recommendation of management. In addition, the Company's Chief Executive Officer,

Chief Financial Officer and the Audit Committee have discussed these matters with the Company's independent registered public accounting firm, KPMG LLP.
