Item 2.05. Costs Associated with Exit or Disposal Activities.

On November 4, 2015, Invacare Corporation (the “company”) executed a restructuring within its North America/HME and European segments that included staff reductions, which eliminated 34 positions. The company anticipates incurring pre-tax cash restructuring charges relating to severance of approximately \$1.0 million that will be expensed in the fourth quarter of 2015. The company expects cash payments to be made from October 2015 through June 2016. Once the restructuring is completed in 2016, the company estimates \$2.7 million in annualized pre-tax savings that it plans to reinvest into areas of growth.
