Subsidiary Non-Equity Annual Incentive Compensation Plan

On February 10, 2014, the compensation committee of the Board of Directors of Hamilton Beach Brands, Inc., referred to as HBB, an indirect wholly-owned subsidiary of NACCO Industries, Inc., referred to as NACCO, adopted the Hamilton Beach Brands, Inc. Annual Incentive Compensation Plan, referred to as the HBB Annual Plan, for the benefit of management employees of HBB. The HBB Annual Plan was adopted, in part, to meet one of the criteria for federal income tax deductibility under Internal Revenue Code Section 162(m) of all or a portion of the awards granted under the plan for performance periods beginning on or after January 1, 2014.

The HBB Annual Plan replaces the 2013 HBB annual incentive compensation plan and provides benefits that are substantially similar to those that were provided under predecessor HBB plans. The maximum amount that may be paid to a participant in a single year as a result of awards under the HBB Annual Plan is \$2.5 million.

The issuance of awards under the HBB Annual Plan for performance periods beginning on or after January 1, 2014 was subject to the approval by the stockholders of NACCO. The stockholders of HBB approved the HBB Annual Plan on May 8, 2014.

The HBB Annual Plan provides that each participant is eligible to earn a target incentive award during a specified one-year performance period. The final payout for each individual under the HBB Annual Plan is generally based on the participant's target award measured against established performance criteria for the performance period, which performance criteria may differ for different classifications of participants.

The HBB compensation committee, in its discretion, may increase or decrease awards under the plan and may approve the payment of awards where performance would otherwise not meet the minimum criteria set for payment of awards, except that awards (or portions thereof) that are intended to be "qualified performance-based awards" under Internal Revenue Code Section 162(m) may not be increased.

On March 27, 2014, the HBB compensation committee determined that 100% of the awards under the HBB Annual Plan for 2014 will be based on HBB's adjusted consolidated return on total capital employed. Final incentive awards under the HBB Annual Plan for 2014 will be determined by the HBB compensation committee following December 31, 2014 and such awards will be paid during the period from January 1, 2015 through March 15, 2015 to participants in cash, less applicable withholdings.

The HBB Annual Plan is listed as an exhibit to this Current Report on Form 8-K as Exhibit 10.1 and is hereby incorporated into this Item 5.02 by reference. The foregoing summary is qualified in its entirety by reference to the full text of the exhibit.
