NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE THREE MONTHS ENDED MARCH 31, 2001 and 2002 (unaudited)

1. Basis of presentation

The interim financial statements presented herein have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to such rules and regulations. The interim financial statements should be read in conjunction with the Company's annual financial statements, notes and accounting policies thereto included in the Company's annual report on Form 10-KSB for the year ended December 31, 2001 as filed with the SEC. In the opinion of management, all adjustments (consisting only of normal recurring adjustments) which are necessary to provide a fair presentation of financial position as of March 31, 2002 and the related operating results and cash flows for the interim period presented have been made. The results of operations for the period presented are not necessarily indicative of the results to be expected for the year.

2. Notes payable-related party

| Note payable | \$ 30,000 |
| Consideration due related to SoloSearch acquisition | 300,000 |

| | ===== |

The \$30,000 note payable-related party represents unsecured loans incurred for working capital purposes. The note is due on September 30, 2001 and bears interest at 11.5%. Amounts due to related party in the amount of \$300,000 as of September 30, 2001 represents payments due to the previous owners of SoloSearch relating to the cash consideration portion of the acquisition of SoloSearch . Due to SearchHound's current working capital deficiencies, the cash consideration was not paid at closing (July 11, 2000) and the previous owners have informally agreed to not demand payment or charge interest until cash is available through operations or new capital is raised. The combined notes to Officers totaling \$325,368 was issued on March 20, 2002 and is secured by a pledge agreement backed by 15,000,000 shares issued during May 2002 in the name of SearchHound.com, Inc. but held by the note holders. The Company issued the demand promissory notes to its two executive officers as consideration for accrued but unpaid wages as of that date.

3. Legal matters

The Company has been sued by Brett Warner in the United States District Court for the Western District of Missouri in Kansas City. A shareholder in the Company by virtue of the Company's acquisition of JobBankUSA.com. Mr. Warner claims that the Company has breached the JobBankUSA Stock Purchase Agreement ("SPA") by failing to provide certain additional shares in the Company. The Company must respond to the suit by May 21, 2002, and intends to file a Counterclaim at that time. In the Counterclaim, the Company will claim that Mr. Warner has received all shares he is due pursuant to the SPA and, consequently, that all shares of JobBankUSA.com, Inc. should be transferred to the Company and that the transaction is complete. While it is premature to predict the outcome of this litigation, certain outcomes are possible that may have a negative or positive impact on the Company. Negative outcomes include significant dilution of shareholder equity or an unwinding of the acquisition of JobBankUSA.com, Inc. which would negatively impact the value of the Company. Positive outcomes

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

include completion of the JobBankUSA.com, Inc. acquisition or continued ownership of a substantial share of JobBankUSA.com, Inc. and the cash flow attendant to that ownership. The Company has reviewed the carrying value of its investment in JobBankUSA as of March 31, 2002, and given the unpredictable nature of any litigation has determined that it is prudent and conservative to reduce the carrying value of its investment in JobBankUSA.com to zero pending the outcome of this litigation. The resulting impairment charge totaled \$803,320 which was recorded during the three months ended March 31, 2002.

On January 17, 2002, the Company was notified that it had been awarded an arbitration ruling, which totaled \$123,253 plus post judgment interest at 6.25%. The binding arbitration ruling was awarded to the Company as a result of monetary damages it incurred as a result of Globalnet Financial.com's refusal to honor the demand registration rights related to common stock of Globalnet Financial.com owned by the Company. The Company must pay certain legal and administrative costs approximating \$65,000 from the proceeds of the award. Currently, the Company is pursuing the collection of the award and will record the related income when collection is assured.

Certain other claims, suits and complaints arising in the normal course with respect to the Company's services may have been filed or are pending against the Company and its subsidiaries. In the opinion of management, the resolution of all such matters would not have a significant effect on the financial position, results of operations or cash flows of the Company, if disposed of unfavorably.

5. Related Party Transactions

Effective January 1, 2002, the Company entered two separate lease agreements with officers and directors of the Company to lease space to be utilized for office purposes at a rate totaling \$5,134 per month. The initial term of the lease is one year with a two-year renewal option (at the Company's option) at a rate totaling \$10,000 per month. Rental expense totaled \$15,402.00 for the three months ended March 31, 2002.

6. Recent Accounting Pronouncements

In June 2001, the Financial Accounting Standards Board issued SFAS No. 141, "Business Combinations" ("SFAS 141"), and SFAS No. 142, "Goodwill And Other Intangible Assets" ("SFAS 142"). SFAS 141 addresses the accounting for acquisitions of businesses and is effective for acquisitions occurring on or after July 1, 2001. SFAS 142 addresses the method of identifying and measuring goodwill and other intangible assets acquired in a business combination, eliminates further amortization of goodwill, and requires periodic evaluations of impairment of goodwill balances. SFAS 142 is effective for fiscal years beginning after December 15, 2001. We amortize approximately \$965,000 per quarter of goodwill related to acquisitions of businesses that occurred in 2000 and 2001. This amortization will cease after December 31, 2001 and a new method of testing goodwill for impairment has been adopted beginning January 1, 2002. SFAS No.144. "Accounting for the Impairment or Disposal of Long-Lived Assets" ("SFAS 144") addresses financial accounting and reporting for the impairment or disposal of long-lived assets. SFAS 144 supercedes SFAS No.121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of" and is effective for financial statements issued for fiscal years beginning after December 15, 2001. The effect of the adoption of these standards was the cessation of amortization on goodwill arising from business combinations which resulted in a reduction in amortization expense approximating \$726,174 for the three months ended March 31, 2002.

7. Subsequent events

On April 21, 2002, the Company received notice that it was being sued by Brett Warner in the United States District Court for the Western District of Missouri

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

in Kansas City. A shareholder in the Company by virtue of the Company's acquisition of JobBankUSA.com. Mr. Warner claims that the Company has breached the JobBankUSA Stock Purchase Agreement ("SPA") by failing to provide certain additional shares in the Company. The Company must respond to the suit by May 21, 2002, and intends to file a Counterclaim at that time. In the Counterclaim, the Company will claim that Mr. Warner has received all shares he is due pursuant to the SPA and, consequently, that all shares of JobBankUSA.com, Inc. should be transferred to the Company and that the transaction is complete. While it is premature to predict the outcome of this litigation, certain outcomes are possible that may have a negative or positive impact on the Company. Negative outcomes include significant dilution of shareholder equity or an unwinding of the acquisition of JobBankUSA.com, Inc. which would negatively impact the value of the Company. Positive outcomes include completion of the JobBankUSA.com, Inc. acquisition or continued ownership of a substantial share of JobBankUSA.com, Inc. and the cash flow attendant to that ownership.

On April 30, 2002, the Company attempted to hold an annual Shareholders meeting at its headquarter's operation only to find that the required quorum was not present. The Company is in the process of refiling its 14A Proxy with the SEC and plans to hold its Shareholder meeting in the very near future.

On May 6th, 2002, the Company issued 15,000,000 shares of restricted common stock as required under the Notes to Officers totaling \$325,368 which was issued on March 20, 2002. These shares represent the underlying collateral of a pledge agreement and are issued in the name of SearchHound.com, Inc. (treasury stock) but held by the note holders.

8. Going Concern

The Company is engaged in new operations and is attempting to implement its business plan, which includes rapid growth requiring external sources of equity or debt funding to meet its current and anticipated obligations. In addition, the Company has incurred substantial operating losses, a working capital deficit and is experiencing negative cash flows from operations. Current cash balances and available credit are insufficient to fund the Company's cash flow needs for the next year. As a result, there is uncertainty of future equity or debt funding to fund the Company's upcoming cash flow needs, which raises substantial doubt about the ability of the Company to continue as a going concern. The Company has historically raised capital through external equity funding and related party debt financing however there can be no assurance that such funding will continue in the future. The Company anticipates that raising additional working capital through private equity placement initiatives, the sale of certain businesses/operations and improvements in current operations will enable the Company to continue in existence for the upcoming year. However, no assurance can be given that the Company will be successful in raising the necessary capital to fund its operations in order to pay its obligations as they become due and that ultimately it will be successful in implementing its business plan. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

This management's discussion and analysis of financial condition contains forward-looking statements, the accuracy of which involves risks and uncertainties. We use words such as "anticipates," "believes," "plans," "expects," "future," "intends" and similar expressions to identify forward-looking statements. This management's discussion and analysis also contains forward-looking statements attributed to certain third parties relating to their estimates regarding the growth of the Internet, Internet advertising and online commerce markets and spending. Readers should not place undue reliance on these forward-looking statements, which apply only as of the date of this report. Our actual results could differ materially from those anticipated in these forward-looking statements for many reasons.

RESULTS OF OPERATIONS

The Company generated \$166,887 of operating revenues during the quarter ended March 31, 2002. The results of operations for the quarter ending March 31, 2002 reflect an operating loss of \$1,118,454.

The operating losses were attributable to the Company's operating business units generating lower revenue while certain fixed costs and minimum operating expenses exceeded gross margins. The Company did not have sufficient capital to fully deploy and invest in required sales and marketing for its business lines during the period through March 31, 2002, which resulted in less than expected revenue growth. In addition, revenue growth was less than expected because the Company acquired 49% of JobBankUSA during 2001 and as a result of the subsidiary's failure to consolidate its operations into the Company. As a result, the Company did not consolidate JobBankUSA for 2002 and instead carried JobBankUSA as an investment under the equity method of accounting as of December 31, 2001 and as of March 31, 2002. Currently, the Company and the Seller do not agree as to the adjustment provisions of the contract due to the Company not attaining the required share price levels nor the acquiree reaching the minimum revenue levels specified in the contract and litigation has been asserted to

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

resolve this disagreement. Currently, there is uncertainty as to whether the acquisition of the remaining 51% will occur as scheduled, will occur at all and whether the Company will retain its 49% interest in JobBankUSA USA, Inc. Accordingly, the Company continues to record its investment in JobBankUSA USA, Inc. under the equity method of accounting as of March 31, 2002. On April 21, 2002, the Company received notice that it was being sued by Brett Warner in the United States District Court for the Western District of Missouri in Kansas City. A shareholder in the Company by virtue of the Company's acquisition of JobBankUSA.com. Mr. Warner claims that the Company has breached the JobBankUSA Stock Purchase Agreement ("SPA") by failing to provide certain additional shares in the Company. The Company must respond to the suit by May 21, 2002, and intends to file a Counterclaim at that time. In the Counterclaim, the Company will claim that Mr. Warner has received all shares he is due pursuant to the SPA and, consequently, that all shares of JobBankUSA.com, Inc. should be transferred to the Company and that the transaction is complete. While it is premature to predict the outcome of this litigation, certain outcomes are possible that may have a negative or positive impact on the Company. Negative outcomes include significant dilution of shareholder equity or an unwinding of the acquisition of JobBankUSA.com, Inc. which would negatively impact the value of the Company. Positive outcomes include completion of the JobBankUSA.com, Inc. acquisition or continued ownership of a substantial share of JobBankUSA.com, Inc. and the cash flow attendant to that ownership.

REVENUE

Revenue for the quarter ended March 31, 2002 decreased to \$166,887 compared to \$186,645 for the quarter ended March 31, 2001. The decrease was primarily the result of decreased revenue from the SearchHound.com search engine due to reduction in the number of active advertiser accounts. This reduction was partially offset by an increase in revenue from our third-party advertising to our opt-in email lists.

OPERATING EXPENSES

Cost of revenues. Cost of Revenues consists primarily of costs associated with commissions paid for third-party list brokers. Cost of revenues increased to \$114,155 for the quarter ended March 31, 2002. The increase was primarily due to the increased emphasis on data base management of opt-in email lists. We anticipate cost of revenues will continue to increase as our emphasis on email campaigns and access to our opt-in email lists increase.

Sales and Marketing. Sales and marketing expenses consist primarily of advertising expenditures for the SearchHound.com search engine advertising campaigns and sponsorships, trade shows and telemarketing and other expenses to attract advertisers to our services, 3) fees to marketing and public relations firms, and 4) payroll and related expenses for personnel engaged in marketing, customer service and sales functions. Almost all of our sales and marketing expenses relate to third-party list brokers and promotion of the SearchHound.com search engine. Our sales and marketing expense was \$175 for the quarter ended March 31, 2002 compared to \$32,759 for the quarter ended March 31, 2001. The decrease in sales and marketing expense was related primarily to decreased amounts paid to distribution partners as a result of decreased revenue derived from our contracts with these partners, along with a reduction in the number of marketing, customer service, and sales employees.

General and administrative expenses consist primarily of payroll and related expenses for executive and administrative personnel; costs related to leasing, maintaining and operating our facilities; insurance; recruiting fees; fees for professional services, including consulting, legal, and accounting fees; expenses and fees associated with the reporting and other obligations of a public company; travel and entertainment costs; depreciation of furniture and equipment for non-technical employees; non-cash stock compensation expense for

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

the issuance of stock and stock options to non-employees, and other general corporate expenses; as well as fees to affiliates which provide office space and other general and administrative services. Additional costs related to designing and maintaining our Web sites and providing the SearchHound.com services, fees paid to outside service providers, credit card processing fees, and fees paid to telecommunications carriers for Internet connectivity. Costs associated with maintaining our Web sites include salaries of related personnel, depreciation of Web site equipment, co-location charges for our Web site equipment and software license fees. Costs associated with providing the keyword bidding services and opt-in email lists include salaries of related personnel, payments to consultants, General and administrative expenses were \$211,510 for the quarter ended March 31, 2002 compared with \$294,431 for the quarter ended March 31, 2001. The decrease in general and administrative expenses was primarily due to decreased professional, investor relations, decrease in non-cash stock compensation expense, and lower legal and accounting fees, lower travel and entertainment spending and a decrease in rent and other office expenses. We expect general and administrative expenses to remain at this level.

Depreciation and Amortization and Impairment Expense. Depreciation and Amortization expense recorded for the quarter ended March 31, 2002 was \$156,181 compared with \$880,014 for the quarter ended March 31, 2001. The decrease was principally attributable to changes in recording amortization of goodwill pursuant to SFAS Nos. 141 & 142. SFAS No. 141 & 142 was adopted by SearchHound on January 1, 2002 and required the Company to cease amortization of goodwill arising from business combinations and replace it with a periodic impairment review to determine the appropriate carrying value of such goodwill. Accordingly, substantially all goodwill amortization ceased on January 1, 2002 which served to reduce amortization expense for the quarter ended March 31, 2002. Acquired intangibles such as the SearchHound backbone architecture are still subject to amortization expense which resulted in \$150,000 of amortization during the quarter ended March 31, 2002. In addition, the Company has reviewed the carrying value of its investment in JobBankUSA as of March 31, 2002 under existing accounting guidance and determined that an "other than temporary" decline in market value has occurred because of the pending litigation. Management has determined that given the unpredictable nature of any litigation that it is prudent and conservative to reduce the carrying value of its investment in JobBankUSA.com to zero pending the outcome of this litigation. At March 31, 2002 the Company recorded an impairment charge of \$802,320 related to its investment in JobBankUSA.com. These matters were the primary reasons depreciation and amortization expense decreased significantly during the three months ended March 31, 2002 as compared to 2001 and the impairment charges increased.

NET LOSS

As a result of the factors described above, we incurred a net loss of \$1,121,603 or (\$0.04) per basic and diluted share for the quarter ended March 31, 2002, compared to a net loss of \$1,023,591 or (\$0.04) per basic and diluted share for the quarter ended March 31, 2001.

LIQUIDITY AND CAPITAL RESOURCES

We have historically satisfied our cash requirements primarily through private placements of restricted stock and the issuance of debt securities. Net cash used in operating activities totaled \$69,074 for the quarter ended March 31, 2002.

The Company is engaged in new operations and is attempting to implement its business plan, which includes rapid growth requiring external sources of equity or debt funding to meet its current and anticipated obligations. In addition, the Company has incurred substantial operating losses, a working capital deficit and is experiencing negative cash flows from operations. Current cash balances

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

and available credit are insufficient to fund the Company's cash flow needs for the next year. As a result, there is uncertainty of future equity or debt funding to fund the Company's upcoming cash flow needs, which raises substantial doubt about the ability of the Company to continue as a going concern. The Company has historically raised capital through external equity funding and related party debt financing however there can be no assurance that such funding will continue in the future. The Company anticipates that raising additional working capital through private equity placement initiatives, the sale of certain businesses/operations and improvements in current operations will enable the Company to continue in existence for the upcoming year. However, no assurance can be given that the Company will be successful in raising the necessary capital to fund its operations in order to pay its obligations as they become due and that ultimately it will be successful in implementing its business plan. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

ACCOUNTING POLICIES SUBJECT TO ESTIMATION AND JUDGMENT

Management's Discussion and Analysis of Financial Condition and Results of Operations are based upon our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States. When preparing our consolidated financial statements, we make estimates and judgments that affect the reported amounts on our balance sheets and income statements, and our related disclosure about contingent assets and liabilities. We continually evaluate our estimates, including those related to revenue, allowance for doubtful accounts, reserves for income taxes, and litigation. We base our estimates on historical experience and on various other assumptions, which we believe to be reasonable in order to form the basis for making judgments about the carrying values of assets and liabilities that are not readily ascertained from other sources. Actual results may deviate from these estimates if alternative assumptions or condition are used.

Part 2 OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

The Company has been sued by Brett Warner in the United States District Court for the Western District of Missouri in Kansas City. A shareholder in the Company by virtue of the Company's acquisition of JobBankUSA.com. Mr. Warner claims that the Company has breached the JobBankUSA Stock Purchase Agreement ("SPA") by failing to provide certain additional shares in the Company. The Company must respond to the suit by May 21, 2002, and intends to file a Counterclaim at that time. In the Counterclaim, the Company will claim that Mr. Warner has received all shares he is due pursuant to the SPA and, consequently, that all shares of JobBankUSA.com, Inc. should be transferred to the Company and that the transaction is complete. While it is premature to predict the outcome of this litigation, certain outcomes are possible that may have a negative or positive impact on the Company. Negative outcomes include significant dilution of shareholder equity or an unwinding of the acquisition of JobBankUSA.com, Inc. which would negatively impact the value of the Company. Positive outcomes include completion of the JobBankUSA.com, Inc. acquisition or continued ownership of a substantial share of JobBankUSA.com, Inc. and the cash flow attendant to that ownership. The Company has reviewed the carrying value of its investment in JobBankUSA as of March 31, 2002, and given the unpredictable nature of any litigation has determined that it is prudent and conservative to reduce the carrying value of its investment in JobBankUSA.com to zero pending the outcome of this litigation. The resulting impairment charge totaled \$802,320 which was recorded during the three months ended March 31, 2002.

On January 17, 2002, the Company was notified that it had been awarded an arbitration ruling, which totaled \$123,253 plus post judgment interest at 6.25%.

Edgar Filing: SEARCHHOUND COM INC - Form 10QSB

The binding arbitration ruling was awarded to the Company as a result of monetary damages it incurred as a result of Globalnet Financial.com's refusal to honor the demand registration rights related to common stock of Globalnet Financial.com owned by the Company. The Company must pay certain legal and administrative costs approximating \$65,000 from the proceeds of the award. Currently, the Company is pursuing the collection of the award and will record the related income when collection is assured. Certain other claims, suits and complaints arising in the normal course with respect to the Company's services may have been filed or are pending against the Company and its subsidiaries. In the opinion of management, the resolution of all such matters would not have a significant effect on the financial position, results of operations or cash flows of the Company, if disposed of unfavorably.

PLEDGE AND SECURITY AGREEMENT

THIS PLEDGE AND SECURITY AGREEMENT (the "Agreement") is made and entered into as of the 20th day of March, 2002, by and between SearchHound.com, Inc., a Nevada corporation ("SearchHound") and Brad N. Cohen ("Brad Cohen").

R E C I T A L S:

B. As a condition to the Note, SearchHound has agreed to pledge and grant a security interest to Brad Cohen in all the Pledged Securities (as hereinafter defined) as security for the repayment of the Obligations (as hereinafter defined) of SearchHound to Brad Cohen.

NOW, THEREFORE, based on these Recitals, the mutual covenants, terms and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Obligations. For purposes herein, the term "Obligations" shall mean all of SearchHound's obligations and liabilities to Brad Cohen under the Note.

2. a. Pledge. In consideration of the Obligations referred to above and other good and valuable consideration, the receipt of which is hereby acknowledged by SearchHound, SearchHound hereby pledges, assigns, hypothecates, transfers and delivers to Brad Cohen all certificates representing, and grants Brad Cohen a security interest in (i) 6,778,500 shares of Class A common stock of SearchHound and all distributions, interest or income with respect to such common stock, subject to the provisions of Section 3 hereof ("Securities"); (ii) all cash and non-cash proceeds of the foregoing (the "Proceeds"); and (iii) all replacements thereof and substitutions therefore for all of the foregoing (all such Securities and Proceeds and all replacements thereof and substitutes therefore being hereinafter collectively referred to as the "Pledged Securities"). (5) suffer or permit to continue unstayed and in effect for thirty (30) consecutive days any judgment, decree or order entered by a court or governmental agency of competent jurisdiction, which assumes control of her or approves a petition seeking a reorganization, composition or arrangement of it or any other judicial modification of the rights of any of its creditors, or appoints a custodian, receiver, trustee or liquidator for it or for all or a substantial part of any of its businesses or assets, or

(6) not be paying its debts as they become due, or

(7) be enjoined or restrained from conducting all or a material part of any of its businesses as now conducted and the same is not dismissed and dissolved within thirty (30) days after the entry thereof.

2. a. Pledge. In consideration of the Obligations referred to above and other good and valuable consideration, the receipt of which is hereby acknowledged by SearchHound, SearchHound hereby pledges, assigns, hypothecates, transfers and delivers to Dave Mullikin all certificates representing, and grants Dave Mullikin a security interest in (i) 8,221,500 shares of Class A common stock of SearchHound and all distributions, interest or income with respect to such common stock, subject to the provisions of Section 3 hereof ("Securities"); (ii) all cash and non-cash proceeds of the foregoing (the "Proceeds"); and (iii) all replacements thereof and substitutions therefore for all of the foregoing (all such Securities and Proceeds and all replacements thereof and substitutes therefore being hereinafter collectively referred to as the "Pledged Securities"). c. Warranty. SearchHound warrants (i) that it is the owner of the Pledged Securities free and clear of all encumbrances, security interests, adverse claims, or restrictions on transfer and (ii) that it has full right and authority to pledge the Pledged Securities without violating any agreement to which it is a party or to which the Pledged Securities are subject. SearchHound agrees that it shall not transfer, sell, convey or encumber, or permit to attach or exist any other kind of lien, judicial or non-judicial, on any of the Pledged Securities except to Dave Mullikin pursuant to this Agreement during the term of this Agreement. If any of the Pledged Securities shall come into the possession of SearchHound while any of the Obligations remains unpaid, it shall immediately deliver the same to Dave Mullikin.
