SUPPLEMENT TO THE PROXY STATEMENT  
FOR THE 2014 ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD MARCH 5, 2014

The following information relates to the proxy statement (the "Proxy Statement") of EMCORE Corporation (the "Company") dated January 28, 2014, furnished to shareholders of the Company in connection with the solicitation of proxies by the Board of Directors (the "Board") for the 2014 Annual Meeting of Shareholders and any adjournment or postponement thereof (the "Annual Meeting"). Capitalized terms used in this supplement to the Proxy Statement (this "Supplement") and not otherwise defined have the meaning given to them in the Proxy Statement.

**THIS SUPPLEMENT SHOULD BE READ IN CONJUNCTION WITH THE PROXY STATEMENT.**

Supplemental Disclosure Concerning Proposal III

As disclosed in the Proxy Statement, the Company is requesting approval to increase the number of shares of Common Stock available for grant under our 2012 Plan from 1,000,000 shares to 2,000,000 shares. In fiscal years 2012 and 2013, the Company granted equity awards under its existing equity incentive plans totaling 903,013 shares and 614,700 shares, respectively. As of January 24, 2014, the Company has granted equity awards under its existing equity incentive plans totaling 648,075 shares during fiscal year 2014 (which includes shares underlying awards granted in connection with the Company's fiscal year 2014 annual award grant to employees) and, as of such date, 5,750 shares remained available for issuance under the 2012 Plan. In determining the number of additional shares to request for approval under the 2012 Plan, the Compensation Committee considered the Company's historical grant rate and estimated that the 1,000,000 additional requested shares will enable the Company to make grants at its historic grant levels for approximately two years. In making this determination, the Compensation Committee utilized its collective experience, judgment and discretion regarding the number of shares required for the Company to compensate its employees in a manner to remain competitive in the Company's market. The Compensation Committee did not engage a compensation consultant, or any other consultant, to conduct any analysis or make any recommendations regarding the appropriate size of the requested share increase.

As of January 24, 2014, there were a total of 30,357,764 shares of our Common Stock outstanding, and the following awards remained outstanding:

- 91,264 shares of Common Stock in the form of restricted stock awards;
- 1,149,785 shares of Common Stock underlying outstanding restricted stock units; and
- 1,694,976 shares of Common Stock underlying outstanding stock options, with a weighted average exercise price of \$17.70 and an average remaining term of 3 years.

The closing price of our Common Stock on the Nasdaq Global Market on January 24, 2014, was \$4.89 per share.
