## **DREYFUS STRATEGIC MUNICIPAL BOND FUND, INC. DREYFUS STRATEGIC MUNICIPALS, INC.**

### **COMBINED PROXY STATEMENT**

*Annual Meeting of Stockholders*  
to be held on June 8, 2012

This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors of each of Dreyfus Strategic Municipal Bond Fund, Inc. ("DSMB") and Dreyfus Strategic Municipals, Inc. ("DSM") (each, a "Fund" and, together, the "Funds") to be used at the Annual Meeting of Stockholders of each Fund to be held on Friday, June 8, 2012 at 10:00 a.m., at the offices of The Dreyfus Corporation ("Dreyfus" or the "Investment Adviser"), 200 Park Avenue, 8th Floor, New York, New York 10166, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on March 30, 2012 are entitled to be present and to vote at the meeting. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. If a proposal is approved by stockholders of one Fund and not approved by stockholders of the other Fund, the proposal will be implemented only for the Fund that approved the proposal. Therefore, it is essential that stockholders who own shares in both Funds complete, date, sign and return each proxy card they receive. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon. If any enclosed form of proxy is executed and returned, it nevertheless may be revoked by a proxy given later. To be effective, such revocation must be received prior to the meeting. In addition, any stockholder who attends the meeting in person may vote by ballot at the meeting, thereby cancelling any proxy previously given.

A quorum is constituted by the presence in person or by proxy of the holders of one-third of the outstanding shares of a Fund entitled to vote at the meeting. If a quorum is not present at the meeting, the stockholders present in person or by proxy, by majority vote and without notice other than by announcement at the meeting, may adjourn the meeting. If a proposal is to be voted upon by only one class of a Fund's shares, a quorum of that class of shares (the holders of a majority of the outstanding shares of the class) must be present in person or by proxy at the meeting in order for the proposal to be considered. Each Fund has two classes of capital stock: Common Stock, par value \$0.001 per share (the "Common Stock"), and Auction Preferred Stock, par value \$0.001 per share, liquidation preference \$25,000 per share (the "APS"). The APS is further divided into Series A, Series B and Series C for DSMB and Series M, Series T, Series W, Series TH and Series F for DSM. Currently, no proposal is expected to be presented at the meeting that would require separate voting for each Series of APS. As of March 30, 2012, the Funds had outstanding the following number of shares:

Name of Fund	Common Stock	APS
	Outstanding	Outstanding
DSMB	48,840,995	5,580
DSM	61,494,281	1,710

It is estimated that proxy materials will be mailed to stockholders of record on or about April 27, 2012. The principal executive office of each Fund is located at 200 Park Avenue, New York, New York 10166. **Copies of each Fund's most recent Annual Report to Stockholders are available upon request, without charge, by writing to the Fund at 144 Glenn Curtiss Boulevard, Uniondale, New York 11556-0144, or by calling toll-free 1-800-334-6899.**

**Important Notice Regarding Internet Availability of Proxy Materials for the Annual Meeting of Stockholders to Be Held on June 8, 2012: This proxy statement and copies of each Fund's most recent Annual and Semi-Annual Reports to Stockholders are available at [www.dreyfus.com/closedendfund.htm](http://www.dreyfus.com/closedendfund.htm).**

#### PROPOSAL 1: ELECTION OF DIRECTORS

Each Fund's Board of Directors (the "Board") is divided into three classes with the term of office of one class expiring each year. It is proposed that stockholders of each Fund consider the election of the individuals listed below (the "Nominees") as Directors of the indicated class of such Fund, to serve for three-year terms and until their respective successors are duly elected and qualified. With respect to DSMB, Messrs. Joseph DiMartino, William Hodding Carter, III, Richard C. Leone and Ms. Joni Evans are nominated to be elected as Class I Directors to serve for a three-year term. With respect to DSM, Messrs. Hans C. Mautner, Burton N. Wallack and John E. Zuccotti are nominated to be elected as Class III Directors to serve for a three-year term. Messrs. DiMartino, Carter and Leone and Ms. Evans also are continuing Class I Directors of DSM, and Messrs. Mautner, Wallack and Zuccotti also are continuing Class III Directors of DSMB. Each Nominee also currently serves as a Director of the Fund for which his or her election is proposed. Each Nominee was nominated by the respective Fund's nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Director of the indicated Fund if elected. Biographical information about each Nominee is set forth below. Biographical information about each Fund's Directors not standing for election at the meeting (the "Continuing Directors"), information on each Nominee's and Continuing Director's ownership of Fund shares and other relevant information is set forth on Exhibit A. Unless otherwise indicated, information set forth herein applies to both Funds. None of the Nominees or Continuing Directors are "interested persons," as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of either Fund.

Under the terms of each Fund's Charter, holders of the APS voting as a single class are entitled, to the exclusion of holders of the Common Stock, to elect one Director. Mr. Zuccotti is currently a nominee for election by holders of DSM's APS as a Class III Director. There are no APS Designees proposed for election at this meeting with respect to DSMB.

Voting with regard to the election of Directors will be as follows: for DSMB, holders of Common Stock and APS will vote together as a single class with respect to the election of Class I Directors Messrs. DiMartino, Carter and Leone and Ms. Evans; for DSM, holders of Common Stock and APS will vote together as a single class with respect to the election of Class III Directors Messrs. Mautner and Wallack; APS holders of DSM will vote separately, to the exclusion of holders of the Common Stock, with respect to the election of Mr. Zuccotti.

The persons named as proxies on the accompanying proxy card(s) intend to vote each proxy for the election of the Nominees, unless stockholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Director for any reason, but if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees. The address of each Nominee is 200 Park Avenue, New York, New York 10166.

**Board's Oversight Role in Management.** Each Board's role in management of the respective Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to each Fund, primarily the Investment Adviser and its affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and

## Edgar Filing: DREYFUS STRATEGIC MUNICIPALS INC - Form DEF 14A

counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Investment Adviser's Chief Investment Officer (or a senior representative of his office), the Fund's and the Investment Adviser's Chief Compliance Officer and portfolio management personnel. Each Board's audit committee (which consists of all Directors) meets during its regularly scheduled and special meetings, and between meetings the audit committee chair is available to the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Investment Adviser or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation, credit and investment research. As warranted, each Board also receives informational reports from each Board's independent legal counsel regarding regulatory compliance and governance matters.

2

---

Each Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser and other service providers to each Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to each Fund.

**Board Composition and Leadership Structure.** The 1940 Act requires that at least 40% of each Fund's Directors not be "interested persons" (as defined in the 1940 Act) of the Fund and as such are not affiliated with the Investment Adviser ("Independent Directors"). To rely on certain exemptive rules under the 1940 Act, a majority of each Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, all of each Fund's Directors, including the Chairman of the Board, are Independent Directors. Each Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the services that the Investment Adviser and its affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships.

**Information About Each Nominee's and Continuing Director's Experience, Qualifications, Attributes or Skills.** Nominees for Director of each Fund, together with information as to their positions with the Fund, principal occupations and other board memberships for the past five years, are shown below. Specific information about the Continuing Directors of each Fund, information on each Nominee's and Continuing Director's ownership of each Fund shares, and other relevant information is set forth on Exhibit A.

Each Nominee has been a Board member of each Fund and/or Dreyfus mutual funds for over 15 years. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the respective Board believes has prepared them to be effective Directors (this information for Continuing Directors is set forth on Exhibit A). Each Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, each Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with the Fund's management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; each Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for each Board's nominating committee contains certain other factors considered by the committee in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Directors are counseled by their independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser; counsel to the Funds and to the Boards have significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

A copy of each Fund's Audit Committee Charter, which describes the audit committee's purposes, duties and powers, is available at [www.dreyfus.com](http://www.dreyfus.com) in the "Individual Investors" section.

Each Fund's nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by stockholders. In evaluating potential nominees, including any nominees recommended by stockholders, the committee takes into consideration the factors listed in each Fund's Nominating Committee Charter and procedures (the "Nominating Committee Charter"), including character and integrity, and business and professional experience. The nominating committee may consider whether a potential nominee's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The committee will consider recommendations for nominees from stockholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 200 Park Avenue, 8th Floor, New York, New York 10166, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The Nominating Committee Charter is not available on the Funds' or Dreyfus' website but was attached as Exhibit B to the Funds' proxy statement for the 2011 annual stockholder meeting (filed with the Securities and Exchange Commission (the "SEC") on April 8, 2011).

The function of the compensation committee is to establish the appropriate compensation for serving on the Board. Each Fund also has a standing pricing committee comprised of any one Director. The function of the pricing committee is to assist in valuing the Fund's investments.

The Board has adopted an Emeritus Program to provide Directors who have served on the Board of one or more funds in the Dreyfus Family of Funds for an extended period of time and who have attained a certain age a means for assuming a less demanding role with the Fund while maintaining an ongoing relationship with the Fund. The Board has determined that the continued wise guidance and input such experienced Directors can provide merited the establishment of the Program. Under the Board Member Emeritus Program, for a Director whose first service on the Board of any fund in The Dreyfus Family of Funds occurred before September 30, 2008, upon reaching age 72, such Director is entitled to elect Emeritus status with respect to the Fund if he or she has served on the Board of a fund for at least 10 years. Upon

reaching age 80, Emeritus status is mandatory and becomes effective immediately, unless the Director chooses to retire at that time. The 10-year pre-requisite for service as a Board member will not be waived for a Director who reaches age 80 but has not served as a Board member of a fund for at least 10 years. Emeritus Directors are entitled to receive an annual retainer of one-half the amount paid as a retainer at the time the Director achieves Emeritus status and one-half the per meeting attendance fee in effect on the date of the meeting attended by the Emeritus Board member. Emeritus Directors are reimbursed for reasonable expenses incurred in connection with attending Board meetings.

#### **Required Vote**

The election of a Nominee for each Fund requires the affirmative vote of a plurality of votes cast at the Fund's meeting for the election of Directors.

#### **ADDITIONAL INFORMATION**

##### **Selection of Independent Registered Public Accounting Firm**

The 1940 Act requires that each Fund's independent registered public accounting firm (the "independent auditors" or "auditors") be selected by a majority of the Independent Directors. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund's independent auditors. At a meeting held on November 7, 2011 for DSMB and July 18, 2011 for DSM, each Fund's audit committee approved and each Fund's Board, including a majority of the Independent Directors, ratified and approved the selection of Ernst & Young LLP ("E&Y") as the independent auditors for the respective Fund's fiscal year ending in 2012. E&Y, a major international accounting firm, has acted as auditors of each Fund since the Fund's organization. Copies of the audit committee's reports for DSM and DSMB are attached as Exhibits B and C, respectively, to this proxy statement.

##### **Independent Registered Public Accounting Firm Fees and Services**

The following chart reflects fees paid to E&Y in each Fund's last two fiscal years. For Service Affiliates (i.e., Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the relevant Fund), such fees represent only those fees that required pre-approval by the audit committee, except the Aggregate Non-Audit fees amounts, which includes the all non-audit fees paid to E&Y by the Fund and Service Affiliates. All services provided by E&Y were pre-approved as required.

<sup>1</sup> Fiscal years ended September 30, 2010/September 30, 2011.

<sup>2</sup> Fiscal years ended November 30, 2010/November 30, 2011.

<sup>3</sup> Services to the Fund consisted of (i) agreed-upon procedures related to compliance with basic maintenance requirements for APS; and (ii) security counts required by Rule 17f-2 under the 1940 Act.

<sup>4</sup> Services to the Fund consisted of (i) review or preparation of U.S. federal, state, local and excise tax returns; (ii) U.S. federal, state and local tax planning, advice and assistance regarding statutory, regulatory or administrative developments; and (iii) tax advice regarding tax qualification matters and/or treatment of various financial instruments held or proposed to be acquired or held.

<sup>5</sup> Aggregate fees from the Fund and Service Affiliates are shown under the Service Affiliates column.

8

**Audit Committee Pre-Approval Policies and Procedures.** Each Fund's audit committee has established policies and procedures (the "Policy") for pre-approval (within specified fee limits) of E&Y's engagement for audit and non-audit services to the Fund and non-audit services to Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining E&Y's independence. Pre-approvals pursuant to the Policy are considered annually.

**Auditor Independence.** Each Fund's audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates that did not require pre-approval is compatible with maintaining E&Y's independence.

A representative of E&Y is expected to be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Within 72 hours of receiving a stockholder's solicited telephonic voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instructions are not correctly reflected in the confirmation. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon, and if no voting instructions are given, shares will be voted "FOR" the Proposals.

If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote or represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of a Fund on a particular matter with respect to which the broker or nominee does not have discretionary power), the Fund's shares represented thereby will be considered to be present at the meeting for purposes of determining the existence of a quorum for the transaction of business, but will not constitute a vote "for" a proposal and will have no effect on the result of the vote.

### OTHER MATTERS

Neither Fund's Board is aware of any other matter which may come before the meeting. However, should any such matter with respect to one or both Funds properly come before the meeting, it is the intention of the persons named in the accompanying forms of proxy to vote the proxy in accordance with their judgment on such matter.

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees the Fund's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm (the "independent auditors" or "auditors"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"). In addition, the committee has discussed with the independent auditors the auditors' independence from management and the Fund including the auditors' letter and the matters in the written disclosures required by the PCAOB.

The committee discussed with the independent auditors the overall scope and plan for the audit. The committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Fund's internal controls, and the overall quality of the Fund's financial reporting.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements for the Fund be included in the Annual Report to Shareholders for the year ended September 30, 2011.
