PRESS RELEASE

Magic Software Elevated to NASDAQ Global Select Market

Or-Yehuda, Israel, January 24, 2011 Magic Software Enterprises Ltd. (NASDAQ: MGIC), a global provider of cloud and on-premise enabled application platforms and business integration solutions, today announced that it has been added to the NASDAQ Global Select Market, the premier listing tier for NASDAQ companies. The NASDAQ Global Select Market is designated for public companies that meet the highest initial listing standards in the world. Inclusion in this Market is a noteworthy mark of achievement, with qualification measures including market value, liquidity and earnings. Magic Software's common stock began trading on the NASDAQ Global Select Market on January 3, 2011

and continues to be traded under the MGIC ticker symbol.

We are delighted by the recognition of our financial strength and the opportunity to join the most respected companies in the world who also uphold NASDAQ's rigorous qualification standards," said Guy Bernstein, acting Chief Executive Officer of Magic Software. Inclusion in this top tier of companies is a significant milestone of our progress, and is indicative of our commitment to generating value for our shareholders. It also further emphasizes our overall growth as a company, as well as our solid financial performance and long-term growth potential.
