Item 9. Regulation FD Disclosure.

American Medical Security Group, Inc. (the "Company") has developed an investor financial presentation that is available on its website - www.AMSchoices.com, and presented to a number of financial analysts, investors and potential investors. The presentation furnished herewith supercedes a presentation previously furnished pursuant to a Form 8-K dated September 10, 2001 and the presentation on the Company's website. The presentation (i) describes the Company's current businesses, strategies and financial highlights; (ii) describes projected changes in the mix of revenue contributions from the Company's major businesses anticipated by 2003; and (iii) describes discussions between the Company and Cobalt Corporation, the parent of the Company's largest shareholder. The content of the presentation will form the base of future presentations the Company expects to make at financial forums, including health care conferences sponsored by various financial institutions. The presentation is prepared in summary fashion and contains information that should be read in conjunction with the Company's reports filed with the Securities and Exchange Commission from time to time.

Also included in this Form 8-K is a financial supplement containing historical data that is available on the Company's website and provided to the financial analysts, investors and potential investors.

Following is the content of the presentation and the financial
