- (2) Estimated solely for the purpose of calculating the registration fee in accordance with Rule 457 of the Securities Act of 1933 ("Securities Act"), based on the average of the daily high and low sales prices of common stock of the Flushing Financial on the Nasdaq National Market at the close of trading as of August 14, 2006.

EXPLANATORY NOTE

On June 30, 2006, Atlantic Liberty Financial Corp. (“Atlantic Liberty”) merged with and into Flushing Financial Corporation (the “Registrant”), with the Registrant as the surviving corporation. As a result of the merger, each outstanding share of Atlantic Liberty common stock was converted into the right to receive 1.43 shares of the Registrant’s common stock, or a cash payment of \$24.00, or a combination of the Registrant’s common stock and cash.

This registration statement covers 212,687 shares of common stock of the Registrant, available for issuance upon exercise of outstanding options granted under the Atlantic Liberty Financial Corp. 2003 Incentive Stock Benefit Plan, which the Registrant assumed pursuant to the Agreement and Plan of Merger, dated December 20, 2005, by and between the Registrant and Atlantic Liberty.

Each outstanding stock option issued pursuant to the Atlantic Liberty Financial Corp. 2003 Incentive Stock Benefit Plan prior to the effective time of the merger is no longer exercisable for shares of Atlantic Liberty common stock, but instead, constitutes an option to acquire, on the same terms and conditions as were applicable under such option immediately prior to the consummation of the merger, that number of shares of the Registrant’s common stock equal to the product of the number of shares of Atlantic Liberty and the exchange ratio of 1.43. The exercise price per share of the Registrant’s common stock under each new option will be equal to the quotient of (i) the per share exercise price of the Atlantic Liberty option being converted and (ii) the exchange ratio of 1.43, rounded up to the next whole cent.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law *inter alia*, empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interest of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Similar indemnity is authorized for such person against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of any threatened, pending or completed action or suit by or in the right of the corporation if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and provided further that (unless a court of competent jurisdiction otherwise provides) he shall not have been adjudged liable to the corporation. Any such indemnification (unless ordered by a court) may be made by the corporation only as authorized in each specific case by the corporation upon a determination that indemnification of the present or former director, officer, employee or agent is proper because such person has met the applicable standard of conduct, which indemnification shall be made in the case of a director or officer at the time of the determination by the shareholders, a majority vote of disinterested directors, a committee of disinterested directors or by independent legal counsel in a written opinion, if there are no such directors or if such directors so direct.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him, and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him against such liability under Section 145.

Article TENTH of the Registrant's Certificate of Incorporation sets forth circumstances under which directors, officers, employees and agents of the Registrant may be insured or indemnified against liability which they incur in their capacities as such:

TENTH.

(A) No director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended after the date of this Certificate of Incorporation to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation law, as so amended.

(B) The Corporation shall indemnify to the fullest extent permitted by the laws of the State of Delaware as from time to time in effect any person who was or is a party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation (a "Proceeding"), by reason of the fact that such person is or was a director or officer of the Corporation, or, while serving

as a director or officer of the Corporation, is or was serving, in any capacity, at the request of the Corporation, any other corporation, partnership, joint venture, trust, association or other enterprise, including service with respect to an employee benefit plan, or by reason of any action alleged to have been taken or omitted in such capacity, against judgments, fines, penalties, amounts paid in settlement, and expenses (including attorneys' fees and expenses, expenses and cost of investigations, and expenses of enforcement of such person's rights under this Article TENTH) incurred by such person in connection with such Proceeding; provided, however, that no such indemnification shall be required for amounts paid in any settlement or other nonadjudicated disposition of any Proceeding unless the Board of Directors of the Corporation has given its prior consent to such settlement or disposition.

(C) The right to indemnification conferred by this Article TENTH shall also include the right of such persons to be paid in advance by the Corporation for their expenses to the full extent permitted by the laws of the State of Delaware as from time to time in effect. The right to indemnification conferred on such persons by this Article TENTH shall be a contract right and shall inure to the benefit of the indemnitee's heirs, executors and administrators.

(D) The Corporation may, to the extent authorized from time to time by the Board of Directors, indemnify to the fullest extent permitted by the laws of the State of Delaware as from time to time in effect any person who was or is party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any Proceeding, by reason of the fact that such person is or was an employee (other than an officer) or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, or by reason of any action alleged to have been taken or omitted in such capacity.

The rights and authority conferred in this Article TENTH shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation or the By-Laws of the Corporation, agreement, vote of stockholders or disinterested directors or otherwise.

Notwithstanding anything to the contrary contained in this Article TENTH, the Corporation shall not indemnify any person in connection with any Proceeding initiated by such person against any other person or entity other than the Corporation or any Subsidiary unless such Proceeding was authorized by the Board of Directors of the Corporation.

Neither the amendment nor repeal of this Article TENTH, nor the adoption of any provision of the Certificate of Incorporation or By-Laws or of any statute inconsistent with this Article TENTH, shall eliminate or reduce the effect of this Article TENTH in respect of any acts or omissions occurring prior to such amendment, repeal or adoption of an inconsistent provision.

Item 9. Undertakings.

(a) Rule 415 offering. The undersigned Registrant hereby undertakes;

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings incorporating subsequent Exchange Act documents by reference. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Incorporated annual and quarterly reports. The undersigned Registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Filing of registration on Form S-8. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant for expenses incurred or paid by a

director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
