Iusacell Announcement  
-----

Mexico City, September 12, 2003 - Grupo Iusacell, S.A. de C.V. ("Iusacell" or the "Company") [BMV: CEL, NYSE: CEL] ("Iusacell" or the "Company") announced today that on September 11, 2003, its main subsidiary, Grupo Iusacell Celular, S.A. de C.V. (Iusacell Celular) received a notice of default and acceleration (the "Notice") from a U.S. law firm representing an informal committee of beneficial owners of approximately US\$77 million in aggregate principal amount, representing 51.3% of the total amount outstanding, of Iusacell Celular's 10% Senior Secured Notes due 2004 (the "2004 Notes"). The notice of default arises from Iusacell Celular's failure to make an interest payment on the 2004 Notes in the amount of US\$7.5 million due on July 15, 2003. Pursuant to the Notice, the bondholders declared the entire unpaid principal balance of US\$150 million and all accrued and unpaid interest, including defaulted interest, to be accelerated and immediately due and payable, pursuant to the Indenture governing the 2004 Notes.

The group of bondholders expressed their goal to establish a constructive dialogue with the new management team of the Company and of Iusacell Celular aimed to a fair outcome of a restructuring process for all stakeholders. The Company reiterated its intention to maintain the dialogue with all its creditors, including Iusacell Celular's 2004 Notes holders.
