### SR Telecom Subsidiary Receives Approval for Access Tariff Increase

**MONTREAL, February 26, 2004** SR Telecom<sup>SM</sup> Inc. (TSX: SRX; Nasdaq: SRXA) today announced that its Chilean subsidiary, CTR, has received approval from Subtel, the Chilean telecommunications regulator, to significantly increase its access tariffs. Subtel's ruling on CTR's access tariff increase request allows for growth in all of CTR's rate plans, and will take effect on March 1, 2004. SR Telecom expects that the effect of the tariff increase will be to augment CTR's revenues and operating cash flow by more than CDN\$1.5 million on an annualized basis.

We are extremely pleased with Subtel's decision to allow CTR to adjust its access rate plans, said David Adams, SR Telecom's Senior Vice-President, Finance and Chief Financial Officer. Once implemented, these tariff increases will be immediately accretive to CTR's revenues and, along with our planned network expansion, will contribute significantly to CTR's operational profitability.
