The enclosed Proxy is solicited on behalf of the Board of Directors of Vialta, Inc. (the "Company"), a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on Thursday, June 20, 2002 at 2:00 p.m., local time, or at any postponement or adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held at the Fremont Marriott, 46100 Landing Road, Fremont, CA 94538. The telephone number at that location is (510) 413-3700.

The Company's principal executive offices are located at 48461 Fremont Blvd., Fremont, CA 94538.

SOLICITATION

These proxy solicitation materials, including an annual report for the fiscal year ended December 31, 2001 will be mailed on or about May 30, 2002 to all stockholders entitled to vote at the Annual Meeting. The costs of soliciting these proxies will be borne by the Company. These costs will include the expenses of preparing and mailing proxy materials for the Annual Meeting and reimbursement paid to brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's Common Stock. Officers, directors and regular employees of the Company may conduct further solicitation personally, telephonically or by facsimile, without receiving

Edgar Filing: VIALTA INC - Form DEF 14A

additional compensation for assisting with the solicitation.

The Company will provide a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2001, including financial statements and financial statement schedules (but not exhibits), without charge to each stockholder upon written request. The request should be sent to Deborah Yeung, Director of Finance, Vialta, Inc., 48461 Fremont Blvd., Fremont, CA 94538 (telephone number: (510) 870-3068). Exhibits to the Annual Report may be obtained on written request to Ms Yeung and payment of the Company's reasonable expenses in furnishing such exhibits.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to James Allison, Controller, a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming the stockholder's beneficial ownership of the shares.

VOTING RIGHTS AND SOLICITATION OF PROXIES

VOTING

Vialta currently has two classes of common stock: Class A Common Stock and Class B Common Stock (collectively, the "Common Stock"). Holders of Class A Common Stock are entitled to 3.8 votes per share on all matters and holders of Class B Common Stock are entitled to one vote per share on all matters. In accordance with the provisions of California law, until the Company is a "listed corporation", stockholders have the right to cumulate votes in connection with the election of directors. A "listed corporation" is one whose shares have been approved for trading on the New York or American Stock Exchange or the Nasdaq National Market. Each stockholder complying with certain conditions set forth below may cumulate votes and give one candidate a number of votes equal to the number of votes to which such stockholder's shares are entitled multiplied by the number of directors to be elected. The stockholder may cast these votes all for a single candidate or distribute the votes among any or all of the candidates. Under California law, no stockholder will be entitled to cumulate votes for a candidate unless that candidate's name has been placed in nomination prior to the voting and the stockholder, or any other stockholder, has given notice at the Annual Meeting prior to the voting of an intention to cumulate votes. In such an event, the proxy holder may allocate among the Board of Directors' nominees the votes represented by proxies in the proxy holder's sole discretion. With respect to the election of directors, the five directors receiving the highest number of votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and voting on the election of directors will be elected.

The Inspector of Elections will tabulate the votes cast in person or by proxy at the Annual Meeting. The Inspector of Elections will also determine whether or not a quorum is present. The affirmative vote of a majority of the votes cast at a duly held meeting at which a quorum is present and voting is required for approval of proposals presented to stockholders other than the election of directors. The holders of a majority of the shares entitled to vote, represented either in person or by proxy shall constitute a quorum for purposes of the Annual Meeting. The Inspector of Elections will treat abstentions and

Edgar Filing: VIALTA INC - Form DEF 14A

broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as not voting for purposes of determining the approval of any matter submitted to the stockholders for a vote. Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted for the election of the Board's nominees for directors, for the ratification of the appointment of the designated independent accountants, and as the proxy holders deem advisable on other matters that may come before the meeting, as the case may be, with respect to the item not marked. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter ("broker non-votes"), those shares will be considered as present for the purpose of determining the presence of a quorum but will not be considered as voting with respect to that matter.

RECORD DATE AND SHARE OWNERSHIP

Only stockholders of record at the close of business on April 23, 2002 are entitled to notice of and to vote at the Annual Meeting. As of the record date, 43,010,959 shares of the Company's Class A Common Stock and 40,580,375 shares of the Company's Class B Common Stock were issued and outstanding, and there were 218 stockholders of record.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals by stockholders of the Company that are intended to be presented by such stockholders at the Company's 2003 Annual Meeting of Stockholders must be received by the Company no later than January 31, 2003, in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

2

In addition, proxies solicited by the Board of Directors for the 2003 Annual Meeting of Stockholders will confer discretionary voting authority to vote on any proposal properly raised at the meeting, if the Company is not provided with written notice of the stockholder proposal on or before April 15, 2003.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's bylaws currently provide that the number of directors shall be fixed from time to time by the Board of Directors. The size of the Board of Directors is currently set at five members. The Company's Amended and Restated Bylaws divides the Board into three classes with staggered, three-year terms. Herbert Chang and Masaharu Shinya are Class I directors, with initial terms set to expire in 2002, Matthew K. Fong and Didier Pietri are Class II directors, with initial terms set to expire in 2003, and Fred S.L. Chan was elected a Class III director, with an initial term set to expire in 2004. However, pursuant to the requirements of California law, this provision will become effective only when the Company becomes a "listed corporation". As a result, five directors will be elected at the Annual Meeting to serve as the same class of director which they previously served or which was served by the director.

The Board has nominated the five people named below to serve as directors in their same classes to hold office until the expiration of their term and until their respective successors have been elected and qualified or until such directors' earlier resignation or removal. All of the nominees are currently

Edgar Filing: VIALTA INC - Form DEF 14A

directors of the Company. If any nominee for any reason is unable to, or will not, serve as a director, the proxies may be voted for such substitute nominee as the proxy holder may determine. The Company is not aware of any nominee who will be unable to, or will not, serve as a director.

BOARD OF DIRECTORS' MEETINGS AND COMMITTEES

The Board of Directors met 3 times during fiscal year 2001. The Board of Directors has an Audit Committee and a Compensation Committee. The Board does not have a Nominating Committee or any other standing committees.

The Audit Committee reviews the adequacy of the Company's internal control systems, financial reporting procedures, the general scope of the Company's annual audit, the fees charged by the independent accountants, the performance of non-audit services by the Company's auditors and the fairness of any proposed transaction between any officer, director or other affiliate of the Company and the Company. After such review, the Audit Committee makes recommendations to the full Board and performs such further functions as may be required or delegated to the Committee by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A. During fiscal year 2001, the Audit Committee of the Board held no meetings independent of the entire Board of Directors. The Audit Committee is currently comprised of three members: Matthew Fong, Masaharu Shinya and Herbert Chang. Mr. Chang was nominated to the Audit Committee on April 23, 2002. Mr. Shinya and Mr. Chang are both independent as defined by the listing standards of the New York Stock Exchange. Mr. Fong is not independent, because he is an employee of the Company.

The Compensation Committee reviews and approves compensation and benefits for the Company's key executive officers, administers the Company's stock purchase and equity incentive plans and makes recommendations to the Board of Directors regarding such matters. During fiscal year 2001, the Compensation Committee held no meetings independent of the entire Board of Directors. The Compensation Committee is comprised of two members: Matthew Fong and Masaharu Shinya.

With the exception of Matthew Fong who attended 67% of the aggregate number of meetings of the Board, no incumbent director attended fewer than 75% of the aggregate number of meetings of the Board and meetings of the Committees of the Board on which he serves held during the fiscal year 2001.

4

COMPENSATION OF DIRECTORS

Directors of the Company do not receive cash compensation for their services, except that non-employee directors are reimbursed for their reasonable expenses in attending meeting of the Board of Directors or any meeting of a Committee of the Board of Directors. Mr. Fong serves as an advisor to the Chairman of the Board and receives \$64,200 annually for four hours per week with additional compensation of \$250 per hour plus \$2,500 per day of additional compensation for each day of travel overseas. On October 19, 2001, Mr. Fong was also granted an option to purchase 78,000 shares of the Company's Class A Common Stock at an exercise price of \$0.40 per share, vesting in equal installments of 25% on each of the one and two year anniversary of the date of grant and 1/48 on each one month anniversary thereafter.

Non-employee directors of the Company are automatically granted options to purchase shares of the Company's Class A Common Stock pursuant to the terms of the Company's 2000 Directors' Stock Option Plan (the "Directors Plan"). Each

Edgar Filing: VIALTA INC - Form DEF 14A

non-employee director who becomes a member of the Board on or after February 17, 2000, the effective date of the Directors Plan, will be automatically granted an option to purchase 32,000 shares of Class A Common Stock under the Directors Plan (the "Initial Grant"). On each anniversary of his or her Initial Grant, each non-employee director will be automatically granted an additional option to purchase 8,000 shares of Class A Common Stock under the Directors Plan, so long as he or she has continuously served as a director of the Company (the "Subsequent Grant"). Any non-employee director who does not receive an Initial Grant shall nevertheless automatically receive a Subsequent Grant on the anniversary of the most recent grant of an option to such director. Options granted under the Directors Plan have an exercise price equal to the fair market value (as determined under the Directors Plan) of the Company's Common Stock on the date of grant with a term of ten years. Non-employee director options vest and are exercisable in four equal installments, starting on the one-year anniversary date of the grant.

Directors who are also employees are eligible to receive options to purchase shares of Vialta Common Stock under Vialta's 1999 Stock Incentive Plan.

REQUIRED VOTE

The five nominees receiving the highest number of affirmative votes of shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and voting on the election of directors shall be elected as directors to serve as the same class of directors which they previously served on which was served by the director who they replaced.

THE BOARD RECOMMENDS A VOTE "FOR" THE ELECTION
OF EACH OF THE NOMINEES LISTED ABOVE.

The Company has selected PricewaterhouseCoopers LLP ("PwC") as its independent accountants to perform the audit of the Company's financial statements for fiscal year 2002 and recommends that the stockholders vote for ratification of such selection. In the event the stockholders do not ratify such appointment, the Board will reconsider its selection. Representatives of PwC are expected to be present at

5

the Annual Meeting, will have the opportunity to make a statement at the Annual Meeting if they desire to do so and are expected to be available to respond to appropriate questions.

FEES PAID TO THE INDEPENDENT ACCOUNTANTS

PwC billed the Company aggregate fees of \$159,750 for professional services rendered for the audit of the Company's annual financial statements for fiscal year 2001 and for reviews of the financial statements included in the Company's quarterly reports on Form 10-Q for the second and third quarters of fiscal 2001.

PwC billed the Company aggregate fees of \$280,000 for other professional services rendered in fiscal 2001, including professional services in connection with the spin-off of the Company from its parent, consulting services, tax preparation and tax consultation.

The Audit Committee of the Board has considered the provision by PwC of the non-audit services listed above and concluded, based on information provided by PwC, that providing such services is compatible with maintaining PwC's independence.

REQUIRED VOTE

The ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent accountants requires the affirmative vote of the holders of a majority of the shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote.

THE BOARD RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION

REPORT OF THE AUDIT COMMITTEE

The Company's management has the primary responsibility for the integrity of the Company's financial information. The Company's independent auditors are responsible for conducting independent audits of the Company's financial statements in accordance with generally accepted auditing standards and expressing an opinion on the financial statements based on those audits. The Audit Committee nominates the independent auditors for approval by the Board and is responsible for overseeing the conduct of the above activities by management and such auditors.

As part of its responsibility, the Audit Committee has met with the Company's independent accountants to review and discuss the adequacy of the Company's internal control system, financial reporting procedures and other matters required to be discussed by the Statement of Auditor Standards 61 such

as the independent accountant's judgments as to the quality of the financial statements, changes in the accounting policies and sensitive accounting estimates. The Audit Committee has reviewed and discussed the audited financial statements with management and the Company's independent accountant. The Audit Committee reviewed the general scope of the Company's annual audit and fees charged by the independent accountants and reviewed and monitored the performance of non-audit services by the Company's auditors. The Audit Committee has received the written disclosures and the letter from the independent accountants required by ISB No. 1 and has discussed with the independent accountant that firm's independence.

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the audited financial statement be included in the Company's annual report on Form 10-K for the year ended December 31, 2001.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

GENERAL

The Committee acts on behalf of the Board to examine and implement the general compensation policy of the Company for all executive officers and such other employees of the Company as the Board of Directors may deem appropriate. The Committee reviews the general compensation policy applicable to the Chief Executive Officer ("CEO") and other executive officers on an annual basis. The Committee administers the Company's incentive and equity plans, including the 1999 Stock Incentive Plan, the 2000 Directors Stock Option Plan and the 2001 Nonstatutory Stock Option Plan.

The Company's policy in compensating its executive officers is intended to attract, motivate and retain these executives. Consistent with this policy, key executives are eligible to receive, in addition to their base salaries, stock option grants under the 1999 Stock Incentive Plan in amounts determined by the Board of Directors based on recommendations by the Compensation Committee. Stock options have value for these executives only if the price of the Company's stock increases above the fair market value on the grant date and the executive remains in the Company's employ for the period required for the

12

shares to vest. Additional incentive compensation is also considered by the Committee based on individual performance and the achievement of short term goals.

The base salary, incentive compensation and stock option grants of the executive officers are determined in part by the Committee reviewing data on prevailing compensation practices in technology companies with whom the Company competes for executive talent and by their evaluating such information in connection with the Company's corporate goals. To this end, the Committee attempts to compare the compensation of the Company's CEO and other executive officers with the compensation practices of comparable companies to determine

Edgar Filing: VIALTA INC - Form DEF 14A

base salary, target bonuses and target total cash compensation.

COMPENSATION OF EXECUTIVE OFFICERS

During the fiscal year that ended on December 31, 2001, the Company's executive compensation program was comprised of the following key components: base salary, annual bonus, and equity-based incentives.

Base Salary. The Company sets the base salaries of its executives at levels believed to be consistent with comparably sized companies engaged in similar industries.

Equity-Based Incentive Compensation. Stock options are an important component of the total compensation of executives. The Company believes that stock options align the interests of each executive with those of the stockholders. They also provide executives a significant, long-term interest in the Company's success and help retain key executives in a competitive market for executive talent. The Company's 1999 Equity Incentive Plan authorizes the Committee to grant stock options to executives. The number of shares owned by, or subject to options held by, each executive officer is periodically reviewed and additional awards are considered based upon past performance of the executive and the relative holdings of other executives in the Company. The option grants generally utilize four-year vesting periods to encourage executives to continue contributing to the Company, and they expire not later than ten years from the date of grant.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

The Company's CEO's compensation plan includes the same elements and performance measures as the plans of the Company's other executive officers. The Compensation Committee evaluates the performance of the Company's CEO, sets his base compensation and determines bonuses and awards stock or option grants, if any.

Mr. Chan's base salary for fiscal year 2001 was set at the same salary granted for the prior year. In determining his total compensation, the Compensation Committee considered his length of service with the Company, the Company's accomplishments during the prior year, future objectives and challenges for the Company, and Mr. Chan's individual performance and contributions to the Company. In making its compensation decisions with respect to Mr. Chan, the Compensation Committee exercised its discretion and judgment based on the above factors, and no specific formula was applied to determine the weight of each factor. The Compensation Committee believes that Mr. Chan has provided important leadership in the creation and development of the Company from its inception.

Mr. Pietri joined the Company in April of 2001 and the Company entered into a one year employment agreement with him. In determining the terms of his agreement, the Compensation Committee considered a number of factors and criteria including, Mr. Pietri's depth of experience, his past accomplishments with other companies, his vision and leadership abilities, and the future needs of the Company. In

making its compensation decisions with Mr. Pietri, the Compensation Committee also considered the need to retain Mr. Pietri and decided to award him a bonus at the end of one full year's service. Based on his successes to date, the Company decided to advance this bonus in January 2002. The Compensation

Edgar Filing: VIALTA INC - Form DEF 14A

Committee exercised its discretion and judgment based on the above factors, and no specific formula was applied to determine the weight of any factor.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

The Compensation Committee has considered the impact of Section 162(m) of the Code, which disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, unless such compensation meets the requirements for the "performance-based" exception to the general rule. Since the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million, the Compensation Committee believes that this section will not affect the tax deductions available to the Company. It will be the Compensation Committee's policy to qualify, to the extent reasonable, the executive officers' compensation for deductibility under applicable tax law.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Fred Chan, who was an officer of the Company during the fiscal year, participated in deliberations of the Company's Board of Directors concerning executive officer compensation.

CERTAIN RELATIONSHIPS AND CERTAIN TRANSACTIONS

Since April 20, 1999, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which the Company was or is to be a party in which the amount involved exceeds \$60,000 and in which any director, nominee for election as a director, executive officer, holder of more than 5% of the Company's Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest other than compensation arrangements, which are described under "Compensation of Directors" and "Executive Compensation" above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on its review of the copies of such forms furnished to the Company and written representations from the executive officers

and directors, the Company believes that all transactions required to be

Edgar Filing: VIALTA INC - Form DEF 14A

reported pursuant to Section 16(a) for the year ended December 31, 2001 were reported on a timely basis except that Mr. Fong was late in filing one report on Form 4 reflecting one transaction for the exercise of options to acquire shares of Class A Common Stock.

HOUSEHOLDING INFORMATION

Some banks, brokers and other nominees are participating in the practice of "householding" proxy statements and annual reports. This means that only one Proxy Statement and set of accompanying materials is being delivered to multiple security holders sharing an address. However, if we receive contrary instructions from one or more of the security holders, we will deliver, promptly upon written or oral request, a separate copy of the Proxy Statement and accompanying materials to a security holder at a shared address to which a single copy of the documents was delivered.
