Calculation of Filing Fee

	Amount of filing fee
Transaction valuation*	
\$18,418,643	\$ 2,168

This calculation is based upon 0.0001177 multiplied by transaction valuation shown above. For purposes of calculation of this fee only, this transaction valuation is based on the aggregate number of securities to which the transaction applies multiplied by the per unit price or other underlying value of the transaction. For purposes of calculating the aggregate number of securities only, this number is based on (i) 51,043,665 shares of Vialta common stock outstanding and owned by stockholders (other than Victory Acquisition Corporation); and (ii) outstanding vested stock options to purchase an aggregate of 2,146,167 shares of Vialta common stock which will be cashed out in the merger. For purposes of calculating the per unit price, this price is based on the fact that (i) each outstanding share of common stock owned by stockholders (other than Victory Acquisition Corporation) will be converted into the right to receive \$0.36 in cash, without interest, and (ii) each outstanding vested stock option to purchase shares of Vialta common stock (other than options to purchase shares of Vialta common stock held by Victory Acquisition Corporation, its officers, its directors and its stockholders) will be converted into the right to receive a cash payment equal to (a) the excess of \$0.36 over the per share exercise price for the shares of common stock subject to such stock option, multiplied by (b) the number of shares of common stock underlying each such stock option.

✓ Check the box if any part of the fee is offset as provided by §240.0-11(a)(2) and identify the filing with which the offsetting fee was previously paid. Identify the previous filing by registration statement number, or the Form or Schedule and the date of its filing.

Amount Previously Paid: **\$2,168**

Date Filed: May 19, 2005

Neither the Securities and Exchange Commission nor any state securities commission has: approved or disapproved of the merger agreement or the proposed merger; passed upon the merits or fairness of the proposed merger; or passed upon the adequacy or accuracy of the disclosure contained in the accompanying proxy statement.
