Important Information for Shareholders

The following updates and supplements certain information contained in the proxy statement (“Proxy Statement”) furnished to the shareholders of Fiduciary/Claymore MLP Opportunity Fund (“FMO” or the “Fund”) in connection with the solicitation by the Board of Trustees (the “Board”) of the Fund of proxies to be voted at the annual meeting of shareholders of the Fund to be held on Thursday, April 3, 2014, and any adjournment, postponement or delay thereof (the “Annual Meeting”).

The following chart restates the information with respect to FMO set forth on Annex A to the Proxy Statement. Certain Audit Fees related to the preparation of consents and comfort letters by FMO’s independent registered public accounting firm were incorrectly classified as Non-Audit Fees—Other on Annex A.

FMO Audit and Other Fees

Fiscal Year Ended	Non-Audit Fees				Total	
	Audit Fees	Audit Related	Tax	Other	Non-Audit	Total
11/30/2013	\$85,000	\$0	\$39,000	\$71,000	\$110,000	\$195,000
11/30/2012	\$83,100	\$0	\$12,000	\$25,700	\$37,700	\$120,800

For the Fiscal Year ended November 30, 2013, Non-Audit Fees—Other relate to services provided by FMO’s independent registered public accounting firm in connection with an analysis of FMO’s proper state of domicile and assumptions regarding state tax rates to which FMO will be subject. These special non-routine services and corresponding fees are not expected to recur in future fiscal years. Aggregate fees billed for these services by FMO’s independent registered public accounting firm were \$71,000 for the fiscal year ended November 30, 2013. Total Non-Audit Fees, less such fees billed in connection with the non-routine services described above, would have been \$39,000 for the fiscal year ended November 30, 2013.

For the Fiscal Year ended November 30, 2012, Non-Audit Fees—Other relate to services provided by FMO’s independent registered public accounting firm in connection with an audit of FMO by a state tax agency.
