PROXY STATEMENT

The accompanying proxy is solicited by the Board of Trustees of the Fund for use at the annual meeting of shareholders of the Fund, to be held on May 6, 2014 at 2:30 p.m., Central time (the "Annual Meeting"), and at any adjournment(s) or postponement(s) thereof. At the Annual Meeting, shareholders will be asked to consider the re-election of Michael Larson to the Board of Trustees of the Fund. This Proxy Statement and the accompanying form of proxy were first mailed to shareholders on or about April 3, 2014.

The Board of Trustees has fixed the close of business on March 21, 2014 as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment(s) or postponement(s) thereof. As of the close of business on that date, the Fund had issued and outstanding 61,184,134 common shares of beneficial interest, no par value (the "Shares"). The Shares constitute the only outstanding voting securities of the Fund entitled to be voted at the Annual Meeting.

Shareholders of the Fund as of the close of business on March 21, 2014 will be entitled to one vote for each Share held, and a fractional vote with respect to fractional Shares, with no cumulative voting rights.

Thirty percent (30%) of the total Shares of the Fund entitled to vote at the Annual Meeting must be represented in person or by proxy to constitute a quorum for the Annual Meeting. Each shareholder has the right to revoke his or her proxy at any time before it is voted. A proxy, including a proxy given by telephone or via the Internet, may be revoked by filing with the Secretary of the Fund a written revocation or a properly executed proxy bearing a later date (including a proxy given by telephone or via the Internet) or by voting in person at the Annual Meeting. Any shareholder may attend the Annual Meeting, whether or not he or she has previously given a proxy.

The solicitation of proxies for the Annual Meeting will be made primarily by mail. However, if necessary to ensure satisfactory representation at the Annual Meeting, additional solicitation may take place in writing or by telephone or personal interview by officers of the Fund (or their designees), who will not receive compensation from the Fund for such services. The Fund will reimburse brokers and other nominees, in accordance with New York Stock Exchange approved reimbursement rates, for their expenses in forwarding solicitation material to the beneficial owners of shares of the Fund. All expenses incurred in connection with the solicitation of proxies by the Board of Trustees will be borne by the Fund.

Abstentions and “broker non-votes” (i.e., proxies signed and returned by brokers with respect to shares held by brokers or nominees as to which one or more votes is not indicated because (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) will be counted as shares present for purposes of determining whether a quorum is present, but will not be counted as having been voted on the matter in question. Assuming that a quorum would otherwise be present, abstentions and broker non-votes will accordingly have no effect for the purpose of determining whether a Trustee has been elected.

Kenneth D. Fuller, Amy J. Lee and Mark E. Mathiasen, the persons named as proxies on the proxy card accompanying this Proxy Statement, were selected by the Board of Trustees to serve in such capacity. Mr. Fuller and Mr. Mathiasen are each officers of the Fund, and Mr. Fuller is also a Trustee of the Fund. Each executed and returned proxy will be voted in accordance with the directions indicated thereon or, if no direction is indicated, such proxy will be voted for the election as a Trustee of the Fund, the nominee listed in this Proxy Statement. Discretionary authority is provided in the proxy as to any matters not specifically referred to therein. The Board of Trustees is not aware of any other matters which are likely to be brought before the Annual Meeting. However, if any such matters properly come before the Annual Meeting, the persons named in the proxy are fully authorized to vote thereon in accordance with their judgment and discretion. Except when a different vote is required by any provision of law or the Fund’s Amended and Restated Agreement and Declaration of Trust (the “Declaration of Trust”) or Bylaws, a plurality of the quorum of Shares necessary for the transaction of business at the Annual Meeting will decide any questions and a plurality of Shares voted shall elect a Trustee.

HOW TO SUBMIT A PROXY

By Telephone. Submit a proxy by calling the toll-free telephone number printed on the proxy card. The proxy card should be in hand when making the call. PROPOSAL

ELECTION OF ONE CLASS I TRUSTEES

In accordance with the Declaration of Trust, the Trustees were divided into the following three classes (each a “Class”) prior to the initial public offering of the Shares: Class I, whose term will expire at the Fund’s Annual Meeting; Class II, whose term will expire at the Fund’s 2015 annual meeting of shareholders; and Class III, whose term will expire at the Fund’s 2016 annual meeting of shareholders. At each annual meeting, successors to the Class of Trustees whose term expires at that annual meeting will be elected for a three-year term.

The following table sets forth the nominee who will stand for re-election at the Annual Meeting, the Class of Trustees to which he has been designated and the expiration of his term if elected:

NOMINEE	CLASS	EXPIRATION OF TERM IF ELECTED*
Michael Larson	Class I	2017 Annual Meeting

*Each Trustee holds office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

Under the Fund’s classified Board structure, ordinarily only the Trustee(s) in a single Class may be replaced in any one year, and it would require a minimum of two years to change a majority of the Board of the Fund under normal circumstances. This structure, which may be regarded as an “anti-takeover” measure, may make it more difficult for the Fund’s shareholders to change the majority of Trustees of the Fund and, thus, promotes the continuity of management.

It is the intention of the persons designated as proxies in the proxy card, unless otherwise directed therein, to vote at the Annual Meeting for the re-election of Mr. Larson. The nominee has agreed to continue to serve if elected at the Annual Meeting. If the nominee is unable or unavailable to serve, the persons named in the proxies will vote the proxies for such other person as the Board of Trustees may recommend.

Information Regarding the Trustees. Information about the Trustees and the nominees, including their ages as of March 1, 2014, is set forth below. The address of each Trustee and the nominee is c/o the Fund at its principal business address (385 East Colorado Boulevard, Pasadena, California 91101). Additional Information Concerning the Board of Trustees and Nominee

The Board believes that each Trustee’s experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that the Board possesses the requisite skills and attributes. The Board believes that the Trustees’ ability to review critically evaluate, question and discuss information provided to them, to interact effectively with the Investment Adviser, Investment Managers, other service providers, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board also has considered the following experience, qualifications, attributes and/or skills, among others, of its members in reaching its conclusion: his or her character and integrity; such person’s length of service as a Board member of the Fund; such person’s willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee; as to each Trustee other than Mr. Fuller, his status as not being an “interested person” (as defined in the 1940 Act) of the Fund; and, as to Mr. Fuller, his status as a representative of Legg Mason, Inc., the parent company of Western Asset. In addition, the following specific experience, qualifications, attributes and/or skills apply as to each Trustee or Nominee:

Mr. Larson: Portfolio management expertise and experience, including his current position as Chief Investment Officer for William H. Gates III, with responsibility for all of Mr. Gates’s non-Microsoft investments and all of the investments of the Bill & Melinda Gates Foundation Trust; prior significant experience overseeing fixed income investment strategies and making fixed income investment decisions at various investment management companies, including Harris Investment Management, Putnam Management Company and ARCO Investment Management Company; and experience as a board member of various businesses and other organizations.

Mr. Nyberg: Business and legal expertise and experience, including significant experience with the regulatory requirements and other legal matters applicable to the investment management industry and closed-end funds such as the Fund as General Counsel for Van Kampen Investments; experience as a senior partner of a law firm; and experience serving on the boards of investment companies within the Guggenheim Advisors fund complex.

Mr. Toupin: Portfolio management expertise and experience, including significant experience overseeing fixed income investment strategies and making fixed income investment decisions for investment companies within the Nuveen Investments fund complex, and experience serving on the boards of investment companies within the Guggenheim Advisors fund complex.

Mr. Fuller: Investment management experience as an executive and portfolio manager and leadership roles within Legg Mason, Inc. and affiliated entities, and experience serving on the boards of various investment companies.

References to the qualifications, attributes and skills of Trustees above are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Trustee as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

The Board has determined that its leadership structure is appropriate given the business and nature of the Fund. In connection with its determination, the Board considered that the Chairperson of the Board is an Independent Trustee. The Chairperson of the Board can play an important role in setting the agenda of the Board and also serves as a key point person for dealings between management and the other Independent Trustees. The Independent Trustees believe that the Chairperson's independence facilitates meaningful dialogue between Fund management and the Independent Trustees. The Board also considered that the chairperson of each Board committee is an Independent Trustee, which yields similar benefits with respect to the functions and activities of the various Board committees (e.g., each committee's Chairperson works with the Investment Adviser, the Investment Managers and other service providers to set agendas for the meetings of the applicable Board committees). Through the committees, the Independent Trustees consider and address important matters involving the Fund, including those presenting conflicts or potential conflicts of interest for management. The Independent Trustees also regularly meet outside the presence of management and are advised by independent legal counsel. The Board has determined that its committees help ensure that the Fund has effective and independent governance and oversight. The Board also believes that its leadership structure facilitates the orderly and efficient flow of information to the Independent Trustees from management, including the Investment Adviser and the Investment Managers. The Board also noted that 75% of its members are Independent Trustees. The Board reviews its structure on an annual basis.

As an integral part of its responsibility for oversight of the Fund in the interests of shareholders, the Board oversees risk management of the Fund's investment programs and business affairs. The function of the Board with respect to risk management is one of oversight, not active involvement in, or coordination of, day-to-day risk management activities for the Fund. The Board has emphasized to the Investment Adviser and the Investment Managers the importance of maintaining vigorous risk management. The Board exercises oversight of the risk management process primarily through the Audit Committee and through oversight by the Board itself.

The Fund faces a number of risks, such as investment risk, counterparty risk, valuation risk, reputational risk, risk of operational failure or lack of business continuity, and legal, compliance and regulatory risk. Risk management seeks to

identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, shareholder services, investment performance or reputation of the Fund. Under the overall supervision of the Board or the applicable Committee, the Fund, the Investment Adviser, the Investment Managers, the affiliates of the Investment Adviser and Investment Managers, and other service providers to the Fund employ a variety of processes, procedures and controls to identify various of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Different processes, procedures and controls are employed with respect to different types of risks. Various personnel, including the Fund's and Western Asset's chief compliance officer ("CCO") and Western Asset's chief risk officer, as well as various personnel of the Investment Adviser and the Investment Managers and other service providers such as the Fund's independent accountants, report to the Audit Committee and/or to the Board from time to time with respect to various aspects of risk management, as well as events and circumstances that have arisen and responses thereto. These reports and other similar reports received by the Trustees as to risk management matters are typically summaries of the relevant information. The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness.

Audit Committee. The Board of Trustees has established an Audit Committee composed solely of Trustees who are not "interested persons" (as defined in the 1940 Act) of the Fund, the Investment Adviser or the Investment Managers, consisting of Messrs. Larson, Nyberg and Toupin (Chairperson). Each member of the Audit Committee is "independent," as independence for audit committee members is defined in the currently applicable listing standards of the New York Stock Exchange, on which the Shares of the Fund are listed and traded. The Audit Committee provides oversight with respect to the accounting and financial reporting policies and procedures of the Fund and, among other things, considers the selection of the independent registered public accounting firm for the Fund and the scope of the audit and approves services proposed to be performed by the independent registered public accounting firm on behalf of the Fund and, under certain circumstances, the Investment Adviser, the Investment Managers and certain of their affiliates. The Trustees have adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A to the Fund's Proxy Statement dated April 30, 2013. The charter is not currently made available on the Fund's website.

The Audit Committee of the Fund has submitted the following report:

The Audit Committee has reviewed and discussed with management of the Fund the audited financial statements for the Fund's last fiscal year. The Audit Committee has discussed with the Fund's independent

registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114 (“SAS No. 114,” which supersedes SAS No. 61). SAS No. 114 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the independent registered public accounting firm’s conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles and certain other matters. The Audit Committee has received the written disclosures and the letter from the Fund’s independent registered public accounting firm required by Public Company Accounting Oversight Board Rule 3526 (requiring the independent registered public accounting firm to make written disclosures to and discuss with the Audit Committee various matters relating to the independent registered public accounting firm’s independence), and has discussed with such independent registered public accounting firm the independence of such independent registered public accounting firm. Based on the foregoing review and discussions, the Audit Committee recommended to the Trustees the inclusion of the Fund’s audited financial statements for the last fiscal year in the Fund’s annual report to shareholders.

Governance and Nominating Committee. The Board of Trustees has established a Governance and Nominating Committee composed solely of Trustees who are not “interested persons” (as defined in the 1940 Act) of the Fund, the Investment Adviser or the Investment Managers, consisting of Messrs. Larson, Nyberg (Chairperson) and Toupin. The Governance and Nominating Committee meets to select nominees for election as Trustees of the Fund and consider other matters of Board policy. The Trustees have adopted a written charter for the Governance and Nominating Committee, a copy of which is attached hereto as Appendix A. The charter is not currently made available on the Fund’s website.

The Governance and Nominating Committee requires that Trustee candidates have a college degree or equivalent business experience, but has not otherwise established specific minimum qualifications that must be met by an individual to be considered by the Committee for nomination as a Trustee. The Governance and Nominating Committee may take into account a wide variety of factors in considering Trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities to the Board of Trustees, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate’s ability, judgment and expertise and (vi) overall diversity of the Board’s composition.

Although the Governance and Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying Trustee nominees, as a matter of practice the Committee typically considers the overall diversity of the Board's composition when identifying nominees. Specifically, the Governance and Nominating Committee considers the diversity of skill sets desired among the Board members in light of the Fund's characteristics and circumstances and how those skill sets might complement each other. The Governance and Nominating Committee also takes into account the personal background of current and prospective Board members in considering the composition of the Board. In addition, as part of its annual self-evaluation, the Trustees have an opportunity to consider the diversity of the Board, both in terms of skill sets and personal background, and any observations made by the Board during the self-evaluation inform the Governance and Nominating Committee in its decision making process.

The Governance and Nominating Committee may consider candidates for Trustee recommended by the Fund's current Trustees, officers, Investment Adviser, Investment Managers, shareholders or any other source deemed to be appropriate by the Governance and Nominating Committee. Candidates properly submitted by shareholders (as described below) will be considered and evaluated on the same basis as candidates recommended by other sources.

The policy of the Governance and Nominating Committee is to consider nominees recommended by shareholders to serve as Trustee, provided that any such recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund, not less than one hundred and twenty calendar days nor more than one hundred and thirty-five calendar days prior to the date of the meeting at which the nominee would be elected and that such shareholder recommendation contains the information about such nominee required by the Fund's procedures for shareholders to submit nominee candidates, which are a part of the Governance and Nominating Committee's Charter. The Governance and Nominating Committee has full discretion to reject nominees recommended by shareholders, and there is no assurance that any such person so recommended and considered by the Governance and Nominating Committee will be nominated for election to the Fund's Board of Trustees.

Meetings. During 2013, the Board of Trustees held four meetings, the Audit Committee held three meetings and the Governance and Nominating Committee held three meetings. Each Trustee attended at least 75% of the aggregate of the total number of meetings of the Board of Trustees and the Committees of the Board of Trustees on which he served. The Fund's policies require the Trustees to attend the Fund's annual shareholder meetings. Each current Trustee attended the Fund's annual shareholder meeting in April 2013.

Shareholder Communications. The Board of Trustees provides a process for shareholders to send communications to the Board of Trustees. Shareholders may mail written communications to the attention of the Board of Trustees, care of

the Fund's Secretary, at the Fund's Investment Adviser, Guggenheim Funds Investment Advisors, LLC, 227 West Monroe Street, Chicago, Illinois 60606. The written communication must include the shareholder's name, be signed by the shareholder, refer to the Fund, and include the class and number of shares held by the shareholder as of a recent date. The Secretary is responsible for determining, in consultation with other officers of the Fund, counsel, and other advisers as appropriate, which stockholder communications will be relayed to the Board.

Trustee Holdings. The following table states the dollar range of equity securities beneficially owned as of December 31, 2013 by each Trustee and nominee in the Fund and, on an aggregate basis, in any registered investment companies overseen or to be overseen by the Trustee or nominee in the same "family of investment companies."

Each Independent Trustee of the Fund receives a fee of \$20,000 annually for serving as a Trustee of the Fund, and a fee of \$1,500 and related expenses for each meeting of the Board of Trustees attended. The Chairperson of the Board of Trustees receives an additional \$5,000 per year for serving in that capacity. The Audit Committee Chairperson and the Governance and Nominating Committee Chairperson each receive an additional \$3,000 annually for serving in their respective capacities. Members of the Audit Committee and the Governance and Nominating Committee receive \$500 for each committee meeting attended.

For the fiscal year ended December 31, 2013, the Trustees received the compensation set forth in the following table for serving as Trustees of the Fund and as Trustees of the other funds in the same "Fund Complex."

Kenneth D. Fuller	\$0	\$0	\$0	\$0

(1) Represents aggregate compensation paid to each Trustee during the fiscal year ended December 31, 2013 for serving as Trustees to the Fund and other funds in the Fund Complex. Messrs. Larson, Nyberg, Toupin and Fuller serve as Trustees to 2, 52, 49 and 158 funds in the Fund Complex, respectively.

During 2013, the Fund paid no remuneration to its officers, all of whom were also officers or employees of the Investment Adviser, an Investment Manager, Guggenheim Distributors or their respective affiliates.

Required Vote. A plurality of the Shares voted at the Annual Meeting with respect to a particular Class of Trustees is required to elect a Trustee nominee as a member of that Class of Trustees. Thus, with respect to Class I, the Trustee nominees who receive the greatest number of votes properly cast with respect to each Class I Trustee will be elected as a Class I Trustee. The Trustees unanimously recommend that shareholders vote to elect Mr. Larson to the Board of Trustees, as a Class I Trustee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(h) of the 1940 Act and Section 16(a) of the Exchange Act require the Fund’s officers and Trustees, the Investment Adviser, the Investment Managers, certain affiliates of the Investment Adviser and Investment Managers, and persons who beneficially own more than ten percent of a registered class of the Fund’s equity securities, among others, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (“SEC”) and the New York Stock Exchange. These persons are required by SEC regulation to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Fund believes that, during 2013, all such filing requirements were met with respect to the Fund.

ANNUAL REPORT TO SHAREHOLDERS

The Fund’s Annual Report to Shareholders for the fiscal year ended December 31, 2013 contains financial and other information pertaining to the Fund. The Fund will furnish without charge to each person whose proxy is being solicited, upon request of such person, a copy of the Annual Report to Shareholders. Requests for copies of the Annual Report to Shareholders should be directed to Western Asset/Claymore Inflation-Linked Opportunities &

Income Fund, c/o Guggenheim Funds Investment Advisors, LLC, 227 West Monroe Street, Chicago, Illinois 60606 or you may call 1-866-486-2228.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Trustees has selected PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Fund for the fiscal year ending December 31, 2013, and the Board of Trustees, including a majority of the Trustees who are not “interested persons” (as defined in the 1940 Act) of the Fund, has unanimously ratified such selection. PricewaterhouseCoopers LLP’s service is subject to termination by the vote of a majority of the outstanding Shares of the Fund. Representatives of PricewaterhouseCoopers LLP are not currently expected to attend the Annual Meeting.

The following table presents fees billed in each of the Fund’s last two fiscal years for services rendered to the Fund by PricewaterhouseCoopers LLP:

Fiscal year ended	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
December 31, 2012	\$27,563	\$0	\$4,250	\$0
December 31, 2013	\$41,738	\$0	\$4,335	\$0

“Audit Fees” represents fees billed for each of the last two fiscal years for professional services rendered for the audit of the Fund’s financial statements for those fiscal years and services that are normally provided by the accountant in connection with statutory or regulatory filings or engagements for that fiscal year.

“Audit Related Fees” represents fees billed for each of the last two fiscal years for assurance and related services reasonably related to the performance of the audit of the Fund’s annual financial statements for those years.

“Tax Fees” represents fees billed for each of the last two fiscal years for professional services related to tax compliance, tax advice and tax planning, including preparation of federal and state income tax returns and preparation of excise tax returns.

“All Other Fees” represents fees, if any, billed for other products and services rendered by PricewaterhouseCoopers LLP to the Fund for the last two fiscal years.

For the Fund’s fiscal years ended December 31, 2012 and December 31, 2013, PricewaterhouseCoopers LLP billed aggregate non-audit fees in the amounts of \$0 and \$0, respectively, to the Fund, the Investment Adviser and any entity controlling, controlled by or under common control with the Investment Adviser that provides ongoing services to the Fund.

Pre-Approval Policies of the Audit Committee. The Audit Committee has determined that all work performed for the Fund by PricewaterhouseCoopers LLP will be pre-approved by the full Audit Committee and, therefore, has not adopted pre-approval procedures. Since the Fund’s inception in October 2003, all audit and non-audit services performed by PricewaterhouseCoopers LLP for the Fund, and all non-audit services performed by PricewaterhouseCoopers LLP for the Investment

Adviser and any entity controlling, controlled by or under common control with the Investment Adviser that provides ongoing services to the Fund (a "Service Affiliate"), to the extent that such services related directly to the operations and financial reporting of the Fund, have been pre-approved by the Audit Committee. No "Audit-Related Fees," "Tax Fees" and "Other Fees" set forth in the table above were waived pursuant to paragraph (c)(7)(i)(c) of Rule 2-01 of Regulation S-X.

No amounts were billed to the Investment Adviser or any Service Affiliates by PricewaterhouseCoopers LLP for non-audit services that required pre-approval by the Fund's Audit Committee pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during either of the Fund's last two fiscal years. PricewaterhouseCoopers LLP did not bill any "Tax Fees" or "All Other Fees" that required pre-approval by the Audit Committee pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X during the Fund's fiscal years ended December 31, 2012 and December 31, 2013.

The Audit Committee has considered whether the provision of the non-audit services rendered by PricewaterhouseCoopers LLP to the Investment Adviser and any Service Affiliate that were not required to be pre-approved by the Audit Committee pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

ADJOURNMENT

In the absence of a quorum at the Annual Meeting, or (even if a quorum is present) if sufficient votes in favor of a proposal set forth in the Notice of Annual Meeting are not received by the time scheduled for the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting after the date set for the original Annual Meeting, with no other notice than announcement at the Annual Meeting, to permit further solicitation of proxies with respect to such proposal. In addition, if, in the judgment of the persons named as proxies, it is advisable to defer action on a proposal, the persons named as proxies may propose one or more adjournments of the Annual Meeting with respect to such proposal for a reasonable time. Any adjournment(s) with respect to a proposal will require the affirmative vote of a plurality of the Shares of the Fund entitled to vote thereon present in person or represented by proxy at the session of the Annual Meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal in question. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any additional solicitation and of any adjourned session will be borne by the Fund. Any proposals for which sufficient favorable votes have been received by the time of the Annual Meeting may be acted upon and, if so, such action will be final regardless of whether the Annual Meeting is adjourned to permit additional solicitation with respect to any other proposal.

OTHER BUSINESS

The Fund is not aware of any other matters to be presented for action at the Annual Meeting. However, if any such other matters are properly presented, it is the intention of the persons designated in the enclosed proxy to vote in accordance with their best judgment.
