INTRODUCTION

The Board of Directors of LSI Industries Inc. is requesting your proxy for the Annual Meeting of Shareholders on November 18, 2004, and at any postponement or adjournment of such meeting. This Proxy Statement and the accompanying proxy card were first mailed on September 30, 2004 to shareholders of record as of September 17, 2004.

VOTING AT ANNUAL MEETING

General Information

In order to carry on the business of the meeting, we must have a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting either by proxy or in person. Shareholders may vote in person or by proxy at the Annual Meeting. Proxies given may be revoked at any time by filing with the Company (to the attention of Ronald S. Stowell) either a written revocation or a duly executed proxy bearing a later date, or by appearing at the Annual Meeting and voting in person. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change your vote. All shares will be voted as specified on each properly executed proxy card. If no choice is specified, the shares will be voted as recommended by the Board of Directors, namely FOR Proposal 1 to elect the three persons nominated as Class B directors by the Board of Directors, FOR Proposal 2 (Ratification of Appointment of Independent Registered Public Accounting Firm), and FOR Proposal 3 (Amendment of the Code of Regulations). If any other matters come before the meeting or any postponement or adjournment, each proxy will be voted in the discretion of the individuals named as proxies on the proxy card.

As of September 17, 2004, the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting, LSI Industries had 19,776,396 Common Shares outstanding. Each share is entitled to one vote. Only shareholders of record at the close of business on September 17, 2004, will be entitled to vote at the Annual Meeting. Abstentions and shares otherwise not voted for any reason, including broker non-votes, will have no effect on the outcome of any vote taken at the Annual Meeting.

In order for a notice to be deemed adequate for the 2005 Annual Shareholders Meeting, it must be received prior to August 12, 2005. Proposal 1. Election of Directors

The Company's Code of Regulations provides that the Board of Directors be composed of two classes of directors, with each class elected for a two-year term. One class is elected annually. The terms of the Class A directors expire at the 2005 Annual Meeting of Shareholders while the terms of the Class B directors expire at the 2004 Annual Meeting of Shareholders.

The Nominating and Corporate Governance Committee of the Board has nominated for reelection three present Class B directors, namely, Wilfred T. O'Gara, Mark A. Serrienne and James P. Sferra. Proxies solicited by the Board will be voted for the election of these three nominees.

All Class B directors elected at the Annual Meeting will be elected to hold office for two years and until their successors are elected and qualified. However, if Proposal 3 relating to the Amendment of Regulations to Remove Classified Board is approved at the 2004 Annual Meeting, the classified Board will be eliminated and the term of office for each director elected at the 2004 Annual Meeting will be one year.

Edgar Filing: LSI INDUSTRIES INC - Form DEF 14A

In voting to elect directors, shareholders are entitled to one vote for each share held of record. Shareholders are not entitled to cumulate their votes in the election of directors.

Should any of the nominees become unable to serve, proxies will be voted for any substitute nominee designated by the Board. The three nominees receiving the highest number of votes cast will be elected.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR each of the Class B directors nominated in this Proxy Statement. Nominees receiving the highest number of votes will be elected.

Proposal 2. Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors appointed Grant Thornton LLP as the Company's independent certified public accountants for fiscal 2002. Grant Thornton LLP has been the independent certified public accounting firm for the Company since April 2002. Although not required by law, the Board is seeking shareholder ratification of its selection. If ratification is not obtained, the Audit Committee intends to continue the employment of Grant Thornton LLP at least through fiscal 2005.

Representatives of Grant Thornton LLP are expected to be present at the Shareholders' Meeting and will be given an opportunity to make a statement, if they so desire, and to respond to appropriate questions that may be asked by shareholders.

-3-

Audit Fees

The Company expensed the following fees from Grant Thornton LLP in the fiscal years ended June 30, 2003 and 2004:

	<u>2003</u>	<u>2004</u>
Audit fees	\$111,962	\$161,562
Audit-related fees	36,214	46,551
Tax fees	35,898	41,665
All other fees	--	--
Total fees	<u>\$184,074</u>	<u>\$249,779</u>

Audit fees represent fees and out-of-pocket expenses related to the fiscal 2004 audit of the Company's financial statements, review and documentation of the Company's system of internal controls, filing of the Form 10-K, services related to review of the Company's quarterly financial statements and Form 10-Q's, and attendance at the Company's quarterly Audit Committee meetings. Audit-related fees represent fees for consultation related to accounting and regulatory filing matters, and to audits of the Company's two qualified retirement plans. Tax fees relate to services and out-of-pocket expenses related to tax compliance (or filing of the Company's various income and franchise tax returns), tax planning, and tax advice. All other fees represent fees related to services and consultation related to various planning matters.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR Proposal 2. The affirmative vote of a majority of Common Shares voting at the Annual Meeting is required for approval of this proposal.

Proposal 3. Amendment of Regulations to Remove Classified Board

The Board of Directors is asking shareholders to repeal Article III, Section 2(b) of the Company's Code of Regulations. That section provides that the Board of Directors be classified into two classes with the number of directors in each class elected to hold office for a two-year term. If shareholders approve this proposal, the classified Board of Directors will be eliminated and the current term of office of each director, including those elected at this 2004 Annual Meeting, will end at the 2005 Annual Meeting of Shareholders. Directors would thereafter be elected for one year terms at each Annual Meeting of Shareholders beginning at the 2005 Annual Meeting of Shareholders.

Edgar Filing: LSI INDUSTRIES INC - Form DEF 14A

The Board believes that shareholders should have an opportunity to vote on all directors every year and that this will be an effective way to maintain and enhance the accountability of the directors to the shareholders. Approval of this proposal will replace Article III, Section 2(b) with a new section, which is attached as Annex A, and will also repeal those portions of Article X of the Code of Regulations which specify the vote required to adopt an amendment relating to the classification of directors.

-4-

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR Proposal 3. The affirmative vote of the holders of over two-thirds of the outstanding Common Shares is required to approve this proposal.

Other Matters

Approval of any other matters considered at the Annual Meeting, including adjournment, will require the affirmative vote of a majority of Common Shares voting at the meeting.

Committee members received \$3,000 or \$1,500, respectively, for serving as Chairman or a member of the Audit Committee, \$1,500 or \$750, respectively, for serving as Chairman or a member of either the Compensation or Nominating Committee, plus either \$500 or \$750 per committee meeting. Gary Kreider serves as Board Secretary. Mr. Kreider receives no fees for this service except that he receives committee meeting fees for serving as Board secretary for committees of which he is not a member. Directors who are employees of the Company do not receive any compensation for serving as a Director. Non-employee directors received an annual grant of an option to purchase 1,500 Common Shares at the market price at the time of grant. Mr. Serrienne received a grant of an option to purchase 1,500 Common Shares at the market price at the time of grant, the day he was appointed a director. These options are exercisable at the time of grant and have a ten year term.

At its meeting on April 27, 2004, the Board reviewed, approved and adopted the LSI Industries Inc. Code of Ethics. There have been no amendments to the Code of Ethics nor any waivers granted to employees, managers or executive officers. The Company's Code of Ethics is available as Exhibit 14 to the Form 10-K filed for the year ended June 30, 2004.

The Directors have organized themselves into the committees described below to help carry out Board responsibilities. In particular, Board committees work on key issues in greater detail than would be possible at full Board meetings. Each committee reviews the results of its meetings with the full Board.

Each of the following committees, except for the Executive Committee, is composed of nonemployee directors each of whom meets the relevant independence requirements established by Nasdaq and the Sarbanes-Oxley Act that apply to their particular assignments.

The Executive Committee

The Executive Committee, composed of Messrs. Ready (Chairman), and Sferra, is responsible, during the intervals between meetings of the Board of Directors, for exercising all the powers of the Board of Directors in the management and control and the business of the Company to the extent permitted by law. The Executive Committee did not meet during fiscal 2004.

The Audit Committee

The Audit Committee is governed by an Audit Committee Charter adopted by the Board of Directors. The Charter, revised as of August 11, 2004, is attached to this proxy statement as Annex B. The Audit Committee is composed of Messrs. O Gara (Chairman), Kreider (until his August 2004 resignation from this Committee), Meyer, and Serrienne (who was appointed to the Committee in August 2004). Wilfred T. O Gara has been designated as the Audit Committee financial expert by the Board of Directors. The Audit Committee met five times in fiscal 2004.

The Audit Committee is solely responsible for the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm, our auditors. The Audit Committee also evaluates information received from both the outside auditor and management to determine whether the auditor is independent of management. The independent registered public accounting firm reports directly to the Audit Committee.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the following:

1. The financial reports and other financial information provided by the Company to any governmental body or the public,
2. The Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, and
3. The Company's auditing, accounting and financial reporting processes generally.

The Audit Committee has established procedures for the receipt, retention and treatment of any complaints concerning accounting, internal accounting controls or auditing matters and will establish procedures for the confidential and anonymous submission by employees of any concerns they may have regarding questionable accounting or auditing matters.

The Audit Committee approves all audit and non-audit services performed for the Company by its independent registered public accounting firm prior to the time that those services are commenced. The Chairman also has the authority to approve these services between regularly scheduled meetings. In this event, the Chairman reports approvals made by him to the full Committee at each of its meetings. For these purposes, the Committee, or its Chairman, is provided with information as to the nature, extent and purpose of each proposed service, as well as the approximate timeframe and proposed cost arrangements for that service.

The Company adheres to a policy that limits the scope of consulting services that may be provided by the independent registered public accounting firm that performs the annual audit. This policy draws a distinction between audit, audit related and nonaudit services, and prohibits the independent registered public accounting firm from performing certain nonaudit services. The Company will not use its independent registered public accounting firm to perform certain nonaudit related services such as nonfinancial or management consulting services, business strategy consulting, information technology consulting, internal audit, price allocation appraisals and fairness opinions. Audit related services that will be permitted include: retirement plan and 401(k) audits, securities registration and reporting, tax compliance and planning, advice on the application of accounting policies, guidance on acquisition accounting and assistance with due diligence audits.

-11-

During the year, the Committee has discussed with both Grant Thornton LLP and management the Company's actions to establish, document, test and evaluate controls and procedures pursuant to new requirements of the Sarbanes-Oxley Act.

The Audit Committee receives and approves Engagement Letters from the Company's independent registered public accounting firm for the major components of their services rendered, such as the year end audit, audit of the Company's Retirement Plan, tax compliance work, etc. All other services are approved in advance on a project-by-project basis by the Audit Committee, acting through its Chairman, and are subsequently additionally approved by the Audit Committee following its quarterly detailed review and discussion of fees from the Company's independent

registered public accounting firm.

The Audit Committee has advised the Company it has determined that the non-audit services rendered by Grant Thornton LLP during fiscal year 2004 are compatible with maintaining the independence of Grant Thornton LLP as auditors during fiscal year 2004.

Report of the Audit Committee

Following the audit of the Company's year-end financial statements, the Audit Committee reviewed with Grant Thornton LLP, the independent registered public accounting firm who is responsible for expressing an audit opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States, including Statement of Auditing Standards No. 61 (SAS 61 - Communications with Audit Committee). SAS 61 requires Grant Thornton LLP to provide the Committee with additional information regarding the scope and results of their audit of the Company's financial statements with respect to (i) their responsibility under auditing standards generally accepted in the United States, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management and (vi) any difficulties encountered in performing the audit. The Committee discussed with Grant Thornton the overall scope and plan for their audit.

Grant Thornton LLP also provided a letter containing the disclosures required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) with respect to relationships between Grant Thornton LLP and either the Company or management that in its professional judgment may reasonably be thought to bear on independence. This letter from Grant Thornton LLP confirms that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws and the requirements of the Independence Standards Board. The Audit Committee has advised Company management that it has determined that the services rendered by Grant Thornton LLP during fiscal year 2004 are compatible with maintaining their independence as the Company's auditors.

The Audit Committee reviewed and discussed with management the audited financial statements for the year ended June 30, 2004. In reliance on the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended June 30, 2004 for filing with the Securities and Exchange Commission.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee, composed of Messrs. O'Gara (Chairman), Meyer, Kreider and Serrienne, is responsible for nominating persons for election as directors at each annual shareholders' meeting and to fill any Board vacancies that may arise between meetings. The Nominating and Corporate Governance Committee will consider nominees recommended by security holders in written correspondence directed to the Secretary of the Company. The Nominating and Corporate Governance Committee did not meet during fiscal year 2004. However, at its July 27, 2004 meeting, the Committee nominated Mark Serrienne to LSI's Board at the recommendation of the Committee's Chairman. The Committee also met on August 12, 2004 and it nominated this year's slate of directors. The Nominating and Governance Committee did not seek, nor did it receive the recommendation of any of the director candidates named in this proxy statement from any shareholder, non-management director, executive officer or third-party search firm in connection with its own approval of such candidates. The Company has not paid any fee to a third party to assist it in identifying or evaluating nominees. Although a copy of the Committee's Charter is not currently available on LSI's website, a copy of such charter is attached to this proxy statement as Annex C.

The Compensation Committee

The Compensation Committee, composed of Messrs. Meyer (Chairman), Kreider, O'Gara, and Serrienne (who was appointed to the Committee in August 2004), is responsible for establishing compensation levels for management and for administering the Company's Equity Compensation Plan and Non-Qualified Deferred Compensation Plan. The Compensation Committee met one time during fiscal 2004.

Report of the Compensation Committee

The Compensation Committee annually establishes salaries, bonuses and stock option or stock grant awards for executive officers and key management personnel. The Committee reviews the performance of the Company's executive officers in connection with the Company's overall performance. The Committee desires to establish executive compensation that enhances the Company's overall fundamental objective of providing long-term value for its shareholders and employees. In addition, major emphasis is being placed on retaining current management and incentivizing key managers to align their interests to make them consistent with the Company's growth. The Committee believes that the interests of management and shareholders can be more closely aligned by providing executives with competitive levels of compensation that will enable LSI Industries to attract and retain key executives by rewarding exceptional individual performance, and by tying executive pay to overall corporate performance.

-13-

The Committee uses base salaries, incentive and deferred compensation arrangements, automobile allowances, life and disability insurance programs, and stock options designed to tie a portion of the executive's compensation to the stock market performance of the Company's Common Shares when establishing executive and managerial compensation programs.

Base Compensation

The Committee generally reviews the base salaries of the Company's executive officers and each executive's level of responsibility and potential, as well as salary levels offered by competitors and the overall competition in the existing marketplace. Each executive's particular division of the Company is reviewed, and its contribution to the overall results of the Company assessed. The Committee generally uses this information to determine the executive's base compensation level. In consideration of the fiscal year 2003 freeze of base salaries, the Committee determined that modest salary adjustments were appropriate for the Company's executive officers, key management and all salary personnel in fiscal 2004.

The Committee generally applies a collective, subjective evaluation of the above factors to determine the annual base compensation level of its executive officers in light of the Company's performance and, in certain cases, the performance of its various divisions. The Committee did not utilize a particular objective formula as a means of establishing annual base compensation levels. Chief Executive Officer and President Robert J. Ready's salary is generally established on the same basis.

Incentive Compensation

Incentive compensation awards for performance during fiscal 2004 were made to employees of certain operating divisions based upon the achievement of specific goals set forth in the strategic Plan adopted for the 2004 fiscal year. The Plan provides that certain employees' bonuses are based upon a combination of overall corporate results, divisional results, as well as discretionary factors such as attitude and individual performance. Bonuses for corporate officers, including Robert J. Ready, are based entirely on overall corporate results, as well as discretionary factors such as attitude and individual performance.

Stock Option Grants and Equity Compensation

The shareholders of LSI Industries established a Stock Option Plan and, last year, an Equity Compensation Plan, to provide a method of attracting, retaining and providing appropriate incentives to key employees. The Committee is responsible for the administration of these Plans, both with respect to executive officers and all other employees. To that end, the Committee determines which employees receive options, the time of grant and the number of shares subject to the option. All option prices are set at 100% of market value on the date of grant. The Committee bases its individual option awards upon the past contributions of the particular employee as well as the capability of the employee to positively impact the Company's future success and profitability. There were no stock options granted to executive officers in fiscal year 2004. The Committee can also award shares, restricted stock, stock appreciation rights, and other equity awards to executive officers and all other employees. None of these equity compensation awards were made in fiscal year 2004.
