This statement amends and supplements the Statement on Schedule 13D, filed on February 6, 2006 with the Securities and Exchange Commission by Fidelity National Financial, Inc. (NYSE:FNF), in connection with its beneficial ownership of the shares of common stock, par value \$0.01 per share, of Fidelity National Information Services Inc. (NYSE:FIS). Unless otherwise defined herein, all capitalized terms used herein shall have the meaning ascribed to them in Schedule 13D.

Item 4. Purpose of Transaction.

The response set forth in Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following information:

On April 27, 2006 FNF announced that its board of directors has approved pursuing a plan pursuant to which, among other things, FNF would merge with and into FIS, with FIS continuing as the surviving corporation. In the merger, FIS would acquire FNF and its ownership in FIS in exchange for stock of FIS, a tax-free transaction for FNF shareholders, thus making FIS independent of FNF ownership. Current FNF Chairman and CEO William P. Foley, II would remain as Executive Chairman of FIS, with Lee Kennedy continuing as CEO of FIS. FIS has established a special committee of its board of directors to evaluate and negotiate a formal proposal once received from FNF.

The plan under consideration would also include the exchange by FNF of certain of its assets for newly-issued common stock of FNF's subsidiary, Fidelity National Title Group, Inc. (NYSE:FNT) and the subsequent distribution by FNF of its shareholdings in FNT to FNF's shareholders.

Completion of the transactions will be subject to a number of conditions, including but not limited to preparation of a definitive proposal for the transactions and negotiation of definitive agreements; approval of the boards of directors and shareholders of each of FNF, FNT and FIS; the receipt of a private letter ruling from the Internal Revenue Service; the clearance of proxy statements and registration statements by the Securities and Exchange Commission; the receipt of all necessary regulatory approvals for the sale of FNF's specialty insurance operations to FNT and for the spin-off of FNT's insurance operations; the receipt of necessary approvals under credit agreements of FNF, FNT and FIS and any other material agreements; and any other conditions set forth in the definitive agreements for the transactions, once completed. There can be no assurance that any or all of these conditions will be satisfied or that the transactions will be completed.
