The following information supplements and amends the information contained in the Schedule 13D and Amendment No. 1 thereto previously filed by Safeguard Scientifics, Inc. ("Safeguard") relating to the ownership by its subsidiaries of the common stock, \$0.01 par value per share ("Common Stock"), of ChromaVision Medical Systems, Inc., a Delaware corporation (the "Company") listed on the cover pages of this amendment.

ITEM 2. IDENTITY AND BACKGROUND

No change except as follows:

(a) - (c) This Schedule 13D is being filed by Safeguard, Safeguard Delaware, Inc. ("SDI"), Safeguard Scientifics (Delaware), Inc. ("SSD"), and Safeguard 98 Capital L.P. ("Safeguard 98") (collectively, the "Reporting Persons" and, individually, a "Reporting Person"). Safeguard is a leader in building and operating technology companies in three principal areas: business and IT services, software and emerging technologies. SSD and SDI are wholly owned subsidiaries of Safeguard. SDI is the general partner of Safeguard 98, a limited partnership organized under the laws of Delaware, and has sole voting and dispositive power over the securities owned by Safeguard 98. Set forth in Schedule I annexed hereto are the name, identity and background of each Reporting Person and set forth in Schedules II, III and IV is the information required by Item 2 of Schedule 13D about the identity and background of each Reporting Person's directors, executive officers and controlling persons, if any.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Pursuant to the terms of the Securities Purchase Agreement dated July 10, 2001, to which the Company and SDI were parties, SDI acquired from the Company, for an aggregate purchase price of \$500,000, 500 shares of the Series D 5% Cumulative Convertible Preferred Stock ("Series D Stock") of the Company and a five-year warrant to purchase 21,865 shares of common stock of the Company at a per share exercise price of \$6.8604. The funds used in making such purchase came from the general working capital of Safeguard.

On June 13, 2002, SDI and Safeguard entered into a Securities Purchase Agreement with the Company (the "Securities Purchase Agreement") that provided for the transactions described below. The following discussion includes a summary of the agreements being filed as exhibits to this Schedule, is necessarily limited in scope and is qualified in its entirety by reference to the complete terms of those agreements.

PURCHASE OF COMMON STOCK. The aggregate number of shares of Common Stock to be purchased by SDI under the Securities Purchase Agreement is

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

4,416,404 at a price per share of \$1.585. Of that amount, 4,053,641 shares were purchased on June 13, 2002 for \$6,425,021. An additional 100 shares will be purchased on July 11, 2002, and the remaining 362,663 shares will be purchased only after obtaining the approval of the Company's stockholders at a special meeting expected to be held by August 31, 2002 (as discussed below). The funds used in the transactions described in this Item 3 came from the general working capital of Safeguard.

PURCHASE OF SERIES D PREFERRED STOCK. SDI entered into six separate Stock Purchase Agreements, each dated as of June 13, 2002, with each of the holders of the Company's Series D 5% Cumulative Convertible Preferred Stock, par value \$.01 (the "Series D Preferred Stock") other than SDI (the "Stock Purchase Agreements"). The number of shares of Series D Preferred Stock acquired by SDI on June 13, 2002 pursuant to the six separate Stock Purchase Agreements was 10,730 out of 12,500 shares outstanding. The shares acquired have an aggregate redemption price and liquidation preference of \$10,730,000. SDI was the original purchaser and is the current holder of 500 shares of Series D Preferred Stock having a redemption price and liquidation preference of \$500,000. The remaining 1,270 shares of Series D Preferred Stock not purchased by SDI pursuant to the Stock Purchase Agreements were separately converted by each of the holders thereof into an aggregate of 819,290 shares of Common Stock after the sale of the other shares of Series D Preferred Stock to SDI and after SDI's purchase of Common Stock from the Company pursuant to the Securities Purchase Agreement. The conversion occurred in accordance with the terms of the Series D Preferred Stock at a price of \$1.585 per share. Under the terms of the Series D Preferred Stock, the conversion price, which had been \$6.5746 per share, automatically adjusts to any price at which shares of Common Stock are issued if that price is lower than the then effective conversion price. As a result of SDI's purchase of Common Stock on June 13, 2002 pursuant to the Securities

Page 7 of 19

Purchase Agreement, the conversion price of the Series D Preferred Stock was automatically reduced to \$1.585 per share.

The full conversion of the Series D Preferred Stock is subject to a limitation in the certificate of designations by which the Series D Preferred Stock was created that, without stockholder approval, the number of shares of Common Stock issuable upon conversion of the Series D Preferred Stock, together with the number of shares paid as dividends thereon or issued upon exercise of the warrants to purchase Common Stock issued in connection with the issuance of the Series D Preferred Stock in July 2001, cannot exceed 4,002,547 shares in the aggregate. That number represented 19.9% of the number of shares of Common Stock outstanding when the Series D Preferred Stock was issued. At present, the aggregate number of shares into which the Series D Preferred Stock held by SDI is convertible, taking into account the 19.9% limitation, the conversions that have already taken place and the dividends that have been issued to date, is 3,112,941 shares.

SDI has agreed with the Company that, upon obtaining approval of the stockholders at the upcoming special meeting, it will convert all of the remaining shares of Series D Preferred Stock into Common Stock, provided that:

- stockholder approval is obtained by September 11, 2002,
- no litigation, arbitration or administrative proceeding is then pending before any court or governmental or regulatory authority which, in the

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

reasonable judgment of Safeguard, would make the conversion of all of the shares of Series D Preferred Stock then owned by SDI imprudent, and

- no temporary restraining order, preliminary injunction or permanent injunction issued by any court of competent jurisdiction or any governmental or regulatory authority has been issued restraining or prohibiting SDI from converting the shares of Series D Preferred Stock.

If stockholder approval is not obtained by September 11, 2002, SDI will have the right to have the shares of Series D Preferred Stock owned by it redeemed by the Company for \$13,476,000. The Company would also be obligated to pay SDI a \$700,000 fee.

VOTING AGREEMENTS AND IRREVOCABLE PROXIES. After each of the holders of the Series D Preferred Stock other than SDI separately sold shares of Series D Preferred Stock to SDI and each of them separately exercised its conversion rights with respect to any shares of Series D Preferred Stock they retained as described above, each of those parties separately gave SDI an irrevocable proxy to vote the shares of Common Stock issued upon such conversion, as well as any other shares thereafter acquired, at all meetings of stockholders, including the special meeting to be held to approve the matters referred to below. The aggregate number of shares of Common Stock subject to those proxies as a result of the conversion of the shares of Series D Preferred Stock retained by the former holders is 819,920. In addition, three directors and two officers of the Company entered into voting agreements with SDI in which they agreed to vote an aggregate of 99,428 shares of Common Stock in favor of the proposals to be considered at the special meeting of stockholders and against certain other matters that could be reasonably expected to impede, interfere with, delay, postpone or materially adversely affect the transaction.

GUARANTEE OF DEBT FINANCING. In connection with the transactions described herein, Safeguard has agreed to provide credit support to the Company. The guarantee may be in the form of a traditional contractual guarantee, a letter of credit or some other form of credit enhancement that is reasonably acceptable to the lender. Safeguard will receive commercially reasonable compensation for providing any such credit enhancement.

SDI WARRANT AND RIGHT OF FIRST REFUSAL. The Company has agreed to issue to SDI a warrant to purchase up to 975,000 shares of Common Stock (the "SDI Warrant") to protect it against dilution from the exercise of certain outstanding options and warrants held by others that are exercisable to purchase additional shares of Common Stock. Under the terms of the SDI Warrant, SDI is entitled to purchase one share of Common Stock for every share of Common Stock as to which any such other option or warrant is exercised. The exercise price payable by SDI will be equal to the exercise price of any such other option or

Page 8 of 19

warrant. The issuance of the SDI Warrant is conditioned upon obtaining stockholder approval at the upcoming special meeting as described below.

The Company has also agreed that SDI will have a right of first refusal to purchase its pro-rata share of all equity securities that the Company proposes to sell and issue in the future (other than compensatory grants of stock options to directors, officers, employees and consultants). The pro-rata share of SDI under the right of first refusal will be determined on an

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

as-converted basis, which means giving effect to the issuance of all shares of capital stock which can be acquired from the Company or any wholly-owned subsidiary of the Company upon conversion or exercise in full of purchase rights under the terms of any Common Stock, Preferred Stock or other security which is convertible or exercisable to acquire any Common Stock or Preferred Stock. The right of first refusal will be binding upon the Company only if it is approved by the stockholders at the upcoming special meeting as described below. The Company cannot make any compensatory grants of stock options to employees, officers, directors, consultants or advisors ("Compensatory Grants") without the written consent of SDI for the period specified in "Covenants of the Company" below. SDI has agreed not to unreasonably withhold such consent, but the agreement provides that it will be reasonable for Safeguard to withhold consent unless the Company grants SDI a warrant or comparable stock purchase right (a "SDI Compensatory Grant") to acquire, at a price equal to the per share exercise price of the Compensatory Grant, a number of shares of Common Stock so that, if all of such Compensatory Grants were exercised in full, SDI would be entitled to acquire under the SDI Compensatory Grant one share of Common Stock more than the recipients of the Compensatory Grants would be entitled to acquire.

COVENANTS OF THE COMPANY. Pursuant to the terms of the Securities Purchase Agreement, the Company has entered into a number of additional covenants with SDI relating to the capital stock of the Company, including the following:

- The Company will not engage in a number of specified actions or enter into any agreement with respect to any such actions without the prior written consent of SDI, including but not limited to disposing of assets outside the ordinary course of business, issuing any equity securities other than certain compensatory grants of stock options, increasing the number of shares available for grant under the Company's stock option or other similar benefit plans, declaring any dividend on any class or series of stock, incurring indebtedness in excess of \$5,000,000, acquiring any other business or making any equity investment in another business, making certain amendments to its certificate of incorporation or by-laws, entering into any transaction with any officer or director of the Company or holder of capital stock of the Company or any member of their respective immediate families or entities controlled by one or more of the foregoing or make or permit any material change in the nature of the Company's business except as contemplated by the Company's business plan and certain other transactions. These covenants expire on the earliest of June 30, 2004, the date that SDI and its affiliates no longer own greater than 40% of the voting power of all outstanding securities of the Company entitled to vote generally in the election of directors or the date SDI or any of its affiliates disposes of any equity security of the Company (excluding a transfer to an affiliate).
- The Company will create a committee of its board of directors comprised of three directors satisfying the independence standards of the rules of the Nasdaq Stock Market, Inc., and these directors will be tasked with considering and, if appropriate, approving any transactions between the Company and officers, directors or holders of more than 5% of the outstanding shares of any class of voting securities

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

of the Company, which would include SDI and its affiliates.

The Company has also entered into a Registration Rights Agreement, dated as of June 13, 2002, with SDI (the "Registration Rights Agreement") pursuant to which SDI and its affiliates have rights to have shares of Common Stock owned by SDI and its affiliates registered under the Securities Act of 1933.

COVENANTS OF SAFEGUARD. SDI has agreed with the Company that neither it nor any of its affiliates will sell a number of shares of Common Stock greater than 30% of the number

Page 9 of 19

of shares of Common Stock then outstanding in any transaction or series of transactions unless the other stockholders of the Company are afforded the right to sell to the proposed purchaser, at the same price per share and on the same terms and conditions, the same proportion of their shares of Common Stock as the proposed sale represents with respect to the aggregate number of shares of Common Stock then owned by SDI and its affiliates. That covenant expires on June 13, 2005 and does not apply to a sale of Common Stock in a broadly disseminated public offering or a broker's transaction under Rule 144 of the Securities and Exchange Commission adopted under the Securities Act of 1933.

SDI has also agreed that, unless permitted by the affirmative vote of the committee of independent directors designated to consider and approve related party transactions or a vote of the holders of a majority of the outstanding securities of the Company entitled to vote generally on the election of directors (excluding shares held by Safeguard and its affiliates), it will cause all directors of the Company who are employees of Safeguard or any of its affiliates or who are appointed or nominated for election to the board of directors of the Company at the request of SDI to vote in favor of the election of three directors meeting the independence requirements of the rules of the Nasdaq Stock Market, Inc. to the Company's Audit Committee and to the committee of the board of directors referred to above tasked to consider and approve related party transactions.

STOCKHOLDERS MEETING. As indicated above, the Company intends to hold a special meeting of stockholders by August 31, 2002 at which the stockholders will vote upon the following matters:

- the issuance to SDI of the additional 362,663 shares of Common Stock referred to above;
- the granting to SDI of the SDI Warrant to purchase 975,000 additional shares of Common Stock;
- the conversion of the Series D Preferred Stock into a number of shares that exceeds the 19.9% limit referred to above; and
- the right of first refusal pursuant to which Safeguard would be able to acquire additional equity securities of the Company, including the SDI Compensatory Grants described above.

ITEM 4. PURPOSE OF TRANSACTION

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

The purpose of the transactions described herein was to acquire additional shares of Common Stock and to provide the Company with needed working capital. Furthermore, the transactions will improve the Company's balance sheet and capital structure.

(A) Following stockholder approval, SDI will acquire additional shares of Common Stock from the Company and is obligated (subject to certain exceptions) to fully convert the shares of Series D Preferred Stock then owned by it into shares of Common Stock, all as more fully described in Item 3. If stockholder approval is not obtained, none of SDI, Safeguard or any of their affiliates currently has any plans to acquire additional shares of capital stock of the Company.

(B) Not applicable.

(C) Not applicable.

(D) The Securities Purchase Agreement provides that the Company must request that its board of directors appoint or nominate for election by the stockholders to the Board, nominees designated by Safeguard, provided that the number of nominees so designated, if appointed or elected, plus all other directors previously so designated and appointed or nominated or who are directors, officers or employees of Safeguard or any of its Affiliates ("Safeguard Directors"), would not be greater than the number of incumbent directors plus one. As used in the preceding sentence, the term "incumbent directors" shall mean all members of the Company's board of directors who are not Safeguard Directors. Provided that there exists at least one Safeguard Director, the Company will cause a Safeguard Director

Page 10 of 19

to be a member of each committee of the board of directors of the Company except for the Related Party Transactions Committee and the Audit Committee.

(E) SDI has agreed with the Company that, upon obtaining approval of the stockholders at the special meeting as described above, it will convert all of the remaining shares of Series D Preferred Stock into Common Stock, provided that:

- stockholder approval is obtained by September 11, 2002,
- no litigation, arbitration or administrative proceeding is then pending before any court or governmental or regulatory authority which, in the reasonable judgment of Safeguard, would make the conversion of all of the shares of Series D Preferred Stock then owned by SDI imprudent, and
- no temporary restraining order, preliminary injunction or permanent injunction issued by any court of competent jurisdiction or any governmental or regulatory authority has been issued restraining or prohibiting Safeguard from converting the shares of Series D Preferred Stock.

If SDI converts all of the remaining shares of Series D Preferred Stock into shares of Common Stock, the only capital stock of the Company outstanding at

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

that time will be Common Stock.

- (F) Not applicable.
- (G) Not applicable.
- (H) Not applicable.
- (I) Not applicable.
- (J) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE COMPANY

In addition to the agreements previously filed as exhibits to Schedule 13D, Safeguard, SDI and the Company are parties to the Securities Purchase Agreement dated June 13, 2002, pursuant to which SDI acquired shares of Common Stock from the Company. In connection with this transaction, SDI and the Company also entered into a Registration Rights Agreement dated June 13, 2002. Both the Securities Purchase Agreement and the Registration Rights Agreement are more fully described in Item 3.

After each of the holders of the Series D Preferred Stock other than Safeguard sold shares of Series D Preferred Stock to SDI and then each of them exercised its conversion rights with respect to the shares of Series D Preferred Stock they retained, each of those parties gave SDI an Irrevocable Proxy to vote the shares of Common Stock issued upon conversion of the Series D Preferred Stock such party retained, as well as any other shares thereafter acquired, at all meetings of stockholders, including the special meeting to be held to approve certain aspects of these transactions, as described in Item 3. The aggregate number of shares of Common Stock subject to those proxies is 819,920. The former holders of Series D Preferred Stock that gave SDI proxies are Velocity Investment Partners, Ltd., Halifax Fund, L.P., Credit Suisse First Boston Corporation, Castle Creek Healthcare Partners LLC and CCL Fund, LLC.

In addition, Thomas R. Testman, Douglas S. Harrington, Michael G. Schneider, Jose Torre Bueno and Mary Lake Polan each entered into Voting Agreements dated June 13, 2002 with Safeguard in which they agreed to vote an aggregate of 99,428 shares of Common Stock in favor of the proposals to be considered at the special meeting of stockholders and against certain other matters that could be reasonably expected to impede, interfere with, delay, postpone or materially adversely affect the transactions described herein.

The proxies and voting agreements expire upon the earlier to occur of stockholder approval of the matters to be voted upon at the special meeting, payment of a \$700,000 fee by the Company if the matters are not approved at the special meeting of stockholders or December 12, 2003. Upon expiration, Safeguard will no longer beneficially own the shares subject to the proxies or the voting agreements.

Edgar Filing: CHROMAVISION MEDICAL SYSTEMS INC - Form SC 13D/A

In connection with SDI's original purchase of Series D Stock in July 2001, the Company issued to SDI a warrant to purchase 21,865 shares of Common Stock. SDI has certain registration rights with respect to such shares of Common Stock pursuant to the Registration Rights Agreement, dated July 10, 2001, by and among the Company and the Purchasers listed on the signature pages thereto.
