GENERAL INFORMATION ABOUT CIGNA'S ANNUAL MEETING

WHEN AND WHERE IS THE ANNUAL MEETING?

The annual meeting will be held on Wednesday, April 23, 2003, at 3:30 p.m. at The Gregg Conference Center at The American College located at 270 S. Bryn Mawr Avenue, Bryn Mawr, Pennsylvania. Directions are on the back of the proxy statement.

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

Anyone who owns CIGNA common stock as of the close of business on February 28, 2003, is entitled to one vote per share owned. There were 139,610,944 shares of CIGNA common stock outstanding on that date.

WHO IS SEEKING AUTHORITY TO VOTE MY SHARES AND WHEN?

CIGNA's Board of Directors is sending you this proxy statement to solicit your "proxy," or your authorization for our representatives to vote your shares. Your proxy will be effective for the April 23, 2003, meeting and at any adjournment (or continuation) of that meeting.

WHAT IF MY SHARES ARE NOT REGISTERED IN MY NAME?

If you and other residents at your mailing address own shares of CIGNA stock in street name, your broker or bank may have notified you that your household will receive only one annual report and proxy statement for each company in which you hold stock through that broker or bank. This practice is known as "householding." Unless you responded that you did not want to participate in householding, you were deemed to have consented to the process. Your broker or bank will send one copy of our annual report and proxy statement to your address. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If you would like to receive your own set of CIGNA's future annual report and proxy statement or if you share an address with another CIGNA shareholder and

Edgar Filing: CIGNA CORP - Form DEF 14A

together both of you would like to receive only a single set of CIGNA annual disclosure documents, please contact Householding Department, 51 Mercedes Way, Edgewood, NY 11717 or call them at 800-542-1061. Be sure to indicate your name, the name of your brokerage firm or bank and your account number. The revocation of your consent to householding will be effective 30 days following its receipt.

If you did not receive an individual copy of this year's proxy statement or our annual report, we will send a copy to you if you address a written request to CIGNA Corporation, Shareholder Services, 1601 Chestnut Street, TL37A, Philadelphia, PA 19192 or call 215-761-3516.

PROPOSALS THAT REQUIRE A SHAREHOLDER VOTE

Management is presenting two proposals for a shareholder vote.

ITEM 1. ELECTION OF DIRECTORS

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ITS NOMINEES, H. EDWARD HANWAY, JOSEPH M. MAGLIOCHETTI AND HAROLD A. WAGNER TO BE DIRECTORS WITH TERMS EXPIRING APRIL 2006.

You can find information about the Board's nominees, as well as information about CIGNA's Board of Directors and its committees, director compensation, and other related matters, beginning on page 6.

ITEM 2. RATIFICATION OF APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THIS PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS FOR THE YEAR 2003.

You can find information about CIGNA's relationship with PricewaterhouseCoopers LLP beginning on page 16.

3

HOW TO VOTE

THERE ARE FOUR WAYS THAT YOU CAN VOTE YOUR SHARES.

1. OVER THE INTERNET The Web site for voting is at <http://www.eproxyvote.com/ci>. The Internet voting system is available 24 hours a day until 5:00 p.m. E.D.T. on Tuesday, April 22, 2003. Once you are into the Internet voting system, you can record and confirm (or change) your voting instructions.

2. BY TELEPHONE. Use the telephone number shown on your proxy card. The telephone voting system is available 24 hours a day until 5:00 p.m. E.D.T. on Tuesday, April 22, 2003. Once you are into the telephone voting system, a series of prompts will tell you how to record and confirm (or change) your voting instructions.

3. BY MAIL. Mark your voting instructions on, and sign and date, the proxy card and then return it in the postage-paid envelope provided. For your mailed proxy card to be counted, we must receive it before the polls close at the end of the meeting. If we receive your signed proxy card, but you do not give voting instructions, our representatives will vote your shares FOR Items 1 and 2. If any other matters arise during the meeting that require a vote, the

Edgar Filing: CIGNA CORP - Form DEF 14A

representatives will exercise their discretion.

4. IN PERSON. Attend the annual meeting, or send a personal representative with an appropriate proxy, in order to vote.

If you hold your shares of CIGNA stock in the name of a bank, broker or other nominee, your ability to vote by Internet or telephone depends on their voting process. Please follow their directions carefully. If you want to vote shares of CIGNA stock that you hold in street name at the annual meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy for entrance to the meeting.

REQUIREMENTS FOR CONFIDENTIAL VOTING. If you want your vote to be confidential, you must indicate that when you submit your proxy. If you choose confidential voting, your votes can be revealed to CIGNA only in limited circumstances, such as to meet a legal requirement or in contested board elections.

HOW TO REVOKE YOUR PROXY OR CHANGE YOUR VOTING INSTRUCTIONS

There are four ways that you can revoke your proxy or change your voting instructions.

1. ENTER NEW INSTRUCTIONS ON EITHER THE TELEPHONE OR INTERNET VOTING SYSTEM BEFORE 5:00 P.M. E.D.T. ON TUESDAY, APRIL 22, 2003.
2. SUBMIT A NEW PROXY CARD BEARING A DATE LATER THAN YOUR LAST VOTE. We must receive your new proxy card before the annual meeting begins.
3. WRITE TO THE CORPORATE SECRETARY, CAROL J. WARD, AT THE ADDRESS GIVEN FOR CIGNA CORPORATION IN THE MEETING NOTICE (ON THE COVER OF THIS PROXY STATEMENT). Your letter should contain the name in which your shares are registered, your control number, the date of the proxy you wish to revoke or change, your new voting instructions, if applicable, and your signature. She must receive your letter before the annual meeting begins.
4. ATTEND THE ANNUAL MEETING AND VOTE IN PERSON (OR BY PERSONAL REPRESENTATIVE WITH AN APPROPRIATE PROXY).

4

WHAT TO DO IF YOU HAVE MONEY IN THE CIGNA STOCK FUND OF YOUR CIGNA OR INTRACORP 401(K) PLAN

If you have money in the CIGNA Stock Fund of the CIGNA 401(k) Plan or the Intracorp 401(k) Performance Sharing Plan, you do not actually own shares of CIGNA stock. The plan trustees do. Under the plans, however, you do have "pass-through voting rights" based on your interest -- the amount of money you have invested -- in the CIGNA Stock Fund.

You may exercise pass-through voting rights in almost the same way that shareholders may vote their shares, but you have an earlier deadline. If your voting instructions are received by 5:00 P.M. E.D.T. ON THURSDAY, APRIL 17, 2003, the trustee will submit a proxy that reflects your instructions. If you have money in the CIGNA Stock Fund of the CIGNA 401(k) Plan and you do not give voting instructions (or give them late), the trustees will vote your interest in the CIGNA Stock Fund as instructed by a CIGNA management advisory committee. If you have money in the CIGNA Stock Fund of the Intracorp 401(k) Performance Sharing Plan and you do not give voting instructions (or give them late), your shares will not be voted.

You may send your instructions to your plan trustee by using the mail

Edgar Filing: CIGNA CORP - Form DEF 14A

(proxy/voting instruction card), telephone or Internet methods described on the proxy/voting instruction card. Your voting instructions will be kept confidential under the terms of the plans.

You may NOT vote in person at the annual meeting.

5

INFORMATION ABOUT ITEM 1: ELECTION OF DIRECTORS

The board nominated three of CIGNA's eleven incumbent directors to stand for reelection at the annual meeting for terms ending April 2006. All nominees have consented to serve, and the board does not know of any reason why any would be unable to serve. If a nominee becomes unavailable or unable to serve before the annual meeting, the board can either reduce its size or designate a substitute nominee. If the board designates a substitute, proxies that would have been cast for the original nominee will be cast for the substitute nominee.

The board has set 70 years as the retirement age for non-employee directors. Accordingly, non-employee directors must retire no later than the annual meeting of shareholders following their seventieth birthday.

CIGNA CORPORATION BOARD PRACTICES

To increase their effectiveness and to remain aligned with evolving corporate governance standards, the board recently reviewed and updated their practices in light of the Sarbanes-Oxley Act, Securities and Exchange Commission rules implementing this Act, and proposed New York Stock Exchange listing standards, and modified their practices as appropriate. Those updated practices follow:

Organizing the CIGNA Corporation Board of Directors' work is an inherently dynamic process. The board and committees periodically review their practices with the goal of increasing their effectiveness, and thereby maximizing shareholder value. Over the years, the board and committees have regularly modified their practices. The following are the current practices:

BOARD STRUCTURE AND COMPOSITION

- CIGNA Corporation's Bylaws allow for a board of eight to sixteen members. The Board and its Corporate Governance Committee each periodically consider the appropriate size of the board. There is a strong commitment to a board composed principally of independent, non-employee directors. CIGNA Corporation has never had more than two employee directors.
- The Board periodically sets forth standards for determining whether non-employee directors shall be considered "independent." The current standards, in addition to the independence requirements set forth in the New York Stock Exchange Corporate Governance Listing standards, are as follows:
 - Revenue received in any given year from the for-profit entity with which the Director is primarily affiliated shall not exceed two percent of CIGNA Corporation's consolidated total revenue for that year.
 - Revenue received in any given year from the CIGNA Companies shall not exceed two percent of the consolidated total revenue of the for-profit entity with which the director is primarily affiliated.
 - Charitable contributions from CIGNA Corporation, CIGNA Foundation, or any CIGNA affiliate shall not exceed two percent of annual operating fund gifts received by any not-for-profit entity for which a CIGNA Director or immediate family member serves as a director, trustee (or equivalent), or officer.

Edgar Filing: CIGNA CORP - Form DEF 14A

- Annually, the Corporate Governance Committee considers and the Board establishes the independence of non-employee directors.
- The Corporate Governance Committee is responsible for advising the board with respect to the board's membership. In fulfilling that responsibility, the committee develops and the board approves the "Responsibilities of CIGNA Corporation Directors." Those responsibilities are:
 - Independence and integrity;
 - Good understanding of CIGNA's businesses;
 - Understanding the importance of representing the total shareholder constituency and increasing shareholder value;
 - Active, objective and constructive participation at Board and Committee meetings;
 - Review and understanding of advance briefing materials;
 - Sharing one's expertise, experience, knowledge and insights as they relate to the matters before the Board;
 - Advancing CIGNA's purposes and reputation;
 - Effectively contributing to management evaluation and succession planning;

8

- Availability to the Chief Executive Officer for consultation; and
- Regular attendance.
- Beyond the "Responsibilities," the Corporate Governance Committee, in consultation with the Board, develops more specific Director Recruitment Criteria to guide Director searches. The criteria are as follows:
 - Directors should represent all shareholders.
 - Directors must be free of conflicts of interest.
 - Directors must possess good judgment and the ability to analyze complex business and public issues.
 - Directors must have demonstrated a high degree of achievement in their respective fields.
 - Diversity, in its many forms, is preferred.
 - The Board should reflect the broad-based experience of the directors. Governing CIGNA Corporation effectively requires a wide range of capabilities and professional attributes, among them:
 - Financial acumen;
 - Familiarity with channels of distribution;

Edgar Filing: CIGNA CORP - Form DEF 14A

- Awareness of consumer market trends;
 - Insight into government relationships and processes;
 - Familiarity with the challenges of operating businesses in the international marketplace;
 - Familiarity with processes for developing and implementing effective human resources policies and practices; and
 - Insight into the process of developing and delivering high-quality products and services that respond directly to customer needs and expectations.
- The chairman of the Corporate Governance Committee (or another director designated by the chairman of the Corporate Governance Committee) interviews director candidates prior to the committee making its recommendation that the Board:
- elect the candidate in the case of a director vacancy; or
 - nominate the candidate for election by the shareholders.
- The Board requires that any director discontinuing the principal position that prevailed at the time of the director's election to the Board give notice and an offer of resignation to the Corporate Governance Committee.
- Under ordinary circumstances, the Chief Executive Officer will leave the Board when he/she retires as a CIGNA employee.
- Directors shall retire no later than the annual meeting of shareholders following their seventieth birthday.

COMMITTEE STRUCTURE AND COMPOSITION

- There currently are four working committees of the board:
- Audit,
 - Corporate Governance,
- 9
- Finance, and
 - People Resources.

The Executive Committee has authority to manage CIGNA's business between regular board meetings. However, it is not intended to be a working committee and meets infrequently. The Board has, at various times, created ad hoc committees to focus on particular issues. The Corporate Governance Committee is responsible for ensuring the appropriateness and effectiveness of the Board's committee structure.

- Annually, the Corporate Governance Committee reviews committee assignments. In consultation with the Chairman of the Board, it recommends (for action by the full Board) committee assignments for Directors, in line with Board needs and individual strengths. Directors generally serve on a standing committee for about five years before rotating.

Edgar Filing: CIGNA CORP - Form DEF 14A

- The four working committees are comprised of Directors who meet the New York Stock Exchange's standards for "independence." In addition, Audit Committee members meet the Securities and Exchange Commission's standards for "independence." At least one Audit Committee member will be an "audit committee financial expert", as defined by the Securities and Exchange Commission.
- Summary of committee responsibilities:
 - The Audit Committee is responsible for ensuring that policies and procedures are in place to ensure the timely disclosure of accurate information, compliance with legal requirements and adherence to ethical standards. It is also responsible for appointing, compensating, overseeing the work of and removing CIGNA Corporation's independent auditors.
 - The Corporate Governance Committee is responsible for reviewing, advising, and reporting to the Board regarding the Board's membership, structure, organization and performance as well as Director selection and compensation.
 - The Finance Committee is responsible for overseeing and advising the Board regarding the Corporation's capital structure and use, long-term financial objectives and progress against those objectives, and investments.
 - The People Resources Committee is responsible for overseeing the policies and processes for people development, including the succession plan for the principal executive officers. In fulfilling that responsibility, the Committee conducts an annual management development and succession plan review. The Committee reports to the Board on this review. This Committee also evaluates the Chief Executive Officer annually and shares its assessment with the Board when reporting on compensation actions for the Chief Executive Officer. The Committee's evaluation and report to the Board are done in the absence of the Chief Executive Officer. The results of the evaluation are shared with the Chief Executive Officer. The Committee also reviews and approves executive compensation plans and equity-based plans, subject to applicable Board and shareholder approvals.
 - Committee chairs regularly report to the full Board on Committee proceedings and actions.

AGENDA, MATERIALS, EDUCATION & RESOURCES

- The Board meeting schedule and agenda are developed with direct input from Directors. The duration of each meeting varies as business needs dictate.
 - Briefing materials generally are distributed at least a full week in advance of the Board and Committee meetings. The briefing materials include regular reviews of operating results, competitive performance, performance against plan and background information for the presentations and discussions to occur at the upcoming meetings.
- 10
- New Directors participate in an orientation program. They meet with the Chief Executive Officer and staff officers at the time they join

Edgar Filing: CIGNA CORP - Form DEF 14A

the Board. Upon election to a committee, they meet with that committee's staff officer and are provided with more committee-specific training/reading.

- The Board and committees regularly devote time to continuing director education.
- The Board and its committees are able to access appropriate independent advisors.
- Periodically, Board meetings are devoted primarily to strategy issues.

PERFORMANCE EVALUATION

- The Board regularly discusses its performance at some length. On an ongoing basis, Directors offer suggestions and alternatives intended to further improve Board performance.
- Annually, each working committee reviews its performance and the adequacy of its written charter. Then, in consultation with the committee's staff officer, it agrees upon a meeting schedule (including frequency and length of meetings) and tentative agenda for the upcoming year. Agenda items are added and deleted during the course of the year at the members' request and as business developments warrant.
- The Corporate Governance Committee reviews the performance of each Director annually -- and always in advance of making a determination as to whether the Committee should recommend the Director's renomination to the Board.
- The Chairman conducts "exit" interviews with retiring directors.

SENIOR MANAGEMENT AND THE BOARD

- Over the years, the CIGNA Corporation Board has modified the roles and responsibilities of CIGNA's top officers -- utilizing in varying combinations and configurations the offices of Chairman, Chief Executive Officer, Co-Chairman, Vice Chairman, Chief Operating Officer and President as circumstances required. The Board is responsible for electing people to fill these positions.
- Each Committee is assigned a member of senior management to act as a staff officer. The staff officers always attend the Committee meetings and Board meetings. This gives Directors a range of contact people within the Company with whom they are familiar.
- Several members of the Chief Executive Officer's staff regularly attend Board meetings. Others attend when making presentations. In between meetings and at their discretion, Directors are free to contact members of management.
- The Board has established a process to identify the next Chief Executive Officer. The Board has established "desired characteristics" for the Chief Executive Officer position, essentially to guide the succession planning process and management development programs.
- The Board meets in Executive Session at the beginning of every Board meeting. The Chief Executive Officer leaves these sessions when the Board feels it is appropriate. Twice a year, the Board meets in extended Executive Session without the Chief Executive Officer.

Edgar Filing: CIGNA CORP - Form DEF 14A

Generally, the appropriate Committee Chairperson leads the discussion in regularly scheduled executive sessions at which the Chief Executive Officer is not present.

DIRECTOR COMPENSATION

- The Corporate Governance Committee reviews the non-employee Director compensation program annually. The Committee then makes recommendations to the Board for action.
- Stock-based compensation has been and is an important component of the non-employee Director compensation program.

11

- No non-employee Director is paid consulting, advisory or other fees in addition to the compensation paid pursuant to the non-employee Director compensation program.

EXTERNAL RELATIONSHIPS

- In general, management speaks for the Corporation. Inquiries from reporters, shareholders or others are referred to management for response.
- Directors must consult with the Chairman and Chief Executive Officer prior to accepting additional for-profit directorships.

BOARD OF DIRECTORS AND COMMITTEE MEETINGS AND MEMBERSHIP

The full Board held 10 meetings during 2002. The Board has five committees: Audit, Corporate Governance, Executive, Finance and People Resources. A summary description of each committee's responsibilities can be found beginning on page 9 of this proxy statement. All of the directors attended 87% or more of the regularly scheduled and special meetings of the Board and Board Committees on which they served in 2002. STOCK HELD BY DIRECTORS AND EXECUTIVE OFFICERS AS OF JANUARY 31, 2003

The following table shows:

- how much CIGNA common stock each director, nominee, the Chief Executive Officer, and each executive officer named in the Summary Compensation Table (named executive officers) owns, either directly or "beneficially;"
- how much CIGNA common stock the directors, nominees and executive officers own as a group, either directly or "beneficially;" and
- the number of "common stock equivalents" that non-employee directors and executive officers have accumulated under deferred compensation arrangements.

Stock is owned "beneficially" by the person that exercises voting or investment power over the security, even if someone else is the record owner.

"Common stock equivalents" track the economic performance of common stock but do not carry voting rights.

ADDITIONAL INFORMATION ABOUT STOCK HELD BY DIRECTORS AND EXECUTIVE OFFICERS

- No director or executive officer beneficially owns more than 1.0% of CIGNA's outstanding common stock. Directors, nominees, and executive officers as a group beneficially own 2.17% of the outstanding common stock. These beneficial ownership percentages have been calculated exclusive of common stock equivalents and based on 139,593,057 shares of common stock outstanding on January 31, 2003.
- On January 31, 2003, the CIGNA Pension Plan held 292,500 shares, or approximately 0.21% of the outstanding common stock on that date. A CIGNA management advisory committee determines how these shares will be voted.
- On January 31, 2003, the CIGNA Stock Funds of CIGNA's two 401(k) plans for employees held a total of 4,081,438 shares, or approximately 2.92% of the outstanding common stock on that date. A CIGNA management advisory committee determines how the shares held in the CIGNA Stock Fund of the CIGNA 401(k) Plan will be voted only to the extent the plan's individual participants do not give voting instructions.

Edgar Filing: CIGNA CORP - Form DEF 14A

- The directors and executive officers control the voting and investment of all shares of common stock they own beneficially, except as described elsewhere. This number includes shares of common stock that they have the option to buy within 60 days of January 31, 2003, and shares of restricted common stock.

NON-EMPLOYEE DIRECTOR COMPENSATION

Board retainer. Each director receives \$50,000 annually. At least \$25,000 of the annual retainer must be paid in shares of CIGNA common stock or stock equivalents.

Committee member retainer. Each director receives \$10,000 annually for each committee membership. Committee chairs and members of the Executive Committee do not receive this retainer.

Committee chair retainer. Each committee chair other than the chair of the Executive Committee receives \$15,000 annually.

Directors have several payment options for their compensation. Directors can elect to receive more (or all) of their remaining cash compensation in:

- common stock;
- common stock equivalents; or
- deferred cash compensation credited at the same rates of return earned on employee participant contributions to certain funds offered by the CIGNA 401(k) Plan.

Annual Credit. Each director is entitled to an annual credit of \$61,000 to a Restricted Deferred Compensation Account under the Deferred Compensation Plan for Directors of CIGNA Corporation. This amount is credited in restricted common stock equivalents and is payable when a director dies or retires from the Board.

Hypothetical Dividends. Hypothetical dividends are paid on common stock equivalents and restricted common stock equivalents and can be reinvested in equivalents or invested in the hypothetical investments available for deferred cash compensation.

Restricted stock. Any non-employee director who was not an officer or employee of CIGNA or any of its subsidiaries in the preceding 10 years is entitled to a one-time grant of 4,500 shares of common stock under the Restricted Stock Plan for Non-Employee Directors of CIGNA Corporation. A director who

14

receives shares under this plan can collect dividends and vote the shares, but cannot transfer them until the later of:

- six months from the date of grant; or
- end of service due to death, disability, a change of control, retirement at or after age 70, or with the consent of a majority of the other members of the board.

Shares are forfeited if a director's service ends for any other reason.

Travel accident coverage. Each director is provided \$450,000 of coverage.

Financial planning. Each director can use the financial planning services

Edgar Filing: CIGNA CORP - Form DEF 14A

available to CIGNA executive officers.

Insurance. Each director may purchase or participate in life insurance, medical/dental care programs, property/casualty personal lines insurance programs and matching gift programs available to CIGNA employees.

TRANSACTIONS WITH AFFILIATES

CIGNA companies engaged in many transactions with entities (or their subsidiaries) of which CIGNA directors were executive officers or 10% shareholders during 2002. These transactions included:

- providing insurance coverages, health care services, pension contracts, and related products and services to these entities;
- purchasing various products and services from these entities;
- acquiring, disposing of, or holding debt or equity issued by these entities; and
- relying on the credit of these entities.

Various CIGNA directors and executive officers purchased products marketed by CIGNA companies.

In 2002, CIGNA paid approximately \$231,500 in legal fees to the law firm of Davis & Harman LLP. A member of Davis & Harman LLP, is the spouse of Judith E. Soltz, Executive Vice President and General Counsel of CIGNA.

During 2002, various CIGNA companies engaged in transactions with companies (listed on page 30) that beneficially own more than 5 percent of CIGNA's outstanding common stock. These transactions included, for Alliance Capital Management L.P., approximately \$193,000 paid to CIGNA companies for investment management services and approximately \$406,000 paid to CIGNA companies for health care coverage and services. These transactions also included, for Barclays PLC, approximately \$158,000 paid to Barclays for investment management services, and approximately \$8,700,000 paid to CIGNA companies for health care coverage and services.

Management believes that these transactions were in the ordinary course of business and on terms as favorable as CIGNA would have received from unaffiliated persons or organizations. Transactions, service arrangements and relationships similar to those described will likely occur in varying amounts during 2003.

INFORMATION ABOUT ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee recommended, and the board approved, the appointment of PricewaterhouseCoopers LLP as independent auditors for 2003. The board wants shareholders to ratify this appointment even though ratification is not legally required. If shareholders do not ratify this appointment, the board will reconsider it.

PricewaterhouseCoopers LLP has served as independent auditors for CIGNA and its subsidiaries since 1983, and performed the same role for Connecticut General Corporation, a predecessor company of CIGNA, and its subsidiaries since 1967. A representative from PricewaterhouseCoopers LLP will attend the annual meeting, may make a statement, and will be available to respond to appropriate questions.

Edgar Filing: CIGNA CORP - Form DEF 14A

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THIS PROPOSAL.

AUDIT COMMITTEE REPORT

This Audit Committee Report (except for the information in the fourth bullet point) is provided only for the purpose of this proxy statement. This Report shall not be incorporated, in whole or in part, in any other CIGNA filing under the Securities Act of 1933 or the Securities Exchange Act of 1934.

CIGNA has maintained an Audit Committee for many years. It operates under a written charter adopted by the Board of Directors. A summary description of the duties and powers of the Audit Committee is set forth on page 10 of this proxy statement and the charter is attached as Appendix A to this proxy statement.

All of the members of the Audit Committee are independent (as defined in the listing standards of the New York Stock Exchange).

Management is responsible for CIGNA's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of CIGNA's consolidated financial statements and issuing a report on these financial statements. As provided in its charter, the Audit Committee's responsibilities include oversight of these processes. As part of its oversight responsibilities, the Audit Committee meets with CIGNA's general auditor and independent auditors, with and without management present, to discuss the adequacy and effectiveness of CIGNA's internal controls and the quality of the financial reporting process.

In this context, before CIGNA filed its Annual Report on Form 10-K for the year ended December 31, 2002, with the Securities and Exchange Commission, the Audit Committee:

- Reviewed and discussed with company management the audited financial statements included in the Form 10-K and confirmed management's view that the financial statements present fairly, in all material respects, the financial condition and results of the operation of CIGNA.

Edgar Filing: CIGNA CORP - Form DEF 14A

- Discussed with PricewaterhouseCoopers LLP, CIGNA's independent auditors, matters related to the conduct of their audit that are required to be communicated by auditors to audit committees by Statement on Auditing Standards No. 61, as amended and related to the fair presentation of CIGNA's financial condition and results of operation, including critical accounting estimates and judgments.
- Received the communications from PricewaterhouseCoopers LLP required by Standard No. 1 of the Independence Standards Board to disclose all relationships that in the auditors' professional judgment may reasonably be thought to bear on their independence and to confirm their independence. Based on these communications, the Audit Committee discussed with PricewaterhouseCoopers LLP its independence from CIGNA.
- Reviewed and considered the compatibility of non-audit services provided by PricewaterhouseCoopers LLP with maintaining the auditors' independence.
- Discussed with CIGNA's chief executive officer and chief financial officer his required certifications contained in CIGNA's Annual Report on Form 10-K for the year ended December 31, 2002.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that such audited financial statements be included in CIGNA's Annual Report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

AUDIT COMMITTEE:

Joseph Neubauer, Chairman
Fred Hassan
Peter N. Larson
Joseph M. Magliochetti
Charles R. Shoemate

OTHER MATTERS THAT MAY ARISE AT THE MEETING

We do not know of any other matters that will come before the shareholders during the annual meeting. If any other matters are properly presented for a vote, the people named as proxies will have discretionary authority, to the extent permitted by law, to vote on such matters according to their best judgment.

The chairman of the meeting may refuse to allow presentation of a proposal or a nominee for the board if the proposal or nomination was not properly submitted. The requirements for properly submitting proposals and nominations for this year's meeting were described in CIGNA's 2002 Proxy Statement and are similar to those described beginning on page 31 for next year's meeting.

VOTING REQUIREMENTS

In order to transact business at an annual meeting, we must have a "quorum," or the presence of a prescribed number of voting shares. For this meeting, we need the holders of two-fifths of the issued and outstanding shares entitled to vote to either be represented by proxy or attend.

Assuming we attain a quorum, the three nominees who receive a plurality (the greatest number) of votes cast on Item 1 will be elected as directors. We need the affirmative vote of a majority of the shareholders present in person at the meeting or represented by proxy to ratify the appointment of independent auditors.

Edgar Filing: CIGNA CORP - Form DEF 14A

If you attend the meeting or submit your proxy but abstain from voting, your shares will count toward a quorum. Abstentions will not affect the outcome of the election of directors, but they will be treated as negative votes on the ratification of appointment of independent auditors.

Many CIGNA shareholders own their shares in "street name," which means that brokers are actually the record owners entitled to vote the shares. Brokers will have discretionary authority to vote on Items 1 and 2 described in this proxy statement, which means that your broker can vote your street name shares on Items 1 and 2 even if you do not give specific voting instructions.

EXECUTIVE COMPENSATION

What follows is information about how CIGNA compensates its Chief Executive Officer and each of the four most highly compensated executive officers other than the CEO at the end of 2002. The following table also includes information regarding two former executive officers who were no longer serving CIGNA at the end of 2002. Together these individuals are called the "named executive officers."

SUMMARY COMPENSATION TABLE

This table shows the various forms of compensation awarded to each of the named executive officers in the past three years. Other tables in this proxy statement, such as the options grants table on page 20 and the long-term incentive plan awards table on page 22, provide more detail about specific types of compensation.

(1) We used the Black-Scholes option pricing model, adapted for use in valuing employee stock options, to calculate these amounts. Our calculation required several assumptions: an expected option life of three and a half years, a dividend yield of 1.47%, a price volatility of CIGNA common stock of 29.39%, and an annualized risk-free interest rate of 3.62%. The calculation also reflects an 8.0% discount per year for risk of forfeiture over the option vesting schedules. The actual value, if any, an executive may realize on options will depend on the excess of the stock price on the date the option is exercised over the exercise price. Executives will not necessarily realize the estimated value that the Black-Scholes model generates. CIGNA believes that no model can accurately predict the future price of CIGNA common stock or assign an accurate present value to stock options.

20

(2) New options become exercisable over a three-year period, with one-third becoming exercisable no earlier than the first anniversary of their grant date. New options have a replacement feature, which is described below in Note 3. Options granted in 1995 or later, and gains realized upon exercise of those options for certain periods, may be forfeited by the named executive officers if, following termination of employment with CIGNA, they engage in activities harmful to or in competition with CIGNA.

(3) In order to encourage executives to increase their share ownership, CIGNA grants one "replacement option" for each share of CIGNA stock that an executive uses to pay the exercise price of stock options. Replacement options become exercisable six months after their grant date, and terminate on the expiration date of the option that they replace. The exercise price of a replacement option is equal to the fair market value of CIGNA common stock on the grant date. All

Edgar Filing: CIGNA CORP - Form DEF 14A

replacement options granted in 2002 have a replacement feature. Because replacement options replace shares that are used to buy new shares, replacement options maintain, but do not increase, the executive's total ownership of CIGNA shares and options.

(4) This replacement option grant includes 45,512 options expiring December 8, 2007; and 33,014 options expiring February 23, 2010.

(5) This replacement option grant includes 7,034 options expiring February 23, 2010; 6,729 options expiring February 24, 2009; and 1,237 options expiring May 4, 2008.

(6) This replacement option grant includes 45,793 options expiring December 8, 2007; 11,462 options expiring February 23, 2010; and 4,219 options expiring February 24, 2009.

(7) This replacement option grant includes 45,793 options expiring December 8, 2007; 15,630 options expiring February 23, 2010; and 17,522 options expiring February 24, 2009.

(8) This replacement option grant includes 11,977 options expiring February 25, 2008; 14,926 options expiring February 26, 2007; and 3,664 options expiring February 24, 2009.

(9) This replacement option grant includes 12,804 options expiring February 23, 2010; and 11,875 options expiring February 24, 2009.

(10) This replacement option grant includes 412 options expiring February 28, 2006; 11,436 options expiring February 26, 2007; 7,265 options expiring February 25, 2008; and 14,355 options expiring February 24, 2009.

* The discussion below explains the minimum amount payable under the CIGNA Long-Term Incentive Plan.

(1) The per unit value of this transition award will be determined under the Long-Term Incentive Plan formula described below.

(2) These transition awards are part of their hiring arrangements and payments are guaranteed at a minimum of \$150 per unit.

(3) This award will be paid under Mr. Pastore's retirement agreement as described on page 25.

CIGNA provides long-term incentives to executive officers and other key employees by awarding them strategic performance units, called "SPUs", under the Long-Term Incentive Plan. The value of SPUs is based on CIGNA's achievement over a three-year period of financial and strategic performance objectives in comparison to a group of competitors that overall have business lines similar to CIGNA's.

The People Resources Committee assigns a value to SPUs by:

- Comparing CIGNA's return on equity for each year in the three-year performance period to the average return on equity of the group of competitors;
- Assigning points from zero, if CIGNA's return on equity is five or more percentage points below the competitors, to 100, if five or more percentage points above the competitors (the Committee may reduce any year's point total by up to 10 points); and
- Translating the combined three-year point score into dollars using a

Edgar Filing: CIGNA CORP - Form DEF 14A

conversion formula established by the Committee when the SPUs are awarded.

The Committee has discretion to reduce the dollar value of each unit by up to \$25, based on its judgment regarding strategic and financial performance during the period. The final dollar value of each unit may be from zero to \$200. The Committee sets a target value for units when they are awarded, which is the target to be paid when CIGNA's three-year return on equity equals the competitors. The target is currently \$75 per unit.

22

If within two years after a change of control of CIGNA an employee is terminated, or resigns because of certain adverse changes in employment conditions, that employee must be paid within 30 days for all SPU awards not yet valued and paid. The dollar value of each SPU would be the greatest of:

- the target value;
- the value for a unit paid in the preceding twelve-month period; or
- the average of the unit values for the last two unit payments.

No payment is made to an employee terminated after conviction of a felony involving fraud or dishonesty directed against CIGNA.

PENSION PLAN TABLE

The CIGNA Pension Plan provides two methods of determining retirement benefits. Messrs. Hanway, Levinson, and Stewart, and most other employees hired before January 1, 1989 participate in Part A of the Plan. This table shows annual retirement benefits under Part A (before the Social Security offset of 50% of an individual's annual primary Social Security benefit) under a straight life annuity, computed assuming the recipient retires at age 65 after specified years of service and earnings.

REMUNERATION	YEARS OF SERVICE				
	15	20	25	30	35
\$1,000,000.....	\$300,000	\$ 400,000	\$ 500,000	\$ 600,000	\$ 700,000
1,400,000.....	420,000	560,000	700,000	840,000	980,000
1,800,000.....	540,000	720,000	900,000	1,080,000	1,260,000
2,200,000.....	660,000	880,000	1,100,000	1,320,000	1,540,000
2,600,000.....	780,000	1,040,000	1,300,000	1,560,000	1,820,000

Under Part A, annual retirement benefits are based upon:

- the employee's earnings (generally, average annual earnings over the final 36 months of service);
- an annual accrual rate of 2%;
- length of credited service (up to a maximum of 30 years); and
- age at retirement.

Messrs. Kim, Welch, Kendall, and Pastore, and other employees hired on or after

Edgar Filing: CIGNA CORP - Form DEF 14A

January 1, 1989 participate in Part B of the Pension Plan.

Pension benefits under Part B equal the sum of an employee's accumulated annual benefit credits and quarterly interest credits. Annual benefit credits are based on age, years of credited service and earnings. Quarterly interest credits are based on U.S. Treasury bond rates.

The estimated annual pension benefit payable under Part B for the named executive officers at age 65 is as follows: Mr. Kim, \$683,000; Mr. Welch, \$153,000; and Mr. Kendall, \$131,000. These estimates assume level compensation until retirement, a U.S. Treasury bond rate of 6.5%, current plan formulas and regulatory environment, and payout under a straight life annuity. The estimated annual benefit under Part B for Mr. Pastore upon his retirement from CIGNA effective April 2003 is \$39,000. Part B benefits may be paid at or after separation from service in cash in a lump sum or in an annuity form.

Covered earnings under both Part A and Part B include salary and bonuses, but not long-term incentive plan payouts or any other incentive awards. Salary and bonus information for the named executive officers is in columns (c) and (d) of the summary compensation table on page 19.

As of January 1, 2003, the named executive officers had the following years of credited service: Mr. Hanway, 25 years; Mr. Kim, 1 year; Mr. Welch, 1 year; Mr. Kendall, 5 years; Mr. Levinson, 32 years;

23

Mr. Stewart, 35 years; and Mr. Pastore, 7 years. (Messrs. Levinson and Stewart earned additional years of credited service pursuant to retention agreements.)

If Messrs. Pastore and Welch comply with contractual obligations to CIGNA, which include obligations not to compete, they will receive supplemental pension benefits from CIGNA. The estimated annual benefit under this supplemental arrangement for Mr. Pastore is \$464,000. Mr. Welch's supplemental pension benefit is based on the pension accrual formula of his former employer and covered earnings under the CIGNA Plan. The estimated annual benefit under this supplemental arrangement at age 65 is \$77,000. This estimate is based on the same assumptions as those described above to calculate their annual benefits under Part B.

The CIGNA Pension Plan (Part A and Part B) cannot be terminated, or benefit accruals reduced, for a three-year period following a change of control of CIGNA. If Part A is terminated in the fourth or fifth year following a change of control, additional benefits will be provided to participants, including an immediate 10% increase to persons receiving benefits and an annual 3% increase in benefits beginning at age 65. In addition, participants in Part A and Part B who are terminated, other than for cause, within three years following a change of control will receive certain benefits. Participants in Part A will receive up to three years of additional service credit and a floor amount of final average earnings based on their level of earnings when a change of control occurred. Participants in Part B will receive a special benefit credit for the year of termination equal to a percentage of adjusted eligible earnings.

TERMINATION OF EMPLOYMENT

General

CIGNA employees are entitled to severance benefits under certain circumstances, but not if they are terminated for cause or resign. Severance benefits include payments equal to the employee's salary rate at termination for a specified period based on the employee's years of service. The period is generally two to

Edgar Filing: CIGNA CORP - Form DEF 14A

52 weeks, but it is 13 to 104 weeks if the employee is terminated within two years after a change of control of CIGNA.

An employee terminated because of job elimination or within two years after a change of control of CIGNA also receives a supplemental payment equal to:

- For a termination from January 1 to March 31 -- the average of the bonuses paid during the two years before the year of termination, offset by any bonus paid in the year of termination;
- For a termination from April 1 to December 31 -- the average of the bonuses paid for the two years before the year of termination, prorated to reflect actual months worked in the year of termination; and
- The value of restricted CIGNA stock forfeited upon termination.

Executive level employees (including the named executive officers) who are terminated within two years after a change of control will receive:

- Payments, at the salary rate in effect at termination (regardless of years of service), for 156 weeks for senior executives (including the named executive officers) and 104 weeks for other executives;
- The higher of the bonus actually received for the preceding calendar year or the amount of the annual incentive bonus guideline applicable to the employee under the Corporation's incentive bonus plan immediately before the change of control multiplied by three for senior executives (including the named executive officers) and by two for other executives; and
- The value of restricted CIGNA stock forfeited upon termination.

If within two years after a change of control certain changes affect an executive level employee, and he or she then resigns following written notification to CIGNA, the resignation will be treated as a termination after a change of control. The covered changes are any reduction in compensation; any material reduction

24

in authority, duties or responsibilities; or a relocation of the executive's office more than 35 miles from its location on the date of the change of control.

Executive level employees who are terminated as a result of conviction of a felony involving fraud or dishonesty directed against CIGNA will not receive the payments described above.

Agreements

In connection with Mr. Stewart's planned retirement on December 31, 2002 following nearly four decades of service to CIGNA, he entered into an agreement pursuant to which he agreed not to compete with CIGNA for a period of two years following his retirement and to be available to provide consulting services to CIGNA through 2003. Pursuant to this agreement, in addition to CIGNA paying Mr. Stewart the cash value of a portion of the shares of restricted stock he owned at retirement (as described in Note 2 to the Summary Compensation Table), Mr. Stewart will receive a consulting fee of \$400,000 in January 2004. Also, the units previously granted to Mr. Stewart under CIGNA's Long-Term Incentive Plan will be valued by the People Resources Committee, and paid, as the related performance periods are completed. While the value of these units is not determinable at this time, the Plan and the method for valuing the units is

Edgar Filing: CIGNA CORP - Form DEF 14A

described on page 22. Mr. Stewart retains his stock options at their original vesting and expiration terms. Mr. Stewart will continue to have access to CIGNA's Financial Services Program through 2007.

In connection with Mr. Pastore's retirement, he entered into an agreement pursuant to which he agreed not to compete with CIGNA for a period of one year following his retirement and to be available to provide consulting services to CIGNA through his retirement date. Pursuant to this agreement, CIGNA paid Mr. Pastore \$106,000 for transition costs. Mr. Pastore also is eligible to receive a bonus payment of \$400,000 in March 2003 and a consulting fee of \$400,000 in January 2004. Prorated portions of the units previously granted to Mr. Pastore under CIGNA's Long-Term Incentive Plan will be paid in the amounts of \$1,750,000 in 2003, \$1,679,125 in 2004 and \$1,296,750 in 2005 as the related performance periods are completed. Mr. Pastore retains his stock options at their original vesting and expiration terms. Mr. Pastore will continue to have access to CIGNA's Financial Services Program through 2008.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The functions performed by the People Resources Committee are described on page 10. All members of the Committee are outside directors.

SUMMARY

The main objective of CIGNA's executive compensation program is to pay for performance that increases shareholder value. CIGNA pays executives through:

- base salary
- annual bonus
- long-term incentives

Each is described below under "Elements of the Executive Compensation Program."

Annual bonus and long-term incentives vary based on competitive and absolute performance versus plan goals. Except for the hiring arrangements noted elsewhere in this proxy statement, these amounts are not guaranteed to any named executive because they are tied to CIGNA's business results. The annual bonus recognizes short-term business results and individual performance. Long-term incentives for executive officers are based upon sustained corporate-wide results, linked directly to shareholder value creation.

PROGRAM DESCRIPTION

For each senior executive, CIGNA establishes total pay targets based on median compensation levels for executives in comparable positions in similarly sized companies. In making comparisons, we consider a significant number of companies, including most of the companies in the S&P Insurance/Managed Care Indexes shown in the performance graph on page 29. Using these total pay targets, the Committee determines the appropriate competitive mix of compensation that will motivate the executives to achieve CIGNA's performance and strategic objectives and to remain with the company.

The Committee regularly monitors CIGNA's compensation program, keeping in mind the company's strategic goals as well as industry practices and trends. We modify the program when we believe a change will promote shareholder interests. For example, we changed the stock option program several years ago to provide that an executive who becomes employed by a competitor or engages in other

Edgar Filing: CIGNA CORP - Form DEF 14A

activities deemed to be detrimental to CIGNA may forfeit certain gains realized from exercising options. In 2002, to further align executive and long-term shareholder interests, and to recognize the challenging competitive environment, the Committee:

- (1) modified the long-term incentive plan to increase the focus on profitable growth and competitive total shareholder return;
- (2) aside from selected market adjustments, froze or modified downward CEO and most 2003 executive compensation targets based on market changes; and
- (3) froze the number of stock option shares to be awarded in 2003 at 2002 award levels.

We expect CIGNA executives to demonstrate confidence in the company's future by sustained ownership of a substantial amount of CIGNA stock. In particular, we expect the named executive officers, at a minimum, to own stock valued at between three and five times their salaries. The Committee reviews ownership levels annually.

We intend compensation paid to the named executive officers to be fully tax-deductible to the company.

26

ELEMENTS OF THE EXECUTIVE COMPENSATION PROGRAM

Base Salary

Base salary provides competitive annual compensation that reflects the scope and nature of basic job responsibilities. The Committee will grant a salary increase, if appropriate, based on an individual's performance and an assessment of whether the current salary is competitive relative to executives in comparable positions at similarly sized companies.

Annual Bonus

Named executive officers who are covered under Section 162(m) of the Internal Revenue Code earn awards under the shareholder-approved CIGNA Executive Incentive Plan. The Plan was designed to motivate these officers with competitive awards based upon achievement of competitive financial and operational goals. The Plan limits award amounts and complies with Section 162(m) of the Internal Revenue Code. The Plan does not pay awards unless CIGNA attains certain objective performance goals.

Annual bonus awards recognize contributions to annual business results as measured against competitors and against CIGNA's operational plans. In particular, we assess corporate-wide, business unit and individual performance in relation to the following major factors, listed in order of importance: earnings, revenue growth and cost management. Financial results must be achieved within the context of customer service, quality and financial integrity standards. We generally reward performance that meets CIGNA's operational plans and equals the results of the competition with a bonus that is equal to median bonus levels at other large companies. Better or worse performance can result in a bonus that is higher or lower than the median. An individual's bonus, reflecting personal contribution to business results, can range from 0 to 200% of the competitive median.

Long-Term Incentives

Edgar Filing: CIGNA CORP - Form DEF 14A

CIGNA offers long-term incentives to its executives under the CIGNA Long-Term Incentive Plan described beginning on page 22. These incentives may include Strategic Performance Units, restricted stock and stock options. In making long-term incentive awards in 2002, we intended to focus management on competitively superior long-term results, to align executives' interests with shareholder interests, to ensure that CIGNA executives have incentive opportunities comparable to their counterparts at CIGNA's competitors, and to motivate key executives to remain with the company. CIGNA's stock options typically have terms of ten years and vesting periods of up to three years.

CEO COMPENSATION

In addition to results versus competitors and annual operating plans, Mr. Hanway's overall compensation package acknowledges:

- disappointing core healthcare results and strong performance in subsidiary healthcare operations, retirement and investment, group and international divisions;
- progress in implementing a new retirement and investment strategy;
- people strengthening;
- investments in customer service, technology and e-commerce that are expected to have a positive impact on future earnings; and
- financial stewardship and integrity.

Approximately 90% of Mr. Hanway's total pay opportunity is variable compensation (such as bonuses and stock options). It is at risk and tied to competitive corporate business results. Approximately one-third of his total compensation opportunity is based on annual competitive business performance; over half is dependent upon long-term, sustained competitively superior corporate-wide results. Mr. Hanway's total

27

compensation opportunity (as well as the individual base salary and variable compensation components) is consistent with the total compensation opportunity for CEOs of comparable sized companies.

The Committee considers several factors to assess the performance of CIGNA and Mr. Hanway:

- profitability of each business unit;
- profit improvement;
- growth in revenue from profitable products/services;
- expense management;
- customer service;
- specific measures that vary by business activity, such as profit margin and membership growth in the health care business and profitable asset growth in the pension business; and
- competitive total shareholder return.

Mr. Hanway's compensation package for 2002 is itemized in the summary

Edgar Filing: CIGNA CORP - Form DEF 14A

compensation table on page 19. (His payment in 2002 under the Long-Term Incentive Plan for the three-year period ending December 31, 2001 is included in the 2001 column of the table.) What follows is an explanation of how the Committee arrived at the amounts of the various components.

2002 Bonus. Mr. Hanway received an award of restricted stock in lieu of a cash bonus. CIGNA exceeded one or more of the objective financial performance goals established under the CIGNA Executive Incentive Plan. Specific issues that the Committee considered included CIGNA's earnings and earnings per share performance.

Payment under Long-Term Incentive Plan. The Committee approved a formula-generated value of \$200 for each Strategic Performance Unit awarded in 1999. This amount, which reflects CIGNA's superior performance over the period from 1999 to 2001 compared to the peer group, was distributed in cash to Mr. Hanway and the other named executives officers because they met CIGNA's stock ownership guidelines (three to five times salary).

Stock options. Mr. Hanway received options to recognize the financial results achieved in 2001 and to link his future compensation opportunity to the creation of additional shareholder value.

APPENDIX B

POLICY FOR THE APPROVAL OF AUDIT AND NON-AUDIT SERVICES

OVERVIEW:

Consistent with its charter, the Audit Committee has established these guidelines to address services provided by the Company's independent auditors. In connection with the approval of services provided by the independent auditors pursuant to this policy, the Audit Committee will perform the procedures necessary to determine that such services are permissible and do not impair the auditor's independence from the Company.

Specifically, the Audit Committee will consider, as appropriate, the following factors, among others, in deciding whether or not to approve any proposed service or engagement to be provided by the Company's independent auditors: (a)

Edgar Filing: CIGNA CORP - Form DEF 14A

the SEC's rules on auditor independence; (b) whether the independent auditor is well-positioned to provide the most effective and efficient service, for reasons that include the independent auditor's familiarity with the Company's business, people, culture, accounting systems, risk profile and other factors; (c) whether the proposed service might enhance the Company's ability to manage or control risk or to improve audit quality; and (d) whether the relationship between fees for audit and non-audit services is appropriate as determined by the Audit Committee.

AUDIT SERVICES:

- A. All audit, review and attest services to be performed by the Company's independent auditors, as well as any fees to be paid for such services (the "audit services"), shall be approved by the full Audit Committee in or about October, for the following calendar year (the "engagement period").
- B. If additional audit services are required or recommended during the engagement period, the Audit Committee may consider such services for approval and elect to engage the Company's independent auditors to perform such services.

NON-AUDIT SERVICES:

A. Pre-engagement Approval

1. At the first Audit Committee meeting of each calendar year, the General Auditor shall present to the full Audit Committee for its review and consideration a schedule of all known permissible non-audit engagements to be performed by the Company's independent auditors during the calendar year, including the estimated costs of such engagements.
2. The Audit Committee will approve those non-audit engagements it deems appropriate and necessary.
3. If it is determined that additional non-audit services are required or recommended during the calendar year, the Audit Committee (or its designee as described below) may consider such services and elect to engage the Company's independent auditors to perform a particular engagement, or may rely on the pre-approval policy set forth below.

B. Pre-approval Policy

1. At the first Audit Committee meeting of every calendar year, the Audit Committee shall pre-approve such non-audit services it deems appropriate, which may include the following types of services: employee benefit plan audits; internal control reviews; financial process advisory services; financial statement audits in connection with acquisitions and divestitures; consultation concerning financial accounting and reporting standards; tax recovery services; tax consulting; business process advisory and consulting services; business strategy consulting; and such additional services for which the independent auditors may be engaged during the year, specified at the time of

B-1

pre-approval by the Audit Committee, that are not prohibited by applicable laws and regulations ("permissible non-audit services").

2. The General Auditor may authorize the independent auditors to perform such pre-approved services set forth in paragraph B.1. above on an engagement-by-engagement basis, provided, however, that (i) no such

Edgar Filing: CIGNA CORP - Form DEF 14A

engagement may exceed the lesser of \$100,000 or the budgeted fee amount, if any, pre-approved for such services by the Audit Committee, and (ii) the aggregate value of all such engagements shall not be in excess of \$250,000 per fiscal quarter.

DELEGATION OF AUDIT COMMITTEE'S APPROVAL AUTHORITY FOR NON-AUDIT SERVICES:

- A. In the event that the full Audit Committee is unavailable to review and approve any proposed permissible non-audit engagement that is not rendered pursuant to the pre-approval policies set forth above, the Audit Committee Chairman and/or another Audit Committee member designated by the Audit Committee Chairman shall have the authority to approve such engagement on behalf of the Audit Committee.
- B. Any non-audit engagement approved by the Audit Committee Chairman or his designee pursuant to this delegation provision shall subsequently be reported to the full Audit Committee at its next regularly scheduled meeting.

REPORTING:

On a quarterly basis, the General Auditor shall report to the Audit Committee all: (i) engagements that he authorized pursuant to the pre-approval provisions of this policy; (ii) non-audit services performed during the previous quarter; and (iii) all fees billed by the independent auditor for such non-audit services.
