PROXY STATEMENT
GENERAL INFORMATION

Who May Vote

Holders of our Class A and Class B common stock, as reflected in our records on March 24, 2005, may vote at the meeting. Holders of our Class A Special common stock are not entitled to vote at the meeting. This proxy statement is being sent to holders of Class A Special common stock for informational purposes only. This proxy statement and the enclosed proxy card are being mailed to our shareholders beginning on or about April 13, 2005.

How to Vote

You may vote in person at the meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How Proxies Work

Comcast's Board of Directors is asking for your proxy. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some or none of our director candidates. You may also vote for or against the other proposals, or abstain from voting.

If you are a registered shareholder (meaning your name is included on the securityholder file maintained by our transfer agent, EquiServe Trust Company, N.A., whether you hold your shares in book-entry through EquiServe or in certificated form), you can vote by proxy in any of the following ways:

Via the Internet: Go to www.eproxyvote.com/cmcsa and follow the instructions. You will need to enter the number in the shaded box printed on your proxy card.

By telephone: Call toll-free 1-877-779-8683 and follow the instructions. You will need to enter the number in the shaded box printed on your proxy card.

In writing: Complete, sign, date and return your proxy card in the enclosed envelope.

If you vote via the Internet or by telephone, your vote must be received by 5:00 p.m. Eastern Time on May 31, 2005.

If you give us your signed proxy but do not specify how to vote, we will vote your shares in favor of the director candidates, the ratification of the appointment of our independent auditors, and the approval of our 2002 Restricted Stock Plan, as amended and restated, and against the four shareholder proposals.

If your shares are held in the name of your bank, brokerage firm or other nominee, you will receive instructions from them that you must follow in order to have your shares voted.

If your shares are held in the Comcast Corporation Retirement-Investment Plan, your shares will be voted as you specify on your proxy card. If you hold shares in the Comcast Corporation Retirement-Investment Plan and do not return your proxy card or do not specify how to vote your shares on your proxy card, the plan trustee will vote your shares in the same proportion on each matter as it votes shares held in this plan for which voting directions were received.

Matters to be Presented

We are not aware of any matters to be presented other than those described in this proxy statement. If any matters not described in this proxy statement are properly presented at the meeting, the proxies will use their own judgment to determine how to vote your shares. If the meeting is postponed or adjourned, the proxies will vote your shares on the new meeting date in accordance with your previous instructions, unless you have revoked your proxy.

Revoking a Proxy

If you are a registered shareholder, you may revoke your proxy before it is voted by:

Submitting a new proxy with a later date, including a proxy given via the Internet or by telephone;

Notifying our Secretary in writing before the meeting at the address given on page 3 of this proxy statement; or

Voting in person at the meeting.

If your shares are held in the name of your bank, brokerage firm or other nominee, you should follow the instructions received from them, or contact your broker, in order to change your vote.

Attending in Person

Attendance at the meeting is limited to shareholders and one guest. For safety and security reasons, video and audio recording devices and other electronic devices will not be allowed in the meeting. All meeting attendees may be asked to present a valid, government-issued photo identification, such as a driver's license or passport, before entering the meeting, and attendees may be subject to security inspections.

For registered shareholders, an admission ticket is attached to your proxy card. Please bring the admission ticket with you to the meeting. Shareholders who do not present an admission ticket at the meeting will be admitted only upon verification of ownership.

If your shares are held in the name of your bank, brokerage firm or other nominee, *you must bring to the meeting an account statement or letter from the nominee indicating that you beneficially owned the shares on March 24, 2005, the record date for voting.* You may receive an admission ticket in advance by sending a written request with proof of ownership, such as a recent bank or brokerage statement, to Comcast Corporation, in care of EquiServe, Client Administration, 250 Royall Street, Canton, Massachusetts 02021.

VOTING SECURITIES AND PRINCIPAL HOLDERS

Outstanding Shares and Voting Rights

At the close of business on March 24, 2005, the record date, we had outstanding 1,361,030,230 shares of Class A common stock, 9,444,375 shares of Class B common stock and 837,756,461 shares of Class A Special common stock.

On each matter to be voted upon, the Class A common stock and Class B common stock will vote together. As of the record date, each holder of Class A common stock is entitled to 0.2082 votes per share and each holder of Class B common stock is entitled to 15 votes per share. Holders of Class A Special common stock are not entitled to vote at the meeting.

In order to carry on the business of the annual meeting, we must have a quorum. This means that for each matter presented, shareholders entitled to cast a majority of the votes that shareholders are entitled to cast on that matter must be represented at the meeting, either in person or by proxy. If the meeting is adjourned for one or more periods aggregating at least 15 days due to the absence of a quorum, shareholders who are entitled to vote and who attend the adjourned meeting, even though they do not constitute a quorum as described above, will constitute a quorum for the purpose of acting on any matter described in this proxy statement.

The director candidates who receive the most votes will be elected to fill the available seats on the Board. Approval of the other proposals requires the favorable vote of a majority of the votes cast. Only votes for or against a proposal count. Abstentions and broker non-votes count for quorum purposes but not for voting purposes. Broker non-votes occur on a matter when a bank, brokerage firm or other nominee is not permitted to vote on that matter without instruction from the owner of the shares and no instruction is given.

Mr. Brian L. Roberts, our Chairman and CEO, beneficially owns all of the outstanding Class B common stock and has indicated that he will vote all of these shares in favor of the director candidates, the ratification of the appointment of our independent auditors, and the approval of our 2002 Restricted Stock Plan, as amended and restated, and against the four shareholder proposals.

Section 16(a) Beneficial Ownership Reporting Compliance

Our directors and executive officers file reports with the Securities and Exchange Commission indicating the number of shares of any class of our equity securities they owned when they became a director or executive officer and, after that, any changes in their ownership of our equity securities. They must also provide us with copies of these reports. These reports are required by Section 16(a) of the Securities Exchange Act of 1934. We have reviewed copies of the reports we received and written representations from the individuals required to file the reports. Based on our review of the copies of the reports, and written representations received from the reporting persons, we believe that all filings required to be made by the reporting persons of Comcast for the period January 1, 2004 through December 31, 2004 were made on a timely basis, except for the following: restricted shares of Class A common stock granted to Mr. Stephen B. Burke on January 12, 2004 and options to purchase shares of Class A common stock granted to Mr. C. Michael Armstrong on May 26, 2004 and to Mr. Joseph J. Collins on October 19, 2004, each of which was inadvertently not reported in a timely manner. All grants have subsequently been reported on a Form 4.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board's Governance and Directors Nominating Committee has recommended and nominated the director candidates named below, including Joseph J. Collins, who has served as a director since October 2004, and Edward D. Breen. All of these nominees other than Mr. Breen currently serve as our directors. All of our directors are elected for one-year terms.

If a director nominee becomes unavailable before the annual meeting, your proxy authorizes the people named as proxies to vote for a replacement nominee if the Governance and Directors Nominating Committee names one.

C. Michael Armstrong has informed the Board that, because of other commitments, he will not stand for re-election to the Board at the annual meeting. In light of Mr. Armstrong's past contributions to the Board, the Board has requested and Mr. Armstrong has agreed to serve as Director Emeritus until our next annual meeting of shareholders.

The Board has created the Director Emeritus program to avail itself of the counsel of retiring directors who have made and can continue to make a unique contribution to the deliberations of the Board. The Board may, at its discretion, designate a retiring director as Director Emeritus. Each designation shall be for a period of one year which may be renewed in the Board's discretion. A Director Emeritus may provide advisory services as requested from time to time and may be invited to attend meetings of the Board, but shall not vote or be counted for quorum purposes or have any of the duties or obligations imposed on a director or officer of Comcast under applicable law or otherwise be considered a director. A Director Emeritus shall be entitled to benefits and protections in accordance with Article 7 of our by-laws (Limitation of Directors' Liability and Indemnification of Directors, Officers and Other Persons), but shall receive no compensation other than reimbursement for expenses incurred in the capacity of Director Emeritus.

The Board has determined that each of our non-employee directors, other than Mr. Bonovitz, is independent in accordance with the director independence definition specified in our corporate governance guidelines, which are posted under the Governance section of our website, www.cmcsa.com or www.cmcsk.com, and in accordance with applicable Nasdaq rules. Following the annual meeting, if all director nominees are elected to serve as our directors, independent directors will constitute two-thirds of the Board. In making its independence determinations, the Board considered the following relationships.

Mr. Anstrom is an executive officer of Landmark Communications, Inc., subsidiaries of which provide us with cable programming services. Under applicable Nasdaq rules, Mr. Anstrom qualifies as independent since the amount of programming fees we pay for such services falls within Nasdaq prescribed limits. In each of 2002, 2003 and 2004 the amounts we paid to Landmark and its subsidiaries did not exceed the greater of five percent of Landmark's consolidated gross revenues for that year or \$200,000. In considering Mr. Anstrom's independence under our corporate governance guidelines, the Board also determined that the Landmark business relationship is on customary arms-length terms and is not material to Comcast, and that Mr. Anstrom has no significant personal or other business relationships with Comcast or any of our executive officers or other employees. Additional information regarding Mr. Anstrom's relationship with Comcast can be found under "Certain Transactions" on page 13 of this proxy statement.

Mr. Bonovitz is Chairman and Chief Executive Officer of Duane Morris LLP, a law firm that we had retained for legal services prior to 2003. Under applicable Nasdaq rules, Mr. Bonovitz qualifies as independent notwithstanding this past business relationship since the amount of fees we paid for such services fell within Nasdaq prescribed limits. However, the Board has determined that Mr. Bonovitz does not meet the independence definition in our corporate governance guidelines because of his personal relationships with the Roberts family.

Mr. Breen is Chairman of the Board and Chief Executive Officer of Tyco International Ltd., a company with which Comcast engages in ordinary course commercial transactions. Under

applicable Nasdaq rules, Mr. Breen qualifies as independent since the amount of fees we paid to Tyco and the amount of fees Tyco paid to us in respect of such commercial arrangements fall within Nasdaq prescribed limits. In each of 2002, 2003 and 2004 the amounts we paid to Tyco and the amounts Tyco paid to us did not exceed the greater of five percent of the recipient company's consolidated gross revenues for that year or \$200,000. In considering Mr. Breen's independence under our corporate governance guidelines, the Board also determined that the Tyco business relationship is on customary arms-length terms and is not material to Comcast.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

Set forth below is information about each of the nominees for director.

Brian L. Roberts, 45, has served as a director and as our President and Chief Executive Officer since November 2002 and Chairman of the Board since May 2004. Prior to November 2002, Mr. Roberts served as a director and President of our predecessor for more than five years. He is a son of Mr. Ralph J. Roberts. Mr. Roberts is also a director of Comcast Holdings Corporation, one of our wholly-owned subsidiaries, and The Bank of New York Company, Inc.

Ralph J. Roberts, 85, has served as a director and Chair of the Executive and Finance Committee of the Board since November 2002. Prior to November 2002, Mr. Roberts served as a director and Chairman of the Board of our predecessor for more than five years. He is the father of Mr. Brian L. Roberts.

About the Board and its Committees

The Board

We are governed by a Board of Directors and various committees of the Board that meet throughout the year. During 2004, there were 12 meetings of the Board and a total of 20 committee meetings. With the exception of Mr. Armstrong and Mr. Bacon, each director attended more than 75% of the aggregate of all Board and committee meetings on which he or she served. Our independent directors have the opportunity to meet in an executive session following each regularly scheduled Board meeting. Following the annual meeting, if all director nominees are elected to serve as our directors, we will have eight independent directors. As described in greater detail below, we also have a Presiding Director,

currently Dr. Rodin, who presides at the executive sessions. During 2004, our independent directors held four executive sessions in which only the independent directors participated. We encourage our directors to attend the annual meeting of shareholders. Each of our directors attended the 2004 annual meeting.

Presiding Director	In accordance with our corporate governance guidelines, our Board has a Presiding Director position, which is currently filled by Dr. Rodin. The Presiding Director presides over private executive sessions of the independent directors and discusses with the independent directors prior to each regularly scheduled Board meeting the need and agenda for any such private session. The independent directors meet in these private executive sessions at least twice a year and at least once a year use the session to evaluate the performance of our Chief Executive Officer and other senior management. The role of Presiding Director rotates annually (between annual meetings of shareholders) among the Chairs of the Compensation, Governance and Directors Nominating and Audit Committees.
Committees of the Board	The Board has four principal committees. The following describes for each committee its current membership, the number of meetings held during 2004 and its mission.
Executive and Finance Committee	<p>C. Michael Armstrong, Sheldon M. Bonovitz, Julian A. Brodsky and Ralph J. Roberts (Chair).</p> <p>This committee met two times in 2004. The Executive and Finance Committee acts for the directors in the intervals between Board meetings with respect to any matters delegated to it by the Board.</p>
Audit Committee	<p>Kenneth J. Bacon, Joseph L. Castle, II, Joseph J. Collins, J. Michael Cook (Chair) and Dr. Judith Rodin. Each member of the committee is independent as defined under Nasdaq rules. A copy of this committee's charter is attached to this proxy statement as Appendix A and is also posted under the Governance section of our website at www.cmcsa.com or www.cmcsk.com.</p> <p>This committee met eight times in 2004. The Audit Committee is responsible for the oversight and evaluation of:</p> <ul style="list-style-type: none">the qualifications, independence and performance of our independent auditors;the performance of our internal audit function; andthe quality and integrity of our financial statements and the effectiveness of our internal control over financial reporting. <p>The Audit Committee is also responsible for preparing the Audit Committee report required by the rules of the Securities and Exchange Commission, and the report is included in this proxy statement on page 14.</p> <p>The Board has concluded that three members of the Audit Committee qualify as audit committee financial experts. They are Kenneth J. Bacon, Joseph L. Castle, II and J. Michael Cook.</p>

Compensation Committee S. Decker Anstrom, Joseph L. Castle, II, Joseph J. Collins, Dr. Judith Rodin (Chair) and Michael I. Sovern. Each member of the committee is independent as defined under Nasdaq rules. A copy of this committee's charter is posted under the Governance section of our website at www.cmcsa.com or www.cmcsk.com.

This committee met six times in 2004. The Compensation Committee reviews and approves our compensation and benefit programs, ensures the competitiveness of these programs and oversees and sets compensation for our senior executives. The Compensation Committee is also responsible for preparing the Compensation Committee report required by the rules of the Securities and Exchange Commission, and the report is included in this proxy statement on page 44.

Governance and Directors Nominating Committee S. Decker Anstrom (Chair), Kenneth J. Bacon, Joseph L. Castle, II, J. Michael Cook and Michael I. Sovern. Each member of the committee is independent as defined under Nasdaq rules. A copy of this committee's charter is posted under the Governance section of our website at www.cmcsa.com or www.cmcsk.com.

This committee met four times in 2004. The Governance and Directors Nominating Committee exercises general oversight with respect to the governance of the Board, as well as corporate governance matters involving us and our directors and executive officers. It also is responsible for periodically leading reviews and evaluations of the performance, size and responsibilities of the Board and its committees, and oversees succession planning for our senior management (including our Chief Executive Officer).

The Governance and Directors Nominating Committee also identifies and recommends director nominees. In assessing candidates, whether recommended by the committee or by shareholders, the committee considers an individual's professional knowledge, business, financial and management expertise, industry knowledge and entrepreneurial background and experience. The committee also considers diversity, applicable independence requirements and the current composition of the Board.

During the 2004 fiscal year, the Governance and Directors Nominating Committee retained Howard Fischer Associates International as a search firm to assist in locating, interviewing and evaluating potential Board candidates.

The Governance and Directors Nominating Committee will consider director candidates nominated by shareholders. In order for a shareholder to make a nomination, the shareholder must provide a notice along with the additional information required by our by-laws in the following time periods. For election of directors at an annual meeting called for a date between May 2, 2006 and July 3, 2006, we must receive written notice on or after February 1, 2006 and on or before March 3, 2006. For election of directors at any other meeting, we must receive written notice by the close of business on the tenth day following the day we mailed notice of, or announced publicly, the date of the meeting, whichever occurs first. You can

obtain a copy of the full text of the relevant by-law provision by writing to Arthur R. Block, Secretary, Comcast Corporation, at the address given on page 3 of this proxy statement. A copy of our by-laws has also been filed with the Securities and Exchange Commission as an exhibit to our Annual Report on Form 10-K filed on February 23, 2005.

Director Compensation

Directors who are Comcast employees do not receive any fees for their services as directors. Each non-employee director receives an annual retainer of \$50,000 and \$2,500 for each Board meeting or other meeting attended in his or her capacity as director or for any other business conducted on our behalf, \$2,500 for each Audit, Compensation or Governance and Directors Nominating Committee meeting attended and \$1,000 for each Executive and Finance Committee meeting attended. The Chair of the Audit Committee receives an additional annual retainer of \$20,000 and the Chairs of the Compensation and Governance and Directors Nominating Committees receive an additional annual retainer of \$10,000. Other members of the Audit Committee receive an additional annual retainer of \$10,000 and other members of the Compensation and Governance and Directors Nominating Committees receive an additional annual retainer of \$5,000. Members of the Executive and Finance Committee receive an additional annual retainer of \$2,500. The Chair of this committee is entitled to receive an additional annual retainer of \$5,000. The current Chair of this committee, Mr. Ralph J. Roberts, however, receives no compensation with respect to this position since he is one of our employees. Fees received by a director may be deferred in whole or in part under our 2002 and 2005 Deferred Compensation Plans. Up to one-half of the Board annual retainer may be received, at the election of the non-employee director, in shares of Class A common stock.

Non-employee directors are reimbursed for travel expenses for meetings attended. Non-employee directors, like all active Comcast employees, are provided with Comcast cable and high speed data services at no cost (if available in the area in which they live).

If proposal 3 of this proxy statement is approved at the meeting, each non-employee director will be granted on or about November 20, 2005, and each year thereafter for so long as this program remains in effect, restricted shares of Class A common stock having a fair market value on the date of grant of \$100,000. Such shares will be fully vested on the grant date. If proposal 3 of this proxy statement is not approved, Comcast will retain its current practice of granting to each non-employee director on or about November 20 of each year an option to purchase 7,500 shares of Class A common stock. These options become exercisable six months after the grant date and remain exercisable for ten years. It is the practice of the Board to review non-employee director compensation on an annual basis.

A description of our agreements with Mr. Armstrong and Mr. Brodsky can be found under Agreements with Executive Officers and Directors.

Certain Transactions

Mr. Anstrom, one of our directors, is President and Chief Operating Officer of Landmark Communications, Inc., the parent company of The Weather Channel. In 2004, we paid \$19,819,831 in programming fees for carriage of The Weather Channel and Weatherscan Local under customary arms-length affiliation agreements. Bill Burke, a brother of Stephen B. Burke, one of our executive officers, served as the President of The Weather Channel until June 2004. Neither Mr. Anstrom nor Messrs. Burke were directly involved in the negotiation of these agreements.

Debra G. Brodsky, a daughter of Mr. Brodsky, our non-executive Vice Chairman and one of our directors, is one of our employees. In 2004, she received \$145,823 in annual salary and bonus. She also participates in our employee benefit and equity incentive plans on the same basis as other similarly situated employees.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT
OF OUR INDEPENDENT AUDITORS**

The Audit Committee has appointed Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending December 31, 2005. We are asking you to ratify this appointment, although your ratification is not required. A representative of Deloitte & Touche LLP will be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR
RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT
AUDITORS.**

Set forth below are the fees paid or accrued for the services of Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates in 2004 and 2003.

	2004	2003
	(in millions)	
Audit fees	\$ 5.3	\$ 3.8
Audit-related fees	\$ 0.5	\$ 0.7
Tax fees	\$ 0.7	\$ 1.4
All other fees		
	\$ 6.5	\$ 5.9

Audit fees consist of services rendered to us and our subsidiaries for the audits of our annual financial statements, audit of our annual management assessment of the effectiveness of internal control over financial reporting in 2004 (as required by Section 404 of the Sarbanes-Oxley Act of 2002), reviews of our quarterly financial statements, and audit services provided in connection with other statutory or regulatory filings. The increase in audit fees in 2004 is primarily due to the audit of internal controls over financial reporting.

Audit-related fees consist almost entirely of employee benefit plan audits and attestation services related to contractual and regulatory compliance.

Tax fees consist of domestic and foreign tax compliance services, including tax examination assistance, expatriate administration and tax preparation; and international, state and local tax planning and advice. In 2004 and 2003, tax fees included \$10,000 and \$264,000, respectively, for international, state and local tax planning and advice.

All other fees consist of permissible non-audit services, if any.

Pre-Approval Policy of Audit Committee of Services Performed by Independent Auditors

The Audit Committee's policy requires that the committee pre-approve audit and non-audit services performed by the independent auditors to assure that the services do not impair the auditors' independence. Unless a type of service has received general pre-approval, it requires separate pre-approval by the Audit Committee. Even if a service has received general pre-approval, if the fee associated with the service exceeds \$250,000 in a single engagement or series of related engagements, or relates to tax planning and advice, it requires separate pre-approval. The Audit Committee has delegated its pre-approval authority to its Chair acting with one additional member.

Report of the Audit Committee

The Audit Committee is comprised solely of independent directors meeting the requirements of applicable Securities and Exchange Commission and Nasdaq rules. The key responsibilities of our committee are set forth in our charter, which was adopted by us and approved by the Board and is attached to this proxy statement as Appendix A.

We serve in an oversight capacity and are not intended to be part of Comcast's operational or managerial decision-making process. Comcast's management is responsible for the preparation, integrity and fair presentation of information in the consolidated financial statements, the financial reporting process and internal control over financial reporting. The independent auditors are responsible for auditing the consolidated financial statements and internal control over financial reporting. Our principal purpose is to monitor these processes.

In this context, we met and held discussions with management and the independent auditors. Management represented to us that Comcast's consolidated financial statements were prepared in accordance with generally accepted accounting principles applied on a consistent basis, and we have reviewed and discussed the quarterly and annual earnings press releases and consolidated financial statements with management and the independent auditors. We also discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), as amended, and Rule 2-07 (Communication with Audit Committees) of Regulation S-X.

We discussed with the independent auditors the auditors' independence from Comcast and its management, including the matters, if any, in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). We also considered whether the independent auditors' provision of audit and non-audit services to Comcast is compatible with maintaining the auditors' independence.

We discussed with Comcast's internal and independent auditors the overall scope and plans for their respective audits. We met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of Comcast's internal controls, and the overall quality and integrity of Comcast's financial reporting.

Based on the reviews and discussions referred to above, we have recommended to the Board, and the Board has approved, that the audited financial statements be included in Comcast's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

We have appointed Deloitte & Touche LLP as Comcast's independent auditors for 2005, subject to shareholder ratification of that appointment.

**PROPOSAL 3: APPROVAL OF OUR 2002 RESTRICTED STOCK PLAN,
AS AMENDED AND RESTATED**

Our 2002 Restricted Stock Plan was ratified by the Board on November 20, 2002 and approved by shareholders on each of May 7, 2003 and May 26, 2004. On January 11, 2005, the Board approved, subject to shareholder approval, an amendment to the plan to permit non-employee directors to receive awards of restricted stock and restricted stock units under the plan. Non-employee directors are those members of our Board who are not our employees. On February 16, 2005, the Compensation Committee approved a further amendment to the plan to address recently enacted deferred compensation tax legislation.

As described in this proxy statement, our non-employee directors receive both cash and equity compensation for their services to us. Presently, the equity compensation component is provided in the form of stock options. At this time, the Board believes that compensating our non-employee directors with restricted stock is a more appropriate and effective form of providing equity-based compensation to them. The use of restricted stock or restricted stock units is intended to foster a long-term focus on our performance and to provide the non-employee directors with a means to have an equity stake in Comcast which will, in turn, align their interests with those of our shareholders. Any awards of restricted stock granted to non-employee directors under the plan will have such terms and conditions as are set forth in the Comcast 2002 Non-Employee Director Compensation Plan, as described below.

In accordance with applicable Nasdaq rules, the Board is asking shareholders to approve the plan as so amended and restated. If the plan, as amended and restated, is not approved, non-employee directors will not be eligible to receive awards of restricted stock but the plan will otherwise remain in effect. In this case, non-employee directors will continue to receive grants of stock options under our stock option plans and the terms of our 2002 Non-Employee Director Compensation Plan.

Description of Our 2002 Restricted Stock Plan

The following is a summary of the material features of this plan, as they relate to non-employee directors. The following summary does not purport to be complete and is qualified in its entirety by reference to the terms of our 2002 Restricted Stock Plan, which is attached to this proxy statement as Appendix B.

Types of Awards; Eligibility. Awards of restricted stock and restricted stock units may be granted under the plan. Awards of restricted stock are shares of common stock which are awarded subject to such restrictions on transfer as the Compensation Committee or Board may establish. Awards of restricted stock units are units valued by reference to shares of common stock that entitle a participant to receive, upon the settlement of the unit, one share for each unit. Our employees and employees of our participating subsidiaries currently may receive awards under the plan. If the plan, as amended and restated, is approved, non-employee directors will also be eligible to receive awards under the plan. There are nine non-employee directors.

Shares Subject to the Plan. The aggregate maximum number of shares that may be issued pursuant to awards under the plan is 15,000,000 shares of Class A common stock, or, with respect to awards granted before our acquisition of the AT&T Broadband business as to which restrictions upon shares have not lapsed, Class A Special common stock. As of December 31, 2004, of this aggregate amount, 2,587,577 shares of Class A common stock and 6,721,779 shares of Class A Special common stock had been issued or reserved for issuance upon vesting of outstanding awards. Shares issued under the plan may be either treasury shares or shares originally issued for this purpose. Rights to receive shares forfeited pursuant to the terms of an award will be available again for grant under the plan. No individual may be awarded more than 1,000,000 restricted shares or restricted stock units in any calendar year. As of March 15, 2005, the fair market value of a share of Class A common stock and Class A Special common stock was \$33.91 and \$33.50, respectively.

Term of the Plan. No awards may be granted under the plan after February 26, 2013.

Administration. The plan is administered by the Compensation Committee. The Board is responsible for administering any awards granted to non-employee directors.

Terms of Awards. The terms and conditions of each award of restricted stock granted to a non-employee director will be determined under our 2002 Non-Employee Director Compensation Plan, which is administered by the Board and which previously was filed as an exhibit to one of our periodic reports. Our 2002 Non-Employee Director Compensation Plan currently provides that as of November 20, 2005 and each November thereafter, the Board will grant an award of restricted stock to each non-employee director having a fair market value on the date of grant of \$100,000. Non-employee directors who commence service after November 20 will also be eligible to receive awards of restricted stock upon commencement of service with us. These awards will have a fair market value on the date of grant ranging from \$25,000 to \$100,000, depending on the date the non-employee director commences service with us. Each award of restricted stock will be fully vested on the grant date. Awards of restricted stock will also contain other terms and conditions as determined by the Board.

Deferral. Each recipient of an award has the right to defer the receipt, subject to re-deferral, of any or all of the shares subject to an award under the terms and conditions as determined by the committee and the plan. Upon making an appropriate election, a portion of the deferred awards may be paid out in cash.

Withholding. Tax liabilities incurred in connection with the grant of an award or its vesting or lapse of restrictions or settlement will be satisfied by our withholding a portion of the shares subject to the award that have a fair market value approximately equal to the minimum amount of taxes required to be withheld by us under applicable law. Subject to certain conditions specified in the plan, a recipient of an award may elect to have taxes withheld in excess of the minimum amount required to be withheld or may satisfy his or her tax withholding in cash.

Adjustments. The aggregate number of shares under the plan, the class of shares as to which awards may be granted and the number of shares covered by each outstanding award are subject to adjustment in the event of a stock dividend, recapitalization or certain other corporate transactions.

Terminating Events. In the event of our liquidation or a transaction or series of transactions in which an unaffiliated third party acquires share ownership such that this person has the ability to direct the management of the company, as determined by the Board in its sole discretion, the committee may provide that upon consummation of such an event, any outstanding awards will vest in full or in part or that all restricted stock or restricted stock units which have been previously deferred be transferred to the recipient.

Amendment or Termination. The plan may be amended by the Board or the committee and may be terminated by the Board at any time. No award will be affected by any amendment or termination without the written consent of the recipient of the award.

New Plan Benefits. If the plan, as amended and restated, is approved and non-employee directors are eligible to participate in the plan, each non-employee director will receive an award of restricted stock on or about November 20, 2005 with a fair market value of \$100,000 on the date of grant. If the plan were in existence last year and awards were granted to each non-employee director on November 5, 2004, each non-employee director would have received the following restricted stock award:

Name	Shares Subject to Each Award
Non-Employee Director (9)	3,372

Federal Income Taxation

The following discussion is a summary of the material U.S. federal income tax consequences of restricted stock and restricted stock units granted under the plan.

Restricted Stock. Generally, the grant of an award of restricted stock that is subject to restrictions on transfer and a substantial risk of forfeiture is not a taxable event. The recipient of the award will recognize ordinary compensation income in each year in which restrictions on the award lapse and the award vests, in an amount equal to the fair market value of the shares of common stock received. An award of restricted stock that is fully vested on the grant date generally will be taxable to the recipient on such date. A recipient's basis for determining gain or loss on a subsequent disposition of these shares of common stock will be the amount the recipient must include in income when the restrictions lapse or when the award was granted, if not subject to restrictions. Any gain or loss recognized on a disposition of the shares of common stock generally will be short-term or long-term capital gain or loss depending on the length of time the recipient holds the shares.

Restricted Stock Units. Generally, the grant of an award of restricted stock units is not a taxable event. The recipient of the award will recognize ordinary compensation income in each year in which the units are settled, in an amount equal to the fair market value of the shares of common stock received. A recipient's basis for determining gain or loss on a subsequent disposition of these shares of common stock will be the amount the recipient must include in income when the units vest and are settled. Any gain or loss recognized on a disposition of the shares of common stock generally will be short-term or long-term capital gain or loss depending on the length of time the recipient holds the shares.

A recipient who makes a proper election to defer the receipt of shares received in settlement of an award of restricted stock or to defer the settlement of restricted stock units will not recognize income with respect to the shares or units until the end of the deferral period. At the end of the deferral period, the recipient will recognize ordinary compensation income equal to the fair market value of the shares of common stock issued at that time.

Section 83(b) Election. If a recipient of an award of restricted stock properly makes an election pursuant to Section 83(b) of the Internal Revenue Code of 1986, he or she will recognize ordinary compensation income equal to the fair market value of the shares of common stock at the time the shares are awarded, without taking into account the effect of the restrictions on the award. The recipient's basis for determining gain or loss on a subsequent disposition of shares will be the amount the recipient so included in income. Any gain or loss recognized on a disposition of shares of common stock which were subject to the Section 83(b) election will be short-term or long-term capital gain or loss, depending on the length of time since the date of the award. If, however, the recipient forfeits an award upon a termination of employment prior to the time the restrictions lapse, he or she will generally not be entitled to deduct any loss upon such forfeiture even though the recipient may have been required to include an amount in income by virtue of the Section 83(b) election.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR APPROVAL OF OUR 2002 RESTRICTED STOCK PLAN, AS AMENDED AND RESTATED.

SHAREHOLDER PROPOSALS

We received the following shareholder proposals. The proponent of each proposal has represented to us that the proponent has continuously held at least \$2,000 in market value of Class A common stock for at least one year and will continue to hold these securities through the date of the annual meeting.

For each of the shareholder proposals, other than adding a brief title for the proposal, we have included the proposal and shareholder's supporting statement exactly as we received it. Following each proposal, we explain why our Board recommends a vote **AGAINST** the proposal. Mr. Brian L. Roberts, as beneficial owner of all the outstanding shares of Class B common stock, has indicated that he intends to vote all of these shares against each of the four shareholder proposals.

PROPOSAL 4: TO DISCLOSE POLITICAL CONTRIBUTIONS

The following proposal and supporting statement were submitted by Mrs. Evelyn Y. Davis, Watergate Office Building, 2600 Virginia Avenue, N.W., Suite 215, Washington, D.C. 20037, who has advised us that she holds 160 shares of our common stock.

RESOLVED: That the stockholders recommend that the Board direct management that within five days after approval by the shareholders of this proposal, the management shall publish in newspapers of general circulation in the cities of New York, Washington, D.C., Detroit, Chicago, San Francisco, Los Angeles, Dallas, Houston and Miami, and in the Wall Street Journal and U.S.A. Today, a detailed statement of each contribution made by the Company, either directly or indirectly, within the immediately preceding fiscal year, in respect of a political campaign, political party, referendum or citizens initiative, or attempts to influence legislation, specifying the date and amount of each such contribution, and the person or organization to whom the contribution was made. Subsequent to this initial disclosure, the management shall cause like data to be included in each succeeding report to shareholders. And if no such disbursements were made, to have that fact publicized in the same manner.

REASONS: This proposal, if adopted, would require the management to advise the shareholders how many corporate dollars are being spent for political purposes and to specify what political causes the management seeks to promote with those funds. It is therefore no more than a requirement that the shareholders be given a more detailed accounting of these special purpose expenditures that [sic] they now receive. These political contributions are made with dollars that belong to the shareholders as a group and they are entitled to know how they are being spent.

Last year the owners of 14,881,932 shares, representing approximately 5% of shares voting, voted FOR this proposal. If you AGREE, please mark your proxy FOR this resolution.

**Our Comments Regarding the Proposal
to Disclose Political Contributions**

Proponent's stated reason for presenting proposal 4 is to provide disclosure of corporate dollars being spent for political purposes out of concern that political contributions may be made with dollars that belong to the shareholders as a group. In fact, federal law prohibits all corporations from making direct or indirect contributions to candidates or political parties at the federal level, and many states' laws regulate and limit such activities at the state level. Although we sponsor political action committees, as permitted by law, that make contributions to political candidates, parties and public officials whose views are consistent with our long-term legislative and regulatory goals relating to our industry or the communities we serve, these committees are funded solely from voluntary contributions made by our employees and others. Accordingly, corporate dollars spent for this purpose are, at both the federal and state level, generally limited to the costs associated with administering these committees. In addition, although in a limited number of states we may from time to time make direct political contributions to candidates for state or local office, the aggregate amount of our direct corporate contributions is insignificant.

The proponent seeks information concerning dollars being spent for political purposes for the purpose of accounting for corporate political expenditures. Specifically, the proposal calls for a detailed accounting of each contribution, including the date of the contribution, the amount of the contribution and the recipient of the contribution. As described above, we sponsor political action committees and may make direct contributions in a limited number of states to state or local office candidates. All contributions made by our committees are disclosed periodically in reports with the Federal Election Commission and applicable state authorities. In addition, with respect to any direct contributions to state or local candidates, most states that permit contributions by corporations require such contributions to be reported once a threshold amount is reached and require similar reporting on the part of the candidates who received such contributions. Reports filed with the Federal Election Commission and state authorities generally contain all the information called for by proposal 4, including the date of the contribution, the amount of the contribution and the recipient of the contribution. These reports are typically available to the public, and many of these reports are available free of charge over the Internet. For example, all reports filed with the Federal Election Commission are available at www.fec.gov, and resources such as www.fecinfo.com and www.opensecrets.org compile federal and state political contribution data in a searchable format. Accordingly, those shareholders who are interested in reviewing online our corporate political expenditures and the expenditures of our political action committees already have access to certain of this information.

The Board believes that proposal 4 is unnecessary because the amount of corporate dollars spent on political contributions is insignificant and shareholders already have access to information of the sort called for by proposal 4.

FOR THESE REASONS, THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THIS PROPOSAL.

**PROPOSAL 5: TO REQUIRE THAT THE CHAIRMAN OF THE BOARD
NOT HAVE MANAGERIAL RESPONSIBILITIES**

The following proposal and supporting statement were submitted by Mr. Richard A. Dee, 115 East 89th Street, New York, NY 10128, who has advised us that he holds 88 shares of our common stock.

Stockholders hereby request that the Comcast Board of Directors adopt promptly a resolution requiring that the Chairman of the Board serve in that capacity only and have no management duties, titles, or responsibilities.

When a person acts, for example, both as a corporation's Chairman and its CEO, a vital separation of power and responsibility is eliminated and the owners of the corporation, its stockholders, are deprived not only of a crucial protection against conflicts of interest, they are deprived of a clear and direct channel of communication with the corporation.

What stockholder-damaging conflicts of interest can be more serious than those that so often occur when overseers are allowed to oversee and supervise themselves? When a corporation's Chairman is also its CEO, such conflicts can and do happen.

It is well to remember that at Enron, WorldCom, Tyco, and other legends of mismanagement and/or corruption, the Chairmen also served as CEOs. And their dual roles helped those individuals to achieve virtually total control of the companies.

Clearly, when a Chairman runs a company, the information received by directors and others may or may not be accurate. If a CEO wants to cover up corporate improprieties, how difficult is it to convince subordinates to go along? If they disagree, with whom do they lodge complaints? The Chairman?

As banker, investment banker, and a concerned and outspoken investor, my experience with corporate Chairmen, Presidents, CEOs, CFOs, counsels, and directors has been very considerable. And I do not come lately to Corporate Governance. The term was new in 1979 when I originated and sponsored the first such proposal ever voted upon at 3M Company, calling upon it to reconstitute its board so that a majority would be non-management Outside Directors.

Few individual stockholders know enough about companies to question their activities, and institutional investors, many of whom know just as little, are too busy currying favor with managements to have the guts to question them and thereby risk loss of access to the very profitable Inside Information Superhighway. That combination of stockholders has proven a recipe for disaster.

Stockholders must continue to expect the unexpected unless and until they help cause company boards to be composed of substantial majorities of independent and objective outside directors who are particularly well-qualified to serve their interests and until those directors select as chairmen those who are similarly independent of managements.

While individual stockholders are responsible only to themselves, institutional stockholders are responsible to millions of investors. All too often they have betrayed not only their moral obligations, but their duties as fiduciaries.

Efforts to improve Corporate Governance have been embodied increasingly in stockholder proposals such as this which have been opposed almost universally by institutional stockholders. It is time for those whose financial futures are in the hands of money managers to inform those fiduciaries that they expect them to recognize their duties and to fulfil their legal obligations. There is no other priority. Voting in favor of this proposal will help.

Please vote FOR this proposal.

**Our Comments Regarding the Proposal to
Require that the Chairman of the Board not Have Managerial Responsibilities**

The Board of Directors believes that Comcast and its shareholders are best served by having Brian L. Roberts serve as Chairman and CEO because he is the most qualified and appropriate individual to lead the Board as Chairman. The Board also believes that Board independence and oversight of management are effectively maintained through the Board's current composition, committee system and composition and policy of having regular executive sessions of only independent, non-employee directors that are led by our Presiding Director (the identity of whom rotates annually among the Chairs of the Compensation, Governance and Directors Nominating and Audit Committees). Furthermore, having one individual perform the role of Chairman and CEO is both consistent with the practice of many major companies and not restricted or prohibited by current laws (including the Sarbanes-Oxley Act of 2002 and recently promulgated SEC regulations). For all of these reasons, the Board does not believe that splitting the roles of Chairman of the Board and Chief Executive Officer would enhance the Board's independence or performance.

Only three of the twelve members of Comcast's Board of Directors are currently employees of Comcast, and all of Comcast's Board Committees, other than the Executive and Finance Committee, are composed of all non-employee independent directors. Following the annual meeting, if all director nominees are elected to serve as our directors, the Comcast Board will be two-thirds independent. Therefore, there are ample outside directors to offer critical review of management plans. Furthermore, in accordance with Comcast's corporate governance guidelines, Mr. Roberts has his performance evaluated annually by the independent directors in an executive session.

Our directors, including the Chairman of the Board, are also bound by fiduciary obligations under law to act in a manner that they believe to be in the best interests of Comcast and its shareholders. Separating the offices of Chairman of the Board and Chief Executive Officer would not serve to augment or diminish the fiduciary duties of any officer of Comcast.

Rather, the Board believes that Mr. Roberts, in his capacities as Chairman and CEO, serves as a bridge between the Board and management and provides critical leadership for carrying out Comcast's strategic initiatives and confronting its challenges. In short, the Board currently believes that a Chairman of the Board who is a member of Comcast's management team is better situated to execute Comcast's strategy and business plans to maximize shareholder value.

For these reasons, the Board believes that the adoption of a rigid policy requiring the election of a non-management Chairman of the Board is not in the best interests of Comcast's shareholders.

FOR THESE REASONS, THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THIS PROPOSAL.

**PROPOSAL 6: TO ELIMINATE SHAREHOLDER RIGHTS PLAN UNLESS
SHAREHOLDER APPROVAL IS RECEIVED**

The following proposal and supporting statement were submitted by the Board of Trustees of the International Brotherhood of Electrical Workers Pension Benefit Fund, 1125 Fifteenth Street, N.W., Washington, D.C. 20005, which has advised us that it holds shares of our common stock valued at more than \$2,000.

RESOLVED, Shareholders of the Comcast Corporation (the Company) request that the Board of Directors redeem the Rights Agreement dated as of November 18, 2002 unless such plan is approved by a majority vote of shareholders to be held as soon as may be practicable.

Supporting Statement

On November 18, 2002 the Board adopted a shareholder rights plan of the type commonly know as a poison pill. This plan is an anti-takeover device that can adversely affect shareholder value by discouraging takeovers that could be beneficial to shareholders. Shareholders were not given the opportunity to approve this plan in a separate vote. Unless redeemed, this plan will remain in existence until 2012.

We believe poison pills, unless approved by shareholders, may serve to entrench management at the expense of shareholders. While management and the Board should have appropriate tools to ensure that all shareholders benefit from any proposal to buy the Company, we do not believe that the possibility of an unsolicited bid justifies the unilateral implementation of such a device. For this reason, we urge the Board not to renew the rights plan or adopt a new plan without first seeking shareholder approval.

According to the 1991 book *Power and Accountability* by Nell Minow and Robert Monks: All poison pills raise questions of shareholder democracy and the robustness of the corporate governance process. They amount to major de facto shifts of voting rights away from shareholders to management, on matters pertaining to the sale of the corporation. They give target boards of directors absolute veto power over any proposed business combination, no matter how beneficial it might be for the shareholders...

A study by researchers at Harvard Business School and the University of Pennsylvania's Wharton School titled *Corporate Governance and Equity Prices* (Quarterly Journal of Economics, February 2003) looked at the relationship between corporate governance practices (including poison pills) and firm performance. The study found a significant positive link between governance practices favoring shareholders and firm value, though the study did not break out the impact of individual governance practices.

We believe investors increasingly favor requiring shareholder approval of poison pills. The Council of Institutional Investors, an organization of over 130 pension funds whose assets exceed \$3 trillion, has called for shareholder approval of poison pills. According to the Investor Responsibility Research Center, in 2004 a majority of shareholders voted in favor of redeeming or requiring shareholder approval of poison pills at over three-dozen companies, including AT&T, Bank of New York, Whole Foods Market, and Home Depot.

We urge stockholders to vote FOR this resolution.

**Our Comments Regarding the Proposal to
Eliminate Shareholder Rights Plan Unless Shareholder Approval is Received**

The foregoing proposal asks the Board to redeem Comcast's shareholder rights plan unless the plan is approved by a majority of Comcast's shareholders. The Board, however, currently believes the rights plan to be in the best interests of Comcast and its shareholders. As a result, while the Board will reevaluate the rights plan periodically, the Board does not believe that it would be appropriate, in the absence of a specific and acceptable acquisition proposal, to redeem the rights plan now or to present the rights plan to shareholders for approval.

Comcast's shareholder rights plan was adopted by our Board of Directors in accordance with Pennsylvania law, which does not require a shareholder vote for a corporation to adopt such a plan. The rights plan protects Comcast's shareholders by requiring a potential acquirer to negotiate in good faith with the Board, as opposed to employing coercive takeover tactics. This enables the Board to negotiate a more favorable transaction that is fair to shareholders.

Comcast's rights plan is not intended to prevent a takeover of Comcast, nor does it change or diminish the fiduciary obligations of the Board in considering a sale of the company. Rather, the rights plan strengthens the ability of the Board to fulfill its fiduciary duties under Pennsylvania law and to obtain higher value for Comcast's shareholders. Comcast's Board is not alone in its determination of the value of shareholder rights plans. The Board observes that approximately 2,000 other U.S. corporations have adopted a rights plan, virtually all without shareholder approval, and over 50% of the S&P 500 companies also have such plans.

The benefits to shareholders of a rights plan have also been validated by empirical data, which suggests that premiums paid to acquire target companies with rights plans are higher than premiums paid for target companies that do not have rights plans. For example, a 1997 Georgeson & Company study of takeover premiums during the period from 1992 to 1996 estimated that premiums paid to acquire target companies with rights plans were, on average, 8% higher than premiums paid for target companies that did not have rights plans. The Georgeson & Company study concluded that the presence of a rights plan did not increase the likelihood of the defeat of a hostile takeover bid or the withdrawal of a friendly bid, nor did rights plans reduce the likelihood that a company would become a takeover target; the takeover rate was similar for companies with and without rights plans. The same study also concluded that companies with rights plans received higher premiums regardless of whether the takeover was friendly or hostile.

In short, the core issue posed by the proponent's proposal is whether Comcast's shareholders can rely on the Board to perform its fiduciary duties and use the rights plan properly if and when the need arises to protect their interests. The Board's guiding principle in all aspects of its business is to maximize shareholder value and the Board currently believes that the rights plan remains an important component of its ability to achieve this objective.

FOR THESE REASONS, THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST THIS PROPOSAL.

PROPOSAL 7: TO ADOPT A RECAPITALIZATION PLAN

The following proposal and supporting statement were submitted by the Communications Workers of America Members Relief Fund, 501 Third Street, N.W., Washington, D.C. 20001-2797, which has advised us that it holds 10,500 shares of our common stock.

RESOLVED: The stockholders request that the Board of Directors take the steps that may be necessary to adopt a recapitalization plan that would provide for all of the Company's outstanding stock to have one vote per share.

Supporting Statement

Comcasts capital structure gives Brian L. Roberts a disproportionate and nondilutable percentage of the stockholder votes. He had one-third of the voting power at the 2004 Annual Meeting, despite the fact that he was the beneficial owner of just 9.44 million shares of the Class B common, or less than one percent of the Comcast's total market value. In contrast, Comcasts 1.35 billion shares of Class A common had two-thirds of the aggregate voting power.

Mr. Roberts' nondilutable percentage of the total was maintained by giving the Class A common just 0.2086 votes per share. This means the Class B shares had about 75 times the voting power of each Class A share.

We believe this disproportionate voting power presents a significant danger to the stockholders. As Louis Lowenstein has observed, dual-class voting stocks reduce accountability for corporate officers and insiders. *What's Wrong With Wall Street* (1988). They eliminate checks or balances, except for fiduciary duty rules that reach only the most egregious sorts of behavior. 1989 *Columbia Law Review* 979, 1008.

The danger of such disproportionate power is illustrated, in our view, by the charges of fraud that have recently been brought against the top executives of Adelphia Communications and Hollinger International. Like Comcast, each of those media companies had a capital structure that gave disproportionate voting power to one or more insiders. We believe those capital structures were a factor that contributed to the alleged frauds by reducing accountability.

Comcast's current capital structure has other disadvantages. It could hinder acquisitions of the Walt Disney Company, or other companies, that are now governed on the one share-one vote principle. It also could make it more difficult to raise additional capital, because some persons, like Nell Minow, the editor of *The Corporate Library*, would never buy or recommend non-voting or limited voting stock. (*USA Today*, May 17, 2004)

With a market capitalization in excess of \$63 billion, Comcast may be the largest public company with a multiple-class capital structure. In our view, this large capitalization magnifies the danger to investors that is inherent in Comcasts current capital structure.

This proposal won about 31% of the votes that were cast for and against at the 2004 Annual Meeting. Moreover, if all of the Class B common is subtracted from that count, it appears that the proposal won a 52.3% majority of the remaining Class A shares held by public investors.

Raytheon, Readers Digest, Church & Dwight, Fairchild Semiconductor, and other companies have eliminated stocks with disparate voting rights in order to provide each share of their common stock with a single vote. We believe Comcast should also take this step in order to align the voting power of our stockholders with their economic interests in the enterprise.

**Our Comments Regarding the Proposal
to Adopt a Recapitalization Plan**

The dual voting class structure of Comcast has existed since Comcast went public in 1972. Prior to our acquisition of AT&T Corp.'s broadband business in November 2002, Mr. Brian L. Roberts beneficially owned Comcast stock representing approximately 87% of the combined voting power of all Comcast stock. In connection with that transaction, Mr. Roberts agreed to reduce his voting interest to a 33¹/₃% nondilutable interest. Without this concession, the AT&T Broadband transaction, which has proven so beneficial to Comcast, would not have been possible. Moreover, at the AT&T Corp. shareholders meeting relating to the AT&T Broadband transaction, the AT&T shareholders not only approved the AT&T Broadband transaction as a whole but also separately approved the governance terms of that transaction, which approval was a condition to completing the AT&T Broadband transaction. In fact, approximately 92% of the AT&T shareholders voting on the governance proposal voted to approve it.

The Board believes that the historical success of Comcast is owed in large part to the respected and stable leadership provided by Mr. Roberts and the Roberts family. Through their leadership and focus on long-term growth, Comcast has a proven track record for creating shareholder value. Our shares have outperformed leading stock indices by significant margins, including the S&P 500 by a margin of approximately 2 to 1 since Comcast went public in 1972. The Board also believes that Mr. Roberts and the Roberts family have been, and will continue to be, crucial to the long-term success of Comcast's business and position of financial strength.

The Board also believes that Comcast's history of being able to successfully raise capital for acquisitions and its other business needs evidences that the dual voting class structure does not impair Comcast's ability to raise additional capital or acquire other companies.

Finally, under Pennsylvania law and our Restated Articles of Incorporation, no recapitalization that affects the voting rights of our Class B common stock can be effected without the separate approval of Mr. Brian L. Roberts, as beneficial owner of our Class B common stock.

**FOR THESE REASONS, THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS
VOTE AGAINST THIS PROPOSAL.**

- (8) Represents the number of shares of QVC common stock that were issuable upon the exercise of options granted to certain named executive officers by the compensation committee of the QVC board of directors pursuant to the QVC stock option and stock appreciation rights plan. As a result of the sale of our interest in QVC, all options to purchase QVC common stock held by our employees were cancelled in exchange for a cash payment (or deferred cash payment plus interest) from us equal to the difference between the value of the consideration we received in the sale for each share of QVC we owned and the exercise price of the option.
- (9) Represents the number of shares of Class A Special common stock issuable upon the exercise of options.

(1) Options are for the purchase of shares of Class A common stock and were granted on March 9, 2004 under our stock option plans. All options granted in 2004 have exercise prices equal to the fair market value of the underlying shares on the date of grant. Options granted in 2004 become exercisable at the rate of 30% of the shares covered thereby on the second anniversary of the date of grant, another 15% on each of the third, fourth and fifth anniversaries of the date of grant, another 5% on each of the sixth through ninth anniversaries of the date of grant and 5% six months prior to the tenth anniversary of the date of grant.

(2) These amounts represent the estimated present value of options at the date of grant calculated using the Black-Scholes option-pricing model, based upon the following assumptions used in developing the grant valuations: an expected volatility of approximately 28.8%; an expected term to exercise of seven years; an interest rate of approximately 3.4%; and no dividend yield. The actual value of these options, if any, realized by an executive officer will depend on the extent to which the market value of the Class A common stock exceeds the exercise price of the option on the date the option is exercised. Consequently, there is no assurance that the value realized by a named executive officer will be at or near the value estimated above. These amounts should not be used to predict share performance.

Mr. Smith realized the value shown above upon the exercise of options to purchase 250,000 shares of Class A Special common stock. In addition, the receipt of 53,439 shares of Class A Special common stock to be issued to Mr. Smith, resulting from the exercise on July 2, 2004 of options to purchase 49,312 shares at an exercise price of \$10.5834 per share and options to purchase 37,214 shares at an exercise price of \$9.5625 per share, net of 1,284 shares withheld to satisfy certain tax obligations, was deferred until October 7, 2005 pursuant to our Deferred Stock Option Plan. The per share fair market value of such shares on July 2, 2004 was \$27.60. The value ultimately realized with respect to such shares will be determined based upon the fair market value of such shares upon their issuance to Mr. Smith. If such shares (and such withheld shares) had been issued to Mr. Smith on the date of exercise, the aggregate value realized by him with respect to such shares would have been \$1,510,370, which amount is not included in the table above.

- (2) Mr. Alchin realized the value shown above upon the exercise of options to purchase 397,195 shares of Class A Special common stock. In addition, the receipt of 55,332 shares of Class A Special common stock to be issued to Mr. Alchin, resulting from the exercise on July 8, 2004 of options to purchase 60,900 shares at an exercise price of \$10.5834 per share and options to purchase 29,832 shares at an exercise price of \$9.5625 per share, net of 1,329 shares withheld to satisfy certain tax obligations, was deferred until August 2, 2006 pursuant to our Deferred Stock Option Plan. The per share fair market value of such shares on July 8, 2004 was \$27.29. The value ultimately realized with respect to such shares will be determined based upon the fair market value of such shares upon their issuance to Mr. Alchin. If such shares (and such withheld shares) had been issued to Mr. Alchin on the date of exercise, the aggregate value realized by him with respect to such shares would have been \$1,546,279, which amount is not included in the table above.

Pension Plan

Under our Supplemental Executive Retirement Plan, adopted July 31, 1989, supplemental retirement, death and disability benefits may be paid to or in respect of certain of our and our affiliated companies' senior executives, as selected by the Board. Mr. Ralph J. Roberts (who is credited with 30 years of service, the maximum credited service allowed under the Supplemental Executive Retirement Plan) is the only current named executive officer selected by the Board to participate in the Supplemental Executive Retirement Plan. The Supplemental Executive Retirement Plan contemplates the payment of various percentages of a participant's final average compensation (as actuarially reduced, in certain circumstances, and as defined below) if the participant: (i) elects to retire early (after the later of the participant's 55th birthday or 20 years of service with us); (ii) retires at age 65 or after; (iii) suffers a permanent disability which renders the participant incapable of employment in the same or a similar occupation; or (iv) dies. A participant may elect a reduction in lifetime benefits in exchange for the continuation of payments to a surviving spouse or his designated beneficiary.

This table shows the annual single life annuity retirement benefit which Mr. Ralph J. Roberts would receive based on remuneration covered by, and years of service credited under, the Supplemental Executive Retirement Plan if he had retired on January 1, 2005 at age 65 (or older). The benefits shown below are subject to reduction for Social Security benefits.

Compensation includes salary, bonus (including any deferred bonus) and any other supplementary remuneration, but excludes payments made to participants for split-dollar life insurance premium bonuses and payments made to offset tax liabilities incurred related to these bonuses. In the case of Mr. Ralph J. Roberts, final average compensation may, under some circumstances, be increased as described below in *Agreements with Executive Officers and Directors Compensation Agreement with Mr. Ralph J. Roberts Election to Become a Consultant* .

Compensation Agreement with Mr. Brian L. Roberts

We have entered into a compensation agreement with Mr. Brian L. Roberts, our Chairman and CEO. The following is a description of the material terms of this agreement, as amended.

Term. The term of the compensation agreement is from June 16, 1998 through the date of our 2005 annual meeting of shareholders.

Base Salary. Mr. Roberts will receive an annual base salary of \$2 million, as adjusted (but not reduced, except pursuant to an overall plan to reduce the compensation of all our senior executive officers) from time to time to reflect his contribution to our growth and success.

Bonus; Stock Awards. Mr. Roberts is eligible to receive an annual performance bonus, payable in cash, of up to 150% of his base salary for the applicable year. The amount of the bonus is determined annually by the Compensation Committee, in accordance with, and upon satisfaction of, the standards contained in our Executive Cash Bonus Plan. Mr. Roberts is also eligible to participate in our Supplemental Cash Bonus Plan.

Deferred Compensation. With our consent, Mr. Roberts may cause the payment of all or a portion of the compensation payable to him to be deferred in accordance with and subject to our deferred compensation plans.

Termination. The compensation agreement will terminate upon the death of Mr. Roberts, at our option upon his disability or for cause, upon a vote of not less than three-fourths of the entire membership of the Board. If his employment is terminated by reason of his death or disability, we must continue to pay his annual base salary on a monthly basis for five years to him or, upon his death, to his spouse for so long as she is living. In addition, upon Mr. Roberts' death, we have agreed to provide health plan benefits to Mr. Roberts' spouse during her lifetime. If we terminate his employment in violation of the compensation agreement, he remains entitled to substantially all of the benefits under the compensation

agreement (e.g., salary, annual bonus and health plan benefits) for the original remaining term of the agreement. If Mr. Roberts' employment is terminated on or after the occurrence of a change of control, this termination cannot be treated as a termination for cause under the agreement.

Noncompetition and Confidentiality. Mr. Roberts has agreed not to compete with us during his employment and for two years after termination of his employment. He is also required to maintain the confidentiality of our information and not to use such information except for our benefit. Breach by Mr. Roberts of any of these obligations constitutes cause for termination of the compensation agreement.

Term Life Insurance Agreement with Mr. Roberts. We have entered into a Term Life Insurance Premium and Tax Bonus Agreement dated as of September 23, 1998 with Mr. Roberts. This agreement provides that, as additional compensation to him, we will reimburse him for all of the premiums on certain specified 20- and 15-year level-premium term life insurance policies, and that we will pay him an additional bonus equal to the income tax payable on such reimbursement and the bonus. The annual amount of the premiums to be reimbursed under this agreement is approximately \$189,000 through 2012 and \$177,000 from 2013 through 2017. The Term Life Insurance Premium and Tax Bonus Agreement does not terminate upon termination of Mr. Roberts' employment with us.

Change of Control Provisions. Prior to any change of control, we must establish and fund a grantor trust, the amounts in which will be subject to claims of our creditors in the case of our bankruptcy, for the purpose of paying all compensation, deferred compensation and term life insurance premiums and bonuses for Mr. Roberts then applicable. Upon the occurrence of a change of control, such trust must become irrevocable and we must continue to make payments into such trust to maintain sufficient amounts to fund all benefits subject to the trust. While our acquisition of the AT&T Broadband business in November 2002 was a change of control under the compensation agreement, Mr. Roberts elected to waive his right to have us fund the trust at that time; however, Mr. Roberts may exercise this right at any time by providing notice to us.

Employment Agreement with Mr. Burke

We have entered into an employment agreement with Mr. Stephen B. Burke, our Executive Vice President, Chief Operating Officer and President of Comcast Cable. As of January 1, 2004, we amended and restated Mr. Burke's employment agreement. The following is a description of the material terms of this agreement.

Term. The term of the agreement is from January 1, 2004 through December 31, 2008.

Base Salary. The agreement provides for a base salary of \$1,225,230 in 2004. For each year in the term subsequent to 2004, the base salary is increased by the greater of 5% or the percentage increase during the previous year in the consumer price index (up to a maximum of 10%).

Bonus. Mr. Burke is eligible to receive an annual cash performance bonus of 50% of his base salary under our Executive Cash Bonus Plan, commencing in 2004, as well as a cash bonus of 50% under our Supplemental Cash Bonus Plan in each of 2004 and 2005. He also received a one-time bonus of \$3,032,000 at the time he entered into the agreement. If any part of Mr. Burke's compensation payable with respect to any taxable year is not deductible by us by reason of the limitation contained in Section 162(m) of the Internal Revenue Code of 1986, we will only pay amounts to the extent deductible. Amounts not paid will be deferred until a later taxable year.

Stock Award. Under the terms of Mr. Burke's agreement, he received an award of 300,000 restricted shares of Class A common stock on January 12, 2004. 100,000 of these shares will vest on January 2, 2005, and 50,000 of these shares will vest on each of January 2, 2006, 2007, 2008 and 2009, subject to continued employment with us.

Termination. If we terminate Mr. Burke's employment without cause, he is entitled to receive his then-current base salary and all insurance, medical or other similar benefits for a period of two years from the date of termination, subject to offset by other compensation or benefits earned by him during such

period, and he is entitled to receive his bonus for the year of termination. He is also entitled to receive any restricted shares that would have vested within the one-year period after termination. If Mr. Burke terminates his employment for good reason, he will receive the same benefits as he would have if we had terminated his employment without cause. If he resigns, he is entitled only to his base salary for days actually worked and any amounts due to him under our deferred compensation plans.

Noncompetition and Confidentiality. Mr. Burke has agreed not to compete with us during his employment and for one year after termination of his employment. The agreement also requires him to maintain the confidentiality of our information and not to use such information, except for our benefit, at all times during his employment and for a period of one year after termination of his employment.

Change of Control Provisions. Under the agreement, we must give Mr. Burke at least ten days' notice prior to the anticipated date of a change of control. Upon receipt of this notice, all options held by Mr. Burke will become immediately exercisable in full. Until the day before the date of a change of control, he will be able to exercise all such options. If the change of control is not consummated, the options will be treated as not having been exercised.

Compensation Agreement with Mr. Ralph J. Roberts

We have entered into a compensation agreement with Mr. Ralph J. Roberts, the founder of Comcast and Chairman of the Executive and Finance Committee of the Board. The following is a description of the material terms of this agreement, as amended.

Term; Position. The term of the compensation agreement is from August 31, 1998 to December 31, 2007. The compensation agreement provides that Mr. Roberts will serve as Chairman of the Executive and Finance Committee of the Board until such time as he may elect to change his status to that of a non-executive consultant, and that until he makes such election he will continue to devote substantially all of his working time to us.

If Mr. Roberts elects to become a non-executive consultant, he will devote such time as is necessary to perform the functions we reasonably request. In addition, for a period of five years following any termination of the service period of the compensation agreement, Mr. Roberts will perform such reasonable ceremonial functions as we may request and will promote our interests and goodwill as we may reasonably request.

Base Salary. The compensation agreement provides that Mr. Roberts will receive an annual base salary of \$1.6 million, as adjusted (but not reduced, except pursuant to an overall plan to reduce the compensation of all our senior executive officers) in order to reflect the greater of increases in the consumer price index subsequent to 1997 and the average percentage increase in the base compensation of our five employees (other than Mr. Ralph J. Roberts) with the highest base compensation during the preceding year.

Bonus. So long as he continues to serve as one of our executive officers, Mr. Roberts will be eligible to receive annual bonuses of up to 50% of his base salary in accordance with our Executive Cash Bonus Plan, based on performance targets established by the Compensation Committee. Mr. Roberts is also eligible to participate in our Supplemental Cash Bonus Plan.

Split-Dollar Life Insurance. The compensation agreement requires that we continue to provide and maintain the split-dollar life insurance provided to Mr. Roberts under a previous agreement and to provide additional survivorship split-dollar life insurance to Mr. Roberts and his spouse. Such split-dollar life insurance includes certain split-dollar life insurance provided to replace the potential benefits represented by a prior terminated discretionary bonus plan with respect to the appreciation through March 15, 1994 in the options for Class A Special common stock previously awarded to Mr. Roberts, taking into account our financial position and the tax deductibility of any such payments. Under the compensation agreement and the terms of the split-dollar life insurance arrangements, we are obligated to pay the whole-life portion of the annual premiums for certain single-life and joint-and-survivor life insurance policies for Mr. Roberts, and upon payment of the policies at the death of Mr. Roberts or of the survivor of Mr. Roberts and his

spouse, as applicable, we recover all of the cumulative premiums previously paid by us for the whole-life portion of such policies. As of July 30, 2002, due to considerations raised by the Sarbanes-Oxley Act of 2002, we ceased to pay the premiums associated with Mr. Roberts' split-dollar life insurance policies. We have calculated the amount of the required premiums not paid and, in exchange for Mr. Roberts waiving our obligation to pay certain past and all future premium payments under the compensation agreement and the split-dollar life insurance policies and the benefit to us of not having to make these premium payments, on January 30, 2004, the Compensation Committee granted Mr. Roberts an award of 423,347 restricted shares of Class A common stock, one-third of which vest on each of January 2, 2005, 2006 and 2007 or upon his death, if earlier.

Supplemental Death Benefit. Upon the death of Mr. Roberts, the compensation agreement requires us to pay a supplemental death benefit to a beneficiary designated by Mr. Roberts. The compensation agreement substituted this death benefit for two bonus arrangements of comparable value included in a prior agreement that were based on appreciation of Class A common stock from the date of grant of options to purchase Class B common stock to the date of exercise. We must pay the death benefit within six months from the date of Mr. Roberts' death. Under the terms of the compensation agreement, Mr. Roberts requested that we invest portions of the death benefit in certain investments identified by Mr. Roberts. We have complied with Mr. Roberts' request, and the amount of the death benefit has been adjusted to reflect the increase or decrease in value of any such investments. As of December 31, 2004, the amount of the death benefit was approximately \$36.4 million.

Termination. The compensation agreement will terminate upon Mr. Roberts' death, at our option upon his disability or for cause, upon a vote of not less than two-thirds of the entire membership of the Board. If his employment is terminated by reason of his death or disability, we must continue to pay his annual base salary on a monthly basis for five years to him or, upon his death, to his spouse for so long as she is living. Upon Mr. Roberts' death, we have agreed to provide health plan benefits to Mr. Roberts' spouse during her lifetime. In addition, the death benefit described above will continue to be payable in accordance with its terms and all of his outstanding stock options will vest fully and remain exercisable for their remaining terms. If we terminate his employment in violation of the compensation agreement, he will remain entitled to substantially all of the benefits under the compensation agreement (e.g., salary, annual bonus and health plan benefits) for the original remaining term of the agreement. If Mr. Roberts' employment is terminated on or after the occurrence of a change of control, this termination cannot be treated as a termination for cause under the agreement.

Noncompetition and Confidentiality. Mr. Roberts has agreed not to compete with us during his employment and for five years after termination of his employment. The compensation agreement also requires him to maintain the confidentiality of our information and not to use such information, except for our benefit, at all times during his employment and after termination of his employment. Breach by Mr. Roberts of any of these obligations constitutes cause for termination of the compensation agreement.

Change of Control Provisions. Prior to any change of control, we must establish and fund a grantor trust, the amounts in which will be subject to claims of our creditors in the case of our bankruptcy, for the purpose of paying all deferred compensation, nonqualified retirement benefits and split-dollar life insurance premiums and bonuses for Mr. Roberts then applicable. Upon the occurrence of a change of control, such trust must become irrevocable, and we must continue to make payments into such trust to maintain sufficient amounts to fund all benefits subject to the trust. While our acquisition of the AT&T Broadband business in November 2002 was a change of control under the compensation agreement, Mr. Roberts elected to waive his right to have us fund the trust at that time; however, Mr. Roberts may exercise this right at any time by providing notice to us.

Election to Become a Consultant. Mr. Roberts may at any time, upon 30 days' notice to us, elect to change his position from an executive to a consultant. In such event, he will continue to receive all of the compensation provided under the compensation agreement, other than the bonus to which he would otherwise be entitled under our Executive Cash Bonus Plan. If he elects to become a consultant, Mr. Roberts' entitlement to retirement benefits under our Supplemental Executive Retirement Plan will be

adjusted annually to reflect 150% of his base salary as a consultant, but his benefits under such plan will not in any event exceed the bonus he could have received under the compensation agreement had he continued to work as an executive.

Employment Agreements with Messrs. Smith and Alchin

We have entered into employment agreements with Mr. Lawrence S. Smith, our Executive Vice President and Co-Chief Financial Officer and Mr. John R. Alchin, our Executive Vice President, Co-Chief Financial Officer and Treasurer. The following is a description of the material terms of these agreements.

Term. The term of the agreements is from May 31, 2000 through December 31, 2005.

Base Salary. The agreements with Messrs. Smith and Alchin provide for a base salary of \$825,000 and \$700,000, respectively, in 2001. In each case, for each year in the term subsequent to 2001, the base salary is increased by the greater of 5% or the percentage increase during the previous year in the consumer price index (up to a maximum of 10%).

Bonus. Each of the executives is eligible to receive an annual performance bonus under our Executive Cash Bonus Plan, commencing in 2000, of up to 50% of his base salary for the applicable year. The amount of the bonus is determined annually by the Compensation Committee, based on our and the executive's performance during such year, and is payable in cash or in shares of Class A Special common stock, at the discretion of the Compensation Committee. Each executive also participates in our Supplemental Cash Bonus Plan. If any part of the executive's compensation payable with respect to any taxable year is not deductible by us by reason of the limitation contained in Section 162(m) of the Internal Revenue Code of 1986, we will only pay amounts to the extent deductible. Amounts not paid will be deferred until a later taxable year.

Termination. If we terminate the executive's employment without cause, he is entitled to receive his then-current base salary and all insurance, medical or other similar benefits for a period of two years from the date of termination, subject to offset by other compensation or benefits earned by him during such period, and he is entitled to receive his bonus for the year of termination. If the executive resigns, he is entitled only to his base salary for days actually worked and any amounts due to him under our deferred compensation plans.

Noncompetition and Confidentiality. Under each of the agreements, the executive has agreed not to compete with us during his employment and for one year after termination of his employment. The agreements also require each executive to maintain the confidentiality of our information and not to use such information, except for our benefit, at all times during his employment and for a period of one year after termination of his employment. Breach by the executive of any of these obligations constitutes cause for termination of the agreement and terminates our obligations for payments subsequent to his termination.

Change of Control Provisions. Under each of the agreements, we must give the executives at least 30 days' notice prior to the anticipated date of a change of control. Upon receipt of this notice, all options held by the executives will become immediately exercisable in full. Until the day before the date of a change of control, the executives will be able to exercise all such options. We will hold in escrow any shares received upon exercise, and the shares will be delivered to the executive only if he remains employed for the six-month period following the change of control. If the change of control is not consummated, the options will be treated as not having been exercised.

Employment Agreement with Mr. Cohen

We have entered into an employment agreement with Mr. David L. Cohen, one of our Executive Vice Presidents. The following is a description of the material terms of this agreement.

Term. The term of the agreement is from July 1, 2002 through January 2, 2006.

Base Salary. The agreement provides for an annual base salary of \$800,000 in 2002. For each year in the term subsequent to 2002, the base salary is increased by the greater of 5% or the percentage increase during the previous year in the consumer price index (up to a maximum of 10%).

Bonus; Stock Awards. Mr. Cohen is eligible to receive an annual performance bonus under our Executive Cash Bonus Plan for the year 2002 and each year through 2005 of up to 50% of his base salary for the applicable year. The amount of the bonus is determined annually by the Compensation Committee, based on our and Mr. Cohen's performance during such year, and is payable in cash or in shares of Class A Special common stock, at the discretion of the Compensation Committee. Mr. Cohen is also eligible to participate in our Supplemental Cash Bonus Plan. If any part of Mr. Cohen's compensation payable with respect to any taxable year is not deductible by us by reason of the limitation contained in Section 162(m) of the Internal Revenue Code of 1986, we will only pay amounts to the extent deductible. Amounts not paid will be deferred until a later taxable year.

Under the terms of the agreement, Mr. Cohen also received a grant of options to purchase 500,000 shares of Class A Special common stock on July 1, 2002, 30% of which vested on the second anniversary of the date of grant, 15% of which will vest on each of the third through fifth anniversaries of the date of grant, 5% of which will vest on each of the sixth through ninth anniversaries of the date of grant and 5% of which will vest six months after the ninth anniversary. He also received an award of 20,000 restricted shares of Class A Special common stock, 5,000 of which vested or will vest on each of January 2, 2003, 2004, 2005 and 2006.

Termination. If we terminate Mr. Cohen's employment without cause, he is entitled to receive his then-current base salary and all insurance, medical or other similar benefits for a period of two years from the date of termination, subject to offset by other compensation or benefits earned by him during such period, and he is entitled to receive his bonus for the year of termination. In addition, all restricted shares granted under the agreement that are unvested at the time of termination will vest. If such termination occurs prior to the fourth anniversary of the date he commenced employment with us, any options granted under the agreement that would have vested during this four-year period will vest as of the date of termination and remain exercisable for the remainder of their original term.

Noncompetition and Confidentiality. Under the agreement, Mr. Cohen has agreed not to compete with us during his employment and for one year after termination of his employment. The agreement also requires Mr. Cohen to maintain the confidentiality of our information and not to use such information, except for our benefit, at all times during his employment and for a period of one year after termination of his employment. Breach by Mr. Cohen of any of these obligations constitutes cause for termination of the agreement and terminates our obligations for payments subsequent to his termination.

Change of Control Provisions. Under the agreement, we must give Mr. Cohen at least 30 days' notice prior to the anticipated date of a change of control. Upon receipt of this notice, all options held by Mr. Cohen will become immediately exercisable in full. Until the day before the date of a change of control, he will be able to exercise all such options. If the change of control is not consummated, the options will be treated as not having been exercised.

Consulting Agreement with Mr. Armstrong

In connection with our acquisition of the AT&T Broadband business, we entered into an employment agreement with Mr. Armstrong. Under the terms of the employment agreement, we were obligated to enter into a consulting agreement with Mr. Armstrong if he retired from his position as Non-Executive Chairman of the Board prior to or at our 2004 annual meeting of shareholders. He retired from this position on May 26, 2004 and, on this date, we entered into a consulting agreement with him. The following is a description of the material terms of this agreement.

Term. The term of the consulting agreement is from May 26, 2004 until the one year anniversary of our regularly scheduled 2005 annual meeting of shareholders.

Position and Duties. During the term, Mr. Armstrong will serve as a senior advisor and consultant to us and will perform such strategic consulting and advisory services as are mutually agreed upon by Mr. Armstrong and Mr. Brian L. Roberts or his designee.

Compensation; Benefits. The consulting agreement provides that Mr. Armstrong will receive an annual consultancy fee of \$900,000. In addition, in recognition of his retirement from employment with us and his position as Non-Executive Chairman of the Board prior to the end of the original term of the employment agreement, when he entered into this agreement we paid him the base salary and bonus amounts that would have been due to him had he remained employed by us through the original term of the employment agreement. Mr. Armstrong is entitled to defer the receipt of amounts payable under the consulting agreement on substantially the same terms and conditions as if the amounts were earned while he was an employee participating in our deferred compensation plans. Any amounts previously deferred by Mr. Armstrong will continue to be credited with the same rate of interest as in effect under our deferred compensation plans with respect to the accounts of active employees, until the date that the consulting agreement is terminated. During the term of the agreement, Mr. Armstrong is entitled to primary personal use of an airplane on the same economic terms as Mr. Brian L. Roberts, home office support and tax preparation and financial counseling services (plus a tax gross-up with respect to such services, but only if it is provided to our other senior executives). We have also agreed to pay premiums on his existing universal life insurance policy, together with a gross-up for income taxes.

Stock Awards. Performance shares and stock options that were held by Mr. Armstrong prior to his becoming employed by us and which were converted into Comcast equity securities as a part of our acquisition of the AT&T Broadband business vested and were paid out, as applicable, on the date Mr. Armstrong became a consultant. Stock options granted to Mr. Armstrong in connection with his employment with us will continue to vest during the term of the consulting agreement and will become fully vested at the end of the term.

Termination. If Mr. Armstrong's service is terminated due to his death or disability, he or his beneficiaries will be entitled to the consultancy fee through the end of the month of such death or disability and all outstanding unvested stock options will vest and all options will be exercisable for the remainder of their original terms. In the event of a termination by us without cause or a constructive termination without cause, Mr. Armstrong will be provided with the following: the consultancy fee through the date of termination, an amount equal to \$1,800,000, four times Mr. Armstrong's base salary under his employment agreement (which was \$1,800,000) plus the target bonus amount under his employment agreement (150% of base salary), and all outstanding unvested stock options will vest and all options will be exercisable for the remainder of their original terms.

Upon a termination of his service prior to the end of the term of the consulting agreement, Mr. Armstrong will also be entitled to tax preparation and financial counseling services, primary personal use of one of our airplanes on the same economic terms as Mr. Brian L. Roberts and continued payment of premiums by us for his existing universal life insurance policy (together with a gross-up for income taxes), all through the original term of the consulting agreement, as well as home office support for the period beginning on the date of termination and ending two years after the end of the original term of the agreement.

Noncompetition. Under the consulting agreement, Mr. Armstrong has agreed not to compete with us during the term of the agreement.

Change of Control. If Mr. Armstrong's service is terminated following a change of control, the noncompetition provision described above will terminate. In addition, all outstanding equity-based awards will vest and become exercisable. In the event that any payments due to Mr. Armstrong under the agreement are subject to excise tax under Section 4999 of the Internal Revenue Code of 1986, we will provide Mr. Armstrong with a tax gross-up payment to negate the excise tax.

Employment Agreement with Mr. Brodsky

We have entered into an employment agreement with Mr. Julian A. Brodsky, our non-executive Vice Chairman. The following is a description of the material terms of this agreement, as amended.

Term. The term of the employment agreement is from May 1, 2002 to April 30, 2009.

Positions and Duties. From May 1, 2002 to April 30, 2004, Mr. Brodsky was one of our executive employees. From May 1, 2004 to April 30, 2009, Mr. Brodsky will be one of our non-executive employees. During the time that he is a non-executive employee, he will devote such time as is necessary for the performance of his duties, as we reasonably request.

Base Salary. The employment agreement provides that Mr. Brodsky will receive an annual base salary of \$837,560 in 2002, which base salary was increased on each of January 1, 2003 and January 1, 2004 by the greater of certain factors specified in the employment agreement. From May 1, 2004 to April 30, 2009, Mr. Brodsky will receive an annual base salary of \$600,000.

Bonus. For calendar years 2002, 2003 and a pro-rated portion of 2004, Mr. Brodsky was entitled to receive the maximum amount of his cash bonus under our Executive Cash Bonus Plan. He is no longer entitled to participate in this plan.

SERP; Post-Retirement Programs; Split-Dollar Life Insurance Arrangements. Mr. Brodsky is entitled to participate in our Supplemental Executive Retirement Plan; for purposes of this plan, his employment was deemed to terminate on April 30, 2004. At the end of the term, Mr. Brodsky will be eligible to participate in our post-retirement benefits plan for a number of years based upon his years of service with us. Upon termination of these post-retirement benefits, we will provide Mr. Brodsky and his spouse, for the remainder of their lives, a medical plan to supplement Medicare and will reimburse Mr. Brodsky and his spouse for amounts not paid or reimbursed by their health care plans so as to provide them with health care benefits equivalent to those available to our employees. We currently maintain two split-dollar life insurance arrangements for Mr. Brodsky under which we have no further obligation to pay any company-portion of the applicable premiums.

Termination of Employment. If Mr. Brodsky's employment is terminated due to his death, all outstanding stock options will vest and become exercisable for the remainder of their original terms, we will continue to pay to his surviving spouse his then current annual base salary for five years or, if earlier, until the date of her death, and we will provide health care benefits until the date of her death. If his employment is terminated due to disability, we will continue to pay his then current annual base salary for five years or, if earlier, until April 30, 2009, certain benefits (free cable and high speed data, parking at our corporate office and sports arenas and cell phone and service) will continue through this period, all outstanding stock options will vest and become exercisable for the remainder of their original terms and Mr. Brodsky will be entitled to participate in our post-retirement benefits plan based upon years of service with us. If Mr. Brodsky dies while receiving these benefits, we will provide benefits to his spouse as described above under termination due to death.

If we terminate Mr. Brodsky's employment without cause, Mr. Brodsky will be entitled to receive, for the remainder of the term, monthly payments of base salary (based on the highest annual base salary Mr. Brodsky received prior to his termination), amounts that would otherwise have been payable under our Executive Cash Bonus Plan and health care benefits, or, at his option, we will make available private health insurance, and the other benefits described above. In addition, all outstanding stock options will vest and become exercisable for the remainder of their original terms, and Mr. Brodsky will be reimbursed for the cost of obtaining office space and secretarial support for the remainder of the term comparable to what he had been provided with as an employee. At the end of the term, he will be entitled to participate in our post-retirement benefits plan. If Mr. Brodsky dies while receiving these benefits, we will provide benefits to his spouse as described above under termination due to death.

If Mr. Brodsky retires, all outstanding stock options will vest and become exercisable for the remainder of their original terms, Mr. Brodsky will be entitled to participate in our post-retirement benefits

plan based upon years of service with us, and he will continue to receive the other benefits described above through the remainder of the term. Upon termination of Mr. Brodsky's employment at the end of the term, all outstanding stock options will vest and become exercisable for the remainder of their original terms.

Under a separate agreement, Mr. Brodsky was also entitled to a \$30,000 payment each year for 15 years commencing on May 1, 2004, the date he became one of our non-executive employees. Pursuant to the terms of his employment agreement, he received a lump sum payout of \$326,800 in 2004, which was the present value of these annual payment obligations. This benefit reduced the benefits to which Mr. Brodsky was otherwise entitled to under our Supplemental Executive Retirement Plan with respect to 2004.

Noncompetition and Confidentiality. Under the employment agreement, Mr. Brodsky has agreed not to compete with us during his employment and for two years after termination of his employment for any reason other than a termination without cause. The employment agreement also requires him to maintain the confidentiality of our information and not to use such information, except for our benefit, at all times during his employment and after termination of his employment.

Change of Control Provisions. Prior to any change of control, we must establish and fund a grantor trust, the amounts in which will be subject to claims of our creditors in the case of our bankruptcy, for the purpose of paying all deferred compensation, nonqualified retirement benefits and split-dollar life insurance premiums and bonuses for Mr. Brodsky then applicable. Upon the occurrence of a change of control, such trust must become irrevocable, and we must continue to make payments into such trust to maintain sufficient amounts to fund all benefits subject to the trust. While our acquisition of the AT&T Broadband business in November 2002 was a change of control under the agreement, Mr. Brodsky elected to waive his right to have us fund the trust at that time; however, Mr. Brodsky may exercise this right at any time by providing notice to us.

Stock Performance Graph

The following graph compares the yearly percentage change in the cumulative total shareholder return on our Class A common stock and Class A Special common stock during the five years ended December 31, 2004 with the cumulative total return on the Standard & Poor's 500 Stock Index and with a selected peer group consisting of us and other companies engaged in the cable, telecommunications and media industries. The peer group (the "New Peer Group") consists of Cablevision Systems Corporation (Class A), Time Warner Inc., The DirecTV Group Inc. and Echostar Communications Corp. Previously, the peer group (the "Prior Peer Group") had consisted of Cablevision Systems Corporation (Class A), Cox Communications, Inc. and Charter Communications, Inc. (Class A). We have designated a new peer group excluding Cox Communications since it is no longer a public company and excluding Charter Communications because we have determined that the companies included in the New Peer Group are more appropriate for stock performance comparison and measurement purposes. The comparison assumes \$100 was invested on December 31, 1999 in our Class A common stock and Class A Special common stock and in each of the foregoing indices and assumes the reinvestment of dividends.

Report of the Compensation Committee

The Compensation Committee is responsible for approving the nature and amount of compensation to be paid to Comcast's executive officers, establishing and evaluating performance-based criteria and goals related to compensation, administering Comcast's equity-based and cash bonus plans, making grants of awards under these plans, determining the balance of short- and long-term compensation to be awarded under these plans with respect to any particular year and determining and overseeing Comcast's compensation and benefits policies generally. Our members are independent directors (as defined under Nasdaq rules), non-employee directors (as defined in Rule 16b-3 promulgated under Section 16 of the Securities and Exchange Act of 1934) and outside directors (as defined in Section 162(m) of the Internal Revenue Code of 1986). The Compensation Committee utilizes the services of an independent compensation consultant to assist it in carrying out its responsibilities and duties.

Compensation Policy. The committee seeks to offer those types of compensation that will serve to attract, motivate and retain highly qualified executive officers and key employees in an effort to enhance Comcast's success and shareholder value. In addition, our compensation policies are designed to align the interests of management with Comcast's shareholders. In order to do so, Comcast offers a range of short- and long-term and cash and non-cash compensation elements. We believe this serves the goals of compensating our executive officers competitively on a current basis, tying a significant portion of our executives' compensation to company performance and allowing our executive officers and key employees to gain an ownership stake in Comcast commensurate with their relative levels of seniority and responsibility. Each year, we perform a review of our executive compensation programs, compensation philosophy and committee mission and performance. In addition, each year we review the nature and amounts of all elements of our executive officers' compensation and evaluate these when making compensation-related determinations for the next year.

We believe that Comcast's competitors for executive talent are comprised of a broader range of companies than those with which Comcast is compared for stock performance purposes. Thus, the groups of companies with which we compare senior management compensation levels consist of a broader group than the companies included in the peer group index in the stock performance graph above. The compensation peer groups include companies in the entertainment/media industry (including The Walt Disney Company, Time Warner Inc. and Viacom Inc.), the telecommunications industry (including SBC Communications Inc., BellSouth Corporation and Verizon Communications Inc.), as well as companies having comparable revenues and total capitalizations. The determination of the peer groups to be used for compensation purposes was made in consultation with our compensation consultant. For 2004, our general goal was to provide the executive officers with total aggregate compensation that was around the 75th percentile of total compensation for executives with comparable positions within the peer groups identified above. In determining the compensation levels for our executives, we weighted more heavily the compensation earned by similarly situated executives in the entertainment/media peer group, as both we and our consultant increasingly view this group as the most relevant comparator group. In determining individual compensation amounts, we also considered the executives' length of service with Comcast, their contributions to Comcast during this period and the other factors described below.

Comcast's executive compensation program includes the following key components, which are more fully described below: base salary, performance-based annual cash bonuses and long-term equity compensation in the form of stock options and restricted stock units. In addition, the executive officers have the ability to participate in Comcast's deferred compensation plans, receive certain personal benefits in accordance with our management perquisite policy and participate in Comcast's employee benefit plans available to all employees. In 2004, with the assistance of our compensation consultant, we sought to achieve a mix of the key elements of compensation noted above to properly compensate and motivate the executives on both a short- and longer-term basis. We considered a variety of factors in arriving at the amount and mix of compensation paid or awarded to the executive officers. Key factors were the performance of Comcast measured by the achievement of quantitative goals and individual performance measured against quantitative and qualitative objectives, including the executive officer's individual responsibility and role with respect to overall corporate policy-making, management and administration.

Base Salary. In establishing base salary levels for 2004, we considered the terms of the executive officers' employment agreements, individual job responsibilities, duties and performance, and market data on base salary levels at peer group companies. We determined that an increase in base salary for each named executive officer was appropriate given his individual performance, Comcast's level of achievement of the performance goals under its annual bonus plans and the increased duties and responsibilities placed on each of the officers as a result of Comcast's continued growth, and approved an increase in base salaries to each of the named executive officers.

Bonuses. Annual cash bonuses for executive officers were granted under Comcast's 2002 Executive Cash Bonus Plan (the Executive Plan) and 2002 Supplemental Cash Bonus Plan (the Supplemental Plan), each of which was recommended by, and designed in consultation with, our compensation consultant and previously approved by shareholders. The target bonus for each of the named executive officers under these plans is based on our assessment of the optimal mix of base and annual short-term bonus cash compensation and is made with the assistance of our compensation consultant analyzing market data on short-term bonuses at peer group companies. In 2004, the target bonus for Mr. Brian L. Roberts under the Executive Plan, expressed as a percentage of base salary, remained at 150%, and the target bonus for the other named executive officers remained at 50%. The target bonus for Mr. Brian L. Roberts under the Supplemental Plan remained at 150% of salary, and the target bonus for the other named executive officers remained at 50%.

Under the Executive Plan, each executive designated by us was eligible to earn an annual bonus of up to 150% of the sum of his or her base salary and any unearned bonus from any prior plan year, but not more than a total of \$3 million, based on quantitative annual cash flow performance targets we established in advance. In 2004, we established two separate increase in cash flow targets under this plan. If Comcast achieved the first target, an executive would receive two-thirds of his target bonus amount and if Comcast achieved the second (higher) target, an executive would receive 100% of the target amount. Comcast achieved greater than 100% of these cash flow targets in 2004, which resulted in bonuses equal to the target amounts being paid to the named executive officers under this plan.

Under the Supplemental Plan, each executive designated by us was eligible to earn an annual bonus of a percentage of his or her base salary, but no more than a total of \$5 million, based on annual quantitative and qualitative performance targets we established in advance. Under this plan, we set varying qualitative and quantitative targets to measure performance and do so based on the positions and responsibilities of eligible employees. In 2004, we determined that the most significant metric to measure company performance as it relates to the named executive officers was increase in cash flow and set cash flow targets under this plan with higher thresholds than those under the Executive Plan. Each executive was eligible to receive a bonus equal to 80-120% of target, depending on the cash flow achieved. Comcast achieved greater than 100% of this cash flow target in 2004, which resulted in bonuses of 112.2% of the target amounts being paid to the named executive officers under this plan.

Equity-Based Incentive Compensation. Comcast's equity-based incentive compensation had historically been in the form of stock options. In 2004, after discussion with our compensation consultant, we decided to redesign Comcast's long-term equity compensation program to include grants of restricted stock units since we determined that the use of restricted stock units would further promote our goal of employee retention, as well as deliver value to our employees, including our executive officers. Given Comcast's long history of possessing an entrepreneurial culture and its focus on continued growth, we determined that a mixture of equity awards that was weighted with 75% of the value derived from the grant of stock options and 25% of the value derived from the grant of restricted stock units would be the optimal mix for Comcast and its executive officers and other employees. We believe that reliance upon long-term equity compensation is advantageous to Comcast because this type of compensation fosters a long-term commitment by the recipients and motivates the recipients to seek to improve the long-term market performance of Comcast's stock. In general, total equity award grants were based on a proportional relationship to the expected cash compensation of each executive officer, taking into account prior equity grants and grants made at the same time to other executives, as well as the value of equity-based compensation awarded to comparable executives at peer companies.

We seek to achieve the long-term objectives of equity compensation in part by extending the vesting period for options over a longer time period than is the case with many other companies. For example, with respect to the options granted to Mr. Brian L. Roberts and the other executive officers during 2004, one-half of each individual's options vests over five years and one-half vests over a period of nine years and six months. Restricted stock units and restricted shares granted during 2004 to the named executive officers, other than Mr. Burke, vest 15% on each of the first four anniversaries of the date of grant and 40% on the fifth anniversary. One-third of Mr. Burke's restricted share award vested on the first anniversary of the date of grant and the remainder vests in equal installments on the second through fifth anniversaries of the date of grant.

Deferred Compensation Plans. Comcast maintains deferred compensation plans that allow certain of its employees, including its executive officers, to defer the receipt of cash compensation and restricted stock units. These plans are not funded plans.

Executive Perquisites and Other Benefits. Comcast's policy on the provision of executive perquisites with respect to Mr. Brian L. Roberts and Mr. Ralph J. Roberts is to allow each of them to receive perquisites up to a maximum value of \$50,000. If either receives benefits that would otherwise be considered perquisites in excess of this amount, he is required to pay Comcast the amount of such excess. With respect to the other named executive officers, they are required to pay Comcast for the full value of any benefits that would be considered perquisites, other than the provision of parking at Comcast's headquarters. In addition, Comcast pays, or reimburses, premiums on life and executive long-term disability insurance policies for all named executive officers who participate in these plans and provides a tax gross-up with respect to certain of these payments.

Acceleration of Certain Options. In 2004, we decided to accelerate the vesting of all unvested options granted prior to 2003 to purchase Class A Special common stock with an exercise price of \$34 or higher held by current employees, including all executive officers. Because these options have exercise prices in excess of current market values (are underwater), and were not fully achieving their original objectives of incentive compensation and employee retention, we determined that the acceleration may have a positive effect on employee morale, retention and perception of option value. The acceleration also took into account the fact that in December 2004, Comcast completed the repurchase of stock options held by certain non-employees for cash (including underwater options) under a stock option liquidity program, and that no such offer (nor any other solution for underwater options) was made to current employees. This acceleration eliminates the future compensation expense Comcast would otherwise recognize once the new stock option expensing rules become effective. All executive officers agreed to not sell any shares acquired through the exercise of an option so accelerated (other than shares withheld for purposes of satisfying income tax liabilities in connection with such option exercises) prior to the date on which the exercise would have been permitted under the option's original vesting terms.

Compensation of Mr. Brian L. Roberts. Mr. Brian L. Roberts' compensation for 2004 was determined under the terms of his compensation agreement (a summary of the material terms of this agreement can be found under Agreements with Executive Officers and Directors' Compensation Agreement with Mr. Brian L. Roberts). The levels of compensation provided under this agreement were determined when such agreement was entered into and at the time of its subsequent amendment in 2002 in connection with the company's acquisition of the AT&T Broadband business. In advising us on the design and formation of this agreement, our consultant considered the compensation levels of chief executive officers at peer group companies. In approving the compensation agreement and the amendment to it, this committee also took into account an assessment of the importance of maintaining the continued active participation of Mr. Roberts in Comcast's affairs over the periods covered by the agreement, Comcast's growth and overall performance during these periods and the increased responsibilities of Mr. Roberts following Comcast's acquisition of the AT&T Broadband business.

Mr. Roberts' compensation in 2004 consisted of the salary and benefits as determined under his compensation agreement and short-term incentive compensation consisting of awards under the Executive Plan and Supplemental Plan described above as well as an additional discretionary bonus under the

Supplemental Plan in an amount equal to the difference between the amount that would have been payable to Mr. Roberts under the Executive Plan (based on his target bonus and the achievement of greater than 100% of the targets under this plan) and the amount that was actually paid to him, as a result of the individual limit under this plan. In addition, Mr. Roberts received long-term incentive compensation consisting of a grant of options under Comcast's stock option plans to purchase a total of 800,000 shares of Class A common stock and a grant of 110,000 restricted stock units with respect to Class A common stock. In determining whether to increase Mr. Roberts' base salary and in setting the other elements of his compensation, we took also into account the financial performance of Comcast and Mr. Roberts' individual performance over the past year, including his strong and consistent management of Comcast. With respect to Mr. Roberts' short-term incentive awards, we set target bonuses based on the achievement of a specific quantitative performance measure (increase in cash flow) under both the Executive Case Bonus Plan and the Supplemental Cash Bonus Plan. In determining Mr. Roberts' total long-term incentives, we took into account our goal to provide total compensation to Mr. Roberts which is relative to executives with comparable positions at peer group companies.

Effect of Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code of 1986 provides generally that compensation in excess of \$1 million paid to each of the chief executive officer and the other four most highly compensated executive officers of a public company (determined as of the last day of the company's tax year) will not be deductible for federal income tax purposes, unless the compensation meets the Internal Revenue Code's definition of performance-based. We conduct an ongoing review of Comcast's compensation practices for purposes of obtaining the maximum continued deductibility of compensation paid consistent with Comcast's existing commitments and ongoing competitive needs. While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of our and Comcast's overall compensation philosophy. From time to time, we have awarded and may award compensation which is not fully deductible if we determine that such award is consistent with this philosophy and is in the best interests of Comcast and its shareholders.

(c) Meetings. The Committee shall hold meetings at such times and places as it may determine. Acts approved at a meeting by a majority of the members of the Committee or acts approved in writing by the unanimous consent of the members of the Committee shall be the valid acts of the Committee.

(d) Exculpation. No member of the Committee shall be personally liable for monetary damages for any action taken or any failure to take any action in connection with the administration of the Plan or the granting of Awards thereunder unless (i) the member of the Committee has breached or failed to perform the duties of his office, and (ii) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness; provided, however, that the provisions of this Paragraph 5(d) shall not apply to the responsibility or liability of a member of the Committee pursuant to any criminal statute.

(e) Indemnification. Service on the Committee shall constitute service as a member of the Board. Each member of the Committee shall be entitled without further act on his part to indemnity from the Company to the fullest extent provided by applicable law and the Company's Articles of Incorporation and By-laws in connection with or arising out of any action, suit or proceeding with respect to the administration of the Plan or the granting of Awards thereunder in which he may be involved by reason of his being or having been a member of the Committee, whether or not he continues to be such member of the Committee at the time of the action, suit or proceeding.

(f) Delegation of Authority. The Committee may delegate to an officer of the Company, or a committee of two or more officers of the Company, discretion under the Plan to grant Restricted Stock and/or Restricted Stock Units to any Grantee other than a Grantee who, at the time of the grant:

- (i) has a base salary of \$500,000 or more;
- (ii) holds a position with Comcast Corporation of Senior Vice President or a position of higher rank than Senior Vice President; or
- (iii) is subject to the short-swing profit recapture rules of section 16(b) of the 1934 Act.

(g) Termination of Delegation of Authority. Any delegation of authority described in Paragraph 5(f) shall continue in effect until the earliest of:

- (i) such time as the Committee shall, in its discretion, revoke such delegation of authority;
- (ii) the delegate shall cease to be an employee of the Company for any reason; or
- (iii) the delegate shall notify the Committee that he declines to continue exercise such authority.

6. ELIGIBILITY

Awards may be granted only to Eligible Employees and, subject to the approval of the shareholders of the Company at the Annual Meeting of Shareholders of the Company to be held in 2005, Non-Employee Directors.

7. RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

The Committee may grant Awards in accordance with the Plan, provided that the Board or the Committee may grant Awards to Non-Employee Directors authorized by the Comcast Corporation 2002 Non-Employee Director Compensation Plan, or otherwise. With respect to Awards to Non-Employee Directors, the rules of this Section 7 shall apply so that either the Board or the Committee acting alone shall have all of the authority otherwise reserved in this Section 7 to the Committee.

The terms and conditions of Awards shall be set forth in writing as determined from time to time by the Committee, consistent, however, with the following:

(a) Time of Grant. All Awards shall be granted within ten (10) years from the date of adoption of the Plan by the Board.

(b) Terms of Awards. The provisions of Awards need not be the same with respect to each Grantee. No cash or other consideration shall be required to be paid by the Grantee in exchange for an Award.

(c) Awards and Agreements. Each Grantee shall be provided with an agreement specifying the terms of an Award. In addition, a certificate shall be issued to each Grantee in respect of Restricted Shares subject to an Award. Such certificate shall be registered in the name of the Grantee and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Award. The Company may require that the certificate evidencing such Restricted Stock be held by the Company until all restrictions on such Restricted Stock have lapsed.

(d) Restrictions. Subject to the provisions of the Plan and the Award, the Committee may establish a period commencing with the Date of Grant during which the Grantee shall not be permitted to sell, transfer, pledge or assign Restricted Stock awarded under the Plan.

(e) Vesting/ Lapse of Restrictions. Subject to the provisions of the Plan and the Award, a Vesting Date for Restricted Stock or Restricted Stock Units subject to an Award shall occur at such time or times and on such terms and conditions as the Committee may determine and as are set forth in the Award; provided, however, that except as otherwise provided by the Committee, a Vesting Date shall occur only if the Grantee is an employee of a Participating Company as of such Vesting Date, and has been an employee of a Participating Company continuously from the Date of Grant. The Award may provide for Restricted Stock or Restricted Stock Units to vest in installments, as determined by the Committee. The Committee may, in its sole discretion, waive, in whole or in part, any remaining conditions to vesting with respect to such Grantee's Restricted Stock or Restricted Stock Units. All references to Shares in Awards granted before the consummation of the AT&T Broadband Transaction as to which a Vesting Date has not occurred shall be deemed to be references to Special Common Stock.

(f) Rights of the Grantee. Grantees may have such rights with respect to Shares subject to an Award as may be determined by the Committee and set forth in the Award, including the right to vote such Shares, and the right to receive dividends paid with respect to such Shares. A Grantee whose Award consists of Restricted Stock Units shall not have the right to vote or to receive dividend equivalents with respect to such Restricted Stock Units.

(g) Termination of Grantee's Employment. A transfer of an Eligible Employee between two employers, each of which is a Participating Company, shall not be deemed a termination of employment. In the event that a Grantee terminates employment with all Participating Companies, all Restricted Shares and/or Restricted Stock Units as to which a Vesting Date has not occurred shall be forfeited by the Grantee and deemed canceled by the Company.

(h) Delivery of Shares. Except as otherwise provided by Paragraph 8, when a Vesting Date occurs with respect to all or a portion of an Award of Restricted Stock or Restricted Stock Units, the Company shall notify the Grantee that a Vesting Date has occurred, and shall deliver to the Grantee (or the Grantee's Successor-in-Interest) a certificate for the number of Shares as to which a Vesting Date has occurred (or in the case of Restricted Stock Units, the number of Shares represented by such Restricted Stock Units) without any legend or restrictions (except those that may be imposed by the Committee, in its sole judgment, under Paragraph 9(a)). The right to payment of any fractional Shares that may have accrued shall be satisfied in cash, measured by the product of the fractional amount times the Fair Market Value of a Share at the Vesting Date, as determined by the Committee.

8. DEFERRAL ELECTIONS

A Grantee may elect to defer the receipt of Shares that would otherwise be issuable with respect to Restricted Stock or Restricted Stock Units as to which a Vesting Date has occurred, as provided by the Committee in the Award, consistent, however, with the following:

(a) Initial Election.

- (i) Election. Each Grantee who is a Non-Employee Director or a Deferral Eligible Employee shall have the right to defer the receipt of some or all of the Shares issuable with respect to Restricted Stock or Restricted Stock Units as to which a Vesting Date has not yet occurred, by filing an Initial Election to defer the receipt of such Shares on a form provided by the Committee for this purpose.
- (ii) Deadline for Initial Election. No Initial Election to defer the receipt of Shares issuable with respect to Restricted Stock or Restricted Stock Units that are not Performance-Based Compensation shall be effective unless it is filed with the Committee on or before the 30th day following the Date of Grant provided that pursuant to Q-A 21 of *IRS Notice 2005-1*, to the extent provided by the Committee or its delegate, a Grantee may, on or before March 15, 2005, make an Initial Election with respect to Restricted Stock or Restricted Stock Units that were granted before January 1, 2005 and were not vested on December 31, 2004, and with respect to Restricted Stock or Restricted Stock Units that may be granted after December 31, 2004, provided further that the Restricted Stock or Restricted Stock Units to which the Initial Election relates have not been vested at the time the Initial Election is filed. No Initial Election to defer the receipt of Shares issuable with respect to Restricted Stock or Restricted Stock Units that are Performance-Based Compensation shall be effective unless it is filed with the Administrator at least six months before the end of the Performance Period during which such Performance-Based Compensation may be earned.
- (iii) Special Transition Rule. Pursuant to Q-A 20 of *IRS Notice 2005-1*, to the extent provided by the Committee or its delegate, a Grantee may, on or before December 31, 2005, terminate the deferral of Restricted Stock or Restricted Stock Units pursuant to an Initial Election or cancel an Initial Election with regard to amounts deferred under the Plan, provided that if a Grantee terminates the deferral of Compensation pursuant to an Initial Election under this Paragraph 8(a)(iii), the Company shall pay the Grantee the Compensation that would have been deferred if the deferral of Compensation had not been terminated, and provided further that if a Grantee cancels an Initial Election with regard to amounts deferred under the Plan, the Company shall pay the Grantee the amount deferred pursuant to such Initial Election through the cancellation date, plus income, gains and losses credited with respect thereto as provided in this Article VIII.

(b) Effect of Failure of Vesting Date to Occur. An Election shall be null and void if a Vesting Date with respect to the Restricted Stock or Restricted Stock Units does not occur before the distribution date for Shares issuable with respect to such Restricted Stock or Restricted Stock Units identified in such Election.

(c) Deferral Period. Except as otherwise provided in Paragraph 8(d), all Shares issuable with respect to Restricted Stock or Restricted Stock Units that are subject to an Election shall be delivered to the Grantee (or the Grantee's Successor-in-Interest) without any legend or restrictions (except those that may be imposed by the Committee, in its sole judgment, under Paragraph 9(a)), on the distribution date for such Shares designated by the Grantee on the most recently filed Election. Subject to acceleration or deferral pursuant to Paragraph 8(d) or Paragraph 11, no distribution may be made earlier than January 2nd of the third calendar year beginning after the Vesting Date, nor later than January 2nd of the eleventh calendar year beginning after the Vesting Date. The distribution date may vary with each separate Election.

(d) Additional Elections. Notwithstanding anything in this Paragraph 8(d) to the contrary, no Subsequent Election shall be effective until 12 months after the date on which such Subsequent Election is made.

- (i) Each Active Grantee who has previously made an Initial Election to receive a distribution of part or all of his or her Account, or who, pursuant to this Paragraph 8(d)(i) has made a Subsequent Election to defer the distribution date for Shares issuable with respect to Restricted Stock or Restricted Stock Units for an additional period from the originally-elected distribution date, may elect to defer the distribution date for a minimum of five and a maximum of ten additional years from the previously-elected distribution date, by filing a Subsequent Election with the Committee on or before the close of business at least one year before the date on which the distribution would otherwise be made.
- (ii) A Deceased Grantee's Successor-in-Interest may elect to: (A) file a Subsequent Election to defer the distribution date for the Deceased Grantee's Shares issuable with respect to Restricted Stock or Restricted Stock Units for a minimum of five additional years from the date payment would otherwise be made; or (B) file an Acceleration Election to accelerate the distribution date for the Deceased Grantee's Shares issuable with respect to Restricted Stock or Restricted Stock Units from the date payment would otherwise be made to a date that is as soon as practicable following the Deceased Grantee's death. A Subsequent Election must be filed with the Committee at least one year before the date on which the distribution would otherwise be made, as reflected on the Deceased Grantee's last Election. An Acceleration Election pursuant to this Paragraph 8(d)(ii) must be filed with the Committee as soon as practicable following the Deceased Grantee's death, as determined by the Committee.
- (iii) A Disabled Grantee may elect to accelerate the distribution date of the Disabled Grantee's Shares issuable with respect to Restricted Stock or Restricted Stock Units from the date payment would otherwise be made to a date that is as soon as practicable following the date the Disabled Grantee became disabled. An Acceleration Election pursuant to this Paragraph 8(d)(iii) must be filed with the Committee as soon as practicable following the Deceased Grantee's death, as determined by the Committee.
- (iv) A Retired Grantee may elect to defer the distribution date of the Retired Grantee's Shares issuable with respect to Restricted Stock or Restricted Stock Units for a minimum of five additional years from the date payment would otherwise be made (provided that if a Subsequent Election is made pursuant to this Paragraph 8(d)(iv), the Retired Grantee's Account shall be distributed in full on or before the later of the fifth anniversary of the Retired Grantee's Normal Retirement or the fifth anniversary of the date that payment would otherwise have been made. A Subsequent Election must be filed with the Committee at least one year before the date on which the distribution would otherwise be made, as reflected on the Retired Grantee's last Election.
- (v) Discretion to Provide for Distribution in Full Upon or Following a Change of Control. To the extent permitted by *IRS Notice 2005-1*, in connection with a Change of Control, and

for the 12-month period following a Change of Control, the Committee may exercise its discretion to terminate the deferral provisions of the Plan and, notwithstanding any other provision of the Plan or the terms of any Initial Election or Subsequent Election, distribute the Account of each Grantee in full and thereby effect the revocation of any outstanding Initial Elections or Subsequent Elections.

- (vi) Hardship. Notwithstanding the terms of an Initial Election or Subsequent Election, if, at the Grantee's request, the Committee determines that the Grantee has incurred a Hardship, the Committee may, in its discretion, authorize the immediate distribution of all or any portion of the Grantee's Account.
- (vii) Other Acceleration Events. To the extent permitted by Q-A 15 of *IRS Notice 2005-1*, notwithstanding the terms of an Initial Election or Subsequent Election, distribution of all or part of a Grantee's Account may be made:
 - (1) To the extent necessary to fulfill a domestic relations order (as defined in section 414(p)(1)(B) of the Code).
 - (2) To the extent necessary to comply with a certificate of divestiture (as defined in section 1043(b)(2) of the Code).
 - (3) To pay the Federal Insurance Contribution Act (FICA) tax imposed under sections 3101 and 3121(v)(2) of the Code on compensation deferred under the Plan (the FICA Amount) plus the income tax at source on wages imposed under section 3401 of the Code with respect to the FICA Amount, and to pay the additional income tax at source on wages attributable to the pyramiding section 3401 wages and taxes, provided that the total amount distributable under this Paragraph 8(d)(vii)(3) shall not exceed the sum of the FICA Amount and the income tax withholding related to such FICA Amount.

(e) Book Accounts. An Account shall be established for each Grantee who makes an Election. Deferred Stock Units shall be credited to the Account as of the date an Election becomes effective. Each Deferred Stock Unit will represent, as applicable, either a hypothetical share of Common Stock or a hypothetical share of Special Common Stock credited to the Account in lieu of delivery of the Shares to which the Election applies. To the extent an Account is deemed invested in the Income Fund, the Committee shall credit earnings with respect to such Account at the Applicable Interest Rate, as further provided in Paragraph 8(g).

(f) Plan-to-Plan Transfers. The Administrator may delegate its authority to arrange for plan-to-plan transfers as described in this Paragraph 8(f) to an officer of the Company or committee of two or more officers of the Company.

- (i) The Administrator may, with a Grantee's consent, make such arrangements as it may deem appropriate to transfer the Company's obligation to pay benefits with respect to such Grantee which have not become payable under this Plan, to another employer, whether through a deferred compensation plan, program or arrangement sponsored by such other employer or otherwise, or to another deferred compensation plan, program or arrangement sponsored by the Company or an Affiliate. Following the completion of such transfer, with respect to the benefit transferred, the Grantee shall have no further right to payment under this Plan.
- (ii) The Administrator may, with a Grantee's consent, make such arrangements as it may deem appropriate to assume another employer's obligation to pay benefits with respect to such Grantee which have not become payable under the deferred compensation plan, program or arrangement under which such future right to payment arose, to the Plan, or to assume a future payment obligation of the Company or an Affiliate under another plan, program or arrangement sponsored by the Company or an Affiliate. Upon the

completion of the Plan's assumption of such payment obligation, the Administrator shall establish an Account for such Grantee, and the Account shall be subject to the rules of this Plan, as in effect from time to time.

(iii) Pursuant to Q-A 19(c) of *IRS Notice 2005-1*, to the extent provided by the Committee or its delegate, a Grantee may, on or before December 31, 2005, with respect to all or any portion of his or her Grandfathered Amount under the Plan as in effect on December 31, 2004, make new payment elections as to the form and timing of payment of such amounts as may be permitted under this Plan, provided that following the completion of such new payment election, such amounts shall not be treated as a Grandfathered Amount, but instead shall be treated as a non-Grandfathered Amount, subject to the rules of this Plan.

(g) Crediting of Income, Gains and Losses on Accounts. Except as otherwise provided in Paragraph 8(h), the value of a Grantee's Account as of any date shall be determined as if it were invested in the Company Stock Fund.

(h) Diversification Elections.

(i) In General. A Diversification Election shall be available: (A) at any time that a Registration Statement filed under the 1933 Act (a "Registration Statement") is effective with respect to the Plan; and (B) with respect to a Special Diversification Election, if and to the extent that the opportunity to make such a Special Diversification Election has been approved by the Committee. No approval is required for a Diversification Election other than a Special Diversification Election.

(ii) Committee Approval of Special Diversification Elections. The opportunity to make a Special Diversification Election and the extent to which a Special Diversification Election applies to Deferred Stock Units credited to the Company Stock Fund may be approved or rejected by the Committee in its sole discretion. A Special Diversification Election shall only be effective if (and to the extent) approved by the Committee.

(iii) Timing and Manner of Making Diversification Elections. Each Grantee and, in the case of a Deceased Grantee, the Successor-in-Interest, may make a Diversification Election to convert up to 40 percent (or in the case of a Special Diversification Election, up to the approved percentage) of Deferred Stock Units attributable to each grant of Restricted Stock or Restricted Stock Units credited to the Company Stock Fund to the Income Fund. No deemed transfers shall be permitted from the Income Fund to the Company Stock Fund. Diversification Elections under this Paragraph 8(h)(iii) shall be prospectively effective on the later of: (A) the date designated by the Grantee on a Diversification Election filed with the Committee; or (B) the business day next following the lapse of six months from the date Deferred Stock Units subject to the Diversification Election are credited to the Grantee's Account. In no event may a Diversification Election be effective earlier than the business day next following the lapse of six (6) months from the date Deferred Stock Units are credited to the Account following the lapse of restrictions with respect to an Award.

(iv) Timing of Credits. Account balances subject to a Diversification Election under this Paragraph 8(h) shall be deemed transferred from the Company Stock Fund to the Income Fund immediately following the effective date of such Diversification Election. The value of amounts deemed invested in the Income Fund immediately following the effective date of a Diversification Election shall be based on hypothetical sales of Common Stock or Special Common Stock, as applicable, underlying the liquidated Deferred Stock Units at Fair Market Value as of the effective date of a Diversification Election.

(i) Effect of Distributions within Five Years of Effective Date of Diversification Election. If, pursuant to Paragraphs 8(a) through 8(d), Shares distributable with respect to Deferred Stock Units credited to the Company Stock Fund that are attributable to an Award as to which a Diversification Election was made are distributed on or before the fifth anniversary of the effective date of such Diversification Election (and, in the case of a Grantee who is a Successor-in-Interest, whether or not such Diversification Election was made by a Grantee's predecessor-in-interest), then, except as may otherwise be provided by the Committee in its sole and absolute discretion, the following percentage of the Grantee's Account credited to the Income Fund and attributable to such Diversification Election shall be distributed simultaneously with such Shares, without regard to any election to the contrary:

Time that Shares are Distributable	Distributable Percentage of Corresponding Income Fund Amount
On or before the third anniversary of a Diversification Election	60%
After the third anniversary of a Diversification Election and on or before the fourth anniversary of a Diversification Election	40%
After the fourth anniversary of a Diversification Election and on or before the fifth anniversary of a Diversification Election	20%
After the fifth anniversary of a Diversification Election	0%

(j) Grantees' Status as General Creditors. A Grantee's right to delivery of Shares subject to an Election under this Paragraph 8, or to amounts deemed invested in the Income Fund pursuant to a Diversification Election, shall at all times represent the general obligation of the Company. The Grantee shall be a general creditor of the Company with respect to this obligation, and shall not have a secured or preferred position with respect to such obligation. Nothing contained in the Plan or an Award shall be deemed to create an escrow, trust, custodial account or fiduciary relationship of any kind. Nothing contained in the Plan or an Award shall be construed to eliminate any priority or preferred position of a Grantee in a bankruptcy matter with respect to claims for wages.

(k) Non-Assignability, Etc. The right of a Grantee to receive Shares subject to an Election under this Paragraph 8, or to amounts deemed invested in the Income Fund pursuant to a Diversification Election, shall not be subject in any manner to attachment or other legal process for the debts of such Grantee; and no right to receive Shares or cash payments hereunder shall be subject to anticipation, alienation, sale, transfer, assignment or encumbrance.

9. SECURITIES LAWS; TAXES

(a) Securities Laws. The Committee shall have the power to make each grant of Awards under the Plan subject to such conditions as it deems necessary or appropriate to comply with the then-existing requirements of the 1933 Act and the 1934 Act, including Rule 16b-3. Such conditions may include the delivery by the Grantee of an investment representation to the Company in connection with a Vesting Date occurring with respect to Shares subject to an Award, or the execution of an agreement by the Grantee to refrain from selling or otherwise disposing of the Shares

acquired for a specified period of time or on specified terms.

(b) Taxes. Subject to the rules of Paragraph 9(c), the Company shall be entitled, if necessary or desirable, to withhold the amount of any tax, charge or assessment attributable to the grant of any Award or the occurrence of a Vesting Date with respect to any Award. The Company shall not be required to deliver Shares pursuant to any Award until it has been indemnified to its satisfaction for any such tax, charge or assessment.

B-14

(c) Payment of Tax Liabilities; Election to Withhold Shares or Pay Cash to Satisfy Tax Liability.

- (i) In connection with the grant of any Award or the occurrence of a Vesting Date under any Award, the Company shall have the right to (A) require the Grantee to remit to the Company an amount sufficient to satisfy any federal, state and/or local withholding tax requirements prior to the delivery or transfer of any certificate or certificates for Shares subject to such Award, or (B) take any action whatever that it deems necessary to protect its interests with respect to tax liabilities. The Company's obligation to make any delivery or transfer of Shares shall be conditioned on the Grantee's compliance, to the Company's satisfaction, with any withholding requirement.
- (ii) Except as otherwise provided in this Paragraph 9(c)(ii), any tax liabilities incurred in connection with grant of any Award or the occurrence of a Vesting Date under any Award under the Plan shall be satisfied by the Company's withholding a portion of the Shares subject to such Award having a Fair Market Value approximately equal to the minimum amount of taxes required to be withheld by the Company under applicable law, unless otherwise determined by the Committee with respect to any Grantee. Notwithstanding the foregoing, the Committee may permit a Grantee to elect one or both of the following: (A) to have taxes withheld in excess of the minimum amount required to be withheld by the Company under applicable law; provided that the Grantee certifies in writing to the Company at the time of such election that the Grantee owns Other Available Shares having a Fair Market Value that is at least equal to the Fair Market Value to be withheld by the Company in payment of withholding taxes in excess of such minimum amount; and (B) to pay to the Company in cash all or a portion of the taxes to be withheld in connection with such grant or Vesting Date. In all cases, the Shares so withheld by the Company shall have a Fair Market Value that does not exceed the amount of taxes to be withheld minus the cash payment, if any, made by the Grantee. Any election pursuant to this Paragraph 9(c)(ii) must be in writing made prior to the date specified by the Committee, and in any event prior to the date the amount of tax to be withheld or paid is determined. An election pursuant to this Paragraph 9(c)(ii) may be made only by a Grantee or, in the event of the Grantee's death, by the Grantee's legal representative. No Shares withheld pursuant to this Paragraph 9(c)(ii) shall be available for subsequent grants under the Plan. The Committee may add such other requirements and limitations regarding elections pursuant to this Paragraph 9(c)(ii) as it deems appropriate.

10. CHANGES IN CAPITALIZATION

The aggregate number of Shares and class of Shares as to which Awards may be granted and the number of Shares covered by each outstanding Award shall be appropriately adjusted in the event of a stock dividend, stock split, recapitalization or other change in the number or class of issued and outstanding equity securities of the Company resulting from a subdivision or consolidation of the Shares and/or other outstanding equity security or a recapitalization or other capital adjustment (not including the issuance of Shares and/or other outstanding equity securities on the conversion of other securities of the Company which are convertible into Shares and/or other outstanding equity securities) affecting the Shares which is effected without receipt of consideration by the Company. The Committee shall have authority to determine the adjustments to be made under this Paragraph 10 and any such determination by the Committee shall be final, binding and conclusive.

11. TERMINATING EVENTS

The Committee shall give Grantees at least thirty (30) days' notice (or, if not practicable, such shorter notice as may be reasonably practicable) prior to the anticipated date of the consummation of a Terminating Event. The Committee may, in its discretion, provide in such notice that upon the consummation of such Terminating Event, any conditions to the occurrence of a Vesting Date with respect to an Award of Restricted Stock or Restricted Stock Units (other than Restricted Stock or Restricted

Stock Units that have previously been forfeited) shall be eliminated, in full or in part. Further, the Committee may, in its discretion, provide in such notice that notwithstanding any other provision of the Plan or the terms of any Election made pursuant to Paragraph 8, upon the consummation of a Terminating Event, Shares issuable with respect to Restricted Stock or Restricted Stock Units subject to an Election made pursuant to Paragraph 8 shall be transferred to the Grantee, and all amounts credited to the Income Fund shall be paid to the Grantee.

12. CLAIMS PROCEDURE

If an individual (hereinafter referred to as the Applicant, which reference shall include the legal representative, if any, of the individual) does not receive timely payment of benefits to which the Applicant believes he is entitled under Paragraph 8 of the Plan, the Applicant may make a claim for benefits in the manner hereinafter provided.

An Applicant may file a claim for benefits with the Committee on a form supplied by the Committee. If the Committee wholly or partially denies a claim, the Committee shall provide the Applicant with a written notice stating:

- (a) The specific reason or reasons for the denial;
- (b) Specific reference to pertinent Plan provisions on which the denial is based;
- (c) A description of any additional material or information necessary for Applicant to perfect the claim and an explanation of why such material or information is necessary; and
- (d) Appropriate information as to the steps to be taken in order to submit a claim for review.

Written notice of a denial of a claim shall be provided within 90 days of the receipt of the claim, provided that if special circumstances require an extension of time for processing the claim, the Committee may notify the Applicant in writing that an additional period of up to 90 days will be required to process the claim.

If the Applicant's claim is denied, the Applicant shall have 60 days from the date of receipt of written notice of the denial of the claim to request a review of the denial of the claim by the Committee. Request for review of the denial of a claim must be submitted in writing. The Applicant shall have the right to review pertinent documents and submit issues and comments to the Committee in writing. The Committee shall provide a written decision within 60 days of its receipt of the Applicant's request for review, provided that if special circumstances require an extension of time for processing the review of the Applicant's claim, the Committee may notify the Applicant in writing that an additional period of up to 60 days shall be required to process the Applicant's request for review.

It is intended that the claims procedures of this Plan be administered in accordance with the claims procedure regulations of the Department of Labor set forth in 29 CFR § 2560.503-1.

Claims for benefits under the Plan must be filed with the Committee at the following address:
